A Bible Study of Proverbs Chapter 15--Book 2

A look at the fact the there are treasures in the home of the righteous. This does not mean that we are all rich, but the things God gives to us are treasures, even such as a piece of bread and more. There is much trouble in the revenues of the wicked, because they have forsaken the Lord and His holy ways. And more Julia Carrington shares real life stories to illustrate the importance of these verses in this Bible study. Highly recommended! Get the book now! This book makes an ideal gift. Get the book for family and friends now! "Julia Carrington draws from the depth of her relationship with God to connect her readers to His heart and His voice. She knows the language of God and writes encouraging her readers to know His voice and follow Him."--T.C. "Thanks be to God. I read one of her books, which was very good. She is a Christian first and foremost, and an awesome writer. If you have never read one of her books, let me encourage you to do so. Amen."--R.C. The Dragon's Pursuit

Legend says a Covenant between an ancient race of dragons and a Halfling King vanquished a relentless evil - the Olcas Mogwai. More than a thousand years later, the evil has returned, better prepared and hungering for vengeance. When the legacy falls to the twins Willoe and Rowyn, sixteen-year-old descendants of the mythical king, they struggle with the truth they discover behind the Covenant's deadly cost. With the aid of their cousins Aeron and Casandra, the twins must learn to wield the power of the Fire Within, the Dragon's Fire, that flows through their veins to defeat the minions of the great evil, even though success may require the greatest of sacrifices. In a story with a host of characters and multiple story lines, begins an epic adventure of self-discovery, the passion of love and sacrifice, and the eternal struggle between light and darkness.

Chasing the Dragon

Talon Rift is one of the best in the business, and his business is tough. As a soldier in the elite Dragon Corps, Talon is efficient, deadly, and nigh unstoppable. As a leader, he's famously protective of the men and women he leads. And for very, very personal reasons, Talon refuses to rest until the Warlord of Ymir is taken down. Unfortunately for Talon, the Warlord knows he's being hunted - and he's sent assassins to make sure Talon and his crew are taken out. Unfortunately for the Warlord, however, one of those assassins on Tera - a woman he rescued from the slums of Osiris, a woman of absolute loyalty. And a woman, as it happens, who never knew just who her protector was. To protect him in return, Tera will stop at nothing to take Talon down - and having forbidden her to take this mission, the Warlord will stop at nothing to get Tera back before she learns the truth about him. The battle was always going to be close. Talon and Tera are two of the very best, weapons honed in the fires of battle. The problem that no one could have foreseen, however, was the heat between them. As lies and truths converge, and the final showdown grows ever closer, will the two warriors learn from one another how to love? Or will they destroy the one person who might have understood them?

Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for

drug addiction: baptism in the Holy Spirit.

Dragons Plight

In The Set-Apart Woman, women of all ages will be encouraged to stay grounded in Jesus amid the many distractions and temptations of their daily lives. Biblical truths will help readers understand what it means to live the consecrated life, set apart for God's purposes. Readers will apply these truths to practical areas of struggle that women face on a daily basis, such as sinful attitudes and patterns and other hindrances to our souls.

Legend of the White Dragon

The sequel to Cymbala's best-selling Fresh Wind, Fresh Fire and Fresh Faith reveals what it means to be constantly transformed by the Holy Spirit. Dramatic stories from the Bible and the life of the Brooklyn Tabernacle fill each page. This softcover edition includes a study guide.

God Will Not Fail You is the inspiring life story of Samuel Doctorian, a poor Armenian boy from Jerusalem who grew up to bring dramatic revival to the Muslim world. Read the gripping account of miraculous healings, daring escapes, earth-shaking revivals, supernatural provision, and angelic visitations that will stir your faith. Samuel has led revivals in some of the countries most closed to Christianity in the world: Iraq, Syria, Egypt, Jordan and Indonesia. Every year, he travels to hundreds of countries, preaching and seeing God move supernaturally in response to the needs of His people. Samuel has preached to kings, heads of state and the British Parliament. This book reads like a modern-day version of the Book of Acts. It is for everyone who is hungry to know that miracles still happen today. Samuel's compelling story will inspire readers to live a life of extreme faith.

