## One More Day

When Britain declares war on Germany in 1939, Carolyn Maddison is still a schoolgirl. Her elder brother Alastair wastes no time in joining the RAF as a flying officer, and Carolyn decides that when she is eighteen she will follow him into the service by joining the Women's Auxiliary Air Force. While reporting to the Air Ministry in London she meets a good-looking, charismatic pilot, Charlie Wade, currently employed in propaganda work. He believes that with her calm demeanor and resilience, Carolyn should work as an Intelligence officer, and suggests she serve on an active bombing station. At her side throughout the courses and postings that follow is Lucy Gaston, naturally quick-witted and sparky, a perfect foil for her friend. The young WAAFs both obtain prestigious postings in 5 Group Bomber Command, where they perform the vital tasks of briefing and debriefing aircrew returning from operations over Germany. Lucy, an incorrigible optimist, falls head over heels for a member of a Lancaster bomber crew while Carolyn resists her feelings for its dashing pilot. She decides it's not worth the risk of loving a man in wartime. . . only to wonder if she has done the right thing when a new WAAF on the station sets her cap at him. For Lucy and Carolyn, life on a WWII bombing station brings drama, heartbreak and suspense in this touching love story.

## One More Day

“The most wonderful time of the year”? We dream of Christmas as a season of family, celebration, and worship—but too often we get burdened with stress, busyness, yelling, and overspending. Cherie Lowe, author of *Slaying the Debt Dragon*, knows what it's like to feel frazzled as the holidays draw near. A family of four trying to defeat their debt monster, the Lowe family had to get creative and intentional about keeping the happy in their holidays. These 21 tips—on budgeting, the items you should buy on Black Friday, and much more—will help you save money, time, and your sanity this holiday

season. You'll be able to enjoy the holidays without worry and stress—and celebrate a Christmas filled with wonder and joy. (Includes bonus printables!)

### **One More Day**

Overcoming obstacles—one step at a time. Life often sends hard things our way: illness, financial struggles, broken relationships, and so many kinds of loss. Sometimes we can't imagine a way forward. How do we keep going when everything is going wrong? Rachel Wojo has learned that hope rises to greet us when we find the strength to take One. More. Step. Like you, Rachel has faced experiences that crushed her dreams of the perfect life: a failing marriage, a daughter's heartbreaking diagnosis, and more. In this book she transparently shares her pain and empathizes with yours, then points you to the path of God's Word, where you'll find hope to carry you forward. One More Step gives you permission to ache freely—and helps you believe that life won't always be this hard. No matter the circumstances you face, through these pages you'll learn to... · run to God's Word when discouragement strikes · replace feelings of despair with the truth of Scripture · persevere through out-of-control circumstances and gain a more intimate relationship with Jesus Rachel identifies the reasons you may be tempted to quit and shows you where to find the courage to keep going, one step at a time. You're not alone. So don't give up. God won't let you down. That's a promise. From the Trade Paperback edition.

### **One More Day Everywhere**

In 1960s Bristol, a family is overshadowed by tragedy While Susan, a typically feisty seven-year-old, is busy being brave, her mother, Eddress, is struggling for courage. Though bound by an indestructible love, their journey through a world that is darkening with tragedy is fraught with the kind of misunderstandings that bring as much laughter as pain, and as many dreams as nightmares. How does a child cope when faced with a wall of adult secrets? What does a mother do when her biggest fear starts to become a reality? Because it's the Sixties, and because it's shameful to own up to feelings, Eddress tries to deny the truth, while Susan creates a world that will never allow her mother to leave. Set in a world where a fridge is a luxury, cars have starting handles, and where bingo and coupons bring in the little extras, Just One More Day is a deeply moving true-life account, told by mother and daughter, of how the spectre of death moved into their family, and how hard they tried to pretend it wasn't there.

### **Spider-man**

Anna and Joey list the things they would do with Poppy, if they had one more day to share with their grandfather.

## **The Pale King**

"Sparks fly when American good girl Allyson encounters laid-back Dutch actor Willem, so she follows him on a whirlwind trip to Paris, upending her life in just one day and prompting a year of self-discovery and the search for true love."--

## **The First Phone Call From Heaven**

Bestselling author Mitch Albom returns to nonfiction for the first time in more than a decade in this poignant memoir that celebrates Chika, a young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

## **Finding Chika**

In the context of bullying, we tend to focus on the don'ts. Don't point. Don't stare. Don't use hurtful words. Being the eternal optimist that he is, Joe challenges us to redirect our energy. Instead of not acting like a bully, he calls us to imitate the compassion of a friend. Subtle yet powerful, the examples Joe gives of people going out of their way to treat him like they would anyone else call all of us to action. After hearing about the experiences that have shaped his life, we can't help but be inspired to reciprocate kindness and grace - the same kind that was extended to Joe - to people in our own lives.

