Edge of God

The Diary of a Nobody is an English comic novel that records the daily events in the lives of a London clerk, Charles Pooter, his wife Carrie, his son Lupin, and numerous friends and acquaintances over a period of 15 months.

Stormcall

"Harrowing, tender-hearted, and funny as hell" –Jenny Offill
"Fascinating...Oddly uplifting" –The Economist "Smart, funny, irreverent, and philosophically rich" –Wall Street Journal By the author of the award-winning To Be a Machine, an absorbing, deeply felt book about our anxious present tense—and coming to grips with the future We're alive in a time of worst-case scenarios: The weather has gone uncanny. Old postwar alliances are crumbling. A pandemic draws our global community to a halt. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How is a person supposed to live in the shadow of such a grim future? What does it mean to have children—nothing if not an act of hope—in such unsettled times? What might it be like to live through the worst? And what on Earth is anybody doing about it? Dublin-based writer Mark O'Connell is consumed by these questions—and, as the father of two young children himself, he finds them increasingly urgent. In Notes from an Apocalypse, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. He engages with would-be Mars colonists, preppers, right-wing conspiracists. And he bears witness to those places, like Chernobyl, that the future has already visited—real-life portraits of the end of the world as we know it. In doing so, he comes to a resolution, while offering readers a unique window into our contemporary imagination. Both investigative and

deeply personal, Notes from an Apocalypse is an affecting, humorous, and surprisingly hopeful meditation on our present moment. With insight, humanity, and wit, O'Connell leaves you to wonder: What if the end of the world isn't the end of the world?

The Mandibles

In the middle of the deepest winter on record, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison. Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive. Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice. Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats. Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child. Edge of Collapse is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

Home to Oblivion

"A story about friendship and survival, a supernatural adventure filled with mystery and suspense, and a tale of a boy who is forced to forge his way to a new reality under the most unreal circumstances. The story leads the reader from a pivotal Revolutionary War sea battle to a mysterious island where time seems irrelevant. Narrator Prescott Fielding, a 12-year-old boy from the 18th century, is washed ashore onto a volcanic island, where he befriends Caleb Thompson, a seventeen-year-old Vietnam War era U. S. Marine. How can two people born 200 years apart exist together at one time? Are they living in a time warp? Outside of time? Or is it the afterlife? Just as they work through their differences in perspectives, and as their friendship begins to flourish, a young World War I British Army code-breaker suddenly appears and upsets the balance. A series of events--both natural and unnatural--convince the characters to travel inland to seek answers about the mysteries of the island. Prescott soon discovers the function of the island is far more dangerous than he ever could have imagined, and standing between him and his dream to go home is a powerful and evil force." --Goodreads.

Courage

New York Collapse is an in-world fictionalized companion to one of the biggest video game releases of 2016: Tom Clancy's The Division from Ubisoft. Within this discarded survivalist field guide, written before the collapse, lies a mystery—a handwritten account of a woman struggling to discover why New York City fell. The keys to unlocking the survivor's full story are hidden within seven removable artifacts, ranging from a full-city map to a used transit card. Retrace her steps through a destroyed urban landscape and decipher her clues to reveal the key secrets at the heart of this highly anticipated game.

Dark Side of the Mirror

Iyemo's life is falling apart. She tries to move to another planet, hundreds of light-years away, only to watch her problems follow her. Broken, disillusioned, and on the edge of collapse, a chance encounter with a mysterious foreigner plants the seeds of redemption, leading her to discover love and forgiveness, to discover God, and ultimately, to discover who she truly is.

Dyslexia's Competitive Edge

Savor the moment, cause it just might be your last Newly married and trying to keep the romance flowing along with the wine, Billie and Handel find themselves knee-deep in another mystery. Defending a wealthy San Francisco businessman against capital murder, Handel soon discovers that media attention brings more than fame and fortune. When Billie's life is threatened and someone starts vandalizing winery property, he believes it's connected to the case. Across the vineyard, Margaret has problems of her own. Davy's Italian grandfather comes to town and starts right in where his son left off. Throwing the weight of his money around, and using the rash of vandalism as a weapon, he tries to prove that Davy would be safer and better off living with him in Italy. Romance is in the air at the Fredrickson Winery this summer. Sip a glass of Sangria and fall in love with the characters all over again.

