The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

F*ck Off Pandemic I'm Colouring

Free Copy F*ck Off This Is My Coloring Book The Very F*cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

*A Goodreads Choice Awards Finalist *Named Best Comedy Book by the African American Literary Awards Show Fans of Issa Rae and Phoebe Robinson will love this collection of laugh-out-loud funny and insightful essays that explore race, feminism, pop culture, and how society reinforces the message that we are nothing without the perfect body. By the time Chloé Hilliard was 12, she wore a size 12—both shoe and dress—and stood over six feet tall. Fitting in was never an option. That didn't stop her from trying. Cursed with a "slow metabolism," "baby weight," and "big bones,"—the fat trilogy—Chloe turned to fad diets, starvation, pills, and workouts, all of which failed. Realizing that everything—from government policies to corporate capitalism—directly impacts our relationship with food and our waistlines, Chloé changed her outlook on herself and hopes others will do the same for themselves. The perfect mix of cultural commentary, conspiracies, and confessions, F*ck Your Diet pokes fun at the all too familiar, misguided quest for better health, permanent weight loss, and a sense of self-worth.

F*ck Off, I'm Coloring! Swear Word Coloring Book

The only self-help book you'll ever need, from a psychiatrist and his

Free Copy F Ck Off This Is My Coloring Book The Very F Cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

comedy writer daughter, who will help you put aside your unrealistic wishes, stop trying to change things you can't change, and do the best with what you can control—the first steps to managing all of life's impossible problems. Need to stop screwing up? Feel like you're under a loser's curse? Work with an ass? Want to clear your name or get justice, rescue an addicted person, get closure after childhood abuse, get a lover to commit, not ruin your kid? Although other self-help books claim to reveal the path to happiness, F*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right. Life is hard. It's not fair. Our feelings cloud our rationality, and we become tangled in our efforts to achieve the impossible or change the unchangeable. In this groundbreaking, entirely sensible, and funny book, the Bennetts open the shrinks' secret solution manual and show you how to find a new kind of freedom by working toward realistic goals and doing the best with what you can control. They address the most common problems Dr. Bennett's patients bring to his private practice—problems with family, love, work, self-esteem, garden variety assholes, and more—and give you a script for going forward. With no-

Free Copy F*ck Off This Is My Coloring Book The Very F*cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

bullshit advice from a Harvard-educated shrink freed of all jargon and patronization by his smart-ass, comedy writer daughter, F*ck Feelings is the cut-to-the-chase therapy session you've been looking for.

Cheer the F*ck Up

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability

Free Copy F Ck Off This Is My Coloring Book The Very F Cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

F*ck Off! This Is MY Coloring Book

Voldemort casted swearing spell on all "Harry Potter" characters, In lieu of honing their magical skills, they are abusing Harry Potter and coloring day in and day out. Harry Potter wants to remove "swearing

spell" on his friends and foes. Please save Harry Potter from the "swearing spell" by getting a copy of "Adult Coloring Book: F-ck off and color with me ."

F*ck Feelings

"The F*ck It Diet is not only hilarious, it is scientifically and medically sound. A must read for any chronic dieter." -Christiane Northrup, MD, New York Times bestselling author of Women's Bodies, Women's Wisdom" From comedian and ex-diet junkie Caroline Dooner, an inspirational guide that will help you stop dieting, reboot your relationship with food, and regain your personal power DIETING DOESN'T WORK Not long term. In fact, our bodies are hardwired against it. But each time our diets fail, instead of considering that maybe our ridiculously low-carb diet is the problem, we wonder what's wrong with us. Why can't we stick to our simple plan of grapefruit and tuna fish??? Why are we so hungry? What is wrong with us??? We berate ourselves for being lazy and weak, double down on our belief that losing weight is the key to our everlasting happiness, and resolve to do better tomorrow. But it's time we called a spade a spade: Constantly trying to eat the smallest amount possible is a miserable way to live, and it isn't even working. So fuck eating like that. In

