## **Build Your Own Christmas Movie Romance**

From an award-winning novelist, a stunning portrait of late Raj India—a sweeping saga and a love story set against a background of huge political and cultural upheaval. *YOU ASK FOR MY NAME, THE REAL ONE, AND I CANNOT TELL. IT IS NOT FOR LACK OF EFFORT.* In 1930, a great ocean wave blots out a Bengali village, leaving only one survivor, a young girl. As a maidservant in a British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world. Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.

## **A Room of One's Own and the Voyage Out**

A selection of thirty-seven articles and essays by the Pulitzer Prize-winning writer includes reviews of other noted authors, reports on Cuba, the civil rights and peace movements, and autobiographical anecdotes. Reprint. 10,000 first printing.

## **A Room of One's Own and Three Guineas (Collins Classics)**

This collection presents fifty of the most essential poems by one of history's greatest poets in dynamic new translations, the result of an unprecedented collaboration among a team of poets, translators, and

the world's leading Neruda scholars. A definitive selection that draws from the entire breadth of Neruda's various styles, themes, and periods, *The Essential Neruda* breathes new life and understanding into the work of one of Latin America's -- and the world's -- treasures. This collection of Neruda's most essential poems will prove indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Haas, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. Pablo Neruda was born in Chile in 1904. He received the Nobel Prize for Literature in 1971.

### **A Room of One's Own**

An irresistible illustrated collection of charming, wise, and hilarious quotations from your favorite authors. Why do we go to book readings? For a chance to see the authors we love come to life off the page, answering our questions and proving to be the brilliant, witty people we catch glimpses of through their work. Illustrator Kate Gavino captures the wonder of this experience firsthand. At every reading she attends, Kate hand-letters the event's most memorable quote alongside a charming portrait of the author. In *Last Night's Reading*, Kate takes us on her journey through the literary world, sharing illustrated insight from more than one hundred of today's greatest writers—including Zadie Smith, Junot Diaz, Lev Grossman, Elizabeth Gilbert, and many more—on topics ranging from friendship and humor to creativity and identity. A celebration of authors, reading, and bookstores, this delightful collection is an advice book like no other and a love letter to the joy of seeing your favorite author up close and personal. "Instead of putting together a lengthy play-by-play of the event she witnessed, Gavino records the best quote, and accompanies it with a colorful sketch of the author. It sounds simple, but the results are striking and unforgettable." -Flavorwire "A witty love letter to the literary world." -The Boston Globe From the Trade

Paperback edition.

## **A Room of One's Own**

The Sheehans are referred to as "Louisiana's Kennedys," a powerful political dynasty with connections in Baton Rouge and Washington. When Warren Sheehan is shot to death in his Garden District mansion, Chane races to sort out the truth from the many lies surrounding the great family as another hurricane puts New Orleans squarely in its cross hairs.

## **The Invisible Life of Addie LaRue**

A Room of One's Own by Virginia Woolf is a stage adaptation of Virginia Woolf's classic essay of the same name, first delivered as a series of lectures in 1928, then published as an essay in 1929. In Peta Hanrahan's dynamic version, four actors (three women and one man) play aspects of Virginia Woolf's mind in conversation with herself and the audience. It is playful and energetic, as well as gentle and questioning. The piece both debates and reflects on the history of gender disparity, while keeping Woolf's striking use of metaphor and charming humour alive.

## **Grammar Advantage**

A hypnotic collection of speculative fiction about compassion, love, and human resilience in the technological hyper-age, from Alexander Weinstein, author of Children of the New World. Universal Love welcomes readers to a near-future world where our everyday technologies have fundamentally altered the possibilities and limits of how we love one another. In these gripping stories, a young boy tries to understand what keeps his father tethered to the drowned city they call home. A daughter gets to know her dead mother's hologram better than she ever knew her living mother. And, at a time when unpleasant memories can be erased, a man undergoes electronic surgery to have his depression, and his past, forever removed. In an age when technology offers the easiest cures for loneliness, the characters within these stories must wrestle with what it means to stay human in an increasingly cybernetic future, and how love can endure even the most alluring upgrades. In the vein of Weinstein's critically-acclaimed first collection, Universal Love is a visionary book, written with one foot in the real world and one stepping bravely into the future.

