### Bob Ross: a Happy Little Creativity Journal

"A colouring book featuring warm and inviting original illustrations inspired by the sights and scenes of Debbie Macomber's bestselling Rose Harbor and Blossom Street series, from knitting to beautiful landscapes to hearth and home to pets and more."

### Be Happy

If you love Bob Ross, The Joy of Painting, and mindful pastimes, this mini activity kit is for you! Set includes: 2 distinct 300-piece mini puzzles (one of a landscape painting and one of Bob Ross himself at work). When completed, each puzzle measures 6 x 7-1/2". 2-1/2 x 3" easel flipbook featuring Bob's works of art and words of wisdom

### Bob Ross and Peapod the Squirrel

A tribute to Bob Ross-the soft-spoken artist known for painting happy clouds, mountains, and trees -- Happy Little Accidents culls his most wise and witty words into one delightful package. Ross has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes-all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary, but with Bob it is always about more than painting. There is a hidden depth within his easy chatter, another layer to everything he says. When he talks about painting, he's using it as a metaphor for life! Happy Little Accidents: The Wit and Wisdom of Bob Ross opens with an introduction and brief biography of Ross, followed by a collection of Ross's greatest quotes and most majestic works of art. Relax. Unwind. Be inspired.

### Bob Ross Happy Little Jigsaw Puzzle Book

This sequel to the best-selling Bob Ross Coloring Book features a collection of sixty-five seasonal paintings refashioned from Bob Ross's original works. The second coloring book based on the art of the beloved and acclaimed painter and television personality, this exclusive authorized collection of art, derived directly from Bob Ross's own paintings, offers his legions of fans a contemplative, relaxing, and inspiring way to connect with the work and personality of the pop-culture icon. Featuring many of Ross's most famous quotes and catchphrases about happy little trees, friendly squirrels, and more, the book also includes a full-color gallery of the original artwork. But as he would no doubt want, coloring fans of all ages are encouraged to make their own decisions, embrace their mistakes, and make each painting their own.

### Kingdom Come (New Edition)

In 1992, Dr. Ross A. Sloten signed more death certificates in Chicago—and, by inference, the state of Illinois—than anyone else. As a family physician, he was trained to care for patients from birth to death, but when he completed his residency in 1984, he had no idea that many of his future patients would be cut down in the prime of their lives. Among those patients were friends, colleagues, and lovers, shunned by most of the medical community because they were gay and HIV positive. Sloten wasn't an infectious disease specialist, but because of his unique position as both a gay man and a young physician, he became an unlikely pioneer, swept up in one of the worst epidemics in modern history. *Plague Years* is an unprecedented first-person account of that epidemic, spanning not just the city of Chicago but four continents as well. Sloten provides an intimate yet comprehensive view of the disease's spread alongside heartfelt portraits of his patients and his own conflicted feelings as a medical professional, drawn from more than thirty years of personal notebooks. In telling the story of someone who was as much a potential patient as a doctor, *Plague Years* sheds light on the darkest hours in the history of the LGBT community in ways that no previous medical memoir has.

### You are Not So Smart

Bob Ross-whose happy paintings, memorable hairstyle, and quirky catchphrases make us grin from ear to ear-is still as popular as ever. This mini kit captures Ross's matchless appeal. It includes the first-ever officially licensed Bob Ross bobblehead figure, and it plays 10 different wise and witty sayings from the art master. The kit also comes with a mini easel book featuring Ross's landscape works, which can be displayed alongside the bobblehead figure.

### Happy Clouds, Happy Trees

The Stress Less Paint-By-Number Mandalas kit gives you everything you need to paint your stress away and create beautiful art in the process. With more than two dozen mandala illustrations, you can choose your own meditative pattern, follow the color-selection instructions,

## Free Reading Bob Ross By The Numbers Rp Minis

and unwind. You don't have to worry about picking the wrong color or blending the wrong shade. This carefully curated palette ensures each piece you complete will be frame ready. It doesn't get more beautiful--or more calming--than Stress Less Paint-By-Number Mandalas!  
Features: An 8.25" x 9.25" book with 30 mandala designs 6 tubes of acrylic paint 3 professional-grade brushes 1 paint tray

### The Wave

The unforgettable, best-selling miniseries by acclaimed writer Mark Waid and superstar painter Alex Ross returns, with a sketchbook section, annotations on the series, rare art and more! Set just after the dawn of the 21st Century in a world spinning inexorably out of control comes this grim tale of youth versus experience, tradition versus change and what defines a hero. KINGDOM COME is a riveting story pitting the old guard-Superman, Batman, Wonder Woman and their peers against a new uncompromising generation and ultimately in the final war against each other to determine nothing less than the future of the planet.

