Get ready to cast off and cruise down waterways that continually beckon, softly whispering: Come follow me. Come follow me. Travel along the Mississippi and Tennessee Rivers, Norris Lake, the Intracoastal Waterways, and the North Channel to name but a few. Watch diamonds dancing on the water, traverse through towering locks, spend the day swinging on anchor, listen to the chorus of night sounds and ride out a storm or two. In REFLECTIONS ON THE WATER: Traveling the Waterways with God, Jan Boys incorporates visual, mental and written reflections with glimpses into the nautical life. While water surrounds her boat and reflects the world around it, Jan filters the images through her spiritual beliefs constantly looking for the presence of God, seeking to travel the waterways with Him. Based on her boat logs, this book is not only an inland waterway cruise, but a spiritual journey as well. This is not a story to read cover to cover, but a book of reflections and meditations to explore one chapter at a time, as you search and listen for the whisperings of God. Read it leisurely. Follow along on the map. Savor and enjoy each destination. Let these reflections resonate deep within your soul and awaken your senses to the ever-abiding presence of God. ~ ~ ~ Cruise any part of America's coastline, inland rivers or lakes and you can't help but discover the special meaning natural beauty offers to all of us. Jan Boys, however, takes a very large step beyond the obvious. She borrows from what she wrote in the ship's log and her personal journal as she and her husband cruised thousands of miles. Jan reveals and shares with you what she felt about her surroundings and experiences and how she related them to the love and concern God has for all of us. Indeed, with each page, you can almost believe you were there with her as she discovered "reflections" that continue to reassure and comfort her. Most likely, you will remember this book not for the stories but rather for the insights resulting from this writer's ability to weave reality, imagination and belief in God into a convincing and compelling reason to see the world differently. Fred Myers, journalist and editor, author of cruising guides for the Tennessee River, Cumberland River and the Tennessee-Tombigbee Waterway ~ ~ ~ Let Jan and Gene guide you through a taste of the travels and adventures of three boats they owned during the last twenty-five years. Cruise with them up and down rivers, across lakes and bays, into canals and locks, on open water crossings, through the Great Lakes, and even into another country. These waterways have many faces: clean or muddy, curious and amusing, depressing and aggravating, or stressful and frightening. Mainly, however, they are peaceful and prayerful, beautiful and breathtaking, majestic and awe inspiring. Yet they remain ever changing and ever beckoning: Come follow me. See what lies around the next bend. ~ ~ ~ This is my Father's world; all nature rings and round me sings the music of the spheres. Jan Boys musing of the heart is a song of recognition and gratefulness. Jan sees God's hand in every bend of the river. Travel is more than a geography lesson or a cross-cultural experience. It's the handiwork of God that inspires and amazes us. This is a walk with God on the waters—a personal psalm of a boater and a believer in touch with the creator. Anyone looking for a sacred passage on America's waterways

Shoppers adored the friendly man in the bow tie at grand openings of Fred Meyer's big one-stop shopping centers. Meyer's closest associates knew him better as domineering, brilliant, single-minded, abrasive -- and sometimes unexpectedly compassionate. MY-TE-FINE merchant probes the mind of this tireless, self-taught entrepreneur and provides an insider's view of the company that reshaped 20th century shopping. This richly-detailed biography explores little-known aspects of Meyer's life -- his business setbacks, fractured family life and his beliefs in reincarnation and the power of mind-over-matter. For almost 50 years, the MY-TE-FINE house brand was a part of Pacific Northwest lexicon as Fred Meyer Inc. expanded throughout the region.

To Swear like a Sailor

Cook County forensic pathologist, Dr. Claire O'Shaunessy is an advocate for her patients, even if they are all dead. When the body of an unknown male discovered behind Chicago's Museum of Science and Industry is linked to the remains of her childhood friend recently discovered in a rural cemetery, Claire is driven to solve these two murders. Although the blood of her police family lineage runs deep, her involvement in this investigation soon places her in mortal danger as she begins to discover a plot where money and power override human life. Can her brother, Detective Patrick O'Shaunessy and his partner, Jack Miller, keep her safe or will Claire become the next victim of this ruthless killer's deception?

