## PlayTime Piano: Popular Level 1: 5-Finger Melodies

Most people view movie posters as an expensive form of expendable advertising. Others, however, see the posters as valuable art. If you are in the latter category, this is the work for you. All facets of collecting movie posters are covered in this guide book. The history of the movie poster is first presented, including a look at how the early studios influenced the development of posters. Next is a brief look at the world of movie art collecting. This is followed by a reference section that provides comprehensive explanations of the most commonly used terms in the field. Getting your collection started is the next topic, giving novice and more experienced collectors information on publications and materials available, where to go to purchase posters, where to go for help and other items. A concluding section details the proper care and handling of movie art materials, along with methods for restoration.

## The Willie Nelson Deluxe Anthology

## Imitation and Innovation

An elegy to the age of the Rock Star, featuring Chuck Berry, Elvis, Madonna, Bowie, Prince, and more, uncommon people whose lives were transformed by rock and who, in turn, shaped our culture. Recklessness, thy name is rock. The age of the rock star, like the age of the cowboy, has passed. Like the cowboy, the idea of the rock star lives on in our imaginations. What did we see in them? Swagger. Recklessness. Sexual charisma. Damn-the-torpedoes self-belief. A certain way of carrying themselves. Good hair. Interesting shoes. Talent we wished we had. What did we want of them? To be larger than life but also like us. To live out their songs. To stay young forever. No wonder many didn't stay the course. In *Uncommon People*, David Hepworth zeroes in on defining moments and turning points in the lives of forty rock stars from 1955 to 1995, taking us on a journey to burst a hundred myths and create a hundred more. As this tribe of uniquely motivated nobodies went about turning themselves into the ultimate somebodies, they also shaped us, our real lives and our fantasies. *Uncommon People* isn't just their story. It's ours as well.

## First 50 Disney Songs You Should Play on the Piano
