Move over, coloring books! Here ' s an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in “ low-poly, ” a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It ' s a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.

And note – – the card-stock pages are perforated, so every finished picture can easily be removed for framing.

Brain Games Sticker by Number Stress Free

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York ’ s work-advice columnist. There ’ s a reason Alison Green has been called “ the Dear Abby of the work world. ” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don ’ t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You ’ ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “ reply all ” • you ’ re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate ’ s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “ A must-read for anyone who works . . . [Alison Green ’ s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. ” —Booklist (starred review) “ I am a huge fan of Alison Green ’ s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor. ” —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “ Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I ’ d had in my desk drawer when I was starting out (or even, let ’ s be honest, fifteen years in). ” —Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck

The Number Games

Children will go crazy for Sticker by Numbers, an innovative new series that takes stickers to a whole new level. Simply match the colored stickers to the numbers on each page to build up stunning pictures. There's hours of fun to be had and with over 3,500 stickers, kids will marvel at what they can create using just a few simple geometric shapes. In Sticker by Numbers, children will love creating eye-catching patterns, from completing a mystical forest and a beautiful stained-glass window to embellishing flowers, butterflies, and lots, lots more.

Sticker by Number: Calming Creatures is a creative and meditative experience. Like an old-fashioned paint by number, the designs in the book can be gradually filled in using the included stickers, transforming the delicate line drawings into stunning, full-color masterpieces. The process is at once artistic and calming—the perfect way to exercise your creativity and create a moment of tranquility in a busy day. The book features 12 different creatures—from a boldly patterned elephant to a delicate swan—all of which are paired with mindful meditation exercises related to the animal. For instance, as you piece together the Lion design you will be guided to meditate on the self-confidence that inspires bravery, while the Horse illustration will prompt reflection on the theme of freedom and the pursuit of ambition. With beautiful illustrations and insightful text, Sticker by Number: Calming Creatures will help readers step outside of life 's frantic rush, unlock their creativity, and discover a sense of peace.
