No, You Shut Up

With more than 900 knitting patterns--including 100 that are brand new--covering everything from knit and purl to colorwork, this is the most comprehensive knitting stitch dictionary ever published. A companion volume to *Vogue Knitting: The Ultimate Knitting Book*, this ultimate stitch dictionary compiles the best of the *Vogue Knitting Stitchionary* series into a single huge and comprehensive volume. More than 900 stitches, including 100 entirely new examples, encompass knit and purl textures, cables, lace, colorwork, edgings, and other original combinations. Pulled from actual patterns that appeared in *Vogue Knitting* magazine, these stitches come from a range of top designers and are as unique as their creators. Use the patterns as written or tweak them, combine stitches for beautiful effects, and find inspiration to design your own stitches, garments, and accessories. The patterns feature both text and chart instructions whenever possible to accommodate every learning style. Featuring enhanced photography, hundreds of additional charts, and an index, *Vogue Knitting: The Ultimate Stitch Dictionary* is beautiful, user-friendly, and an endless source of creativity.

A stunning celebration of girlhood around the world, from the New York Times Featuring and photographed by young women, This Is 18 is an immersive look at what it means to be on the cusp of adulthood around the world and across cultures. Twenty-two empowering and uniquely personal profiles, expanded from the New York Times interactive feature and curated by Gender Editor Jessica Bennett, with Sandra Stevenson, Anya Strzemien, and Sharon Attia, give teen readers a rare glimpse at the realities and interests of their contemporaries. With stunning photography and a gifty design, This Is 18 is a perfect tribute to girlhood for readers of all ages.

Mouth Full of Blood

Humorous essays that dissects our cultural obsessions and calls out bad behavior in our increasingly digital, connected lives

Barack and Joe

INSTANT NEW YORK TIMES BESTSELLER "[The] rare biography of a public figure that's not only beautifully written, but also shockingly revelatory." -- The Atlantic A vivid biography of former First Lady Barbara Bush, one of the most influential and under-appreciated women in American political history. Barbara Pierce Bush was one of the country's most popular and powerful figures, yet her full story has never been told. THE MATRIARCH tells the riveting tale

Access PDF 2021 Madam Vice President Kamala Harris Wall Calendar

Calendar Thru December 2021 Monthly Calendar Gift For Women

of a woman who helped define two American presidencies and an entire political era. Written by USA TODAY's Washington Bureau chief Susan Page, this biography is informed by more than one hundred interviews with Bush friends and family members, hours of conversation with Mrs. Bush herself in the final six months of her life, and access to her diaries that spanned decades. THE MATRIARCH examines not only her public persona but also less well-known aspects of her remarkable life. As a girl in Rye, New York, Barbara Bush weathered criticism of her weight from her mother, barbs that left lifelong scars. As a young wife, she coped with the death of her three-year-old daughter from leukemia, a loss that changed her forever. In middle age, she grappled with depression so serious that she contemplated suicide. And as first the wife and then the mother of American presidents, she made history as the only woman to see -- and advise -- both her husband and son in the Oval Office. As with many women of her era, Barbara Bush was routinely underestimated, her contributions often neither recognized nor acknowledged. But she became an astute and trusted political campaign strategist and a beloved First Lady. She invested herself deeply in expanding literacy programs in America, played a critical role in the end of the Cold War, and led the way in demonstrating love and compassion to those with HIV/AIDS. With her cooperation, this book offers Barbara Bush's last words for history -- on the evolution of her party, on the role of women, on Donald Trump, and on her family's legacy. Barbara Bush's accomplishments, struggles, and contributions are many. Now, Susan Page explores them all in THE MATRIARCH, a groundbreaking book certain to cement Barbara Bush as one of the most unique and influential women in American history.

