### **Trafficked: The Terrifying True Story of a British Girl Forced into the Sex Trade**

Originally published by Viking Penguin, 2014.

### **Desolation Road**

The story of a kind of poverty in America so deep that we, as a country, don't even think exists from a leading national poverty expert who defies convention ("New York Times")

### **Beyond The Scars**

Describes recent reforms adopted in some jurisdictions, such as protecting the anonymity of the victim & allowing complainants to report sexual assault even when the victim chooses not to press charges. Law enforcement officials & district attorneys have worked to support compensation for victims & also have created victim-witness advocate positions to help victims navigate the criminal justice process & speed their recovery. Contains a glossary, resources, & tables.

### **Trafficking in Persons Report 2017**

Take the ride of your life with the Torpedo Ink motorcycle club in this thrilling romance novel from #1 New York Times bestselling author Christine Feehan. Torpedo Ink is Aleksei "Absinthe" Solokov's whole life. They're his brothers, his family--his everything. But that doesn't stop him from wanting something that only belongs to him. That's why the tough biker has spent the last six weeks at the library, reading every book he can get his hands on and watching the prim and proper librarian who makes his blood rush. For the past six weeks, Scarlet Foley has been fantasizing about the handsome, tattooed man whose eyes follow her every move. She senses he's dangerous. She wants him to get close enough to touch. She wishes she could let him know the real woman, not the one she pretends to be. But Scarlet has a plan to carry out, and she can't afford any distractions. Absinthe is well aware that Scarlet is hiding something. She's a puzzle he intends to solve, piece by intoxicating piece.

### **Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States**

What does it mean to be resilient? We all face adversity in life. The question is, how will you respond to it? Will you learn to be resilient? Will you learn to thrive or merely survive? In this inspirational book, Ria shares how she overcame issues like guilt, shame, fear, and doubt that stemmed from years of being sexually abused by her father. Forced to play the role of a wife and even share with other men due to her father's perversions, Ria left home at 19 without a job, a car, or even a high-school diploma. By experiencing Ria's journey of resilience you will find courage for your own. What happens to us in life isn't as important as how we respond to it. The choices we make today will define us tomorrow.

### **The Body Keeps the Score**

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Nextflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it

## Free Copy Beyond The Scars Surviving Trafficking

would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

### **Trafficked**

The essential account of R. Kelly's actions and their consequences, a reckoning two decades in the making. In November 2000, Chicago journalist and music critic Jim DeRogatis received an anonymous fax that alleged R. Kelly had a problem with "young girls." Weeks later, DeRogatis broke the shocking story, publishing allegations that the R&B superstar and local hero had groomed girls, sexually abused them, and paid them off. DeRogatis thought his work would have an impact. Instead, Kelly's career flourished. No one seemed to care: not the music industry, not the culture at large, not the parents of numerous other young girls. But for more than eighteen years, DeRogatis stayed on the story. He was the one who was given the disturbing videotape that led to Kelly's 2008 child pornography trial, the one whose window was shot out, and the one whom women trusted to tell their stories--of a meeting with the superstar at a classroom, a mall, a concert, or a McDonald's that forever warped the course of their lives. *Soulless: The Case Against R. Kelly* is DeRogatis's masterpiece, a work of tenacious journalism and powerful cultural criticism. It tells the story of Kelly's career, DeRogatis's investigations, and the world in which the two crossed paths, and brings the story up to the moment when things finally seem to have changed. Decades in the making, this is an outrageous, darkly riveting account of the life and actions of R. Kelly, and their horrible impact on dozens of girls, by the only person to tell it.

### **The Human Trafficking Cycle**

Capture and early days.

### **Medical Perspectives on Human Trafficking in Adolescents**

An astonishingly brave memoir of prostitution and its lingering influence on a woman's psyche and life. "The best work by anyone on prostitution ever, Rachel Moran's *Paid For* fuses the memoirist's lived poignancy with the philosopher's conceptual sophistication. The result is riveting, compelling, incontestable. Impossible to put down. This book provides all anyone needs to know about the reality of prostitution in moving, insightful prose that engages and disposes of every argument ever raised in its favor." —Catharine A. MacKinnon, law professor, University of Michigan and Harvard University Born into

## Free Copy Beyond The Scars Surviving Trafficking

a troubled family, Rachel Moran left home at the age of fourteen. Being homeless, she was driven into prostitution to survive. With intelligence and empathy, she describes the exploitation she and others endured on the streets and in the brothels. Moran also speaks to the psychological damage inherent to prostitution and the inevitable estrangement from one's body. At twenty-two, Moran escaped the sex trade. She has since become a writer and an abolitionist activist.