### Bob Ross by the Numbers

This interactive journal inspired by Bob Ross will spark the imagination with a series of creative prompts for sketching, writing, mindfulness, and goal-setting; motivational quotes; and Ross's signature landscape artwork throughout. This journal features: Bob Ross-inspired prompts to stimulate the creativity of artists and anyone with a creative bent. The interactive elements include ideas for sketching, writing, activities, mindful practices, and dream-scaping. Motivational quotes. Full-color artwork spotted throughout. Distinctive flocked cover, giving Bob Ross's signature hairstyle a tactile feel. Full-color illustrated hardcover binding with rounded corners throughout. Lined and blank interior pages, printed on woodfree paper.

### Grain by Grain

Find inspiration from the joy of painting and Bob Ross himself with this book of posters featuring the artist's works and most motivational messages. This set includes high-quality full-color posters, in 12 unique designs, featuring Ross's artwork and emblazoned with his inspirational quotes. The 8x10" removable sheets come ready to hang or frame, so you can instantly bring the joy of Bob Ross to your own home or office.

### The Ride of a Lifetime

Spread the inspirational artwork and words of wisdom of Bob Ross with this colorful, one-of-a-kind magnet collection. Set includes: 15 original magnets featuring Bob Ross artwork, inspirational quotes, and iconic images related to the painter. Unique easel flipbook featuring Bob's works of art and words of wisdom. Measures 2-1/2 x 3".

### Bob Ross Inspirational Posters

Explains how self-delusion is part of a person's psychological defense system, identifying common misconceptions people have on topics such as caffeine withdrawal, hindsight, and brand loyalty.

### Bob Ross Bobblehead

In *Stop at Nothing* Annabel Crabb brings all her wit and perceptiveness to the story of Malcolm Turnbull. This is a memorable look at the Prime Minister in action – his flaws and achievements – as well as his past lives and adventures. Drawing on extensive interviews with Turnbull, Crabb delves into his university exploits – which included co-authoring a musical with Bob Ellis – and his remarkable relationship with Kerry Packer, the man for whom he was first a prized attack dog and then a mortal enemy. She examines the extent to which Turnbull – colourful, aggressive, humorous and ruthless – has changed. Crabb tells how he first lost, and then won back, the Liberal leadership, and explores the challenges that now face him today as the forward-looking leader of a conservative Coalition.

### Bob Ross: Happy Little Magnets

The set includes a 48-page techniques book, a 96-page projects book, eight tubes of acrylic paint, a color wheel, a mixing pallet, a pallet knife, three brushes, four ready-to-complete pictures on art board, and four ready-to-complete pictures on heavyweight paper. 200+ photos & illustrations.

### The Bob Ross Cookbook

### Bob Ross: My First Book of Colors

An empowering and educational picture book that proves colors are for everyone, regardless of gender. Pink is for boys . . . and girls . . . and everyone! This timely and beautiful picture book rethinks and reframes the stereotypical blue/pink gender binary and empowers kids-and their grown-ups-to express themselves in every color of the rainbow. Featuring a diverse group of relatable characters, *Pink Is for Boys* invites and encourages girls and boys to enjoy what they love to do, whether it's racing cars and playing baseball, or loving unicorns and dressing up. Vibrant illustrations help children learn and identify the myriad colors that surround them every day, from the orange of a popsicle, to the green of a grassy field, all the way up to the wonder of a multicolored rainbow. Parents and kids will delight in Robb Pearlman's sweet, simple script, as well as its powerful message: life is not color-coded.

### Plague Years

Three farmers, each one meaner than the other, try all-out warfare to get rid of the fox and his family.

### Bob Ross: Happy Little Puzzles

A soft touch of water is all you need to make dozens of beautiful and inspiring works of art. Just add water to your paintbrush and watch as the vibrant colors merge and mingle on the pages of this magical painting book. Each of the 30 vibrant designs in *Be Happy: Just Add Water* contains pigments embedded onto the page, and a gentle touch of water will cause the colors to emerge. Images include nature scenes, animals, flowers, and mosaics, accompanied by positive affirmations to remind you of all the joy that is to be found in the world.