Smart on Crime

From a Washington Post weddings reporter who's covered more than two hundred walks down the aisle comes a warm, witty, and wise book about relationships—the mystery, the science, and the secrets of how we find love and make it last. Ellen McCarthy has explored the complete journey of our timeless quest for “The One,” the Soul Mate, the Real Thing. This indispensable collection of insights—on dating, commitment, breakups, weddings, and marriage—gives us a window into enduring romance: • Go Online Already—“It’s a major time suck and a black hole of rejection and ambiguity and lies. But you know what? It also works.” • Keep It Confidential—“If you have to get something off your chest, pick someone whose wisdom you really trust, and who isn’t likely to spread the gossip to all your mutual acquaintances.” • Be Nice—“Brewing the morning coffee, touching the small of your partner’s back, filling their car with gas. These things add up to more relationship satisfaction than a fancy dinner on Valentine’s Day ever could.” The Real Thing features many more nuggets of wisdom, valuable information from the latest studies on commitment, candid testimonials from a variety of couples, and the personal story of McCarthy’s own search for “the keeper”—which begins, ironically, with a breakup the very same day she started as the Post’s full-time weddings reporter. Whether you’re looking for love or looking to strengthen your relationship, this book is a wonderful and clear-eyed map to the human heart. Praise for The Real Thing “A wise and compassionate look at how we love, along with some gentle suggestions for how we could get a little better at it . . . McCarthy has done something rare: She has written an optimistic book about love that is clear-eyed and unsentimental.”—The Washington Post “What

a charming and captivating book this is! We never stop learning about love, and so many great lessons are within these pages.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “My readers often say to me, ‘If we lived next door to each other, we’d be best friends.’ That is precisely what I wanted to say to smart, funny, self-effacing Ellen McCarthy after I finished reading *The Real Thing*. I loved every lesson laid out in a book that wouldn’t dare to call itself a field guide to marriage but amounts to as much on every page. This is a deeply useful little book.”—Kelly Corrigan, author of *Glitter and Glue* “Upbeat and sweet . . . This rich collection of stories charms and edifies, is filled with quotes from couples as well as experts in the field, and serves as not just stories to sigh over but lessons to apply.”—Booklist (starred review) “A fun read full of wonderful stories . . . McCarthy delivers a welcome combination of cynicism and poignancy in this account, which reads with the ease and accessibility of a self-help book.”—Library Journal “A comforting, realistic, and endearing portrait of modern relationships . . . This book will not only charm those in decades-old marriages, but also inspire those afraid love will never arrive for them.”—Publishers Weekly “Straight-talking . . . dating advice for adults of all ages.”—Kirkus Reviews From the Hardcover edition.

Kamala Harris

INSPIRED BY A TRUE STORY FROM THE CHILDHOOD OF VICE PRESIDENT-ELECT KAMALA HARRIS! A beautiful, empowering picture book about two sisters who work with their community to effect change, inspired by a true story from the childhood of the author’s aunt, Kamala Harris, and mother, lawyer and policy expert Maya Harris. “A must read for little girls

around the world.” —Elizabeth Warren, U.S. Senator from Massachusetts “An inspiring tale.”
—Stacey Abrams, Former Minority Leader, Georgia House of Representatives; Founder and
Chair, Fair Fight Action “I love this book.” —Megan Rapinoe, Co-Captain, U.S. Women’s
National Soccer Team One day, Kamala and Maya had an idea. A big idea: They would turn
their empty apartment courtyard into a playground! This is the uplifting tale of how the author’s
aunt and mother first learned to persevere in the face of disappointment and turned a dream
into reality. This is a story of children’s ability to make a difference and of a community coming
together to transform their neighborhood. A New York Times bestseller!