## Read Free For One More Day

This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

### **Righteous Dopefiend**

Each of us was born into this life having to travel our individual journey. No two journeys are the same, just as no two people are the same. We all have different dreams, goals, and callings. I am not on this earth by accident nor are you. God does not create accidents. There is a greater power working in us, a Paraclete. If we surrender ourselves to His guidance and purpose, God can do more through us than we ever thought possible. Although life can be joyous, at some point throughout our journey, we will face obstacles. You may have experienced some failure along the way in the past but you are not a failure. This book was written with the same hope and inspiration that comes to me from God to encourage people not to give up when faced with adversity. This book is about having the perseverance to move forward even when you do not feel like taking another step. Your callings and dreams are too important for you to give up on. You can position yourself to reach your destiny. You can achieve success. It is my prayer as you read this book that God will clothe you with hope. Hope, that no matter what you are facing, you will believe one more day. For more information about this book or the author, please visit [www.believeonemoreday.com](http://www.believeonemoreday.com)

### **For One More Day**

Longtime journalist Kym Klass tells an amazing true story of suicide and depression, and its effect on faith and family in this emotional book, "One More Day." It tells the story of Kym's journey in dealing with the suicide death of her little sister Katie in 2015 and how Katie's struggles with depression led Kym to question her faith and deal with severe emotional issues herself. "One More Day" is a must-read for another who's dealt with depression and suicide, either themselves or with a friend or family member.

### **One More Day to Go**

Tom Hall's centenary is fast approaching and the Sea View Nursing home administrator, the bossy and self-important Martha Branigan, doesn't want anyone to ruin the birthday celebrations she's planned. However, feisty old Tom's no pushover and if he can prevent Martha from getting her own way just once then life would have been worthwhile.

### **The 5% Zone**

The motorcycle adventurer and author of *Two Wheels Through Terror* delivers a "spectacular and gripping read" of his solo journey around the world (*Friction Zone*). In November of 2001, on a motorcycle trip to the tip of South America, Glen Heggstad was kidnapped at gunpoint by Colombian rebels and held captive for five weeks. Yet even after his traumatic incarceration, Glen did what few others would—finished his trip. Three years later, frustrated by the climate of fear in a media-saturated world and the resulting stranglehold of self-imposed security in the United States, Glen decided to look for truth on his own terms—on the back of his motorcycle. Starting in Japan, Glen wound his way through Siberia, Mongolia, Europe, the Middle East, Southeast Asia, and Africa, stopping in over thirty countries. This was not a tourist's bus tour—Glen battled extreme temperatures, knee-deep mud, bureaucratic roadblocks, health problems, and loneliness, but these problems faded to insignificance with the thrill of the open road and the smiling receptions he received from locals and fellow bikers at every turn. With *One More Day Everywhere*, readers can share Glen Heggstad's vision of a world ungoverned by fear and, like Glen, embrace each experience, with one eye always on the horizon. "If anyone knows determination, perseverance, agony and terror it is Glen Heggstad. And that motorcycles are fun!" —Jimmy Lewis, editor, *Cycle World Magazine* "This is a story of extreme travel at its finest." —RoadRunner "Heggstad manages to illustrate the joys and hardships and benefits and drawbacks of two-wheeled global travel to some of the most difficult places on the planet." —*Friction Zone*

### **Master Storytelling**

Why would anyone want to read this book? Just because girl on girl is hot? Truth be told, I'm not even sure she's all there, but a little bit of crazy can be very enticing; you certainly can never be assured of a calm day. Granted, a little calm isn't too bad every once in a while, especially when you have to put up with a friend who probably should've been diagnosed with A.D.D. years ago, just so the rest of us can get a little break when she medicates. I don't want to talk about her, though; no, my thoughts are revolving around the beautiful long-haired brunette whose very presence is a balm to the pain shattering throughout my soul. Don't get me wrong; I'm just an ordinary college student I think we all have pain of some kind or another, brutally destroying the innocence of our youth in order to allow the inner adult to stride forth from the ruins with the ash of smothering childhood nightmares clinging tenaciously to our newly sensitized

## Read Free For One More Day

skin. The following is just the artistic rendering of my story, which, unfortunately, had to be put into words, which is not my strongest suit; I just want to be drawing, you know?