### 30 Masterpiece Paintings

Each of these nine 96-piece jigsaw puzzles featuring the art of Bob Ross will lift your spirits with the joy of puzzling. Experience the joy of puzzling with Bob Ross in this collection of nine 96-piece jigsaw puzzles featuring his distinctive landscape art. Each colorful puzzle is packed (and can be assembled) in a spacer page and is accompanied by reflections from Bob on life and art from the painting's episode. The back sides of the puzzle pieces are color-coded for easy identification, and hidden underneath each puzzle on the spacer page is an inspiring Bob Ross quote from the corresponding episode of *The Joy of Painting*. This happy little book is ideal for jigsaw puzzle and Bob Ross fans alike!

### Bob Ross

"A compelling agricultural story skillfully told; environmentalists will eat it up." - Kirkus Reviews When Bob Quinn was a kid, a stranger at a county fair gave him a few kernels of an unusual grain. Years later, it would become the centerpiece of his multimillion dollar heirloom grain company, Kamut International. How Bob went from being a true believer in better farming through chemistry to a leading proponent of organics is the unlikely story of *Grain by Grain*. Along the way, readers will learn how ancient wheat can lower inflammation, how regenerative agriculture can bring back rural jobs, and how combining time-tested farming practices with modern science can point the way for the future of food.

### The Complete Paint-By-Number Set

Zoe and Zack are best friends. They do everything together! In their latest learning adventure, the two pals show toddlers just how fun counting can be! While Zack juggles colorful balls with his feet or balances them on his head, Zoe makes the numbers with her body. Each number and ball has a grainy texture, which encourages children to learn by touch as well as sound. They can also easily identify numbers

## Free Reading Bob Ross By The Numbers Rp Minis

with the sturdy, tabbed pages. And what's more, each spread shows what each number looks like on dice and when counting with fingers. A great addition to a toddler's library of concept books!

### The Reunited States of America

This crafty kit includes three pre-printed canvases (Van Gogh's Still Life-Vase with Twelve Sunflowers, a Mondrian Composition, and Vermeer's Girl with a Pearl Earring) with easy-to-paint, numbered sections; five paint pots; mini paint brush; a miniature easel for displaying finished paintings; a full-color, fold-out sheet with detailed painting instructions; and 32-page mini book with paint-by-number tips and a bit of art history.

### Pink Is for Boys

Celebrating the soft-spoken man who encouraged millions of people to create their own art, Bob Ross is the first-ever comprehensive overview of Bob Ross's artwork, influence on pop culture. Full of the acclaimed signature art created by America's favourite art instructor, Bob Ross contains more than 300 pieces of Bob's art features his most famous quotes, an essay chronicling his life and continuing effect on pop culture, as well as information on the technique he used to create his art.

### Stress Less Paint-By-Number Flowers

### Billionaire Boy

Experience the joy of puzzling in these 15 sticker-puzzle challenges featuring the art of Bob Ross. Bob Ross charmed viewers with his simple and efficient painting techniques, and now you too can discover the joy of creating amazing artworks with these puzzles. Each of the fifteen challenges in this book contains more than 100 sticker shapes to be placed in a tessellated grid. When you're done, you'll have a full-color glossy art poster that you can hang on your wall. The art of Bob Ross is featured in every puzzle, so you'll experience the enjoyment of seeing his works come to life as you complete the puzzles.

### Mastering the Art of French Cooking

Cook craveable comfort food favorites and find joy in your kitchen's happy little accidents with this one-of-a-kind cookbook for Bob Ross fans

## Free Reading Bob Ross By The Numbers Rp Minis

and aspiring chefs of all ages. Featuring comfort-food favorites inspired by Bob Ross's iconic words and scenic landscapes, this collection of recipes is as delightful and distinctive as the artist himself. The Bob Ross Cookbook: Happy Little Recipes for Family and Friends includes recipes and entertaining ideas based on the art and wisdom of Bob Ross, evoking the painter's signature wisdom and tone. Learn how to apply his laid back, meditative approach to delicious meals such as: Happy Little Roasted Chicken Curly-Topped Veggie Mac and Cheese Nothing-to-It Pot Roast Van Dyke Browned Meatballs Golden Sunset Shrimp Scampi Upstream Salmon Croquettes Brunch Palette Quiche Cabin-Roasted Vegetables And much more! Peppered with Bob's own art and quotes and featuring full-color food illustrations from a certified Bob Ross painting instructor, this cookbook features easy-to-follow recipes that include "Bravery Test" sidebars for when you want to take it up a notch. You know The Joy of Painting; now learn the joy of cooking with Bob Ross.

