Break the Generation Curse

This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library. It would also serve as a powerful guide and source for teaching on this subject. Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken. This is a correct statement, but let's look at Joshua the successor of Moses. He was promised the land but he still had to go in and fight for it. This holds true for us today because the word in Matthew 11: 12 states that, the Kingdom of Heaven suffers violence and the violent take it by force. As we will find out from this study, there are actions that have been done by some people who have brought a curse against their bloodline. This must be dealt with before they can be completely free to fulfil the call of God on their life. Rev. Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth. Most people shun this subject of generational curses and would rather not be exposed to it. We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organisation to speak on this subject. Again, this book will compel you to live a holy life; totally dedicated to God. It deals with all areas of life.

Breaking Generational Curses

Smoke Gets in Your Eyes meets Women Who Run With The Wolves in this "gorgeously written, fierce, political, personal, and deeply inspiring" (Michelle Tea) memoir about finding meaning, beauty, and power through a life in witchcraft. An initiation signals a beginning: a door opens and you step through. Traditional Wiccan initiates are usually brought into the craft through a ceremony with a High Priestess. But even though Amanda Yates Garcia's mother, a practicing witch herself, initiated her into the earth-centered practice of witchcraft when she was 13 years old, Amanda's real life as a witch only began when she underwent a series of spontaneous initiations of her own. Descending into the underworlds of poverty, sex work, and misogyny, Initiated describes Amanda's journey to return to her body,

harness her power, and create the magical world she longed for through witchcraft. Hailed by crows, seduced by magicians, and haunted by ancestors broken beneath the wheels of patriarchy, Amanda's quest for self-discovery and empowerment is a deep exploration of a modern witch's trials - healing ancient wounds, chafing against cultural expectations, creating intimacy - all while on a mission to re-enchant the world. Peppered with mythology, tales of the goddesses and magical women throughout history, *Initiated* stands squarely at the intersection of witchcraft and feminism. With generosity and heart, this book speaks to the question: is it possible to live a life of beauty and integrity in a world that feels like it's dying? Declaring oneself a witch and practicing magic has everything to do with claiming authority and power for oneself, of taking back our planet in the name of Love. *Initiated* is both memoir and manifesto calling the magical people of the world to take up their wands: stand up, be brave, describe the world they want, then create it like a witch.

Pulling Down Strongholds

Do you know one of the easiest and acceptable ways of getting the attention of God is through praise? There is promptness to want to attend to your case when you give God a befitting praise and worship. I know how it feels to be down when it seems nothing is going the way you want it to go; when you want the earth to consume you, and when it looks like there is no God. Honestly, there is nothing as great as praising God in your saddest state. When you have exhausted your prayer points, another way of unlocking the doors of heaven is through praise!"A single praise when nothing is going your way (Sad, depressed, etc.), is far better than a thousand praise in your happiest state."I was extremely depressed, and everything was not going the way I wanted it, and since I had no one to run to, I embarked on seeking God. I started an hour daily praise and worship that turned my life around. Something is about to change in your life Are you ready to see God

move in that situation? Are you ready to say goodbye to that CANCER or BARRENNESS? Hey, Praise is the key to your open heaven. I don't want to know what YOU are going through Are you going through an excruciating pain? All I can say is that God will provide a solution when you praise him like you have never done before. I am only asking you to have a muster seed of faith in God. Hey, today I got good news for you, and that is that the El-shaddai, the Almighty God, the God that mountain melts at the sound of his voice is ready to attend to your case. We are turning it to praise in 14 days. If you are not prepared to get rid of that bitterness, sickness, depression, pain, sadness or any other pain, then this might not be for you. You are going to give God the praise you have never offered him before. You are going to give him a well-deserved worship. Be ready to drop your kingship position to embrace a submissive heart of worship. Be ready to get yourself dirty as you adore the mighty man of war. We are going to dance to God the way we have never done before, and I believe with our faith as robust as that of the Father of Faith (Abraham) something will CHANGEDavid said in the book of Psalm 34:4-6 - Listen to my testimony: I cried to God in my distress, and he answered me. He freed me from all my fears! Gaze upon him, join your life with his, and joy will come. Your faces will glisten with glory. You'll never wear that shame-face again. When I had nothing, desperate and defeated, I cried

out to the Lord, and he heard me, bringing his miracle-deliverance when I needed it most. (TPT)I assure you; you will testify like David at the end of 14 days. David said, he cried (We are crying to God with our praise and worship), we would let him know we are ready to adore him with everything we got. We will not let him go until he changes our situation. He went further by saying, God freed me from my fears. God is prepared to free you from all your worries The sadness, the depression, etc. will be a thing of the past. Hallelujah!Are you ready for the miracle deliverance Of God?The bible says we are formulated to bring happiness to God. But honestly, only those who truly belong to God can move Him with praise because the offering of a sinner is an atrocity before God. All the personalities that brought down the presence of God through praise in the Bible were people of God; they were people who were ready to live a sin-free life to please God.Are you ready to embrace a life free from sin?If you genuinely want God to receive your praise, and to come down for your help, you must do away with sin. Give your life to Christ, and He will give you a new heart from which heavenly anointed praises can come from! Before we begin, pour out your heart to him; tell him those things you don't want to do again, and I assure you that at the end of this 14 days praise, you will testify and give God a deserved thanks for all he is going to do for you!

7 Places Jesus Shed His Blood

Is your life characterized by continual setbacks and misfortune? Does it appear as though no matter what you do, you cannot seem to obtain the blessings of the Lord? You could be living under a curse. Unfortunately, there are still many believers living under curses even though they have been legally redeemed. Just as a believer may have to fight a good fight of faith for healing, he or she may also have to fight a good fight of faith against curses. Satan may not have a legal right to enforce a curse against you, but he is an outlaw and will attempt to do so anyway. Therefore, curses oftentimes have to be broken, and you must learn how to stand in faith against those curses, keeping them from operating in your life. The promises God gives us in the Bible are not automatic. They must be believed and often fought for. You don't have to fight God for His promises; He is not keeping them back from you. But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises. Written in the style of Prayers That Rout Demons, this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life.