When Dr. Layla MacFie realizes someone is stealing much-needed medical supplies, she doesn't know who to trust inside her surgery. Determined to find the culprit herself, she reaches out to Lochguard's electrician, Chase, who just happens to be the younger male who's been trying to woo her for months. But since there's no one else to help install the security cameras, she can't avoid him any longer and ends up being alone with him far more than she wants. If only the life of a dragon-shifter doctor wasn't so complicated, she would be tempted to

give in and sleep with the male. Chase McFarland has known for the last two years, ever since the day after his twentieth birthday, that Layla is his true mate. While he tried to resist his dragon's badgering, it didn't take long for Chase to realize how amazing Layla is and that he wants to take care of and claim her for himself. His initial attempts to win her all fail, but when she asks for his help with a secret project, he decides to change tactics and prove he's a worthy male. The more time they spend together, the more Layla gives in, until he's ready to tell her the truth and face the consequences. As the pair dance around each other and discover each other's secrets, they find out who the thief is and must decide what to do. Will Chase finally be able to prove he's mature enough for the much older Layla, or will she forever be chained to her work and deny what both she and her dragon crave?

Dragon Chasing the Sun

This is the story of three women that I was privileged to know and love and will continue to love, probably till I die. I couldn't write "Dear Diary," men don't keep diaries. And "Dear Journal" sounds stupid, so I'll just tell you the story from the notes and scraps of paper I scribbled during the most interesting times. Reading it now, I don't even believe that we did some of these more ridiculous things, and I was there. My one regret, is that I had to lose one beautiful, wonderful woman to find another, but the blessing of the children lives on. I smile every day about some strange or funny incident long past. Until I wrote this, I'm sure the kids all thought I was crazy. As they would walk by, I could hear them say, "Look at him, he's doing it again." Most men are lucky to find, and love, and be loved by one jewel of a woman in their life, and rightly so. I found three. All three knew me better than I knew myself. They all knew what I thought before I thought it, what I wanted before I wanted it, and fortunately for me they acted on their thoughts. Woman is the most wonderful gift man has ever received, including life. Life without a woman is a drab, colorless existence. Man can plod through life and achieve many things, but why, if not to share it with that most wonderful of all creatures, woman. With the right woman in your life, the birds sing for you, roses bloom and their fragrance lifts your thoughts of love and carries them to that one special woman who gently receives and nourishes them, only to give them back to you tenfold. What is the perfect woman? Her presence lights up the room you are in when she enters, her voice turns on your brain with a pleasant pat, her figure

stirs the lion within you every time you gaze upon her. Her smile tells you that everything's alright and assures you that her love for you is still burning bright. Her love envelopes you and warms you like a giant hand-made quilt wrapped around you. This, then, describes these women in the story I am about to tell you. I hope you can be as fortunate.

The War of the Realms

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

Chasing the Dragon

The central character of the book is Adam Salton, an Australian at the outset living there, who in 1860 is contacted by his elderly great-uncle, Richard Salton, a landed gentleman of Lesser Hill, Derbyshire, England, [6] who has no other family and wants to establish a relationship with the only other living member of the Salton family. Although Adam has already made his own fortune in Australia, he enthusiastically agrees to meet his uncle, and on his arrival by ship at Southampton the two men quickly become good friends. His great-uncle then reveals that he wishes to make Adam the heir to his estate, Lesser Hill. Adam travels there and quickly finds himself at the centre of mysterious events, with Sir Nathaniel de Salis, a friend of Richard Salton's, as his guide. Edgar Caswall, the new heir to a neighbouring estate, *Castra Regis* or Royal Camp, is in the process of making a mesmeric assault on a local girl, Lilla Watford. Meanwhile, Arabella March, of Diana's Grove, is running a game of her own, perhaps angling to become Mrs. Edgar Caswall. He is a slightly pathological eccentric and has inherited Franz Mesmer's chest, which he keeps in the *Castra Regis* Tower. Caswall seeks to make use of mesmerism, associated with Mesmer, a precursor to hypnotism, is obsessed with Lilla, and attempts to break her using mesmeric powers. However, with the help of Lilla's cousin, Mimi Watford,