### Herman's German Band Meets Thunderbolt

For over fifty years, New York Times bestseller Mastering the Art of French Cooking has been the definitive book on the subject for American readers. Featuring 524 delicious recipes, in its pages home cooks will find something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine, from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. Here Julia Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations—bound to increase anyone's culinary repertoire. With over 100 instructive illustrations to guide readers every step of the way, Mastering the Art of French Cooking deserves a place of honor in every kitchen in America.

### Stop at Nothing

A coloring book that will relax and inspire--all the while transporting you to the world's most wonderful cities. The most splendid cities in the world--some real, others imagined--come alive under your hand. Open this book and let yourself be drawn into a world tour dotted with floating kingdoms in the sky and spooky cities, and taking you from the domes of Moscow to the top of the Eiffel Tower. This journey knows no limits! So take your time, relax, and let your imagination run free! Get out your markers or pens and discover the calming pleasure of coloring. Safe travels!

### The World of Debbie Macomber Come Home to Color

Out of Many, One In this era of poisonous partisanship, The Reunited States of America is a lifesaving antidote. At a time when loyalty to party seems to be overpowering love of country, it not only explains how we can bridge the partisan divide but also tells the untold story of how our fellow citizens already are doing it. This book, a manifesto for a movement to reunite America, will help us put a stop to the

## Free Reading Bob Ross By The Numbers Rp Minis

seemingly endless Left-Right fistfight while honoring the vital role of healthy political debate. Mark Gerzon describes how citizens all over the country—Republicans, Democrats, and independents—are finding common ground on some of the most divisive and difficult issues we face today.

### Bob Ross Happy Little Sticker Puzzles

### Learn to Paint in Acrylics with 50 Small Paintings

Bob Ross paints a stunning home for his squirrel friend, Peapod, in this delightful nod to a painter icon. This is the sweet story of a painter (Bob Ross) who helps his squirrel friend, Peapod, find the perfect home to live in. Bob paints an actual Ross painting, "Meadow Lake," in this charming tale about helping friends and embracing the serenity of life. Bob, along with Peapod, go through the various steps and processes to painting, including praising those "happy little accidents" that happen along the way.

### Happy Little Accidents

Discover the joy of painting, just like Bob Ross himself, with this one-of-a-kind mini art set! Kit includes: Three pre-printed canvases with numbered sections -- 2 landscapes and 1 of Bob's famous face. Each canvas is around 3-1/8 x 2-3/4 inches. 7 paint pots Mini paint brush Mini easel for displaying finished paintings Full-color, fold-out sheets with detailed painting instructions 32-page book on Bob Ross, including painting tips

### Masterpieces by the Numbers

Readers will know Bob Ross (1942 – 1995) as the gentle, afro'd painter of happy trees on PBS. And while the Florida-born artist is reviled or ignored by the elite art world and scholarly art educators, he continues to be embraced around the globe as a healer and painter, even decades after his death. In *Happy Clouds, Happy Trees*, the authors thoughtfully explore how the Bob Ross phenomenon grew into a juggernaut. Although his sincerity in embracing democracy, gift economies, conservation, and self-help may have left him previously denigrated as a subject of rigorous scholarship, this book uses contemporary art theory to explore the sophistication of Bob Ross's vision as an artist. It traces the ways in which his many fans have worshiped, emulated, and parodied him and his work. His technique allowed him to paint over 35,000 paintings in his lifetime, mostly of mountains and trees in landscapes heavily influenced by his time in the Air Force and stationed in Alaska. The authors address issues of amateur art, sentimentality, imitation, boredom, seduction, and democratic practices in the art world. They fully examine Ross as a painter, teacher, healer, media star, performer, magician, and networker. In-depth comparisons are made to Andy Warhol and Thomas Kinkade, and mention is made of his life in relation to Joseph Beuys, Elvis Presley, St. Francis of Assisi,

## Free Reading Bob Ross By The Numbers Rp Minis

Carl Rogers, and many other creative personalities. In the end, Happy Clouds, Happy Trees presents Ross as a gift giver, someone who freely teaches the act of painting to anyone who believes in Ross's vision that "this is your world."