### **Groomed**

### **Data and Research on Human Trafficking**

This book brings together some of the most interesting and innovative work being done to tackle gender-based violence in various sectors, world regions, and socio-political contexts. It will be useful to development and humanitarian practitioners, policy makers, and academics, including gender specialists.

### **Stolen**

Boys strapped to carpet looms in India, women trafficked into sex slavery across Europe, children born into bondage in Mauritania, and migrants imprisoned at gunpoint in the United States are just a few of the many forms slavery takes in the twenty-first century. There are twenty-seven million slaves alive today, more than at any point in history, and they are found on every continent in the world except Antarctica. To Plead Our Own Cause contains ninety-five narratives by slaves and former slaves from around the globe. Told in the words of slaves themselves, the narratives movingly and eloquently chronicle the horrors of contemporary slavery, the process of becoming free, and the challenges faced by former slaves as they build a life in freedom. An editors' introduction lays out the historical, economic, and political background to modern slavery, the literary tradition of the slave narrative, and a variety of ways we can all help end slavery today. Halting the contemporary slave trade is one of the great human-rights issues of our time. But just as slavery is not over, neither is the will to achieve freedom, "plead" the cause of liberation, and advocate abolition. Putting the slave's voice back at the heart of the abolitionist movement, To Plead Our Own Cause gives occasion for both action and hope.

### **Stolen**

## Free Copy Beyond The Scars Surviving Trafficking

Anne of Green Gables is a children's classic by Canadian author L. M. Montgomery and recently adapted by Netflix in the hit series Anne with an E. 11-year-old Anne is mistakenly sent away from her orphanage to live on Prince Edward Island with brother and sister Matthew and Marilla Cuthbert who need help on their farm. Wild and imaginative Anne learns to find her place in the little town of Avonlea, makes friends, and strives to be the best in school. A children and adults' favourite Anne's tale of is one of love, individuality, and (mis)adventures. Lucy Maud Montgomery (1874-1942) was a Canadian author. She is most famous for her novel 'Anne of Green Gables' that was an instant hit and became a series that is still enjoyed by children and parents the world over. She grew up on Prince Edward Island and was raised by her grandparents after her mother's early death. Much like her most famous character, Anne, Montgomery had a lonely childhood for which she found relief in the beautiful nature of Prince Edward and in her fierce imagination, which she very early on turned into writing. She 's a canon of Canadian and children 's literature with over twenty novels, and hundreds of short-stories, poems, and essays to her name.

### **Human Trafficking in the Sinai**

This report describes the horrific situation of trafficking of refugees in the Sinai desert, a crisis that started in 2009. The refugees include men, women, children, and accompanying infants fleeing from already desperate circumstances in Eritrea, Ethiopia, and Sudan. An estimated 95% of the refugees in the Sinai (also referred to as hostages) are Eritreans. Smuggled across borders by middlemen, or kidnapped from refugee camps in Ethiopia and the Sudan, as well as their surrounding areas, and then captured or sold, the refugees are held hostage close to the Israeli border in inhumane conditions and tortured for ransoms of up to \$50,000 USD. A large number of the refugees have died, either while being held hostage or after their release - often even after their ransom has been paid. A large number of refugees simply 'disappear' - killed while being held or shot.

### **Human Trafficking**

"World Health Organization, London School of Hygiene and Tropical Medicine, South African Medical Research Council"--Title page.

### **Breaking Intergenerational Cycles of Repetition**

Human trafficking in the Sinai started in 2009 and involves the abduction, extortion, sale, torture and

## Free Copy Beyond The Scars Surviving Trafficking

killings of men, women and children. This book follows from the publication "Human Trafficking in the Sinai: Refugees between Life and Death" (2012). It describes how refugees are abducted and brought to the Sinai and identifies the modus operandi of the trafficking. It also looks at what happens after the hostages are released and where they go. This book introduces the term "trafficking cycle" to describe how refugees become trapped in a vicious cycle of detention, exploitation and abuse, or take risks that may lead to tragedies such as the shipwreck off the coast of Lampedusa on 3 October 2013. It also portrays how Sinai survivors remain owners of their own history and keepers of their own dignity. The book is based on interviews with hostages and survivors of the trafficking in the Sinai and others. Mirjam van Reizen is Professor of International Social Responsibility at Tilburg University. Meron Estefanos is a Swedish journalist of Eritrean descent. Conny Rijken is lawyer and a specialist in trafficking in human beings at Tilburg University. Guest author, Erik Borgman, is Professor of Systematic Theology at Tilburg University.