100 Best Non Fiction Books has its origins in the recent 2 year-long Observer serial which every week featured a work of non fiction). It is also a companion volume to McCrum's very successful 100 Best Novels published by Galileo in 2015. The list of books starts in 1611 with the King James Bible and ends in 2014 with Elizabeth Kolbert's The Sixth Extinction. And in between, on this extraordinary voyage through the written treasures of our culture we meet Pepys' Diaries, Charles Darwin's The Origin of Species, Stephen Hawking's A Brief History of Time and a whole host of additional works.

## **The Sleeping Dictionary**

In A Room of One's Own, Virginia Woolf imagines that Shakespeare had a sister—a sister equal to Shakespeare in talent, and equal in genius, but whose legacy is radically different. This imaginary woman never writes a word and dies by her own hand, her genius unexpressed. If only she had found the means to create, argues Woolf, she would have reached the same heights as her immortal sibling. In this classic essay, she takes on the establishment, using her gift of language to dissect the world around her and give voice to those who are without. Her message is a simple one—women must have a fixed income and a room of their own in order to have the freedom to create. Woolf's blazing polemic on female creativity, the role of the writer, and the silent fate of Shakespeare's imaginary sister remains a powerful reminder of a woman's need for financial independence and intellectual freedom.

## **Decorating a Room of One's Own**

Create the Christmas Romance of Your Dreams Scene by Scene, Twist by Charmingly Predictable Twist Slip on your favorite Christmas sweater, cozy up to a crackling fire, sip some spiced eggnog, and prepare to experience the ultimate holiday love story. But instead of watching it on some cheesy cable channel, open this book and put yourself in the director's chair. First, decide your heroine's problem. Was she just fired from her big city business job? Avoiding going home for Christmas? Or did she just realize the man who proposed to her maybe isn't Mr. Right? Then it's time to meet the man—should your heroine end up with the big city business exec, the small town hunk or someone totally unexpected (but still hunky)? Each choice will take you down a totally different path that all somehow end up making for a perfect made-for-TV romance. Will your Christmas activity montage include baking cookies, walking through a holiday festival, or skating on a

picturesque frozen lake? Will you choose to include a generically bearded old man who perhaps could maybe be Santa Claus? Choice by hilarious choice, you'll make your way closer and closer to the big payoff--the picture perfect, most romantic final kiss ever. And when you've savored that last bit of snowy, romantic goodness, don't be glum. Turn back to page one and start a new love story. With hundreds of possible stories the happily-ever-afters never stop happening.

### **In Search of Our Mothers' Gardens**

A 2020 LOCUS AWARD FINALIST Jeff VanderMeer's *Dead Astronauts* presents a City with no name of its own where, in the shadow of the all-powerful Company, lives human and otherwise converge in terrifying and miraculous ways. At stake: the fate of the future, the fate of Earth--all the Earths. A messianic blue fox who slips through warrens of time and space on a mysterious mission. A homeless woman haunted by a demon who finds the key to all things in a strange journal. A giant leviathan of a fish, centuries old, who hides a secret, remembering a past that may not be its own. Three ragtag rebels waging an endless war for the fate of the world against an all-powerful corporation. A raving madman who wanders the desert lost in the past, haunted by his own creation: an invisible monster whose name he has forgotten and whose purpose remains hidden.