The Edge of Destruction

We know that our world is undergoing seismic change—but how can we emerge from the crisis a fairer, more equal society? Over the past two centuries or so, capitalism has undergone profound changes—economic cycles that veer from boom to bust—from which it has always emerged transformed and strengthened. Surveying this turbulent history, Paul Mason's Postcapitalism argues that we are on the brink of a change so big and so profound that this time capitalism itself, the immensely complex system within which entire societies function, will mutate into something wholly new. At the heart of this change is information

technology, a revolution that is driven by capitalism but, with its tendency to push the value of much of what we make toward zero, has the potential to destroy an economy based on markets, wages, and private ownership. Almost unnoticed, in the niches and hollows of the market system, swaths of economic life are beginning to move to a different rhythm. Vast numbers of people are changing how they behave and live, in ways contrary to the current system of state-backed corporate capitalism. And as the terrain changes, new paths open. In this bold and prophetic book, Mason shows how, from the ashes of the crisis, we have the chance to create a more socially just and sustainable economy. Although the dangers ahead are profound, he argues that there is cause for hope. This is the first time in human history in which, equipped with an understanding of what is happening around us, we can predict and shape the future.

Tom Clancy's The Division: New York Collapse

Edge of Darkness

Luke is four hundred miles away from home when the first nuclear bomb drops. After narrowly escaping a nuclear explosion in San Francisco, the Navy SEAL must travel through a world without rule of law. Liz can't believe they're under attack. At first, it seems like things won't be too bad. Yet within hours, it seems like the whole world's gone crazy. With communication lines down, she's unable to reach her husband, Luke. Getting her kids to their Bug Out Location won't be easy, but she's determined to make it. It's well stocked and safely tucked away in a canyon. But as people begin to flee the cities, a new darkness spreads across America. Her struggle to survive rips apart her core values and forces her to examine what it means to be a mother, a wife, and a survivor.

Edge of Madness

At the Sharp End of Lightning

Renew and Sustain is an innovative, profitable, socially and environmental conscious approach towards a sustainable future. The book discusses this method, what sustainability is and why it makes sense to implement these solutions. This is accomplished via dialog with specific case studies about sustainability and the value of being more sustainable.

The Beginning of the End

Dark Side of the Mirror While in Alaska, Sarah Mason is mistaken for the notorious Selena Menendez, America's number one bad girl. Not only

is Selena wanted by the U.S. Marshals and the FBI, but also by an organized crime boss. With an identical look-alike, Sarah has to assume they're twins. The tall rough-edged marshal who arrested her will not listen to reason. When they reach Anchorage and he runs her prints, he'll be forced to apologize for his mistake. Too little, too late. She's suing the jerk for all he's worth. After being stranded in the wilderness, Sarah finally convinces the arrogant marshal she's not his fugitive. She fights her attraction for him, because he's not about lasting relationships, and she wants more than a romp in his bed. Braden Wolfe likes Sarah, but that's as far as it can go. She has the face of the fugitive who killed his mentor and best friend. After a bad marriage and the loss of his five year old son, he swears he'll never go through that kind of pain again. Hate and revenge fuel him. He hardens his heart from any feelings for Sarah. He has no intentions of seeing her once they're rescued and she returns to Memphis. But after she's gone, he's miserable. When Menendez and her gang are spotted outside Memphis, Braden races to reach Sarah before her psychopath sister has a chance to harm her. His motives become unclear. Is he truly there to protect Sarah? Or is capturing her evil twin more important? But the crime boss who wants Menendez has his own agenda.

