Orphaned by the Border Wars, Alina Starkov is taken to become the proteg e of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

A Storm of Swords

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones*. The inspiration for the Channel 5 series *Britain's Bloody Crown*, the crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself

apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

The Forest of Arrows

Soon to be a show on Hulu! In Low Chicago, a gang of criminals scattered throughout the past threaten the stability of the world in George R. R. Martin's latest Wild Cards adventure. The stakes were already high enough at Giovanni Galante's poker table that night in Chicago. Poker. Dealer's choice. Seven players. A million-dollar cash buy-in. But after a superpowered mishap, the most high-profile criminals in the city are scattered throughout the past and their schemes across time threaten the stability of the world. Perfect for current fans and new readers alike, Low Chicago is an all-new time travel adventure that highlights the criminal underworld of 1920s Chicago, featuring a fresh cast of characters from the Wild Cards universe. Co-edited by #1 New York Times bestselling author George R. R. Martin and Melinda M. Snodgrass (screenwriter, Star Trek), Low Chicago features the writing talents of Saladin Ahmed (author of the bestselling comic Black Bolt), Paul Cornell (screenwriter, Doctor Who), Marko Kloos (author of the bestselling Frontlines series), John Jos. Dark Wyng (The Erth Dragons #2)

IN A LAND WHERE MAGIC IS FORBIDDEN, AN ANCIENT EVIL HAS RETURNED In the mystical kingdom of Old Vynterra and its surrounding territories, all magic has been banned for centuries, with magical beings forced to live apart from human lands. But when a group of adventurous friends encounter a mesmerizing forest while playing a daring game, and one of their own vanishes without a trace, they begin to suspect the forest may contain a mysterious power. Amid increasingly deadly threats and the shocking return of long-extinct, terrifying creatures, the lifelong companions must work together to stay alive, find their lost friend, and unravel the ancient, dark mystery hiding in the Forest of Arrows. In this spellbinding fantasy, V.F. Sharp takes readers of all ages on an exhilarating and mystifying adventure filled with rich history, exciting twists and turns, and colorful characters. The Forest of Arrows: The Prince of Old Vynterra is the first in a planned trilogy.

Chitty Chitty Bang Bang

In this unforgettable space opera, #1 New York Times bestselling author George R. R. Martin presents a chilling vision of eternal night—a volatile world where cultures clash, codes of honor do not exist, and the hunter and the hunted are often interchangeable. A whisperjewel has summoned Dirk t'Larien to Worlorn, and a love he thinks he lost. But Worlorn isn't the world Dirk imagined, and Gwen Delvano is no longer the woman he once knew. She is bound to another man, and to a dying planet that is trapped in twilight. Gwen needs Dirk's protection, and he will do anything to keep her safe, even if it means challenging the barbaric man who has claimed her. But an impenetrable veil of secrecy surrounds them all, and it's becoming impossible for Dirk to distinguish between his allies and his enemies. In this dangerous triangle, one is hurtling toward escape, another toward revenge, and the last toward a brutal, untimely demise. "Dying of the Light blew the doors off of my idea of what fiction could be and could do, what a work of unbridled imagination could make a reader

feel and believe.”—Michael Chabon “Slick science fiction . . . the Wild West in outer space.”—Los Angeles Times “Something special which will keep Worlorn and its people in the reader’s mind long after the final page is read.”—Galileo magazine “The galactic background is excellent. . . . Martin knows how to hold the reader.”—Asimov’s “George R. R. Martin has the voice of a poet and a mind like a steel trap.”—Algis Budrys

The Lands of Ice and Fire

“The best novel concerning the American pop music culture of the sixties I’ve ever read.”—Stephen King From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock ‘n’ roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the ‘60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “The wilder aspects of the ‘60s . . . roar back to life in this hallucinatory story by a master of chilling suspense.”—Publishers Weekly “What a story, full of nostalgia and endless excitement. . . . It’s taut, tense, and moves like lightning.”—Tony Hillerman “Daring . . . a knowing, wistful appraisal of . . . a crucial American generation.”—Chicago Sun-Times “Moving . . . comic . . . eerie . . . really and truly a walk down memory lane.”—The Washington Post From the Trade Paperback edition.