### **A Room of Ones Own by Virginia Woolf**

A "scrupulously honest" (O, The Oprah Magazine) debut memoir that explores one man's gender transition amid a pivotal political moment in America. *Becoming a Man* is a "moving narrative [that] illuminates the joy, courage, necessity, and risk-taking of gender transition" (Kirkus Reviews). For fifty years P. Carl lived as a girl and then as a queer woman, building a career, a life, and a loving marriage, yet still waiting to realize himself in full. As Carl embarks on his gender transition, he takes us inside the complex shifts and questions that arise throughout--the alternating moments of arrival and estrangement. He writes intimately about how transitioning reconfigures both his own inner experience and his closest bonds--his twenty-year relationship with his wife, Lynette; his already tumultuous relationships with his parents; and seemingly solid friendships that are subtly altered, often painfully and wordlessly. Carl "has written a poignant and candid self-appraisal of life as a 'work-of-progress'" (Booklist) and blends the remarkable story of his own personal journey with incisive cultural commentary, writing beautifully about gender, power, and inequality in America. His transition occurs amid the rise of the Trump administration and the #MeToo movement--a transition point in America's own story, when transphobia and toxic masculinity are under fire even as they thrive in the highest halls of power. Carl's quest to become himself and to reckon with his masculinity mirrors, in many ways, the challenge before the country as a whole, to imagine a society where every member

can have a vibrant, livable life. Here, through this brave and deeply personal work, Carl brings an unparalleled new voice to this conversation.

### **Universal Love**

A woman must have money and a room of her own if she is to write fiction, wrote Virginia Woolf. Published in 1920, *A Room of One's Own* has often been heralded as the first modern work of feminist criticism. It remains one of the most widely read, quoted, and analyzed texts of its kind. Ellen Rosenman describes the book's genesis as the sense of exclusion Woolf and many women experienced when confronted with the sexism and elitism of the British university system of their day. Rosenman offers a balanced appraisal, refusing to ignore the difficulties with Woolf's argument and in particular, her inconsistencies and contradictions.

### **Virginia Woolf's a Room of One's Own: A Contribution to the Essay Genre**

Meet the women who wrote. They wrote against all odds. Some wrote defiantly; some wrote desperately. Some wrote while trapped within the confines of status and wealth. Some wrote hand-to-mouth in abject poverty. Some wrote trapped in a room of their father's house, and some went in search of a room of their own. They had lovers and families. They were sometimes lonely. Many wrote anonymously or under a pseudonym for a world not yet ready for their genius and talent. We know many of their names—Austen and Alcott, Brontë and Browning, Wheatley and Woolf—though some may be less familiar. They are here, waiting to introduce themselves. They marched through the world one by one or in small sisterhoods, speaking to each other and to us over distances of place and time. Pushing back against the boundaries meant to keep us in our place, they carved enough space for themselves to

write. They made space for us to follow. Here they are gathered together, an army of women who wrote and an arsenal of words to inspire us. They walk with us as we forge our own paths forward. These women wrote to change the world.

### **Lean Out**

### **A Room of One's Own**

There's nothing quite like a relationship with an aged pet—a dog or cat who has been at our side for years, forming an ineffable bond. Pampered pets, however, are a rarity among animals who have been domesticated. Farm animals, for example, are usually slaughtered before their first birthday. We never stop to think about it, but the typical images we see of cows, chickens, pigs, and the like are of young animals. What would we see if they were allowed to grow old? Isa Leshko shows us, brilliantly, with this collection of portraits. To create these portraits, she spent hours with her subjects, gaining their trust and putting them at ease. The resulting images reveal the unique personality of each animal. It's impossible to look away from the animals in these images as they unforgettably meet our gaze, simultaneously calm and challenging. In these photographs we see the cumulative effects of the hardships of industrialized farm life, but also the healing that time can bring, and the dignity that can emerge when farm animals are allowed to age on their own terms. Each portrait is accompanied by a brief biographical note about its subject, and the book is rounded out with essays that explore the history of animal photography, the place of beauty in activist art, and much more. Open this book to any page. Meet Teresa, a thirteen-year-old Yorkshire Pig, or Melvin, an eleven-year-old Angora Goat, or Tom, a seven-year-old Broad Breasted White Turkey. You'll never forget them.

### **The Company of Women**

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance - women and learning, writing and poverty - which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and

independence - a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' - Kate Mosse, The Guardian 'Probably the most influential piece of non-fictional writing by a woman in this century.' - Hermione Lee, The Financial Times

### **The New Dress**

Publié à l'occasion de la biennale d'architecture de Chicago 2017, cet ouvrage est une étude sur la chambre, cette chambre à soi si chère à Virginia Woolf. Cette publication illustrée des dessins produits par le duo d'architectes installé à Bruxelles fait partie de la recherche sur les espaces domestiques menée par Pier Vittorio Aureli et Martino Tattara depuis 2012 au sein de leur agence Dogma.