Collapse of U.S. 35 Highway Bridge, Point Pleasant, West Virginia, December 15, 1967

She's human. He's not. For the most part. We're pretty sure. Maybe a little humanhumanoid at least. George isn't her real name. Bob isn't his. When fate intervenes on the loop in Lubbock, Texas, nothing will be the same for George again. Her fantasies of a fairy tale adventure come true. Except for the part with the monsters. And the jail time. And the absolute vomit inducing terror of creating an online dating profile.

Cuba on the Brink

Through the desert, to see the land art, then onto the 'most secret cabin' for the silent ten-day meditation retreat. His muse moves from an external muse to a character in the story; she moves him out of his comfort zone, which suggests he may have to start life all over again, c'est la vie.

Collapse (the Ashwood Lies Book 1)

Freedom demands a price The EMP stole their way of life. Hannah and Liam have survived the brutal cold and violent enemies. But the threat has never been greater. To survive this battle, the residents of Fall Creek may have to sacrifice more than they ever thought possible. This time, it might be too much. Preorder Edge of Defiance now. When the country goes dark, ordinary people find themselves facing the end of

the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love. Edge of Defiance is a gripping EMP apocalyptic thriller featuring flawed, complex characters and riveting action. An EMP disaster/survival series perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven. *Rated PG-13 for mild language and moderate violence*

Edge of Collapse

Describes the events leading to the missile crisis, analyzes American actions, and shares the opposing viewpoints of American and Russian experts.

Brink

Everything changes in an instant when the nation's power grid fails. An EMP attack knocks planes out of the sky and turns roads into disaster zones. And that's just the first minute. The attack leaves Cade Bowman stranded a thousand miles from home and the family he holds dear. A weekend in Las Vegas turns deadly for his daughter Lily and her best friend. She knows she has to get out of the city before it's too late. But with junkies and opportunitists on the hunt for easy prey, she'll have to be stronger than ever to survive. Fight the Shock is the first book in the heart-stopping World in Collapse series.

Edge of Anarchy

When twenty-two year old Mark Prior jumped at the opportunity of joining his friends on a backpacking holiday around the Aegean islands, he never imagined that they'd come across a forgotten relic that would change their lives forever. The mysterious island of Samothrace is the group's first stop and the epicenter of secrets, where the blue lightning is harbored, hidden deep within its ancient mountain. Who are the enigmatic Order of Knights, known as the Clergy, that are sworn to protect the world from this primeval and forgotten power? What is their connection to their adversaries, a vagabond group of misfits calling themselves the Organization? Join the adventures of Mark, Alice, Telemachus and Jose, as they unleash an ancient power, designed to bestow the wielders of the blue lightning with extraordinary abilities. Witness their story as they realize the consequences of their discovery, with half of the world's secret services hot on their heels. Stormcall is the first installment of the E.M.F. Chronicles, a five-part series of suspenseful action adventures with a strong science fiction edge. Follow the life of each character in a tale of friendship, camaraderie, and conflict, from the green slopes of mount Saos to the magical circle of stones in Glastonbury. T.A. Marks' remarkable book will keep you guessing, from start to finish.

Fight the Shock

With dry wit and psychological acuity, this near-future novel explores the aftershocks of an economically devastating U.S. sovereign debt default on four generations of a once-prosperous American family. Down-to-earth and perfectly realistic in scale, this is not an over-the-top Blade Runner tale. It is not science fiction. In 2029, the United States is engaged in a bloodless world war that will wipe out the savings of millions of American families. Overnight, on the international currency exchange, the "almighty dollar" plummets in value, to be replaced by a new global currency, the "bancor." In retaliation, the president declares that America will default on its loans. "Deadbeat Nation" being unable to borrow, the government prints money to cover its bills. What little remains to savers is rapidly eaten away by runaway inflation. The Mandibles have been counting on a sizable fortune filtering down when their ninety-seven-year-old patriarch dies. Once the inheritance turns to ash, each family member must contend with disappointment, but also—as the U.S. economy spirals into dysfunction—the challenge of sheer survival. Recently affluent, Avery is petulant that she can't buy olive oil, while her sister, Florence, absorbs strays into her cramped household. An expat author, their aunt, Nollie, returns from abroad at seventy-three to a country that's unrecognizable. Her brother, Carter, fumes at caring for their demented stepmother, now that an assisted living facility isn't affordable. Only Florence's oddball teenage son, Willing, an economics autodidact, will save this formerly august American family from the streets. The Mandibles is about money. Thus it is necessarily about bitterness, rivalry, and selfishness—but also about surreal generosity, sacrifice, and transformative adaptation to changing circumstances.