Calendar Thru December 2021 Monthly Calendar Gift For Women

openly gay member of the Senate. These are just some of the remarkable firsts represented by the women of the 116th Congress, the most diverse and inclusive in American history. Just over a century ago, Jeannette Rankin of Montana won a seat in the House of Representatives, becoming the first woman ever elected to federal office. In 1917, 128 years after the first United States Congress convened, she was sworn into its 65th session. One hundred and two years later, one has become 131—the number of women serving in both chambers of the 116th Congress as of 2019. For most of recorded American history, political power has looked a certain way. But the 2018 midterm elections brought a seismic change. This book, a collaboration between New York Times photo editors Beth Flynn and Marisa Schwartz Taylor and photographers Elizabeth D. Herman and Celeste Sloman, documents the women of the 116th Congress, photographed in the style of historical portrait paintings commonly seen in the halls of power to highlight the stark difference between how we've historically viewed governance and how it has evolved. The Women of the 116th Congress features an illustrated timeline and list of firsts for women in Congress as well as "Her Vote, Her Voice" sections throughout that highlight historical moments in female politics. To provide more context around the origin of the photography, there is also an "Inside the Times" piece about how this project came about and was then turned into a book. Opening with an extended introduction and foreword by writer Roxane Gay and concluding with a removable poster featuring the congresswomen's portraits, this book profoundly captures the importance of this moment in history and will be a keepsake for years to come. The Women of the 116th Congress is a testament to what representation in the United States looks and sounds like in 2019—and the possibilities of what it may look like in the years to come.

Bibliophile 12-month 2021 Planner

An unprecedented visual history of African women told in striking and subversive historical photographs--featuring an Introduction by Edwidge Danticat and a Foreword by Jacqueline Woodson. Most of us grew up with images of African women that were purely anthropological--bright displays of exotica where the deeper personhood seemed tucked away. Or they were chronicles of war and poverty--“poverty porn.” But now, curator Catherine E. McKinley draws on her extensive collection of historical and contemporary photos to present a visual history spanning a hundred-year arc (1870–1970) of what is among the earliest photography on the continent. These images tell a different story of African women: how deeply cosmopolitan and modern they are in their style; how they were able to reclaim the tools of the colonial oppression that threatened their selfhood and livelihoods. Featuring works by celebrated African masters, African studios of local legend, and anonymous artists, *The African Lookbook* captures the dignity, playfulness, austerity, grandeur, and fantasy-making of African women across centuries. McKinley also features photos by Europeans--most starkly, striking nudes--revealing the relationships between white men and the Black female sitters where, at best, a grave power imbalance lies. It's a bittersweet truth that when there is exploitation there can also be profound resistance expressed in unexpected ways--even if it's only in gazing back. These photos tell the story of how the sewing machine and the camera became powerful tools for women's self-expression, revealing a truly glorious display of everyday beauty.

Joey

“Traces the history of abolition from the 1600s to the 1860s . . . a valuable addition to our understanding of the role of race and racism in America.”—Florida Courier Received historical wisdom casts abolitionists as bourgeois, mostly white reformers burdened by racial paternalism and economic conservatism. Manisha Sinha overturns this image, broadening her

scope beyond the antebellum period usually associated with abolitionism and recasting it as a radical social movement in which men and women, black and white, free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti-imperialism and efforts to defend the rights of labor. Drawing on extensive archival research, including newly discovered letters and pamphlets, Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition. This book is a comprehensive history of the abolition movement in a transnational context. It illustrates how the abolitionist vision ultimately linked the slave's cause to the struggle to redefine American democracy and human rights across the globe. "A full history of the men and women who truly made us free."—Ira Berlin, *The New York Times Book Review* "A stunning new history of abolitionism . . . [Sinha] plugs abolitionism back into the history of anticapitalist protest."—*The Atlantic* "Will deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era."—*The Wall Street Journal* "A powerfully unfamiliar look at the struggle to end slavery in the United States . . . as multifaceted as the movement it chronicles."—*The Boston Globe*

Vincent Price: Black & White: Graphic Novel

The founders behind the hit indie quarterly—which counts celebrities and food icons like Chrissy Teigen, Lena Dunham, Christina Tosi, and others as cover girls—have collected delicious recipes for mains, salads, sides, soups, starters, desserts, and cocktails from 100 of the coolest women in food today, along with cooking tips from the old guard (Ina, Martha, Julia,

Nigella, and more). These keepers are the equivalent of a dress borrowed from a girlfriend or a dog-eared book your sister lent you- dependable, interesting, and hip. From a Roti Pizza Party (from Lucky Peach's Priya Krishna) and Beer-Brined Roast Chicken (from Red Rooster's Adrienne Cheatham) to Funfetti Cake with Cherry Filling (from blogger Molly Yeh) and Salted Caramel Brownies (from the founders of Ovenly), these favorite recipes are served up on a pretty platter of a book that readers will want to buy in twos-one for themselves and one for their favorite gal pal.