A Storm of Swords Complete Edition (Two in One) (A Song of Ice and Fire, Book 3)

Fierce and proud, the Rigante dwell deep in the green mountain lands, worshiping the gods of air and water, and the spirits of the earth. Among them lives a warrior who bears the mark of fate. Born of the storm that slew his father, he is Connavar, and tales of his courage spread like wildfire. The Seidh—a magical race as old as time—take note of the young warrior and cast a malignant shadow across his life. For soon a merciless army will cross the water, destroying forever the timeless rhythms of life among the Rigante. Swearing to protect his people, Connavar embarks on a quest that will take him into the heart of the enemy. Along the way, he receives a gift: a sword as powerful and deadly as the Seidh who forged it. Thus he receives a name that will strike fear into the hearts of friend and foe alike—a name

proclaiming a glorious and bitter destiny . . . Demonblade. From the Paperback edition.

A Storm of Swords (Enhanced Edition): Parts 1 & 2 (A Song of Ice and Fire, Book 3)

The dragon Wearle is in turmoil: A human boy named Ren has bonded with a pair of baby dragons, and their connection has given him shocking and extraordinary new powers. Though some of the dragons suspect he is plotting against the Wearle, his dragon allies will do anything to save him. But Ren has an agenda of his own. Meanwhile, after the devastating war with the dragons, the humans, or Kaal, have accepted the leadership of a mysterious stranger. The man, who calls himself Tywyll, has an affinity for crows and rides a remarkable unicorn. The band of followers that accompanies him into dragon territory has no idea the danger they're inviting. Though the dragons and the Kaal are dead set against each other, both will face down an ancient power stronger than any of them can imagine.

A Feast for Crows

Her inventive recipe for mixing first-class suspense and five-star fare has made Diane Mott Davidson a favorite of mystery lovers and a mainstay on major bestseller lists across the country. Now she has prepared another irresistibly tempting tale spiced with mystery and mayhem... For Colorado caterer Goldy Schulz, business isn't just booming--it's skyrocketing. Her friend Marla is constantly warning her, "Success can kill you." But Goldy doesn't take the warning literally until her next booking: a cocktail party for the Westside Mall's Elite Shoppers Club. While setting up, Goldy is nearly run down by a truck with no intention of stopping. Then she finds an old friend in a pile of sale shoes--stabbed with one of Goldy's new knives. Goldy must catch the real killer between whipping up Sweethearts' Swedish Meatballs, Quiche Me Quick, and Diamond Lovers' Hot Crab Dip. Why was the victim carrying a powerful narcotic? Who hired a private investigator shortly before the murder? Goldy's gourmet instincts tell her the final course in this case will be a real killer. From the Paperback edition.

Blood And Gold

Long before A Game of Thrones became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across the cosmos. Now back in print after almost ten years, Tuf Voyaging is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of

Earth's legendary Ecological Engineering Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures. Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—Analog "A new facet of Martin's manysided talent."—Asimov's

The Hive Queen

The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS

Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater, make a profitable living carrying out dangerous assignments for conspiring nobles—until they are hired to pilfer a

famed sword. What appears to be just a simple job finds them framed for the murder of the king and trapped in a conspiracy that uncovers a plot far greater than the mere overthrow of a tiny kingdom. Can a self-serving thief and an idealistic swordsman survive long enough to unravel the first part of an ancient mystery that has toppled kings and destroyed empires? And so begins the first tale of treachery and adventure, sword fighting and magic, myth and legend. When author Michael J. Sullivan self-published the first books of his Riyria Revelations, they rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere. Theft of Swords was originally published as: The Crown Conspiracy and Avempartha. A Game of Thrones: Graphic Novel, Volume Three (A Song of Ice and Fire)

The creator of the award-winning podcast series The History of Rome and Revolutions brings to life the bloody battles, political machinations, and human drama that set the stage for the fall of the Roman Republic. The Roman Republic was one of the most remarkable achievements in the history of civilization. Beginning as a small city-state in central Italy, Rome gradually expanded into a wider world filled with petty tyrants, barbarian chieftains, and despotic kings. Through the centuries, Rome's model of cooperative and participatory government remained remarkably durable and unmatched in the history of the ancient world. In 146 BC, Rome finally emerged as the strongest power in the Mediterranean. But the very success of the Republic proved to be its undoing. The republican system was unable to cope with the vast empire Rome now ruled: rising economic inequality disrupted traditional ways of life, endemic social and ethnic prejudice led to clashes over citizenship and voting rights, and rampant corruption and ruthless ambition sparked violent political clashes that cracked the once indestructible foundations of the Republic. Chronicling the years 146-78 BC, The Storm Before the Storm dives headlong into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

Shadow and Bone

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

Dying of the Light

Gary Gianni created one of the strangest occult detective teams in comics history: millionaire filmmaker Lawrence St. George and his associate, Benedict, of the venerable guild of Corpus Monstrous. They navigate a peculiar and deadly world plagued by squid pirates, zombie cowboys, abominable snowmen, moustachioed skulls, and fat, flying demons. Here, the stories are collected in a haunting, evocative comic quite unlike anything else!