Point of Impact

"The strength of Tarnish is Billy's coming-of-age narrative, his quest to develop his own, innate heroism, and his struggle to reconcile illustrious legends with harsher truths [Its] high fantasy styling is tempered by comfortable, somewhat modern language, a relatable, every-man main character, and a universal theme that transcends the genre." -- Tales of the Talisman Magazine "What's amazing about this book is that it is its own story. It's not some spin off, take off, bull\$#!% twisting of the same young adult themes. And I love that you get all these stories within stories It's like, bookception." -- Rattle The Stars "That's why I like this book [Billy's] going to be a hero one day. It's just going to take a couple more black eyes and a night in the Fellwater drunk tank to get there." -- Forever Young Adult * The son of a legend, born with his father's strength. A rogue of yesteryear whose sword was as quick as his wit. An invincible warrior with truly silver skin. What kind of hero would you be? When his village is attacked by creatures from Blood Marsh, Billy Cole volunteers to find help. But it'll take more than a sword and the

inspiring tales of his legendary idols to survive the harsh world beyond Redfield. Taking the name Wil Thunderstrike, he sets off to save his home and begin his own heroic legacy. But on Fate's fickle course, sixteen-springs-old Wil Thunderstrike will become a storyteller, adventurer, and thief; discover romance, danger, and betrayal; and return home both a hero and a villain.

Tarnish

The Edge of Tomorrow - Book 2

The darkness is spreading faster than ever. People are no longer having dreams. The Dream Realm is on the verge of collapse and fulfilling everyone's worst nightmares. Will Kleir and her friends be able to stop the darkness and bring the Dream Realm back from the edge of destruction or will the unthinkable happen?

Postcapitalism

Based on a TRUE story Finally, she speaks ...After three hundred years of silence, Virginia's only convicted witch finally speaks! And the story she tells varies substantially from the rumors and wild speculation that have passed for truth concerning Grace Sherwood's famous 1703 witchcraft trial. For indeed, Grace's accusers suffered long after the trial ended, but it was not as a consequence of magic, but rather, from their own boundless greed. But what of those who follow? How long will a curse last? Richard Hill is about to find out when he moves to Virginia Beach in 2005 to rebuild his life. And they that are left of you shall pine away in their iniquity in your enemies' lands; and also in the iniquities of their fathers shall they pine away with them. Leviticus 26:40

Edge of Defiance

When the world as we know it falls, the New Texas Republic rises to face the harsh realities of holding civilization together one town at a time. Such is the task before Austin Reynolds, Texas Ranger, as he rides into the community of New Hope where a shifty-eyed mayor, his alluring and beautiful assistant, and a blind prophesying preacher complicate an inevitable battle against wild northern raiders. No Kinda Life is a post-apocalyptic adventure and traditional western rolled together into a riveting short novel.

Waiting for Grace

The Final Collapse: A Thriller Mankind on the brink. The few survivors face an unexpected new threat some of them changed. A week after the outbreak and the world is utterly transformed. Ex-soldier Mason West

and his family emerge from the wreckage only to confront the horrifying aftermath. Civilization in ruin. Los Angeles is truly the city of angels--a burial ground for millions. Packs of deranged humans roam the streets stalking anything that lives. The West family faces impossible odds and an uncertain future. With dwindling resources and danger at every turn, their survival is anything but assured. The Final Collapse is the second novel in the gripping Edge of Survival series. If you like terrifying hordes and edge-of-your-seat action, then you'll love William Oday's high-octane second installment.