Blackthorn's Botanical Brews

Live a life of motivation and purpose with The Habit Trip, an active journey to self-discovery, one micro-change at a time! When something feels wrong, your routines are a mess, and nothing is working, you want to make a change. The impulse is to go big: start a ten-day fast. Work out five times a week. Quit your job, end your marriage, and move to Dubai -- raze it all to the ground. But those drastic efforts tend to fizzle out before they've even begun. The Habit Trip maps the topography of who you are and what you love, revealing a personalized infrastructure for well-being that is hiding in plain sight. The journey is divided into three sections: The Situation: evaluate your life in ten areas to identify what's working and what's not The Solution: find micro-doses of solace and strength to bolster your health and stability The Payoff: amplify the power, peace, and presence that comes with knowing what matters most The Habit Trip is an actionable antidote for stress and frustration, nestled inside of an interactive workbook in which you are the one and only expert. By the end of your rollicking

journey (accompanied by a host of enchanted creatures), you'll have charted an easier way to roll through the joyful chaos of life, one habit at a time. Your challenges, your solutions, your way.

Kamala and Maya's Big Idea

"She was our conscience. Our seer. Our truth-teller. She was a magician with language, who understood the power of words." - Oprah Winfrey

A vital non-fiction collection from one of the most celebrated and revered American writers. Spanning four decades, these essays, speeches and meditations interrogate the world around us. They are concerned with race, gender and globalisation. The sweep of American history and the current state of politics. The duty of the press and the role of the artist. Throughout *Mouth Full of Blood* our search for truth, moral integrity and expertise is met by Toni Morrison with controlled anger, elegance and literary excellence. The collection is structured in three parts and these are heart-stoppingly introduced by a prayer for the dead of 9/11, a meditation on Martin Luther King and a eulogy for James Baldwin. Morrison's Nobel lecture, on the power of language, is accompanied by lectures to Amnesty International and the Newspaper Association of America. She speaks to graduating students and visitors to both the Louvre and America's Black Holocaust Museum. She revisits *The Bluest Eye*, *Sula* and *Beloved*; reassessing the novels that have become touchstones for generations of readers. *Mouth Full of Blood* is a powerful, erudite and essential gathering of ideas that speaks to us all. It celebrates Morrison's extraordinary contribution to the literary world.

The Truths We Hold

The acclaimed New York Times bestselling tour de force historical mystery from Monica Hesse, the award-winning author of *Girl in the Blue Coat*. Germany, 1945. The soldiers who liberated the Gross-Rosen concentration camp said the war was over, but nothing feels over to eighteen-year-old Zofia Lederman. Her body has barely begun to heal, her mind feels broken. And her life is completely shattered: Three years ago, she and her younger brother, Abek, were the only members of their family to be sent to the right, away from the gas chambers of Auschwitz-Birkenau. Everyone else--her parents, her grandmother, radiant Aunt Maja--they went left. Zofia's last words to her brother were a promise: Abek to Zofia, A to Z. When I find you again, we will fill our alphabet. Now her journey to fulfill that vow takes her through Poland and Germany, and into a displaced persons camp where everyone she meets is trying to piece together a future from a painful past: Miriam, desperately searching for the twin she was separated from after they survived medical experimentation. Breine, a former heiress, who now longs only for a simple wedding with her new fiancé. And Josef, who guards his past behind a wall of secrets, and is beautiful and strange and magnetic all at once. But the deeper Zofia digs, the more impossible her search seems. How can she find one boy in a sea of the missing? In the rubble of a broken continent, Zofia must delve into a mystery whose answers could break her--or help her rebuild her world.

Instant New York Times bestseller “Howard Zinn on acid or some bullsh*t like that.” —Tim Heidecker The creators of the cult-hit podcast *Chapo Trap House* deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the *Chapo Way*. In a guide that reads like “a weirder, smarter, and deliciously meaner version of *The Daily Show’s 2004 America (The Book)*” (Paste), *Chapo Trap House* shows you that you don’t have to side with either sinking ships. These self-described “assholes from the internet” offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of *No Place to Hide*) *The Chapo Guide to Revolution* features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s *Newsroom* manga, and the ten new laws that govern *Chapo Year Zero* (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then *Chapo*, let’s go...