### **Just One More Day**

From the author of *The Five People You Meet in Heaven* and *Tuesdays with Morrie*, a new novel that millions of fans have been waiting for. "Every family is a ghost story . . ." This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

### **Believe One More Day**

When I got home, I did what I had stopped myself from doing earlier. I Googled the name: Aimee Laroche. I wondered what I would have done if I had found myself embroiled in this scenario fifteen, even ten years ago. Would I have hired a private detective to track this woman down? Would I have passed sleepless nights waiting for him to hand over a manila envelope containing long lens black-and-whites of a femme fatale smoking Gauloises at a sidewalk café? Probably not. But Googling was irresistible. Like everything on screen, it required no effort. It was so easy. Maura Fielder looks like she has the perfect life: every expectation fulfilled. But under the illusory surface of perfection, Maura finds herself blindsided by what she discovers on her husband's computer. She has no emotional cubby hole into which she can shove this ghost from her husband's past, so instead, Maura upends her life--thrashing her marriage, alienating her daughter, and eroding her own moral center. On the verge of sacrificing everything she holds dear to her own obsession, how does Maura manage to regain her equilibrium and reclaim her life? In this post-privacy new world, any woman can find heartache if she searches hard enough.

### **One More Step**

The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that

## Read Free For One More Day

new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions--questions of life's meaning and of the value of work and society--through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time.

### **Keep the Happy in Your Holidays**

The test results are back, and they say it's cervical cancer. As if that isn't bad enough, getting laid off from her job means Mackenzie can't afford to pay her bills, including the medical ones! She's convinced it's the worst day of her life. Not even meeting that Super Hot Guy from the coffee shop can make it better. Or can it? Ryan has

been trying to get the nerve to talk to her for months. Her art is amazing. It's exactly the type of thing he'd like to ink onto his skin forever. For the first time, the beautiful artist wasn't lost in her work. Nope, she was lost in something else. Something that brought tears to those gorgeous eyes. It's the excuse he needs to finally get up the nerve and talk to her. She needs a shoulder, and he's more than willing to give it - plus a job that lets her use her art. Mackenzie never expected to be working in a tattoo parlor, but it will pay the bills, and being around Ryan is pretty nice. Maybe too nice. His shy smiles make her stomach flip, or that could be the chemo. It all comes back to the cancer, so why should she even try? The Super Hot Guy is her boss, and maybe this is as good as her life is going to get because the cancer's getting worse. Mackenzie may want to protect him, but Ryan isn't going to lose the girl. Not because he's her boss, not because he's too scared to make a move, and he's certainly not going to let some disease screw this up. She thinks the cancer is going to win, but he has other plans. He just needs one more day to prove it, but she may not give him that option. \*\*This book contains some mature situations and is recommended for readers 18+\*\*

### **One More Day**

If you, or someone you know, have ever had to put a beloved pet to sleep, then you will know the pain and guilt surrounding this most difficult decision. Are we playing God, or are we fulfilling a beautiful and compassionate act of Love? As a dog lover, one of the toughest decisions you may face will be putting your companion to sleep. Regardless of the "when" or "how," it is a heartbreaking decision. Geoffrey Bain has compiled priceless information with stories and guidelines for you to have comfort in knowing "when it's time" to say good-bye. How and why does one make this type of decision? Are their options to taking your beloved one to the clinic? Will your veterinarian come to your home? If you have euthanized your pet, are you troubled with guilt - guilt over making the decision too soon or too late? In this Award-winning and compassionately informative book, you will learn to see the signs your dog is telling you about its health. The book is a compilation of warm and loving remembrances, heart-warming stories, pet loss poems and pet loss quotes dealing with the loss of our canine friends. the eLit Digital Excellence in Publishing Awards. It also received a Bronze Medal Award from the IPA (Independent Publishers Association), and an Honorable Mention from the USA Book News "Best Book" Awards.

### **Wishes for One More Day**

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

### **One Day**

The First Phone Call from Heaven tells the story of a small town on Lake Michigan that gets worldwide attention when its citizens start receiving phone calls from the afterlife. Is it the greatest miracle ever or a massive hoax? Sully Harding, a grief-stricken single father, is determined to find out. An allegory about the power of belief—and a page-turner that will touch your soul—Albom's masterful storytelling has never been so moving and unexpected. Readers of *The Five People You Meet in Heaven* will recognize the warmth and emotion so redolent of Albom's writing, and those who haven't yet enjoyed the power of his storytelling, will thrill at the discovery of one of the best-loved writers of our time.

### **Just One More Day**

A dangerous truth revealed. A prominent member of the D.C. community has been murdered, pulling Lieutenant Sam Holland into yet another high-stakes homicide investigation that has her trying to connect the dots between a dead woman and the friends and family who'd turned against her right before her untimely death. With numerous scandals still fresh within the department's ranks, Sam is asked to revisit a cold case from her first year on the job that will continue the department's reckoning with the past well into the future. All the

while, Sam's husband, Vice President Nick Cappuano, faces mounting pressure to declare his intention to run for president in the coming election, leaving the second couple feeling the strain at home—and on the job as the family endures the first holidays without their beloved patriarch, Skip Holland. As always, when things become too hot to handle on the job, Sam and Nick turn to each other for solace in the storm.

### **The Time Keeper**

Explores the world of homelessness and drug addiction in contemporary United States, discussing such themes as violence, race relations, sexuality, family trauma, social inequality, and power relations.

