Night is the fifth book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a worldwide bestseller. Thank you! Description: The power of the Union army brings the South to its knees in surrender, but not until a year of intense pain and violence creates a chasm that may be impossible for the country to bridge. Carrie struggles to hold on to hope as the world caves in around her, hanging on to the promise she's been given. She also finally gets to reveal the secret she has held so close. Moses is gravely wounded in battle. Aunt Abby faces danger as she gets more deeply involved with women's rights, and spends time in Washington, D.C. Robert's plantation takes a severe loss, but is saved from burning by an unlikely source. Rose continues to thrive in the Contraband Camp and finally has a dream come true. Volume # 5 of The Bregdan Chronicles continues the sweeping saga that now encompasses the final year of the American Civil War. ** How many books will be in the Bregdan Chronicles? You'll have to ask God about that I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time! Ginny Dye Review: I waited to give a review until I had read the first 5 books. I am struggling to find appropriate words to describe the awe I am in, and I find myself failing miserably. I absolutely could not put these books down. I would finish one, and immediately hop online to go get the next one.sometimes in the wee hours of the morning, when my tail should have been

asleep. The writing style of this author brings you right into the story as if you are a part of it. She has amazing talent to capture the imagination, and bring you right into a virtual reality. I have fallen in love with every one of these characters, and have become completely entranced with each life represented. The historical account of this time period was so right on, so very vivid, you almost feel like you've walked right into it. These books became so alive, I actually had dreams at night of battle. (I'm not even kidding.) But it goes further. There were conversations in these books that had me reading over them several times. Life lessons. Sage advice. The kind of wisdom that comes from everyday life. God moments that were so profound, they pierced my heart with an accuracy that I can't even begin to explain. Many times, the lives and hearts of each character were changed and rocked with revelation that came about in a moment, yet, so deeply touching the deepest recesses of the heart, that you can't go beyond it, without it having changed you as well, as you read it. Thank you Ginny Dyenot only for an amazing journey.but for those God and light bulb moments throughout each book, that reached beyond the pages, and made their home inside the soul. What can I say overall? Well, let me put it like this: these books are like "Gone with the Wind" meets up with "Eat,Pray,Love"; then whispers some "Secret life of Bees", forges some "Steel Magnolia", and at times, wraps itself with the "Color Purple." Sigh. Did I mention how much I loved these books?

From New York Times–bestselling author Steven Gaines comes a wry and touching memoir of his trials as a gay teen at the famed Payne Whitney Psychiatric Clinic. *One of These Things First* is a poignant reminiscence of a fifteen-year-old gay Jewish boy’s unexpected trajectory from a life behind a rack of dresses in his grandmother’s Brooklyn bra-and-girdle store to Manhattan’s infamous Payne Whitney Psychiatric Clinic, whose alumni includes writers, poets, and madmen, as well as Marilyn Monroe and bestselling author Steven Gaines. With a gimlet eye and a true gift for storytelling, Gaines captures his childhood shtetl in Brooklyn, and all its drama and secrets, like an Edward Hopper tableau: his philandering grandfather with his fleet of Cadillacs and Corvettes; a giant, empty movie theater, his portal to the outside world; a shirtless teenage boy pushing a lawnmower; and a pair of tormenting bullies whose taunts drive Gaines to a suicide attempt. Gaines also takes the reader behind the walls of Payne Whitney—the “Harvard of psychiatric clinics,” as *Time* magazine called it—populated by a captivating group of neurasthenics who affect his life in unexpected ways. The cast of characters includes a famous Broadway producer who becomes his unlikely mentor; an elegant woman who claims to be the ex-mistress of newly elected president John F. Kennedy; a snooty, suicidal architect; and a seductive young contessa. At the center of the story is a brilliant young psychiatrist who promises to cure a young boy of his homosexuality and give him the normalcy he so longs for. For readers who love stories of self-transformation, *One of These Things First* is a fascinating memoir in the vein of Susanna Kaysen’s

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

The First Days (As the World Dies, Book One)

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, I Escaped from Auschwitz is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand

report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba's memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

stories of six hellish years in Nazi concentration camps during World War II. The Polish Jew was one of the first eight men to enter Auschwitz, as a political prisoner in 1940, and one of the last to escape Dachau. Rejected by a publisher in the 1960s because of its incredible details, this true story, finally available to the public, will shock, horrify, and touch readers. Abraham H. Foxman, national director emeritus at the Anti-Defamation League, says of the book: "First One In, Last One Out: Auschwitz Survivor 31321 is a harrowing tale of endurance, luck, egotism, and morality, one man's story of survival in the face of Nazi brutality and anti-Semitism. Murray Scheinberg's memoir of survival through the Nazi Holocaust symbolizes man's determination to live no matter the odds. But it also represents the degradation of the human spirit imposed on the Jews of Europe by the evil Nazi machine. It is both an uplifting tale and a sorry one about human nature in the face of evil." "A magnificent telling of a moving and heartfelt story." --Ira Hochman, Friendly Visitors Program/Holocaust Survivors "I am moved to tears beyond what I can express. This is an exceptionally incredible story and the author's writing is extremely moving. The story is a testament of life and will teach future generations that good triumphs over evil." --Ruth Baran Gerold, child of Holocaust survivors "The author brilliantly wrote about her uncle's life throughout the Nazi regime. She successfully engages the reader in the emotions and drama of this horrific period. This is a must-read-page turner." --Larry Klass, Retired Veteran-US Army "It is a powerful and compelling story that should be promoted in schools and read by all." --Faye Kilstein, child of Auschwitz