Means to an end

There is nothing like the feel of pen/pencil on paper for your thoughts, dreams, experiences, and life events recorded in the moment. Also includes: blank fields title page 6-page blank table of contents fully page numbered main matter HIGH GLOSS FINISH for extra protection on the go See other cover designs also available from "N.D. Author Sevices" [NDAS] in its multiple series of 365 and 150 Journals, Notebooks, Grid Notebooks, Blank Books, Meeting Notes, etc. Some are available in a matching cover designs.

Edge of Ridiculous

"Dyslexia's Competitive Edge is a book for every dyslexic entrepreneur, business owner, and professional. Tiffany's book is full of strategies and insight, but most important she showcases the value of dyslexia and how it is a competitive advantage." Skip Howard, Managing Director of Dallas Partners, Entrepreneur, and Inventor DYSLEXIA'S COMPETITIVE EDGE discusses how dyslexics can use their strengths to launch businesses, grow their companies, or accelerate their careers. The book includes personal stories, insights, and strategies from fellow dyslexics and non-dyslexics on how to use the dyslexic brain as a competitive edge. Tiffany offers advice on how to successfully manage difficulties that dyslexia can present such as having a response plan for when a dyslexic's word retrieval system misfires. As a dyslexic business owner, Tiffany writes from experience. She wrote a book she wished was available earlier in her career on how to use the dyslexic brain as an asset. Tiffany provides readers with an extensive resource section at the back of the book. As technology rapidly advances many of the talents dyslexics possess, such as creative, visionary, and outside-the-box thinking, will increase in demand exponentially.

Notes from an Apocalypse

Times IV

When a viral apocalypse kills 97% percent of the people on the planet, the survivor's humanity is hanging by a thread. Fighting over the leftovers of civilization, what's needed is a hero that's more killer than saint. The people he finds become family and that is very bad news for those who think they are running things. This is the first book in new series from the author of the Eden Chronicle's "A Bright Shore" and "Come and Take it." The author is a former CIA operations officer who has decided that his lifelong writing habit/hobby/obsession is more fun than "real" work. "Finally an author that doesn't pull punches" Amazon Reviewer "Not going to work tomorrow, it's 4 am and I just finished one of the best books I've read in years.." Amazon Reviewer

Edge of Disaster

On a Dream's Edge Blank Book

When Chase finds survival gear hidden in the attic of his boarding school, he realizes Ashwood Prep isn't what it seems. Thrust into a conspiracy that is centuries old, he can choose to run or stand up and fight. After an earthquake cuts the school off from the rest of the world, Chase has to figure out who's a friend, who's an enemy, and if there's really any difference at all. As the world starts to collapse, trusting the wrong person can have deadly consequences. Caught between his classmates and the professors' schemes, he can't afford to choose wrong. It would all be a lot easier if Taylor and Maya weren't pulling him in opposite directions. Is it really the apocalypse? Or is it something much worse?

Edge of Collapse

Luke has managed to get within sixty miles of his family's Bug Out location. Though he continues to struggle against new threats, nothing will keep Luke from getting back to his family -- not even the people who stand in his way. Liz struggles to defend the cabin from the preacher and his men. With too much land to cover and not enough resources, she reluctantly teams up with other people in the canyon. Their thread-bare agreement might not hold up under pressure, but it's better than nothing. Liz will do whatever it takes to protect her kids. One day Luke will return home, but until then, she's ready to take up arms against anyone who threatens them.