They Went Left

From one of our most iconic and influential writers: a timeless collection of mostly early pieces that reveal what would become Joan Didion's subjects, including the press, politics, California robber barons, women, and her own self-doubt. These twelve pieces from 1968 to 2000, never before gathered together, offer an illuminating glimpse into the mind and process of a legendary figure. They showcase Joan Didion's incisive reporting, her empathetic gaze, and her role as "an articulate witness to the most stubborn and intractable truths of our time" (The New York Times Book Review). Here, Didion touches on topics ranging from newspapers ("the problem is not so much whether one trusts the news as to whether one finds it"), to the fantasy of San Simeon, to not getting into Stanford. In "Why I Write," Didion ponders the act of writing: "I write entirely to find out what I'm thinking, what I'm looking at, what I see and what it means." From her admiration for Hemingway's sentences to her acknowledgment that Martha Stewart's story is one "that has historically encouraged women in this country, even as it has threatened men," these essays are acutely and brilliantly observed. Each piece is classic Didion: incisive, bemused, and stunningly prescient.

This Is 18

"What difference do running mates make in a presidential election? Research shows that vice presidents matter while in office, and there has been ample evidence of their importance in

recent administrations, as demonstrated by Dick Cheney, Joe Biden, and Mike Pence. But there has been no comprehensive, quantitative study of the significance of vice presidential candidates on presidential voting. In *Do Running Mates Matter?*, Christopher Devine and Kyle Kopko fill this gap in our understanding of presidential elections. They first analyze people's expectations of the influence that running mates have on an election before exploring in detail their actual influence. Building on their previous work in *The VP Advantage*, they show that voters rarely vote based on their approval or disapproval of the vice presidential candidate, but these candidates exert an indirect effect on voting by influencing voters' perceptions of the presidential candidates. Drawing on extensive empirical data, Devine and Kopko clear up illusions about the effects of running mates and remind us that presidential candidates should pick someone who can be a good vice president, not someone who they think will secure them the win"--

Woman President

Former Vice President Joe Biden played an essential role in the Obama administration. Follow his career from Delaware's longest-serving senator to his race back to the White House.

Inspirational Journal (Diary, Notebook, Writers' Notebook)

"Symone's honest and profound reflection on standing up and speaking out is sure to inspire

Access PDF 2021 Madam Vice President Kamala Harris Wall Calendar

Calendar Thru December 2021 Monthly Calendar Gift For Women

young people across the country to become the change agents the world needs.” —
Congresswoman Maxine Waters In this rousing call to leadership, the self-described millennial
spokesperson for the culture, CNN’s designated “woke AF” former commentator, and the
youngest national press secretary in the history of the United States shares her take-no-
prisoners approach to life, politics, and career success, and shows a new generation how to be
loud and powerful in their own right. Many people—most notably white older men—may try to
stop Symone Sanders from speaking up and out. But Symone will NOT shut up. And neither
should you. In this inspiring call-to-action, Symone tells stories from her own life of not-shutting-
up alongside loud young revolutionaries who came before her to help you find your authentic
voice and use it to your advantage; to fight ideological battles more effectively; and to resist
those who try to silence you. We are all gurus, masterminds, artists, entrepreneurs—we are the
change agents we have been waiting for. IT IS US. And the time is RIGHT NOW. I know
you’re wondering, “But HOW?” And we don’t have all the answers! Symone is the first to
admit we’re all winging it in one way or another. But the point is we’re out there doing it. So
get started. Open your mouth and start talking. Loudly. No You Shut Up goes beyond the
surplus of “Vote-Or-Die” books we’ve seen before. Because change doesn’t just happen at
the ballot box. We need people fighting oppression, injustice, and inequality—in the workplace,
on the cultural battlefield, in government, in every corner of the world. With spirited storytelling
filtered through a voice that cannot and will not be ignored, Symone inspires you to start now.
You don’t need to have all the answers, or wait your turn to help create the change you want
to see. All you need is a new toolbox, an unshakable commitment, and the confidence and
guidance to wield those tools effectively.