### **Last Night's Reading**

This volume combines two books by Virginia Woolf which are among the greatest contributions to feminist literature this century. They consider the implications of the historical exclusion of women from education and from economic independence.

### **An Unwritten Novel**

This carefully crafted ebook: "A Room of One's Own + Three Guineas (2 extended essays)" is formatted for your eReader with a functional and detailed table of contents. This volume combines two books which were among the greatest contributions to feminist literature this century. Together they form a brilliant attack on sexual inequality and a passionate polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism. Virginia Woolf makes the connection between war and the economy and a woman's role (or lack there of) in both. A Room of One's Own, first published in 1929, is a witty, urbane and persuasive argument against the intellectual subjection of women, particularly women writers. The sequel, Three Guineas, is a passionate polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism.

### **Women Who Wrote**

How writing and motherhood influence one another.

### **Dolly**

This unique collection of essays, edited by leading Woolf scholar, brings together for the first time a serious consideration of Virginia Woolf's writing within the political context of fascism. Virginia Woolf and Fascism probes Woolf's fiction and non-fiction from Mrs.

Dalloway in 1927 to *Between the Acts*, 1941, for her responses not only to the growing menaces of dictators abroad, but also to mounting evidence of fascist ideology at home in England. The essays present a portrait of Woolf as a woman writer who was politically engaged, and actively protesting against a worldview which aggressively targeted women for oppression.

### **A Room of One's Own + Three Guineas (2 extended essays)**

A course text and self-study tool for advanced learners of English for academic purposes.

### **Allowed to Grow Old**

Girl gangs reigning terror at Facebook, narcissistic overlords at Google . . . this is the backdrop of *Lean Out*, which takes readers on the journey of Marissa Orr, a single mom of three trying to find success in her fifteen-year career at the world's top tech giants. Orr delivers an ambitious attempt to answer the critical question: What have we gotten wrong about women at work? "This book is a must-read for insights on the impact that reversing systemic gender biases can have on creating more diverse, healthier workplaces for both women and men." --Joanne Harrell, Senior Director, USA Citizenship, Microsoft "This book will make you think differently about what it will take for women to succeed at the highest levels in American business." --Rishad Tobaccowala, Chief Growth Officer, Publicis Groupe *Lean Out* offers a new and refreshingly candid perspective on what it's really like for today's corporate underdogs. Based on both in-depth research and personal experiences, Orr punctures a gaping hole in today's feminist rhetoric and sews it back up with compelling new arguments for the reasons more women don't make it to the top and how companies can better incentivize women by actually listening to what they have to say and by rewarding the traits that make them successful. In *Lean Out*, Orr uncovers: Why our pursuit to close the gender gap has come at the expense of female well-being. The need to redefine success and change the way corporations choose their leaders. The way most career advice books targeting professional women seek to change their behavior rather than the system. Why modern feminism has failed to make any progress on its goals for equality. More than fifty years since the passage of the Equal Pay Act, the wage gap still hovers at 80 percent, and only 5 percent of CEOs in the Fortune 500 are women. Today, rising up the ranks in many companies still often means cutthroat, win-at-all-costs tactics, where being the loudest voice in the room is more important than being the person with the best ideas for moving the company forward. Not surprisingly, most women don't want to play this game. An everyday working woman with a sardonic sense of humor, Orr is an endearing antihero who captures the voice for a new generation of women at work. *Lean Out* presents a revolutionary path forward, to change the life trajectories of women in the corporate world and beyond.