Theft of Swords

A THRILLING REINVENTION OF THE VAMPIRE NOVEL BY THE MASTER OF MODERN FANTASY, GEORGE R. R. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind's most impossible dream.

A Dance with Dragons

The book every George R.R. Martin fan has been waiting for: a magnificent collection of the best-selling author's most evocative short fiction GRRM: A RETROSPECTIVE is a massive collection of the best of George R.R. Martin's short fiction, containing 32 short stories and novellas, including the Hugo-winning 'A Song for Lya', the Bram Stoker-winning 'The Pear-Shaped Man' and 'The Skin Trade', which won the World Fantasy Award and is generally acclaimed as the finest werewolf story of our time. As well as the stories themselves, which span Martin's multi-faceted career, there are two television scripts, voluminous author commentary, an introduction by award-winning editor and writer Gardner Dozois and a comprehensive bibliography. This must-have volume by one of the brightest stars in the field of imaginative fiction.

Xanathar's Guide to Everything

THE BOOK BEHIND THE THIRD SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. Here is the third volume in George R. R. Martin's magnificent cycle of novels that includes A Game of Thrones and A Clash of Kings. As a whole, this series comprises a genuine masterpiece of modern fantasy, bringing together the best the genre has to offer. Magic, mystery, intrigue, romance, and adventure fill these pages and transport us to a world unlike any we have ever experienced. Already hailed as a classic, George R. R. Martin's stunning series is destined to stand as one of the great achievements of imaginative fiction. A STORM OF SWORDS Of the five contenders for power, one is dead, another in disfavor, and still the wars rage as violently as ever, as alliances are made and broken. Joffrey, of House Lannister, sits on the Iron Throne, the uneasy ruler of the land of the Seven Kingdoms. His most bitter rival, Lord Stannis, stands defeated and disgraced, the victim of the jealous sorceress who holds him in her evil thrall. But young Robb, of House Stark, still rules the North from the fortress of Riverrun. Robb plots against his despised Lannister enemies, even as they hold his sister hostage at King's Landing, the seat of the Iron Throne. Meanwhile, making her way across a blood-drenched continent is the exiled queen, Daenerys, mistress of the only three dragons still left in the world. . . . But as opposing forces maneuver for the final titanic showdown, an army of barbaric wildlings arrives from the outermost line of civilization. In their vanguard is a horde of mythical Others--a supernatural army of the living dead whose animated corpses are unstoppable. As the future of the land hangs in the balance, no one will rest until the Seven

Kingdoms have exploded in a veritable storm of swords. . . .

The Wars of the Roses

THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. *A FEAST FOR CROWS* It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

Season of Storms

#1 NEW YORK TIMES BESTSELLER • THE BOOK BEHIND THE FIFTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Don't miss the thrilling sneak peek of George R. R. Martin's *A Song of Ice and Fire: Book Six, The Winds of Winter* Dubbed "the American Tolkien" by Time magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire. *A DANCE WITH DRAGONS A SONG OF ICE AND FIRE: BOOK FIVE* In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her.

As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they seem, and at their heart lies one who could undo Daenerys's claim to Westeros forever. Meanwhile, to the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night's Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for *A Dance with Dragons* "Filled with vividly rendered set pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, *A Dance with Dragons* is epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined."—The Washington Post "Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers."—The New York Times "One of the best series in the history of fantasy."—Los Angeles Times From the Paperback edition.

The Gathering Storm

Robb Stark may be King in the North, but he must bend to the will of the old tyrant Walder Frey if he is to hold his crown. And while his youngest sister, Arya, has escaped the clutches of the depraved Cersei Lannister and her son, the capricious boy-king Joffrey, Sansa Stark remains their captive. Meanwhile, across the ocean, Daenerys Stormborn, the last heir of the Dragon King, delivers death to the slave-trading cities of Astapor and Yunkai as she approaches Westeros with vengeance in her heart.