he is thwarted time and again. Caswall has a giant kite built in the shape of a hawk to scare away pigeons which have attacked his fields and destroyed his crops. For lack of anything better to do, he obsessively watches the kite and begins to believe that it has a mind of its own and that he himself is a god. Adam Salton finds black snakes on his great uncle's property and buys a mongoose to hunt them down. He then discovers a child who has been bitten on the neck and who almost dies as a result. Adam learns that another child has already been killed by a snake bite, and that animals have also been killed mysteriously throughout the county. Caswall's African servant, Oolanga, a man obsessed with death and torture, prowls around the Castra Regis estate, enjoying the carnage left by the White Worm. Adam's mongoose attacks Arabella, who shoots it to death. Adam buys more mongooses and keeps them locked in trunks when not using them to hunt. Arabella tears another mongoose apart with her hands. Oolanga takes a liking to Arabella, perhaps sensing something violent in her, and makes advances. Arabella scorns Oolanga and is deeply insulted that he would dare to approach her. In an attempt to win her over, Oolanga steals one of Adam's trunks (which he believes is filled with treasure, but is actually just another mongoose), and Adam follows Oolanga. Arabella lures Oolanga to a deep well in her house, then in rage and disgust murders him by dragging him down into the deep pit tunnelled through a bed of white china clay. Adam witnesses the murder, but has no evidence of it apart from his own word. Arabella writes him a letter the next day, with the previous night's events twisted, claiming her complete innocence. Adam and Sir Nathaniel begin to suspect that Arabella is guilty of other crimes and that she wants to murder Mimi Watford

Winner of the Reader Views Reviewers' Choice Award Have you ever asked yourself, What is the purpose of my life? If so, read this book. At the age of forty-four, Jan Vallone is everything her Italian American parents brought her up to be--a lawyer, wife and mother who owns a vintage home and takes European vacations. But instead of feeling happy and successful, she's consumed by frustration and anxiety that threaten to shatter her marriage and have dimmed her faith. Discarding prosperity and prestige, she takes a job teaching English at a yeshiva--an Orthodox Jewish high school--though she was raised Catholic. There, she opens her heart to her students, who bloom under her tutelage and teach her the meaning of faith and fulfillment. Set in New York, Seattle and Italy, this memoir portrays how one woman fuses the facets of her life--family, career, ethnicity, spirituality and dreams--into a cohesive picture as luminous as stained glass. Includes a special vocation workshop for readers who would like to discover their callings.

Only You

From Cannibals to Christ-Followers--A True Story In 1962, Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea. Peace Child tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from

within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

In this Fifth title in Trinity Blacio's best-selling Running in Fear series, the were pack meets and finds love with a dragon shifter vampire species. Suzanne Butterfield wanted an alpha male of her own. It was hard to admit that she was jealous of what her friend Tonya had; a man who knew how to control her life, worship her body and make her submit. Of course it helped that Tonya's man was an Alpha of his werewolf pack, built like a tank, and tall as a mountain. Dominic Hazelfield, a vampire king and dragon shifter, was a true master, not only to his vampire kingdom, but also in his BDSM club. By opening this club, Dominic believed he would finally find his true blood mate, that she would just walk into his den and submit her body and soul to him. Archer Morganthe, Clan leader of the Florida Everglades Vampires, was a loner; only his right hand man knew of his longing for Dominic. When he finally had him within reach, Archer found himself surrounded by Dominic's allies as well. He didn't know how he was going to survive with so many around him, but somehow he would live to protect his mates. Granger Iceshard, or as many called him--the Ice Man, listened to no one, claimed no clan. Always a ladies' man, Granger was confused by his body's overwhelming desire towards the men around him. The only problem was when he was confused, it made him dangerous. Blair Wellworth was a Vampire warrior and wizard, and could shift into any animal. Only his family knew of his secret, but when danger threatened one of their Kings, Blair opened his closed heart for the love of his companions. As danger loomed closer, the five came together, not only to protect each other, but also to prepare for what the Goddess of Vampires, Empusa, has warned them about -- the war between good and evil.