The Final Collapse

In a heartbeat, everything grinds to a halt. On Christmas Eve, the lights go out. Vehicles stop working. Communications break

down. Reclusive former soldier Liam Coleman doesn't want to be anywhere near bustling downtown Chicago the day before Christmas. But his twin brother and his pregnant sister-in-law need him, so he makes the trip. But mere minutes after leaving O'Hare, their car crashes, along with hundreds of other vehicles. When Liam's phone stops working, he begins to suspect something more sinister than a local power outage. But before he can react, the first plane falls from the sky. When a super EMP takes down the nation's power grid, Liam knows it's time to bug out. He's prepared, but he never expected to be caught in the middle of Chicago as chaos erupts. With society collapsing before his very eyes, Liam will have to risk more than he ever thought possible to protect the ones he loves--if it's not already too late. *Chaos Rising* is the riveting post-apocalyptic EMP survival thriller prequel novella set in the *Edge of Collapse* universe, a brand new series from bestselling author, Kyla Stone. Includes a six-chapter sneak peek of *Edge of Collapse*, book #1 in the explosive new post-apocalyptic series.

No Kinda Life

Calli Crawford has given up too much in life, too many rules and regulations forcing her to become someone she can barely recognize. Such is the life of a woman in the witness protection program. With loneliness and fear as a constant companion, she's in search for solitude in hopes of making it to the trial date and getting back to her life. Captain John "Edge" Barker has served his final mission for the Navy Seals and the devastation of it has left its mark on the hard-bodied vet. His plan is to focus on his dogs and ignore the rest of the world, but when a raven-haired woman in need moves across the street, his world is turned upside down. Needing someone to protect, he goes against his better judgment and steps into her world and makes her fight his own. With the largest syndicate in New York searching high and low for them, the pair doesn't have the luxury of living in the present. They're forced to stay on the razor edge of tomorrow.

Chaos Rising

Though he achieved literary acclaim as a dramatist, most notably with the timeless children's classic *Peter Pan*, author J. M. Barrie tackled many subjects over the course of his career, often grappling with philosophical and psychological topics. The breadth of his intellect is on full display in *Courage*, which is the text of a stirring and inspirational speech he delivered to a group of graduating college students in the early 1920s.

Renew and Sustain

In the near future where the intellect rules and science offers civilisation's only salvation, a mad-man bioterrorist is determined to

rid the planet of its human stain. And the only one standing in his way is a defiant, hyper-immune girl called Io, whose ridiculed physical gifts may just give her the upper fist.

End of Summer

Trisha, a mid-level manager, dreams of grandeur: a sprawling professional network, a close-knit family, corporate success and domestic bliss. Dev, next-in-line to CEO, hopes for total detachment from work and devises a cunning delegation system run by email-forwards. Their circumstances are challenged when a looming organizational restructure forces them to re-evaluate their personal goals and their on-again-off-again relationship. Set in an India stuck between tradition and modernity, Means to an End, follows Trisha and Dev, as they struggle to fulfill the expectations of their company, their family and the society.

The Diary of a Nobody

Marcus Abaddon has been "chosen" to carry out a corrupt United States government agenda by crime lord Devin Bolos. Alongside Charles, Bolos runs an illegal drug operation, which includes some "atypical" chemicals that begin to alter Abaddon's state of mind. However, throughout the book Abaddon cannot help but feel the pull of holy spirit within (God) as he fights a spiritual warfare before seeking the spiritual guidance needed from old classmate Josh Slothers. Josh has become a successful pastor of a large church near Abaddon. As the end draws near for a clueless Abaddon, he is duped into a catastrophic event that ignites the government's push for a new world order, a concept very prevalent in today's society. God's power, however, is unbreakable, and Christian's are reminded to keep the faith and push forward in a coming time of despair.

Savor

AT THE SHARP END OF LIGHTNING: The intertwined worlds of Oceanlight and Earth are no longer hidden from view of each other. In one realm, Yalara Narika, a winged Sea Sprite, searches for her family and she encounters a deadly blue haze at sea. Escaping the poison makes her realize that her world, Oceanlight, is experiencing sudden and catastrophic environmental change. Meanwhile, in the safe suburban normality of North Wales, Einion Morgan Alban, a restless youth with haemophilia, is nearly murdered by a man in a white suit who intentionally shoves him off a cliff. If Yalara and Einion don't uncover the connections between their worlds and near-deaths, it will have dire consequences for the worlds they live in. Book one of the OCEANLIGHT series.