The Armageddon Rag

The #1 New York Times bestselling series continues with a thrilling revelation -- three brand-new tribes of dragons! Growing up in the hives, Cricket has always had a million questions. Why are trees forbidden, even in art? Why do her parents seem to hate her? And the biggest, most dangerous and secret question of all: Why is Cricket immune to Queen Wasp's powers? Whenever the queen takes control of all the HiveWings, speaking through their mouths and seeing through their

eyes, Cricket has to hide, terrified of being discovered. Now she's hiding again, wanted for stealing the Book of Clearsight along with her new SilkWing friends, Blue and Swordtail, and the fierce LeafWing, Sundew. The fugitives need answers, and fast, in order to prevent a LeafWing attack. But Cricket has more questions than ever. How can she stay hidden and discover the queen's deadliest secret? And if she does succeed -- can a powerless dragonet really do anything to topple a regime and stop a war?

But as opposing forces maneuver for the final titanic showdown, an army of barbaric wildlings arrives from the outermost line of civilization. In their vanguard is a horde of mythical Others—a supernatural army of the

living dead whose animated corpses are unstoppable. As the future of the land hangs in the balance, no one will rest until the Seven Kingdoms have exploded in a veritable storm of swords. . . .

A song of ice and fire

Ever wonder what it's like to attend a feast at Winterfell? Wish you could split a lemon cake with Sansa Stark, scarf down a pork pie with the Night's Watch, or indulge in honeyfingers with Daenerys Targaryen? George R. R. Martin's bestselling saga A Song of Ice and Fire and the runaway hit HBO series Game of Thrones are renowned for bringing Westeros's sights and sounds to vivid life. But one important ingredient has always been missing: the mouthwatering dishes that form the backdrop of this extraordinary world. Now, fresh out of the series that redefined fantasy, comes the cookbook that may just redefine dinner . . . and lunch, and breakfast. A passion project from superfans and amateur chefs Chelsea Monroe-Cassel and Sariann Lehrer—and endorsed by George R. R. Martin himself—A Feast of Ice and Fire lovingly replicates a stunning range of cuisines from across the Seven Kingdoms and beyond. From the sumptuous delicacies enjoyed in the halls of power at King's Landing, to the warm and smoky comfort foods of the frozen North, to the rich, exotic fare of the mysterious lands east of Westeros, there's a flavor for every palate, and a treat for every chef. These easy-to-follow recipes have been refined for modern cooking techniques, but adventurous eaters can also attempt the authentic medieval meals that inspired them. The authors have also suggested substitutions for some of the more fantastical ingredients, so you won't have to stock your kitchen with camel, live doves, or dragon eggs to create meals fit for a king (or a khaleesi). In all, A Feast of Ice and Fire contains more than 100 recipes, divided by region: • The Wall: Rack of Lamb and Herbs; Pork Pie; Mutton in Onion-Ale Broth; Mulled Wine; Pease Porridge • The North: Beef and Bacon Pie; Honeyed Chicken; Aurochs with Roasted Leeks; Baked Apples • The South: Cream Swans; Trout Wrapped in Bacon; Stewed Rabbit; Sister's Stew; Blueberry Tarts • King's Landing: Lemon Cakes; Quails Drowned in Butter; Almond Crusted Trout; Bowls of Brown; Iced Milk with Honey • Dorne: Stuffed Grape Leaves; Duck with Lemons; Chickpea Paste • Across the Narrow Sea: Biscuits and Bacon; Tyroshi Honeyfingers; Wintercakes; Honey-Spiced Locusts There's even a guide to dining and entertaining in the style of the Seven Kingdoms. Exhaustively researched and reverently detailed, accompanied by passages from all five books in the series and full-color photographs guaranteed to whet your appetite, this is the companion to the blockbuster phenomenon that millions of stomachs have been growling for. And remember, winter is coming—so don't be afraid to put on a few pounds. Includes a Foreword by George R. R. Martin From the Hardcover edition.

The Art of Breathing

From New York Times bestselling and award-winning author Walter Jon

Williams comes an adventurous epic fantasy about a man who is forced to leave his comfortable life and find his fortune among goddesses, pirates, war, and dragons. Rogue. Joker. Lover. Reluctant soldier. Quillifer is a young man, serially in love and studying law, when a family tragedy throws him into the world to seek his fortune. A charmer rather than a fighter, he soon finds himself embroiled with a bandit gang, caught up in vicious court intrigues, and the plaything of an angry, beautiful, and very jealous goddess. While he struggles to establish himself in the capital, the country finds itself pitched into a civil war, and Quillifer, a unwilling soldier at best, finds himself caught up in the action, and able to tip the scales of fortune. Quillifer, with its engaging hero and his exploits with lovers, brawlers, warriors, and privateers, is a book that bursts with life. It's the first volume in a new epic fantasy by bestselling and award-winning author Walter Jon Williams.