Cole Creek

When Rebecca Jackson makes the choice to reclaim her autonomy, three generations of women embark on separate quests to the same remote family cabin in the Sierra that offers each an opportunity to put past demons to rest. Elements of nature combine with the power of ritual to strengthen and aid the women's chances for survival. Will Rebecca succeed in escaping the misery of her past decisions and find the personal determination to carry on her mission to reunite her family? Cole Creek illustrates the ability we all have to change the course of our lives. As escalating tension hurls Rebecca to a lonely precipice, she must unlock her secrets to find a chance for hope and redemption. It is a call to let the heart have its day.

Sheena never would have believed that she and Tish would be principle players in the destiny of mankind, but when their covers are blown and they're detained and interrogated in Jerusalem, everything changes! Tish's world is shattered in a single night, but later learns that things may not be as they appear, but questions the motives of all humanity. When their captured by the US, life becomes perilous in a Country that's obsessed with brutality in the shadows of corruption, where money can buy anything regardless of how atrocious, if you got it, if don't, then God help you. Sheena thought it was more than Tish's alluring beauty and charm as everyone's obsession with her kept growing, including Sheena's. It was her innocence that Tish brought into the most hostile enviroments that drove everyone crazy. She was like a ray of sunlight in the night, in a world of darkness, and also why the Emperpor wanted to posess Tish so desparately, when all she wanted was to be accepted as a normal girl. Conrad had chased her all over the planet and she was still running from him.

Revelation

Marriage is hard. Living together in a committed, non-traditional relationship is just as hard, maybe more so. A less than completely satisfying level of happiness and fulfillment within a primary relationship is perhaps the most common human dysfunction in the modern world. So much so that we have come to accept something less than complete bliss in our marriages, partnerships and domestic arrangements as the normal state of things, an expectation born of human imperfection and the pressing need for constant compromise. We have redefined it as something less than the word bliss actually implies. Coming even mildly close to bliss is considered a rousing success, but even then, whatever sliver of unrest, anxiety and inconsistency remain can flare into a torrent of restlessness that could one day again render you single. In CHASING BLISS, Larry Brooks shows us a path toward bucking that trend through the channeling of our imperfection toward a perfectly functional awareness of how we might be contributing to the problem, while becoming coach and therapist when we're not. While repeatedly reminding the reader that some problems remain the province of professional counselors, CHASING BLISS holds up a mirror to the many ways time and apathy become toxic factors in reducing loving relationships to something less than how they began, with kindness, togetherness, sexual satisfaction and hope the price of growing apart while growing weary of each other. The book is divided into three sections: ten reasons why men might cheat ten reasons why women might leave the nest for a better life and an exploration of eight primary realms of relationship, the mastery of which becomes a tool chest of strategies and solutions that not only mitigate decline, but serve to refuel the chemistry and hope that once brought you together. This goes beyond the theoretical with specific actionable responses and alternatives

to some of the most common challenges couples face, while clarifying tough, indisputable truths about the roles we play in our own domestic tragedies. Even if we feel - all the way to divorce court - that it was the other person's fault. This, promises the author, is the stuff your shrink will goad you into realizing for yourself, but without the weeks and months of therapy it could take to reach that point with clarity and purpose. It's all right here, in your face, unassailable and immediately useful in real life. In her Foreword to the book, Dr. Carrie Rubin says this: the beauty of this book is its power to be a tool for both relationship recovery and healthy relationship maintenance. For those in good shape, its advice will serve as a protective life vest, one that will keep you from sinking into troubled waters." Brooks knows from where he speaks, having been down the road to failure not once, but twice, and is now twenty years happily married to a woman that challenges him to be the best version of himself, with immovable consequences if he is not. "On paper we shouldn't work," he writes, "but we are living in a state I can only describe as bliss, if bliss is defined as inclusive of the trials and challenges that are inevitable and ready to rip you apart. Now we are stronger than the problems life throws our way, not because we are better or smarter than couples who don't make it, but because we are vulnerable to these truths and committed to the principles of interaction and loving partnership that are necessary to make it to the other side." These truths are the heart and soul of CHASING BLISS, a book for people who want to make love work, but fear they aren't up to it. With these principles, you just might become the couple that gets there through an understanding that bliss is not a destination or a finish line, but the road itself. Which, armed with empowered awareness and sensitivity, you can now actually pave with the good intentions that others blame.
