The Way We Wore

"Paintings of upper-class men and women tell an important part of the history of costumes, but surviving garments reveal even more. Every crease, stitch, and stain in a piece of clothing supplies valuable information about its wearer and its era. This stunning book features eighteenth - and early-nineteenth-century garments from the premiere collection of Colonial Williamsburg. Illustrated with more than 300 color photographs, including many details and back views, *What Clothes Reveal* treats not only elegant, high-style clothing in colonial America but also garments for everyday and work, the clothing of slaves, and maternity and nursing apparel." "Drawing on contemporary written descriptions and on actual costumes of the period, the book analyzes what Americans in the eighteenth century considered fashionable and attractive and how they used clothing to assert status or to identify occupations. The book also examines the myths and meanings of clothing in British and American society, clothing for the entire life cycle, and a

history of clothing alteration. Informative sidebars on a variety of fascinating topics complete the volume."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Arresting Dress

In 1863, San Francisco's Board of Supervisors passed a law that criminalized appearing in public in "a dress not belonging to his or her sex." Adopted as part of a broader anti-indecency campaign, the cross-dressing law became a flexible tool for policing multiple gender transgressions, facilitating over one hundred arrests before the century's end. Over forty U.S. cities passed similar laws during this time, yet little is known about their emergence, operations, or effects. Grounded in a wealth of archival material, *Arresting Dress* traces the career of anti-cross-dressing laws from municipal courtrooms and codebooks to newspaper scandals, vaudevillian theater, freak-show performances, and commercial "slumming tours." It shows that the law did not simply police normative gender but actively produced it by creating new definitions of gender normality and abnormality. It also tells the story of the tenacity of those who defied the law, spoke out when sentenced, and articulated different gender possibilities.

dress styles for men, women, and children. Everything from fur, gowns, dresses, and suits; work clothes, shoes, and even the undergarments are covered in this volume! Glorious hats, smart and chic gloves, and other accessories can be found here as well. The slim silhouette was the "look" for women during this time. These styles focused on feminine curves by way of figure-hugging gowns, dresses, skirts, and sweaters. Fur, whether a coat, wrap, or stole, was a must-have for women of this time. Fashion followed what was worn in Hollywood. Sportswear for women was influenced by a more masculine style. Sport suits, leather jackets, and middy slacks became popular. Men wore swanky suits, and new styles were bursting forth in this new era. The double-breasted jacket became popular in the 1930s, and suits were tailored with squared shoulders to give the visual effect of a larger torso. The tennis/sport shoe became popular during this time, thanks to Hollywood's adopting this fashion. Hats for men and women were worn to stylishly complement their ensembles. Take a look at the fashions of yesteryear that were declared "fashionable" by the actors and actresses in Hollywood and designers in New York.

purchase from the catalog.

Everyday Fashions of the Twenties

Accurate record of actual dress of the Roaring Twenties in over 150 pages of mail-order catalogs, selected and with text by Stella Blum. Over 750 illustrations, captions.

Fashions of the Thirties

Taken from the pages of the Sears Catalog, here are the fashion statements of the early 1970s. It was the age of the mini-skirts, hip-huggers, and bell-bottoms, skimp-sleeved pullovers and slink knit shirts. Using 400 original Sears illustrations, most in color, captions provide accurate and detailed information about the many fashions illustrated as well as original prices and today's values as vintage clothing.

Fashionable Clothing from the Sears Catalogs

Enjoy a parade as an era marches by, marking an end of innocence and the dawn of psychedelic style. A visual treasure chest, this book has over 400 images, with thousands of items of clothing pictured. Here is a picture encyclopedia of everything from collars to pant cuffs, including hats and

hairstyles, gloves and galoshes.

The 1902 Edition of the Sears, Roebuck Catalogue

What American men, women, and children wore in the 1940s, shown in 122 fully illustrated and captioned pages selected from rare copies of Sears catalogs. Reproduced in large format on high-quality glossy stock.

Zipper

A fascinating piece of history and a window to turn-of-the-century America. The Sears, Roebuck & Co. catalog was the Amazon.com of its day, giving American families across the country access to thousands of items from clothing and furniture to buggies and hair tonic. Whether they could buy it or not, people would pour over the massive volume that represented an icon in American retail. The 1908 Sears, Roebuck & Co. Catalogue offers an amazing look at life in early twentieth-century America. Sears, Roebuck & Co. have defined and innovated American retail for years, As the company grew from humble beginnings, it's catalog selection exploded to include all sorts of categories and encompassed almost everything imaginable. With merchandise ranging from ordinary to fantastical (and almost all of it priced at the pennies-on-the-dollar rate of the time),

browsing through this vintage collection is sure to be an enjoyable experience.

