Brave New World is a dystopian novel by English author Aldous Huxley, written in 1931 and published in 1932. Largely set in a futuristic World State, inhabited by genetically modified citizens and an intelligence-based social hierarchy, the novel anticipates huge scientific advancements in reproductive technology, sleep-learning, psychological manipulation and classical conditi

Brave New Medicine A Doctor

Brave New World was written before the rise of Hitler to supreme power in Germany and when the Russian tyrant had not yet got into his stride. In 1931 systematic terrorism was not the obsessive contemporary fact which it had become in 1948, and the future dictatorship of my imaginary world was a good deal less brutal than the future