Ghost of a Shadow

The Saturday Review of Politics, Literature, Science and Art

Is this The End of Sadie Myers? Ever since tragedy struck her family one year ago, Sadie's life has become a dark brew of unearthly visions and vivid dreams in which a mysterious shadow man follows her every move. Are all these bizarre happenings real or figments of this fifteen-year-old's troubled mind? When she's pulled into a world so different from her own, everything she thinks she knows is turned upside down. Will she find the truth behind these unsettling episodes? Can Sadie walk through the shadows, the fear of unknown evil, and get to the other side alive? "An otherworldly setting, grounded by irresistible melodrama and an unshakeable protagonist worth rooting for." -Kirkus Reviews

About the Authors Andrea and Leslie are two sisters collaborating on writing through obstacles and illness. It is an entirely new way to know each other while working on their mission of Peace and Empowerment. Andrea earned a culinary degree and worked as a chef and general manager for many years. She now focuses on her passion for writing. She writes short stories and continues to work on additional collaborative writing projects. Leslie earned degrees in Literature and Education. She taught elementary school as well as writing and technology to teachers. A successful grant writer, she later evaluated incoming grants for the Bill & Melinda Gates Foundation. More recently she worked on her certification in Life Coaching. She's drafted four novels and various short stories.

Quarterly accession lists; beginning with Apr. 1893, the bulletin is limited to "subject lists, special bibliographies, and reprints or facsimiles of original documents, prints and manuscripts in the Library," the accessions being recorded in a separate classified list, Jan.-Apr. 1893, a weekly bulletin Apr. 1893-Apr. 1894, as well as a classified list of later accessions in the last number published of the bulletin itself (Jan. 1896)

The Dial

Nephilim Giants, Watchers, Archangels. This is Not Your Sunday School Noah's Ark. A novel of the Genesis Bible story of Noah based on ancient historical research. In an ancient world submerged in darkness, fallen angels called Watchers rule as gods and breed giants called Nephilim. Mankind is enslaved to evil. Noah, a tribal leader, is a good family man who just wants to be left alone to make a living off the land with his wife and sons. But he soon learns that evil never leaves you alone. It comes after you, and your family, with a vengeance. But God has not left Noah alone either. He commands him to build a large boat in preparation for the coming Deluge. But first, Noah has to rescue his family from the grip of supernatural evil. He must face the truth that the only way that evil triumphs is when good men do nothing. A wild ride of spiritual redemption and action-adventure that takes the reader on a journey from the heights of heaven to the depths of the underworld. It's Biblically and historically faithful, with added ancient imagination. You will learn the origin of the Nephilim giants and the Watchers of Genesis 6. Many of the strange oddities of the Bible will finally begin to make sense. You will learn about a storyline thread in the Bible often overlooked: The War of the Seed. Learn About the Historical and Biblical Research Behind the Novel Author Godawa shares the scholarly research that undergirds the fictional action adventure. Noah Primeval has appendices that provide an explanation of Biblical concepts in the novel such as the Sons of God, Watchers, Nephilim, Giants, Leviathan, and fallen angels. A NOTE ON THE AGE APPROPRIATENESS OF THE NOVELS This Biblical Fiction series is rated PG-13. It deals with evil in a way that would be appropriate for mature teens and above, similar to the Bible. Written in the spirit of The Chronicles of Narnia and The Lord of the Rings.

The True Blue

Anyone could swear like a sailor! Within the larger culture, sailors had pride of place in swearing. But how they swore and the reasons for their bad language were not strictly wedded to maritime things. Instead, sailor swearing, indeed all swearing in this period, was connected to larger developments. This book traces the interaction between the maritime and mainstream world in the United States while examining cursing, language, logbooks, storytelling, sailor songs, reading, images, and material goods. To Swear Like a Sailor offers insight into the character of Jack Tar - the common seaman - and into the early republic. It illuminates the cultural connections between Great Britain and the United States and the appearance of a distinct American national identity. The book explores the emergence of sentimental notions about the common man - through the guise of the sailor - appearing on stage, in song, in literature, and in images.

REFLECTIONS ON THE WATER

Join an unlikely hero as he watches Moby-Dick sink the Pequod, dodges cannibals on Robinson Crusoe's island, raises a glass with Beowulf, and literally goes to Hell and back. This rollicking adventure begins with a shipwreck on an island where notable characters of literature, history, and folklore coexist — Hamlet and Oedipus, Don Quixote and Doctor Faustus, Becky Sharp and Daniel Boone. From carousing with Robin Hood to crossing swords with the Green Knight and stealing a ride on Huck Finn's raft, our traveler, A. Clarence Shandon, undertakes a whirlwind tour of the classics. And just as the truths of great stories ennoble those who take them to heart, a selfish and cynical drifter is transformed into the gallant knight known as Silverlock. "Here in your hand is the stuff of wonder," declared science-fiction author Poul Anderson, adding, "There are few such glorious romps in all the world's literature, and surely none that surpass this one." Unjustly overlooked for decades, this book lover's book has developed a devoted cult following and richly deserves a wider audience. Whether or not you recognize its scores of literary allusions, you'll savor its wealth of battles, quests, romances, songs, and laughter.