### **Gaddafi's Harem**

A stunning literary survival story of three young Sudanese boys, two brothers and a cousin—hailed by the Los Angeles Times as a "moving, beautifully written account, by turns warm and tender." Between 1987 and 1989, Alepho, Benjamin, and Benson, like tens of thousands of young boys, took flight from the massacres of Sudan's civil war. They became known as the Lost Boys. With little more than the clothes on their backs, sometimes not even that, they streamed out over Sudan in search of refuge. Their journey led them first to Ethiopia and then, driven back into Sudan, toward Kenya. They walked nearly one thousand miles, sustained only by the sheer will to live. They Poured Fire on Us from the Sky is the three boys' account of that unimaginable journey. With the candor and the purity of their child's-eye-vision, Alephonsian, Benjamin, and Benson recall by turns: how they endured the hunger and strength-sapping illnesses—dysentery, malaria, and yellow fever; how they dodged the life-threatening predators—lions, snakes, crocodiles and soldiers alike—that dogged their footsteps; and how they grappled with a war that threatened continually to overwhelm them. Their story is a lyrical, captivating, timeless portrait of a childhood hurled into wartime and how they had the good fortune and belief in themselves to survive.

### **Pimp**

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand

## Free Copy Beyond The Scars Surviving Trafficking

has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

### **Anne of Green Gables**

"[A] remarkable story...An honest and harrowing memoir of a life-changing ordeal." -Arizona Republic The spellbinding New York Times bestseller, *Out of Captivity* is the amazing true story of Marc Gonsalves, Tom Howes, and Keith Stansell, three American civilian contractors who were held hostage by the FARC rebel group in Colombia for five and a half years. Written with Gary Brozek, this book is an astonishing tale of unbelievable hardship and indomitable will—an "action-packed" (Time magazine) real-life adventure that stands with *Alive* by Piers Paul Read, Norman Ollestad's *Crazy for the Storm*, and other classic true stories of survival.

### **Soulless**

8. Challenging the state.

### **Ending Violence Against Women**

The haunting, unforgettable memoir that took the UK by storm, *Trafficked* is a gripping first-hand account of a young woman who survived the horrors of human trafficking. Sophie Hayes, a young, educated English woman, was spending an idyllic weekend in Italy with her seemingly charming boyfriend. But the day of her return home, he made it clear she wasn't going anywhere. Punching and shouting at her, he threatened to kill her adored younger brothers if she didn't cooperate to help him pay off hundreds of thousands of dollars he'd racked up in debts. Over the next six months, Sophie is forced to work as a prostitute in a country where she didn't speak the language, nobody knows her whereabouts, and escape

## Free Copy Beyond The Scars Surviving Trafficking

seems impossible. She struggles to survive, constantly at the mercy of her boyfriend's violent moods and living in fear of being killed by any of her customers. When a life-threatening illness lands her in the hospital, Sophie has a chance to phone her mother and escape—if her boyfriend doesn't get to her first. Chilling and captivating, *Trafficked* is one of the first memoirs to present a stunning personal look at the criminal human sex trafficking trade and bring this disturbingly widespread abuse to light.

### **The Criminal Justice and Community Response to Rape**

Sex trafficking is currently a hot news topic, but it is not a new problem or just a problem in "other" countries. Every year, an estimated 300,000 American children are at risk of being lured into the sex trade, some as young as eight years old. It is thought that up to 90 percent of victims are never rescued. *Stolen* is the true story of one survivor who escaped—more than once. First recruited while staying with her family at a hotel in Miami Beach, Katariina Rosenblatt was already a lonely and abused young girl who was yearning to be loved. She fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child prostitution ring. For years afterward, a cycle of false friendship, threats, drugs, and violence kept her trapped. As Kat shares her harrowing experiences, readers will quickly realize the frightening truth that these terrible things could have happened to any child—a neighbor, a niece, a friend, a sister, a daughter. But beyond that, they will see that there is real hope for the victims of sex trafficking. *Stolen* is more than a warning. It is a celebration of survival that will inspire.