Let Me Tell You What I Mean

An inspiring and informative book for kids about the past and future of America's presidents. Who will be the NEXT president? Could it be you? When George Washington became the first president of the United States, there were nine future presidents already alive in America, doing things like practicing law or studying medicine. When JFK became the thirty-fifth president, there were 10 future presidents already alive in America, doing things like hosting TV shows and learning the saxophone. And right now—today!—there are at least 10 future presidents alive in America. They could be playing basketball, like Barack Obama, or helping in the garden, like Dwight D. Eisenhower. They could be solving math problems or reading books. They could be making art—or already making change.

- A breezy, kid-friendly survey of American history and American presidents
- Great for teachers, librarians, and other educators
- Kate Messner's nonfiction picture books have been lauded by critics and received a variety of awards. For young readers and students who loved *The New Big Book of Presidents*, *Lincoln and Kennedy: A Pair to Compare*, and *Kid Presidents: True Tales of Childhood from America's Presidents*. A helpful addition to curriculums of 5th- to 8th-grade students studying U.S. History and civics and the federal government.
- For readers ages 8–12
- S. history for kids
- Students, librarians, teachers
- 5th–8th-grade kids

From award-winning author Kate Messner and New York Times bestselling artist Adam Rex comes a timely and compelling compendium about the U.S. presidents—before they were presidents. Kate Messner is an award-winning author whose many books for kids have been selected as Best Books by the New York Times, Junior Library Guild, IndieBound, and Bank Street College of Education. She lives on Lake

Champlain with her family. Adam Rex is the author and illustrator of many beloved picture books and novels, including *Nothing Rhymes with Orange* and the New York Times bestseller *Frankenstein Makes a Sandwich*. He has worked with the likes of Jon Scieszka, Mac Barnett, Jeff Kinney, and Neil Gaiman. He lives in Tucson, Arizona.

Vogue Knitting

What elements of American political and rhetorical culture block the imagining—and thus, the electing—of a woman as president? Examining both major-party and third-party campaigns by women, including the 2008 campaigns of Hillary Clinton and Sarah Palin, the authors of *Woman President: Confronting Postfeminist Political Culture* identify the factors that limit electoral possibilities for women. Pundits have been predicting women’s political ascendancy for years. And yet, although the 2008 presidential campaign featured Hillary Clinton as an early frontrunner for the Democratic presidential nomination and Sarah Palin as the first female Republican vice-presidential nominee, no woman has yet held either of the top two offices. The reasons for this are complex and varied, but the authors assert that the question certainly encompasses more than the shortcomings of women candidates or the demands of the particular political moment. Instead, the authors identify a pernicious backlash against women presidential candidates—one that is expressed in both political and popular culture. In *Woman President: Confronting Postfeminist Political Culture*, Kristina Horn Sheeler and Karrin Vasby Anderson provide a discussion of US presidentiality as a unique rhetorical role. Within that framework, they review women’s historical and contemporary presidential bids, placing special

emphasis on the 2008 campaign. They also consider how presidentiality is framed in candidate oratory, campaign journalism, film and television, digital media, and political parody.

The Modern American Vice Presidency

The old approaches to fighting crime just aren't working. Two thirds of people released from prison commit another crime within two years. In *Smart on Crime*, career prosecutor Kamala D. Harris shatters the old distinctions, rooted in false choices and myths, and offers a compelling argument for how to make the criminal justice system truly, not just rhetorically, tough. Harris spells out the necessary shifts that will increase public safety, reduce costs, and strengthen our communities when our politicians and law enforcement officials learn how to become tough and smart on crime.