International Steampunk Fashions

Presents a selection of fashion illustrations originally published in Sears catalogs between 1909 and 1920, focusing on ready-to-wear apparel for women and children.

59 Authentic Turn-of-the-century Fashion Patterns

The most popular 1940s clothing styles were available in patterns for the home seamstress. Companies like Advance, Butterick, McCall and others marketed their patterns to housewives with beautifully illustrated envelopes featuring everything from couture to everyday workclothes, ensembles, sportswear, lingerie, and more. Collectible in themselves, these illustrations also document an era of fashion design.

Flirts of the Fifties

Everyday life at the turn of the century is mirrored in a facsimile of a 1902 mail-order catalogue.

Fashionable Clothing from the Sears Catalogs

Read PDF Fashionable Clothing From The Sears Catalogs Early 1960s Schiffer Book For Collectors

Meet the book that defined fashion for generations of Americans in the twentieth century—the Sears Catalog. European couture designs were beautiful in fashion magazines but the average person with an average income shopped for clothing in department stores. The Sears Catalog brought household goods and fashionable clothing to everyone, whether they had access to a department store or not. Pictured here is clothing for men, women, and children taken from actual Sears Catalogs from the late 1950s, along with descriptions and original prices. Current values for some items are included as a reference guide for collectors of 1950s vintage clothing. Who can forget slim sheaths and whirly skirts, rolled-up dungarees and pedal pushers, bouffant slips and taffeta prom gowns, fraternity prep jackets and children's western wear? With more than 400 color photographs, this book offers a nostalgic look into fashionable clothing of an era which defined an entire generation.

AUTHOR:

Fashionable Clothing from the Sears Catalogs

Proudly advertising its enormous inventory shipped from "Cheapest Supply House on Earth," in 1894, the Sears, Roebuck and Co. catalog offered substantial savings for rural dwellers on almost everything. And everything

Read PDF Fashionable Clothing From The Sears Catalogs Early 1960s Schiffer Book For Collectors

means everything. From pianos and firearms to clothing, watches, and jewelry, this well-known American superstore had it all. Need a sewing machine guaranteed to last ten years? Just \$17.55 from Sears, Roebuck and Co. And why not buy solid gold? Solid gold watches, that is, for just thirty to fifty dollars. In the musical goods department, guitars came with free instruction books, mandolins were becoming so popular that sales had more than doubled in a year, and violins were imported and plentiful. The guns and sporting goods department boasted a wide range of weaponry, including the Colt's Army Double Action Revolver (which, if ordered with an accompaniment of cash payment in full, came with a "FREE nice present" . . . the likes of which are left to the gun enthusiast's imagination). Hundreds of illustrations accompany the fascinating product descriptions and hard-to-fathom prices of over a century ago in this rerelease of the Sears, Roebuck and Co. Consumer's Guide for 1894. Nostalgic for some, fun for all--this book is perfect for anyone interested in collectibles.

historically accurate pictures of what men, women, and children wore throughout the decade.

Fashionable Clothing from the Sears Catalogs

Here is another in the popular series of books from Schiffer Publishing documenting fashion trends in America. Fashionable Clothing from the Sears Catalog, Mid-1970s, illustrates a host of memorable styles from the transitional mid-'70s, ranging from bold colors, platform shoes, and flare-leg pants to leisure suits, traditional plaids, and tweed-textured fibers. It is an invaluable resource for fashion designers looking to revive and rework retro styles, for costume designers working to recreate an era, and for collectors trying to document vintage clothing. A visual treasure chest, this book offers almost 400 full-color photographs, with well over a thousand items of clothing, shoes, and accessories pictured, along with detailed descriptions. In addition, the book offers approximate retail values for these items on today's market.

collection features hundreds of intricate, creative, and visionary steampunk designs from top names in the business and fans from around the world. Presented in high-quality fashion photography, the looks in this compendium include head-to-toe Victorian-era style coupled with futuristic, sci-fi concepts, as well as hats, jewelry, and other accessories. With fashions from as far away as Europe, New Zealand, and the Americas, this volume celebrates the diversity and innovators of this international phenomena and showcases works by contributors such as G.D. Falksen, Everlyn Kriete, Jon Magnificent, Kato of Steampunk Couture, Lex Machina, Lee Ann Farruga, Daniel Proulx, The League of S.T.E.A.M., Cris Ortega, Jema Hewitt, Dim Horizon Studio, Starkall, Empire Art, Abney Park, Brute Force Studios, Veronique Chevalier, and many more. Complete with a foreword and "Steampunk 101" by G.D. Falksen, this is the book for designers, fans, and collectors.

