The Shipping Forecast Puzzle Book

Attention all Shipping Forecast fans. Set sail on a voyage unlike any other Each day, millions tune in to hear the Shipping Forecast's unique cadence and poetry, words that turn our island landscape into something strange and magical. It's almost like a puzzle to be solved The Shipping Forecast Puzzle Book tests your general knowledge and lateral thinking through a series of fiendish puzzles, in which all the answers can be found on a map as place names on the coasts or in the seas. For example: · An eagle's under this · What a Komodo Dragon really is · Near where someone was horribly cruel to 343 felines And because your voyages trace the shapes of letters of the alphabet, that's just the beginning With a foreword by Zeb Soanes, the voice of the Shipping Forecast, and fully illustrated with specially commissioned maps, The Shipping Forecast Puzzle Book will help make you a Master of the quizzing world.

From antique shop windows and farm stand displays to rustic table settings, lovingly tended gardens, and covered bridges, these 31 richly detailed illustrations celebrate the timeless charm of rural life.

Creative Haven Country Farm Scenes Coloring Book

Most people view movie posters as an expensive form of expendable advertising. Others, however, see the posters as valuable art. If you are in the latter category, this is the work for you. All facets of collecting movie posters are covered in this guide book. The history of the movie poster is first presented, including a look at how the early studios influenced the development of posters. Next is a brief look at

the world of movie art collecting. This is followed by a reference section that provides comprehensive explanations of the most commonly used terms in the field. Getting your collection started is the next topic, giving novice and more experienced collectors information on publications and materials available, where to go to purchase posters, where to go for help and other items. A concluding section details the proper care and handling of movie art materials, along with methods for restoration.

Collecting Movie Posters

Let your creativity spring to life with 31 illustrations that celebrate the most colorful season of the year. Wonderfully detailed scenes are filled with gorgeous flowers in full bloom, gardening accessories, chirping birds, well-decorated homes, and more.

The Transport for London Puzzle Book

Creative Haven Lovable Cats and Dogs Coloring Book

In Stop at Nothing Annabel Crabb brings all her wit and perceptiveness to the story of Malcolm Turnbull. This is a memorable look at the Prime Minister in action – his flaws and achievements – as well as his past lives and adventures. Drawing on extensive interviews with Turnbull, Crabb delves into his university exploits – which included co-authoring a musical with Bob Ellis – and his remarkable relationship with Kerry Packer, the man for whom he was first a prized attack dog and then a mortal enemy. She examines the extent to which Turnbull – colourful, aggressive, humorous and ruthless – has changed. Crabb tells how he first lost, and then won back, the Liberal leadership, and explores the challenges that now face him today as the forward-looking leader of a conservative Coalition.

Creative Haven Country Farm Scenes Coloring Book

Forty-six picturesque scenes celebrate the simple pleasures of country life: farms, roadside stands, pastures, mills, covered bridges, and more. Colorists can achieve realistic effects with the help of lightly printed numbers that correspond to a simple color key. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Country Scenes

Creative Haven Farm Life Coloring Book

Boys Love Manga and Beyond looks at a range of literary, artistic and other cultural products that celebrate the beauty of adolescent boys and young men. In Japan, depiction of the “beautiful boy” has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent decades, “Boys Love” (or simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan’s manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures. The popularity of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of “boys love,” and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available. Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls’ culture in Japan. Others offer important case studies of BL production, consumption, and circulation and explain why BL has become a controversial topic in contemporary Japan.