First Song, Book One

We make thousands of decisions every day of our lives. Right now, there is at least one decision we can make that will have powerful ripple effects across all aspects of our life and those around us. But how do we determine which decisions matter and which ones don't? And how can we use the ones that matter to get us to where we want to go in our lives? One Decision isn't about one overwhelming big step. It is about making at least one decision every day that shifts your circumstances and moves you closer to your goals and dreams. Instead of trying to make the "best" decision, Coach Mike guides you to make the decision as your "Best Self" through simple and practical exercises. Coach Mike reveals areas that are keeping us "stuck," and are standing in our way of progress--including resentment, fear, shame and more. With this critical shift in perception, suddenly we are able to go beyond the decisions themselves and focus instead on creating a better life, no matter what comes our way. One Decision is a shift in thinking and a powerful blueprint that will catapult you into action, helping you turn obstacles into opportunities, struggles into successes and create a new outlook to improve your outcomes while living out the days ahead. Rather than constantly overthinking the "big" decisions you're facing, or simply choosing not to choose, this book will help you reconnect with your gut instincts so you can make all of your decisions with confidence and move in new

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

The Deep South has seen a 36 percent increase in AIDS cases while the rest of the nation has seen a 2 percent decline. Many of the underlying reasons for the disease's continued spread in the region—ignorance about HIV, reluctance to get tested, non-adherence to treatment protocols, resistance to behavioral changes—remain unaddressed by policymakers. In this extensively revised second edition, Kathryn Whetten and Brian Wells Pence present a rich discussion of twenty-five

ethnographic life stories of people living with HIV in the South. Most importantly, they incorporate research from their recent quantitative study, "Coping with HIV/AIDS in the Southeast" (CHASE), which includes 611 HIV-positive patients from North Carolina, South Carolina, Georgia, Alabama, and Louisiana. This new edition continues to bring the participants' voices to life while highlighting how the CHASE study confirmed many of the themes that originally emerged from the life histories. This is the first cohesive compilation of up-to-date evidence on the unique and difficult aspects of living with HIV in the Deep South.

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly

If You're Not First, You're Last

Damon Durant is not your average bad boy; sure, he has a wicked smile that flaunts an unpredictable nature and more than a hint of danger, but if growing up shuffled from one dysfunctional foster family to another has taught him anything it's that love is hard to come by. it's that men like Damon can't be trusted, especially when she learns that this irresistible man has left a trail of broken hearts in his wake. Kelsey wants to trust the longing Damon evokes in his books and the adorable relationship he shares with his cute Beagle, thinking there's more to the Harley-riding bad boy everyone says is only out for one thing. The First One You Expect

We are in trouble. Church attendance has dropped, spiritual life in our services has ebbed and we face a serious lack of people preparing for the ministry. Perhaps most alarming is that we have failed to reach or keep our youth. The Sunday school rooms and youth groups of many churches have no real hope or strategy in place to bring them in. Beyond this, dozens of churches close each week never to reopen, while just a few new ones are started. Without some real changes in these areas we will lose our Christian influence in this nation almost entirely in the very near future. Certainly God has not planned for the failure of His church.

FIVE STAR REVIEW by READERS' FAVORITE A story about first loves, lasting friendships, and remembering that family will always be there, whether you realize it or not. CHARLOTTE Hubbard dreams about falling in love on a daily basis, but she's long rejected the idea that someone would ever be interested in an overweight, unappealing girl like her; an opinion that is shared by her way more popular and attractive sister who seems to enjoy pointing out Charlotte's flaws as much as possible. AND . . . Then there's MILES Fiester, who thinks that making the basketball team is as impossible as getting the girl he's liked since grade school to notice him. He'd have more luck getting his deadbeat dad to visit him for a day. But, in the first few weeks of high school, Charlotte and Miles come to discover that life is unpredictable, love happens when you least expect it, and there's always a first for everything."

Last and First Men. A Story of the Near and Far Future

"For readers of *Station Eleven* and *The Passage* comes a dazzling and unsettling novel of psychological suspense. In Alexandra Oliva's thrilling fiction debut, survival is the name of the game, as the line blurs between reality TV and reality itself--and one woman's mind and body are pushed to the limit. She wanted an adventure. She never imagined it would go this far. It begins with a reality TV show. Twelve contestants are sent into the woods to face challenges that will test the limits of their endurance. While they are out there, something terrible happens--but how widespread is the destruction, and has it occurred naturally or is it man-made? Cut off from society, the contestants know nothing of it. When one of them--a young woman the show's producers call Zoo--stumbles across the devastation, she can imagine only that it is part of the game. Alone and disoriented, Zoo is heavy with doubt regarding the life--and husband--she left behind, but she refuses to quit. Staggering countless miles across unfamiliar territory, Zoo must summon all her survival skills--and learn new ones as she goes. But as her emotional and physical reserves dwindle, she grasps that the real world might have been altered in terrifying ways--and her ability to parse the charade will be either her triumph or her undoing. Sophisticated and provocative, *The Last One* is a novel that forces us to

confront the role that media plays in our perception of what is real: how readily we cast our judgments, how easily we are manipulated. Advance praise for *The Last One*: "The Last One seamlessly melds two of our contemporary obsessions--the threat of global catastrophe and the staged drama of reality TV--into a fiercely imagined tale of the human psyche under stress. This is an uncompromising, thought-provoking debut."--Justin Cronin. "Haunting, moving, and remarkable, Alexandra Oliva's debut novel is clever in its concept and gripping in its delivery. This propulsive book is for everyone who ever thought reality television signaled the end of the world."--Karen Joy Fowler. "Taut, tense, and at times almost unbearably real, *The Last One* is both a compelling read, and a terrifyingly believable evocation of survival against the odds."--Ruth Ware, New York Times bestselling author of *In a Dark, Dark Wood*. "Page-turning and deeply unsettling."--Rosamund Lupton, internationally bestselling author of *Sister*--
