A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

## **100 Nasty Women of History**

Women's stories are often written as if they spent their entire time on Earth casting woeful but beautiful glances towards the horizon and sighing into the bitter wind at the thought of any conflict. Well, that's not how it f\*\*king happened. When you hear about a woman who was 100% pure and good, you're probably missing the best chapters in her life's story. Maybe she slept around. Maybe she stole. Maybe she crashed planes. Maybe she got shot, or maybe she shot a bad guy (who probably had it coming.) Maybe she caused a scandal. Maybe she caused a riot From badass writer Hannah Jewell, *She Caused a Riot* is an empowering, no-holds-barred look into the epic adventures and dangerous exploits of 100 inspiring women who were too brave, too brilliant, too unconventional, too political, too poor, not ladylike enough and not white enough to be recognized by their shitty contemporaries. From 3rd-century Syrian queen Zenobia to 20th-century Nigerian women's rights activist Funmilayo Ransome-Kuti, these are women who gave absolutely zero f\*\*ks, and will inspire a courageous new movement of women to do the same.

The Atlantic, Essence, the Washington Post, New York magazine, NPR, and others—of the harsh and harmful experiences confronting Black girls in schools In a work that Lisa Delpit calls “imperative reading,” Monique W. Morris (Black Stats, Too Beautiful for Words) chronicles the experiences of Black girls across the country whose intricate lives are misunderstood, highly judged—by teachers, administrators, and the justice system—and degraded by the very institutions charged with helping them flourish. Called “compelling” and “thought-provoking” by Kirkus Reviews, Pushout exposes a world of confined potential and supports the rising movement to challenge the policies, practices, and cultural illiteracy that push countless students out of school and into unhealthy, unstable, and often unsafe futures. Called a book “for everyone who cares about children” by the Washington Post, Morris’s illumination of these critical issues is “timely and important” (Booklist) at a moment when Black girls are the fastest growing population in the juvenile justice system. Praised by voices as wide-ranging as Gloria Steinem and Roland Martin, and highlighted for the audiences of Elle and Jet right alongside those of EdWeek and the Leonard Lopate Show, Pushout is a book that “will stay with you long after you turn the final page” (Bookish).

Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains:

- A chronology of the play and the playwright's life and work
- an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created
- a succinct overview of the creation processes followed and subsequent performance history of the piece