In the latest thrilling collaboration from #1 New York Times bestselling author and “Queen of Suspense” Mary Higgins Clark and Alafair Burke, television producer Laurie Moran must solve the kidnapping of her fiancée’s nephew—just days before her wedding. Television producer Laurie Moran and her fiancée, Alex Buckley, the former host of her investigative television show, are just days away from their mid-summer wedding, when things take a dark turn. Alex’s seven-year-old nephew, Johnny, vanishes from the beach. A search party begins and witnesses recall Johnny playing in the water and collecting shells behind the beach shack, but no one remembers seeing him after the morning. As the sun sets, Johnny’s skim board washes up to shore, and everyone realizes that he could be anywhere, even under water. A ticking clock, a sinister stalker, and fresh romance combine in this exhilarating follow up to the bestselling *You Don’t Own Me*—another riveting page-turner from the “Queen of Suspense” Mary Higgins Clark and her dazzling partner-in-crime Alafair Burke.

## **Virginia Woolf and the Politics of Language**

Intellectual freedom depends on material things. Poetry depends on intellectual freedom. And women have always been poor 'In these two classic essays of feminist literature, Woolf argues passionately for women's intellectual freedom and their role in challenging the drive towards fascism and conflict. In *A Room of One's Own* she explores centuries of limitations placed on women, as well as celebrating the creative achievements of the women writers who overcame these obstacles. In this first history of women's writing, she describes the importance of education, financial independence, and equa.

## **Dead Astronauts**

Mary Gordon’s extraordinary novel about a young Catholic woman who pursues father figures—only to wrestle to break free of them Felicitas Maria Taylor was brought up in a cocoon, raised by five devoutly religious women. The death of her father while she was still a baby has caused her to seek out the extreme in men, and that is what she finds in Father Cyprian, a priest whom Felicitas visits during summers in upstate New York. The charismatic Cyprian fosters the young girl’s gifts and intelligence, but, no lover of worldly things, he demands a severe loyalty. When Felicitas comes of age and begins her studies at Columbia, everything seems poised to change. At the university, she falls under the spell of another domineering man—a professor surrounded by young activist acolytes—and this time, the stakes couldn’t be higher. *The Company of Women* is a story of dangerous attachments and challenged faith—and of finding an endurable future.

## **Shakespeare's Sister**

A Room of One's Own is a very clear example of how creative thinkers connect and present things in novel ways. Based on the text of a talk given by Virginia Woolf at an all-female Cambridge college, Room considers the subject of 'women and fiction.' Woolf's approach is to ask why, in the early 20th century, literary history presented so few examples of canonically 'great' women writers. The common prejudices of the time suggested this was caused by (and proof of) women's creative and intellectual inferiority to men. Woolf argued instead that it was to do with a very simple fact: across the centuries, male-dominated society had systematically prevented women from having the educational opportunities, private spaces and economic independence to produce great art. At a time when 'art' was commonly considered to be a province of the mind that had no relation to economic circumstances, this was a novel proposal. More novel, though, was Woolf's manner of arguing and proving her contentions: through a fictional account of the limits placed on even the most privileged women in everyday existence. An impressive early example of cultural materialism, A Room of One's Own is an exemplary encapsulation of creative thinking.

Eustace's career—if career it can be called—certainly dates from that afternoon in the chestnut woods above Ravello. I confess at once that I am a plain, simple man, with no pretensions to literary style. Still, I do flatter myself that I can tell a story without exaggerating, and I have therefore decided to give an unbiased account of the extraordinary events of eight years ago.

### **A Room of One's Own**

What would Little Women be without the charms of the March family's cozy New England home? Or Wuthering Heights without the ghost-infested Wuthering Heights? Getting lost in the setting of a good book can be half the pleasure of reading, and Decorating a Room of One's Own brings literary backdrops to the foreground in this wryly affectionate satire of interior design reporting. English professor and humorist Susan Harlan spoofs decorating culture by reimagining its subject as famous fictional homes and "interviews" the residents who reveal their true tastes: Lady Macbeth's favorite room in the castle, or the design inspiration behind Jay Gatsby's McMansion of unfulfilled dreams. Featuring 30 entries of notable dwellings, sidebars such as "Setting Up an Ideal Governess's Room," and four-color spot illustrations throughout, Decorating a Room of One's Own is the ideal book for readers who appreciate fine literature and a good end table.