### **Beyond Bound and Broken**

Every day in the United States, children and adolescents are victims of commercial sexual exploitation and sex trafficking. Despite the serious and long-term consequences for victims as well as their families, communities, and society, efforts to prevent, identify, and respond to these crimes are largely under supported, inefficient, uncoordinated, and unevaluated. *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* examines commercial sexual exploitation and sex trafficking of U.S. citizens and lawful permanent residents of the United States under age 18. According to this report, efforts to prevent, identify, and respond to these crimes require better collaborative approaches that build upon the capabilities of people and entities from a range of sectors. In addition, such efforts need to confront demand and the individuals who commit and benefit from these crimes. The report recommends increased awareness and understanding, strengthening of the

## Free Copy Beyond The Scars Surviving Trafficking

law's response, strengthening of research to advance understanding and to support the development of prevention and intervention strategies, support for multi-sector and interagency collaboration, and creation of a digital information-sharing platform. A nation that is unaware of these problems or disengaged from solutions unwittingly contributes to the ongoing abuse of minors. If acted upon in a coordinated and comprehensive manner, the recommendations of *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* can help advance and strengthen the nation's emerging efforts to prevent, identify, and respond to commercial sexual exploitation and sex trafficking of minors in the United States.

### **Global and Regional Estimates of Violence Against Women**

This book examines all forms of human trafficking globally, revealing the operations of the trafficking business and the nature of the traffickers themselves. Using a historical and comparative perspective, it demonstrates that there is more than one business model of human trafficking and that there are enormous variations in human trafficking in different regions of the world. Drawing on a wide body of academic research - actual prosecuted cases, diverse reports and field work and interviews conducted by the author over the last sixteen years in Asia, Latin America, Africa, Europe and the former socialist countries - Louise Shelley concludes that human trafficking will grow in the twenty-first century as a result of economic and demographic inequalities in the world, the rise of conflicts and possibly global climate change. Coordinated efforts of government, civil society, the business community, multilateral organizations and the media are needed to stem its growth.

### **Paid For: My Journey Through Prostitution**

The 2017 *Trafficking in Persons Report* highlights the successes achieved and the remaining challenges before us on this important issue. The primary focus is to showcase the responsibility of governments to criminalize human trafficking and hold offenders accountable. This year's report theme is increasing criminal accountability of human traffickers and addressing challenges in prosecution - an essential component of 3P- paradigm of prosecution, protection, and prevention. It provides an overview of the type of human trafficking offenses that are taking place around the world in violation of human rights. The text includes side bars of situational human trafficking experiences to allow the reader to understand the different types that occur throughout the world. High school students and above may find this report helpful for research and writing essays about human rights and law enforcement of human

## Free Copy Beyond The Scars Surviving Trafficking

trafficking. American citizens, policy analysts and decision-makers, law enforcement personnel, and human rights policy activists and advocates and world leaders may refer to this report as a reference on these crimes. Related products: Explore our Human Rights resources collection and other products produced by the U.S. State Department.

### **To Plead Our Own Cause**

Some girls in conflict-ridden Northern Uganda resort to transactional sex to have a mat to sleep on at night. And with the prospect of earning more money in a day than their parents might make in a month, many girls in East Java, Indonesia fall into work in the sex industry. Children face sexual exploitation worldwide, especially when they have little support to avoid them, have few skills that give them options, and little sense of their own value and possible alternative futures. The Positive Deviance approach to social change finds solutions to common problems in the behaviors of positive outliers—those who defy the worst odds in the face of seemingly intractable problems and present social proof that local and actionable solutions to those problems are equally available to their peers. This monograph documents two child protection projects implemented by Save the Children using the Positive Deviance approach.

### **Out of Captivity**

From the New York Times and USA Today Bestselling Author comes a sexy paranormal romance. MAX Feelings are a luxury I can't afford. Hidden behind a shield of quiet placidity, I keep my secret safe from those who'd use it against me. Until him—the tatted up, self-centered Scar assassin hired to protect me. He takes pleasure in tormenting me, chipping away at my defenses as if I'm a toy to be played with. I hate that he continuously reminds me that I'm nothing more than a job. I hate that my body responds to his touch. I hate him. JASPER I'm not a good guy and I don't pretend to be. Condemn me if you want, I don't give a crap. You're nothing to me. No one is ... except her—Max. She's my target. And I was hired to do a hell of a lot more than protect her ... I was hired to kill her. It should've been simple, but it was complicated as hell. Full-length novel. Come meet the Scars. Scars: Immortal warriors with capabilities derived from the senses: Trackers, Sounders, Healers, Tasters, Visionaries, and the rare Reflectors. They each have what is known as an Ink, a tattoo that can be called life. Scars of the Wraiths Stygian (Scars of the Wraiths, Book 1) Tyrant (Scars of the Wraiths Book 2) Coming March 7th Credo (Scars of the Wraiths, Book 3) Coming Soon TAKE (Scars of the Wraiths) a standalone novel.

