Destiny: The Official Coloring Book

"When the enemy occupies high ground, do not confront him." Sun Tzu, The Art of War
AND SPACE IS THE ULTIMATE HIGH GROUND.
The last orbital mission for Mission Specialist Robert "Pitch" Black ended when Kestral's two EU astronauts hijacked the new USAF spaceplane on reentry. Then they tried to kill him. What they couldn't accomplish, the crash nearly did.
WE WERE ALWAYS GOING TO FIGHT IN SPACE
But the destruction of Kestral was only the opening gambit in a game

to shift global economic power. Milsats began to disappear or careen out of orbit, and launch sites from the U.S. to Asia were bombarded into rubble with kinetic weapons from rogue killer satellites. THE ONLY QUESTIONS WERE WHEN AND HOW With the International Space Station in pieces and falling toward a fiery reentry with eight cosmonauts on board, Pitch and his aerospace company had the only remaining technology that might reach the remains of the ISS. But major cities across the globe were in the crosshairs next. Governments panicked. Nuclear weapons were readied. But if he could stay alive, Pitch was the only one with a plan to save the cosmonauts, Paris and civilization as we know it. He might also be the only one not to survive on reentry.

Two men named Merrick Delmar, separated by more than one thousand years. One was the very first King of Isola di Squalo, and the other will be the next. Their lives are so different, yet they are very much the same. Each struggles with the position of authority into which he has been thrust. Neither feels qualified, and neither knows where to go for help. What does it take to be a good King? Can one man do it alone? Through struggle and storm, each will make a journey of self-discovery to assess whether he truly can rule, involuntarily or not. Sometimes, the calm in the eye of the storm must come from within.

Holland's Grimoire of Magickal Correspondence

Bungie presents the Destiny Grimoire Anthology, a must-have collectible lore compendium designed and assembled for Destiny's devoted and enlightened scholars and lore lovers, as well as fans of fantasy and science fiction storytelling. Until now, the myths, mysteries, and machinations of the Destiny universe were found hidden throughout the worlds - enticing threads that hinted at a greater tapestry. The Destiny Grimoire Anthology weaves tales from multiple sources together for the first time, casting new light on Destiny's most legendary heroes, infamous villains, and their greatest moments of triumph and tragedy. Each unique volume intends to illuminate a facet of the world, and the complete anthology will confirm and challenge players' thoughts and assumptions on what it means to be a Guardian, offering new and differing perspectives on the cosmic war that rages between the Traveler and its ancient enemies.

Destiny 2 Hardcover Ruled Journal

This is the definitive critical anthology on the writings of Texan Robert Howard, the originator of Sword & Sorcery fantasy and also of Conan The Barbarian. The essays survey Howard's work in fantasy, westerns, poetry and supernatural horror tales.

The Lonely Planet Travel Anthology

Flashes of Vice: Vol III is a collection of flash fiction stories on terrorism, the distant near future, conspiracies, why aliens have beef with humans, and the scars of war. The stories begin and end without warning: like 'Allah's Open Letter to Terrorists', or the story of the virgin girl who vowed never ever to have sex with terrorists in heaven. Or the serial killer military widow who kills her dead husband's friends for revenge. Or the untold story of Jesus's resurrection in 'How Did the Dead Escape?' The stories take you into the future, a flash of alien invasion into the world, and the all-time-juicy conspiracies to make the world a better place.

I Saw Water

Ithell Colquhoun (1906 – 1988) is remembered today as a surrealist artist, writer, and occultist. Although her paintings hang in a number of public collections and her gothic novel *Goose of Hermogenes* (1961) remains in print, critical responses to her work have been severely constrained by the limited availability of her art and writings. The publication of her second novel, *I Saw Water*—presented here for the first time, together with a selection of her other writings and images, many also previously unpublished—marks a significant step in expanding our knowledge of Colquhoun’s work. Composed almost entirely of material assembled from the author’s dreams, *I Saw Water* challenges such fundamental distinctions as those between sleeping and waking, the two separated genders, and life and death. It is set in a convent on the Island of the Dead, but its spiritual context derives from sources as varied as Roman Catholicism, the teachings of the Theosophical Society, Goddess spirituality, Druidism, the mystical Qabalah, and Neoplatonism. The editors have provided both an introduction and explanatory notes. The introductory essay places the novel in the context of Colquhoun’s other works and the cultural and spiritual environment in which she lived. The extensive notes will help the reader with any concepts that may be unfamiliar.