Vogue x Music

Dealing with the vice presidency since 1953, this book recommends Walter Mondale's vice presidency as a model for future occupants of the office. The author considers the selection, campaign roles, and electoral impact of vice-presidential candidates. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting

them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Chapo Guide to Revolution

The bestselling Baby University book series that brought you ABCs of Space, Rocket Science for Babies, and Quantum Physics for Babies is expanding! Empower children with this educational doctor book for kids so they can visit the doctor with courage and curiosity! Every year, you go to the doctor's office to make sure your body is working like it should. A nurse and doctor will check almost every part of you. They want to make sure you stay happy and healthy. Written by leading medical experts, Cara and Jon Florance, this doctor's visit book will take the fear out of going to the doctor by breaking down what and why a doctor does what he or she does. My Doctor's Visit is the perfect book for nurses to read and makes a wonderful addition to other special gifts for your little one, such as toy stethoscopes for kids, doctor kits for toddlers, and thermometers for babies. Give the gift of learning to your little one with this baby and toddler doctor book and help them feel confident about their next doctor's visit!

The Slave's Cause

Kamala Harris is known as a tough prosecutor. She rose to fame as California's attorney general who took on the big banks. As a United States senator, she stood up to President Trump and held his administration accountable by demanding answers. In 2019 she launched a campaign for the presidency and dedicated it to all Americans with the slogan "Kamala for the People." Though she didn't win the nomination, she earned her place on the ticket as Joe Biden's vice-presidential pick. She made history as the first Black and Indian woman to be elected vice president. Follow her fight to the White House!

The power to make your worry go away is in your hands You're excited about your school project on the solar system but thinking about presenting it to the class makes you really

nervous. Now, you can use mindfulness to stop those feelings from taking over. Mindfulness means paying attention to what's happening in your body, your head, and your environment. Learning the fun mindfulness skills in this book gives you the power to tackle your anxiety. Mindfulness for Kids Who Worry will show you ways to beat nervousness and keep worry from rearing its ugly head in the future. Simple things like writing in a journal and sketching out your worrisome thoughts are helpful exercises. Mindfulness for Kids Who Worry includes: Take control of your worry--Certain situations like test taking and being alone in the dark can cause worry, but mindfulness tools can help. Read, write, and draw--There are spaces inside of each chapter for you to write out positive thoughts and draw happy scenes directly onto the page. Perfect for all kids--The advice and information given are helpful tools and perfect for kids like you ages 6-9. Discover the difference these powerful mindfulness skills can have on your nervousness and watch your worry go away.

The Women of the 116th Congress

A Washington Post 2019 Notable Selection A vivid and inspiring account of the "bromance" between Barack Obama and Joe Biden. The extraordinary partnership of Barack Obama and Joe Biden is unique in American history. The two men, their characters and styles sharply contrasting, formed a dynamic working relationship that evolved into a profound friendship. Their affinity was not predestined. Obama and Biden began wary of each other: Obama an impatient freshman disdainful of the Senate's plodding ways; Biden a veteran of the chamber and proud of its traditions. Gradually they came to respect each other's values and strengths

and rode into the White House together in 2008. Side-by-side through two tension-filled terms, they shared the day-to-day joys and struggles of leading the most powerful nation on earth. They accommodated each other's quirks: Biden's famous miscues kept coming, and Obama overlooked them knowing they were insignificant except as media fodder. With his expertise in foreign affairs and legislative matters, Biden took on an unprecedented role as chief adviser to Obama, reshaping the vice presidency. Together Obama and Biden guided Americans through a range of historic moments: a devastating economic crisis, racial confrontations, war in Afghanistan, and the dawn of same-sex marriage nationwide. They supported each other through highs and lows: Obama provided a welcome shoulder during the illness and death of Biden's son Beau. As many Americans turn a nostalgic eye toward the Obama presidency, Barack and Joe offers a new look at this administration, its absence of scandal, dedication to truth, and respect for the media. This is the first book to tell the full story of this historic relationship and its substantial impact on the Obama presidency and its legacy.

Trump: The Way to the Top

Vogue has always been on the cutting edge of popular culture, and Vogue x Music shows us why. Whether they're contemporary stars or classic idols, whether they made digital albums or vinyl records, the world's most popular musicians have always graced the pages of Vogue. In this book you'll find unforgettable portraits of Madonna beside David Bowie, Kendrick Lamar, and Patti Smith; St. Vincent alongside Debbie Harry, and much more. Spanning the magazine's 126 years, this breathtaking book is filled with the work of acclaimed

photographers like Richard Avedon and Annie Leibovitz as well as daring, music-inspired fashion portfolios from Irving Penn and Steven Klein. Excerpts from essential interviews with rock stars, blues singers, rappers, and others are included on nearly every page, capturing exactly what makes each musician so indelible. Vogue x Music is a testament to star power, and proves that some looks are as timeless as your favorite albums.