### **They Poured Fire on Us From the Sky**

The inspiring true story of a woman who changed a lifetime of horrific and heartbreaking abuse into a story of hope. Abandoned as an infant and raised by abusive pedophiles, Lynn Caffery left home at the age of eleven and fell into the clutches of a gang who trafficked her to both male and females. Now as the Executive Director of Safe Harbor Youth in Huntsville, Alabama, she rescues young victims and fights back against the evil of child abuse and human trafficking. Taken from her own words, this is a story you should never forget.

### **The Psychosocial Implications of Disney Movies**

Follows a fifteen-year-old girl who, after presenting Gaddafi with a bouquet of flowers during a visit to her school, was summoned to his compound where she, along with a number of young women, was violently abused, raped, and degraded.

### **The Blue Notebook**

Relates the story of a U.S. airman who survived when his bomber crashed into the sea during World War II, spent forty-seven days adrift in the ocean before being rescued by the Japanese Navy, and was held as a prisoner until the end of the war.

### **Unbroken**

He'd been her friend for years. He said he loved her. Then she realised she didn't know him at all

### **The Scars of Death**

This "superbly researched and engaging" (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs "alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison" (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay,

## Free Copy Beyond The Scars Surviving Trafficking

they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnappers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. "Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans" (Booklist).

### **The Pandemic Century: One Hundred Years of Panic, Hysteria, and Hubris**

The authors in this volume explore the interconnected issues of intergenerational trauma and traumatic memory in societies with a history of collective violence across the globe. Each chapter's discussion offers a critical reflection on historical trauma and its repercussions, and how memory can be used as a basis for dialogue and transformation. The perspectives include, among others: the healing journey of three generations of a family of Holocaust survivors and their dialogue with third generation German students over time; traumatic memories of the British concentration camps in South Africa; reparations and reconciliation in the context of the historical trauma of Aboriginal Australians; and the use of the arts as a strategy of dialogue and transformation.

### **Handbook of Cell Signaling**

"The best book ever written on human trafficking for sexual exploitation"—the basis for the feature film, *Trafficked*, starring Ashley Judd (Kevin Bales, president of Free the Slaves). Every year, hundreds of thousands of women and children are abducted, deceived, seduced, or sold into forced prostitution. These trafficked sex slaves form the backbone of one of the world's most profitable illicit enterprises and generate huge profits for their exploiters, for unlike narcotics, which must be grown, harvested, refined, and packaged, sex slaves require no such "processing," and can be repeatedly "consumed." In this book, Kara provides a riveting account of his four-continent journey into this unconscionable industry, sharing the moving stories of its victims and revealing the shocking conditions of their exploitation. He draws on his background in finance, economics, and law to provide the first ever business analysis of contemporary slavery worldwide, focusing on its most profitable and barbaric form:

## Free Copy Beyond The Scars Surviving Trafficking

sex trafficking. Kara describes the local factors and global economic forces that gave rise to this and other forms of modern slavery over the past two decades and quantifies, for the first time, the size, growth, and profitability of each industry. Finally, he identifies the sectors of the sex trafficking industry that would be hardest hit by specifically designed interventions and recommends the specific legal, tactical, and policy measures that would target these vulnerable sectors and help to abolish this form of slavery, once and for all. The author will donate a portion of the proceeds of this book to the anti-slavery organization, Free the Slaves. "Sex trafficking is more of a problem than most people realize. Read this well-written book and find out."—Kirk Douglas

### **Hidden Slaves**

With a New Chapter and Updated Epilogue on Coronavirus A Financial Times Best Health Book of 2019 and a New York Times Book Review Editors' Choice "Honigsbaum does a superb job covering a century's worth of pandemics and the fears they invariably unleash." —Howard Markel, MD, PhD, director of the Center for the History of Medicine, University of Michigan How can we understand the COVID-19 pandemic? Ever since the 1918 Spanish influenza pandemic, scientists have dreamed of preventing such catastrophic outbreaks of infectious disease. Yet despite a century of medical progress, viral and bacterial disasters continue to take us by surprise, inciting panic and dominating news cycles. In *The Pandemic Century*, a lively account of scares both infamous and less known, medical historian Mark Honigsbaum combines reportage with the history of science and medical sociology to artfully reconstruct epidemiological mysteries and the ecology of infectious diseases. We meet dedicated disease detectives, obstructive or incompetent public health officials, and brilliant scientists often blinded by their own knowledge of bacteria and viruses—and see how fear of disease often exacerbates racial, religious, and ethnic tensions. Now updated with a new chapter and epilogue.