The 1942 Sears Christmas Book

"An hour, once it lodges in the queer element of the human spirit, may be stretched to fifty or a hundred times its clock length; on the other hand, an hour may be accurately represented on the timepiece of the mind by one second." —Virginia Woolf, *Orlando: A Biography*, 1928 *About Time: Fashion and*

Read PDF Fashionable Clothing From The Sears Catalogs Early 1960s Schiffer Book For Collectors

Duration traces the evolution of fashion, from 1870 to the present, through a linear timeline of iconic garments, each paired with an alternate design that jumps forward or backward in time. These unexpected pairings, which relate to one another through shape, motif, material, pattern, technique, or decoration, create a unique and disruptive fashion chronology that conflates notions of past, present, and future. Virginia Woolf serves as “ghost narrator”: excerpts from her novels reflect on the passage of time with each subsequent plate pairing. A new short story by Michael Cunningham, winner of the Pulitzer Prize for Fiction for *The Hours*, recounts a day in the life of a woman over a time span of 150 years through her changing fashions. Scholar Theodore Martin analyzes theoretical responses to the nature of time, underscoring that time is not simply a sequence of historical events. And fashion photographer Nicholas Alan Cope illustrates 120 fashions with sublime black and-white photography. This stunning book reveals fashion’s paradoxical connection to linear notions of time.

1908 Sears, Roebuck & Co. Catalogue

World renowned photographer Bunny Yeager brings together 144 of the most beautiful and flirtatious girls from the 1950s. Selected from her vast photographic archives, these

Everyday Fashions of the Thirties As Pictured in Sears Catalogs

Chronicles what youngsters, ages 4 to 16, wore during the first half of the 20th century – from knickerbocker suits for boys to elegant chiffon party dresses for girls. Over 300 black-and-white illustrations.

Fashionable Clothing from the Sears Catalogs

Here are the ladies who pioneered and perfected the art of titillating performance in the 1950s, as captured by famous female photographer and pin-up girl Bunny Yeager. Celebrities shown include Dixie Evans, Blaze Starr, Bonnie Bell, Michelle "Toots" L'Amour, and Kitten DeVille, and Lana Loy. These women practiced the art of teasing with varying and increasing degrees of nudity, and were billed under many monikers, including stripper, exotic or erotic dancer, burlesque queen, and striptease. Though most strip clubs have abandoned the delayed gratification of "teasing" in recent decades, the art of striptease is undergoing revival. Yeager's images embody the mix of sultry and playful that characterized the art during the 1950s. Here famous subjects pose in the spotlight amidst smoky nightclubs, as well as at home or relaxing on the beach. If you love women, you'll love this journey back into the era of

the 1950s.

Everyday Fashions, 1909–1920, as Pictured in Sears Catalogs

Illustrates the fashion of the 1930s and '40s, discussing fabrics, colors, and prices from each era, and outlines what fashion changes have occurred since the 1950s

Sears Roebuck & Co. Consumer's Guide for 1894

The ongoing Sears catalog series continues with a look at the mid-1980s. Nearly 400 color images portray the fashions and distinctive styles worn during this time. Shoulder pads, mannish-looking suits, and big hair were popular, influenced by stars Don Johnson, Madonna, the cast of Dynasty, and Princess Diana. See how many of these clothes you remember wearing; some styles from this time have come back to life now. It's a wonderful nostalgic walk down memory lane that inspires clothing designers today.

Victorian and Edwardian Fashions from "La Mode Illustrée"

From "the man who remade motherhood" (Time) comes the definitive guide to having a healthy pregnancy--and a healthy baby. THE HEALTHY PREGNANCY BOOK guides expectant

few decades. We now live in an age when no one would dare call them "that little seamstress," as Paul Poiret disdainfully referred to Gabrielle "Coco" Chanel more than a century ago. *The Women Who Revolutionized Fashion* highlights early innovative and contemporary designers working in a variety of materials and genres. This unique volume profiles widely-known early fashion vanguards such as Jeanne Lanvin, Callot Soeurs, and Madeleine Vionnet, as well as underrepresented women who revolutionized fashion from the mid-1700s to the present. More than one hundred works--including street fashion, ready-to-wear, traditional, and haute couture--celebrate women designers' concepts of dress and beauty. Through the work of more than fifty individual style makers, *The Women Who Revolutionized Fashion* illuminates issues of representation, creativity, and distinctiveness, as well as the labor challenges surrounding fashion today.

The Healthy Pregnancy Book

From rare issues of the Fashion Service Review: 476 sharply detailed, easy-to-reproduce spots of authentic period apparel for men, women and children. Suits, dresses, coats, hats, shoes, neckties, swimwear, tuxedos and evening gowns, fur stoles, sweaters, pajamas, gloves, handbags, jewelry,