### Splendid Cities

A titanium snowcapped mountain. A happy little tree made with Van Dyke Brown and Dark Sienna. A majestic, vibrant phthalo blue sky. Bob Ross: My First Book of Colors is an early concept board book featuring various Bob Ross paintings and some of Bob's little quips about each of the thirteen colors he used on his palette in front of TV audiences. Full of real paintings from the iconic artist, this is sure to be a hit for any Bob Ross fan. Colors include: Alizarin Crimson Bright Red Cadmium Yellow Hue Dark Sienna Indian Yellow Midnight Black Phthalo Blue Prussian Blue Sap Green Titanium White Van Dyke Brown Yellow Ochre

### The Official Bob Ross Coloring Book

Features: An 8.25" x 9.25" book with 30 flower designs 6 tubes of acrylic paint 3 professional-grade brushes 1 paint tray

### Stress Less Paint-By-Number Mandalas

#1 NEW YORK TIMES BESTSELLER • A grand vision defined: The CEO of Disney, one of Time's most influential people of 2019, shares the ideas and values he embraced to reinvent one of the most beloved companies in the world and inspire the people who bring the magic to life. Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Twelve years later, Disney is the largest, most respected media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he's learned while running Disney and leading its 200,000 employees, and he explores the principles that are necessary for true leadership, including:

- Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming.
- Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity.

## Free Reading Bob Ross By The Numbers Rp Minis

Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale.

- Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

### Bob Ross Paint with Water

Re-create 30 classical and modern painting masterpieces with this paint-by-number book! Using the color code provided for each painting, you'll be able to bring to life the paintings of Degas, van Gogh, Botticelli, and other masters. The paper is thick enough to support gouache. However, you may also use watercolor pencils. (Painting with a variety of brush sizes is recommended.) Historical information for each painting is also included as well as a colored reproduction of each piece for reference.

### Zoe and Zack: Numbers

Tells the story of a high school history class experiment that frighteningly demonstrated the power of fascism.

### The Accidental Masterpiece

Add a happy stroke of water to create gorgeous landscapes inspired by Bob Ross's art. Bob Ross charmed his audience with his whimsical, joyful style on the public television series *The Joy of Painting*, and now you too can paint almighty pictures in this watercolor painting book. Use the included paintbrush to apply gentle strokes of water to each of the 24 specially treated pages, and watch as the colors emerge and blend to create a beautiful Bob Ross masterpiece. This serene and peaceful book also contains 12 traditional coloring pages featuring even more of Bob's works.

### Fantastic Mr. Fox

A New York Times bestseller—a dazzling and inspirational survey of how art can be found and appreciated in everyday life Michael Kimmelman, the prominent New York Times writer and a regular contributor to *The New York Review of Books*, is known as a deep and graceful writer across the disciplines of art and music and also as a pianist who understands something about the artist's sensibility from the inside. Readers have come to expect him not only to fill in their knowledge about art but also to inspire them to think about connections

between art and the larger world - which is to say, to think more like an artist. Kimmelman's many years of contemplating and writing about art have brought him to this wise, wide-ranging, and long-awaited book. It explores art as life's great passion, revealing what we can learn of life through pictures and sculptures and the people who make them. It assures us that art - points of contact with the exceptional that are linked straight to the heart - can be found almost anywhere and everywhere if only our eyes are opened enough to recognize it. Kimmelman regards art, like all serious human endeavors, as a passage through which a larger view of life may come more clearly into focus. His book is a kind of adventure or journey. It carries the message that many of us may not yet have learned how to recognize the art in our own lives. To do so is something of an art itself. A few of the characters Kimmelman describes, like Bonnard and Chardin, are great artists. But others are explorers and obscure obsessives, paint-by-numbers enthusiasts, amateur shutterbugs, and collectors of strange odds and ends. Yet others, like Charlotte Solomon, a girl whom no one considered much of an artist but who secretly created a masterpiece about the world before her death in Auschwitz, have reserved spots for themselves in history, or not, with a single work that encapsulates a whole life. Kimmelman reminds us of the Wunderkammer, the cabinet of wonders - the rage in seventeenth-century Europe and a metaphor for the art of life. Each drawer of the cabinet promises something curious and exotic, instructive and beautiful, the cabinet being a kind of ideal, self-contained universe that makes order out of the chaos of the world. The Accidental Masterpiece is a kind of literary Wunderkammer, filled with lively surprises and philosophical musings. It will inspire readers to imagine their own personal cabinet of wonders.