D Is for Destiny

“ Stephen Kiernan has pulled off the nearly impossible. The most tender, terrifying, relevant book you ’ ll read this year. ” — Jenna Blum, New York Times bestselling author of *Those Who Save Us* and *The Lost Family*

From the critically acclaimed author of *The Baker ’ s Secret* and *The Curiosity* comes a novel of conscience, love, and redemption—a fascinating fictionalized account of the life of Charlie Fisk, a gifted mathematician who was drafted into Manhattan Project and ordered against his morals to build the detonator for the atomic bomb. With his musician wife, he spends his postwar life seeking redemption—and they find it together.

Graduating from Harvard at the height of World War II, brilliant mathematician Charlie Fish is assigned to the Manhattan Project. Working with some of the age ’ s greatest scientific minds, including J. Robert Oppenheimer, Enrico Fermi, and Leo Szilard, Charlie is assigned the task of designing and building the detonator of the atomic bomb. As he performs that work Charlie suffers a crisis of conscience, which his wife, Brenda—unaware of the true nature of Charlie ’ s top-secret task—mistakes as self-doubt. She urges him to set aside his qualms and continue. Once the bombs strike Hiroshima and Nagasaki, the feelings of culpability devastate him and Brenda. At the war ’ s end, Charlie receives a scholarship to pursue a PhD in physics at Stanford—an opportunity he and Brenda hope will allow them a fresh start. But the past proves inescapable. All any of his new colleagues can talk about is the bomb, and what greater atomic weapons might be on the horizon. Haunted by guilt, Charlie and Brenda leave Stanford and decide to dedicate the rest of their lives to making amends for the evil he helped to birth into the world. Based on the life of the actual mathematician Charles B. Fisk, *Universe of Two* combines riveting historical drama with a poignant love story. Stephen Kiernan has conjured a remarkable account of two people struggling to heal their

Destiny Grimoire Anthology, Volume II

What color candle is appropriate for a justice spell? Which herbs correspond to heart problems? What can you do to strengthen a peace ritual? How can you protect your home? When is a good time to empower a healing charm? Because of her exhaustive knowledge of this subject, Eileen Holland is the expert other witches turn to when they are seeking correspondences for magickal workings. By publishing Holland's Grimoire of Magickal Correspondences, she at long last makes public the information she has been sharing privately with them for years (and which she began writing for herself as a way of organizing the information she needed for her own practice of the Craft). Holland's Grimoire of Magickal Correspondences is the ultimate resource for witches, magicians and shamans, brujas and brujos, Druids, Wiccans, Asatru and Santerians. The most comprehensive book of magickal correspondences that has ever been written, it is for everyone who practices magick or creates rituals. More than 500 separate topics are covered with a sample listing as follows: ASSERTIVENESS (See also: Aggressiveness) Mars Color: red Animal: sparrow Oil: bergamot Plant: basil, cypress Goddess: Inanna, Oya God: Ares, Mars Assertive Action: (See: Action) To Learn to Assert Yourself Stone: angelite, danburite Plant: apple The correspondences included are drawn from many cultures and traditions, including Egyptian, Mesopotamian, Mayan, African, Afro-Caribbean, Buddhist, Norse, Hindu, Greco-Roman, Chinese, Celtic and Native American. Whatever the subject of your working, you are likely to find it covered here. If you practice magick, this will quickly become the most useful book you own and

the one to which you refer constantly.