### **Tuesdays with Morrie**

What if our beliefs were not what divided us, but what pulled us together In *Have a Little Faith*, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since *Tuesdays with Morrie*, *Have a Little Faith* begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. *Have a Little Faith* is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

### **Fatal Fraud**

This novella by the maverick Tamil prose writer G. Nagarajan centres on one eventful day in the life of a small-scale operator, fix-it man, pimp and procurer, Kandan. It offers a reading of the seamy margins of society and explores time and temporality, human desire and the possibility of love in the harsh and often violent underworld of a small town in Tamil Nadu. Translated by Abbie Ziffren, one of the finest readers of modern Tamil prose, and with an insightful introduction by David Shulman, *Tomorrow Is One More Day* presents a major Tamil novelist to a whole new audience.

### **Just One Day**

After his wife's death, Jackson Alexander lost his will to sing. Or to love. Now he's a single-dad just trying to raise his sons on his own. Ri makes him want to try again but when her lies are revealed, he has to make a choice. Trust her or his heart which just might break for good this time.

### **Tomorrow is One More Day**

From Kirsty Eagar, *Summer Skin* is a young adult novel about a modern-day riot grrl and an alpha male jock who explore love, trust, and double standards against the backdrop of today's hookup culture. Jess Gordon is out for revenge. Last year the jocks from Knights College tried to shame her best friend. This year she and a hand-picked college girl gang are going to get even. The lesson: Don't mess with Unity College girls. The target: Blondie, a typical Knights stud, arrogant, cold . . . and smart enough to keep up with Jess. A neo-riot grrl with a penchant for fanning the flames meets a rugby-playing sexist pig-sworn enemies or two people who happen to find each other when they're at their most vulnerable? It's all Girl meets Boy, Girl steals from Boy, seduces Boy, ties Boy to a chair, and burns Boy's stuff. Just your typical love story. Kirsty Eagar expertly handles a searingly honest and achingly funny story about love and sex amid the college hookup culture.

### **For One More Day**

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life,

"One of the most hilarious and emotionally riveting love stories you'll ever encounter." —People #1 INTERNATIONAL BESTSELLER

### **Have a Little Faith**

From three design partners at Google Ventures, a unique five-day process—called the sprint—for solving tough problems using design, prototyping, and testing ideas with customers.

### **Just One More Day**

From the author who's inspired millions worldwide with books like Tuesdays with Morrie and The Five People You Meet in Heaven comes his most imaginative novel yet, The Time Keeper—a compelling fable about the first man on Earth to count the hours. The man who became Father Time. In Mitch Albom's exceptional work of fiction, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days, more years. Eventually, with his soul nearly broken, Father Time is granted his freedom, along with a magical hourglass and a mission: a chance to redeem himself by teaching two earthly people the true meaning of time. He returns to our world—now dominated by the hour-counting he so innocently began—and commences a journey with two unlikely partners: one a teenage girl who is about to give up on life, the other a wealthy old businessman who wants to live forever. To save himself, he must save them both. And stop the world to do so. Told in

## Read Free For One More Day

Albom's signature spare, evocative prose, this remarkably original tale will inspire readers everywhere to reconsider their own notions of time, how they spend it, and how precious it truly is.

### **Search Heartache**

### **One More Day**

No one wants to be the mother whose child disappears. It's the stuff of nightmares. But more than a year after Carrie Morgan turned her back to pay a parking meter and became that mother, it's clear that her son Ben is never coming back. Until he does . . . for just twenty-four hours.

### **25 Hours a Day**

In this enchanting sequel to the number one bestseller *The Five People You Meet in Heaven*, Mitch Albom tells the story of Eddie's heavenly reunion with Annie—the little girl he saved on earth—in an unforgettable novel of how our lives and losses intersect. Fifteen years ago, in Mitch Albom's beloved novel, *The Five People You Meet in Heaven*, the world fell in love with Eddie, a grizzled war veteran-turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie's journey to heaven taught him that every life matters. Now, in this magical sequel, Mitch Albom reveals Annie's

story. The accident that killed Eddie left an indelible mark on Annie. It took her left hand, which needed to be surgically reattached. Injured, scarred, and unable to remember why, Annie's life is forever changed by a guilt-ravaged mother who whisks her away from the world she knew. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she believes she has finally found happiness. As the novel opens, Annie is marrying Paulo. But when her wedding night day ends in an unimaginable accident, Annie finds herself on her own heavenly journey—and an inevitable reunion with Eddie, one of the five people who will show her how her life mattered in ways she could not have fathomed. Poignant and beautiful, filled with unexpected twists, *The Next Person You Meet in Heaven* reminds us that not only does every life matter, but that every ending is also a beginning—we only need to open our eyes to see it.