Free Copy F*ck Off This Is My Coloring Book The Very F*cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

The F*ck It Diet, Caroline Dooner tackles the inherent flaws of dieting and diet culture, and offers readers a counterintuitively simple path to healing their physical, emotional, and mental relationship with food. What's the secret anti-diet? Eat. Whatever you want. Honor your appetite and listen to your hunger. Trust that your body knows what it is doing. Oh, and don't forget to rest, breathe, and be kind to yourself while you're at it. Once you get yourself out of survival mode, it will become easier and easier to eat what your body really needs—a healthier relationship with food ultimately leads to a healthier you. An ex-yo-yo dieter herself, Dooner knows how terrifying it can be to break free of the vicious cycle, but with her signature sharp humor and compassion, she shows readers that a sustainable, easy relationship with food is possible. Irreverent and empowering, The F*ck It Diet is call to arms for anyone who feels guilt or pain over food, weight, or their body. It's time to give up the shame and start thriving. Welcome to the F*ck It Diet. Let's Eat.

F*ck Off, I'm Coloring

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical,

Free Copy F Ck Off This Is My Coloring Book The Very F Cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know

Free Copy F Ck Off This Is My Coloring Book The Very F Cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless

Free Copy F*ck Off This Is My Coloring Book The Very F*cking Best Of John T Swear Word Adult Coloring Book Pages With Stress Relieving And Relaxing Designs

manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

27 Shades of Bullsh*it F*ck Off, I'm Coloring for Adults 18+

The no-f*cks-given guide to taming anxiety and taking back control of your life, from the bestselling author of *The Life-Changing Magic of Not Giving a F*ck* and *Get Your Sh*t Together*. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to *Calm the F*ck Down*. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh*t that hasn't happened yet or freaked out about sh*t that already has, the NoWorries method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. *Calm the F*ck Down* explains: *The Four Faces of Freaking Out* -- and their Flipsides *How to accept what you can't control* *Productive Helpful Effective Worrying (PHEW)* *The Three Principles of Dealing With It* And much more! Praise for Sarah Knight and the *No F*cks Given*

The F*ck It Diet

A shitty guide to getting through the fucked up first month of a break up.

F*ck Off Pandemic, I'm Coloring

Even you can get your sh*t together! Tidy the F*ck Up is a funny, down-to-earth parody of Marie Kondo's The Life-Changing Magic of Tidying Up, where you'll be handed the most useful tools for keeping your crap clean and organized without all the pressure. In this book, you'll discover useful ways to figure out what to do with your sh*tpiles in an approachable, care-free way, and you'll say farewell to the hair-pulling stress of marathon cleaning. Tossing all your junk in a closet doesn't make it any less of a clusterf*ck, but approaching it little by little and making use of some helpful hints can do a world of wonders for all your sh*t, the comfort of your space, and your general sanity. With this hilarious guide, you'll learn how to: Become a decision-making bad*ss Get rid of the sh*t you don't need and keep the sh*t you do Live life after a clusterf*ck! And more! With a lighthearted tone that the finest sailors would admire, Tidy the F*ck

Up will help you make your house a f*cking home.

F*ck Your Diet

Join the Movement. Ditch the Diet. Who's ready to stop thinking about weight loss? To free their brain from thoughts about ketones, calories, and fasting? Who wants life to be more effortless, energetic, and empowered? Welcome to a refreshing and gloriously unapologetic conversation about health, fitness and habits. Award-winning trainer Oonagh Duncan cuts through the wellness clutter to drop some truth bombs: it might not be six-pack abs you're looking for – it might be happiness, confidence, and acceptance. But if losing your belly is what you want, don't let anyone – including yourself – stop you from going after it. And she'll show you how to make it happen. There's only one major difference between those rare unicorns who have managed to lose weight and the rest of us: their habits. When you acknowledge that following a diet is not getting you anywhere, and you make a few small changes to your everyday routine, you'll find yourself happier and healthy as f*ck.