### **Protecting Children from Exploitation and Trafficking**

Forced labor is a serious & pervasive problem in the U.S. At any given time 10,000 or more people work as forced laborers in cities & towns across the country, & it is likely that the actual number is much higher, possibly tens of thousands. Because forced labor is hidden, inhumane, widespread, & criminal, sustained & coordinated efforts by U.S. law enforce., social service providers, & the general public are needed to expose & eradicate this illicit trade. This report documents the nature & scope of forced labor in the U.S. from Jan. 1998 to Dec. 2003. It is the first study to examine the numbers, demographic

## Free Copy Beyond The Scars Surviving Trafficking

characteristics, & origins of victims & perpetrators of forced labor in the U.S. & the adequacy of the U.S. response to this growing problem. Illus.

### **Gender-based Violence**

Handbook of Cell Signaling, Three-Volume Set, 2e, is a comprehensive work covering all aspects of intracellular signal processing, including extra/intracellular membrane receptors, signal transduction, gene expression/translation, and cellular/organotypic signal responses. The second edition is an up-to-date, expanded reference with each section edited by a recognized expert in the field. Tabular and well illustrated, the Handbook will serve as an in-depth reference for this complex and evolving field. Handbook of Cell Signaling, 2/e will appeal to a broad, cross-disciplinary audience interested in the structure, biochemistry, molecular biology and pathology of cellular effectors. Contains over 350 chapters of comprehensive coverage on cell signaling Includes discussion on topics from ligand/receptor interactions to organ/organism responses Provides user-friendly, well-illustrated, reputable content by experts in the field

### **Sex Trafficking**

BONUS: This edition contains a The Blue Notebook discussion guide and an excerpt from James A. Levine's Bingo's Run. An unforgettable, deeply affecting debut novel, The Blue Notebook tells the story of Batuk, a precocious fifteen-year-old girl from rural India who is sold into sexual slavery by her father. As she navigates the grim realities of Mumbai's Common Street, Batuk manages to put pen to paper, recording her private thoughts and writing fantastic tales that help her transcend her daily existence. Beautifully crafted, surprisingly hopeful, and filled with both tragedy and humor, The Blue Notebook shows how even in the most difficult situations, people use storytelling to make sense of and give meaning to their lives.

### **\$2.00 a Day**

During the last decade there has been a considerable increase in the number of studies about human trafficking. This review of research and data on trafficking shows that despite the growing literature on trafficking around the world, relatively few studies are based on extensive or empirical research, and information on the actual numbers of people trafficked remains very sketchy. The book, which

## Free Copy Beyond The Scars Surviving Trafficking

includes 9 regional chapters, and 3 chapters dealing with methodological issues, suggests a number of ways in which to enhance research and data on human trafficking. These papers were first discussed at an international conference sponsored by the Italian Government, held in Rome in May 2004.

### **Take (Scars of the Wraiths)**

Someone in your past sold you a false story about who you are and what you're worth. It has been holding you back for too long. Take control of your future. A staggering one out of three women in America was a victim of sexual abuse at some point in her childhood. No matter how many years it's been, if that's your story, those scars are probably still with you. But even if that's not part of your story, this book is for you. Women today have been groomed for a lot more than just sex. Using her own story of abuse, family tragedy, and rebellion, Elizabeth Melendez Fisher guides readers toward an understanding that grooming is oftentimes subtle, but it's always life-altering. In *Groomed* Fisher incorporates the language and lessons gained over the past decade working with sex trafficking victims and her work in ministry and counseling before that. She draws out five specific ways that women have been groomed, from physical appearance to spirituality to finances, and shows how those manipulative messages have affected the way we see our worth and how they've oftentimes stifled and limited us. From there Fisher offers readers a way to overcome their past, starting with the all-important but rarely explored idea of a *selah*, or a time of rest and reflection, and exploring active ways to forgive and move forward to a new level of freedom. No one has to be defined by her past. No one has to live for her groomers. It's time to take a look back at where we came from to escape the messages of our past and take control of our future.