The Next President

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other—except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of a galaxy far, far away. Life lessons include lightsaber batting practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

Superheroes Are Everywhere

Discover the incredible story of a young daughter of immigrants who would grow up to be the

first woman, first Black person, and first South Asian American ever elected Vice President of the United States in this moving picture book biography of Kamala Harris. When Kamala Harris was young, she often accompanied her parents to civil rights marches—so many, in fact, that when her mother asked a frustrated Kamala what she wanted, the young girl responded with: “Freedom!” As Kamala grew from a small girl in Oakland to a senator running for president, it was this long-fostered belief in freedom and justice for all people that shaped her into the inspiring figure she is today. From fighting for the use of a soccer field in middle school to fighting for the people of her home state in Congress, Senator Harris used her voice to speak up for what she believed in and for those who were otherwise unheard. And now this dedication has led her all the way to being elected Vice President of the United States. Told in Nikki Grimes's stunning verse and featuring gorgeous illustrations by Laura Freeman, this picture book biography brings to life a story that shows all young people that the American dream can belong to all of us if we fight for one another.

Kamala Harris

Washington insiders operate by a proven credo: when a Peter Schweizer book drops, duck and brace for impact. For over a decade, the work of five-time New York Times bestselling investigative reporter Peter Schweizer has sent shockwaves through the political universe. Clinton Cash revealed the Clintons' international money flow, exposed global corruption, and sparked an FBI investigation. Secret Empires exposed bipartisan corruption and launched congressional investigations. And Throw Them All Out and Extortion prompted passage of the

STOCK Act. Indeed, Schweizer's "follow the money" bombshell revelations have been featured on the front pages of the New York Times and the Wall Street Journal, and regularly appear on national news programs, including 60 Minutes. Now Schweizer and his team of seasoned investigators turn their focus to the nation's top progressives—politicians who strive to acquire more government power to achieve their political ends. Can they be trusted with more power? In *Profiles in Corruption*, Schweizer offers a deep-dive investigation into the private finances, and secrets deals of some of America's top political leaders. And, as usual, he doesn't disappoint, with never-before-reported revelations that uncover corruption and abuse of power—all backed up by a mountain of corporate documents and legal filings from around the globe. Learn about how they are making sweetheart deals, generating side income, bending the law to their own benefits, using legislation to advance their own interests, and much more. *Profiles in Corruption* contains tomorrow's headlines.

The Real Thing

Joey is the first ever picture book about the young life of Joe Biden, the 47th Vice President of the United States, and includes never before told family stories about the presidential candidate and former vice president's childhood—written by Jill Biden, his spouse. Joe Biden grew up in Scranton, Pennsylvania, the oldest of four children. His parents always encouraged him and his siblings to be independent and strong. The family moved to Wilmington, Delaware, where at twenty-nine, Biden was elected one the youngest United States Senators ever elected. This is his story.

I'm Judging You

"Senator Kamala Harris's picture book memoir in which she tells her life story and shows how everyone can be a superhero"--

Profiles in Corruption

The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run

operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf. From the Hardcover edition.

The Habit Trip

"This book outlines the magical uses for many traditional ingredients in conventional beverages. Readers are taught what potions are, what purpose they serve, and how to create brews, bitters, vermouth and kombucha, as well as how to blend the perfect tea for their magical desires"--

Mindfulness for Kids Who Worry

From one of America's most inspiring leaders, a book about the core truths that unite us and how best to act upon them, The daughter of immigrants and civil rights activists, Senator Kamala Harris was raised in an Oakland, California, community that cared deeply about social

justice. As she rose to prominence as one of the political leaders of our time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. Now, in *The Truths We Hold*, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day. Book jacket.
