The Approaching Storm: Star Wars Legends

Nebula and Hugo Award nominees Daniel Abraham and Ty Franck—writing as James S. A. Corey—make their Star Wars debut in this brand-new epic adventure featuring Han Solo, Luke Skywalker, and Princess Leia Organa. The action begins after the destruction of the Death Star in Star Wars: Episode IV A New Hope. When the Empire threatens the galaxy's new hope, will Han, Luke, and Leia become its last chance? When the mission is to extract a high-level rebel spy from the very heart of the Empire, Leia Organa knows the best man for the job is Han Solo—something the princess and the smuggler can finally agree on. After all, for a guy who broke into an Imperial cell block and helped destroy the Death Star, the assignment sounds simple enough. But when Han locates the brash rebel agent, Scarlet Hark, she's determined to stay behind enemy lines. A pirate plans to sell a cache of stolen secrets that the Empire would destroy entire worlds to protect—including the planet where Leia is currently meeting with rebel sympathizers. Scarlet wants to track down the thief and steal the bounty herself, and Han has no choice but to go along if he's to keep everyone involved from getting themselves killed. From teeming city streets to a lethal jungle to a trap-filled alien temple, Han, Chewbacca, Leia, and their daring new comrade confront one ambush, double cross, and firestorm after another as they try to keep crucial intel out of Imperial hands. But even with the crack support of Luke Skywalker's x-wing squadron, the Alliance heroes may be hopelessly outgunned in their final battle for the highest of stakes: the power to liberate the galaxy from tyranny or ensure the Empire's reign of darkness forever. Praise for Honor Among Thieves "If you like Han Solo . . . you won't want to miss Honor Among Thieves. . . . A novel that flies by quicker than the Millennium Falcon on the Kessel Run."—Lightsaber Rattling "A fast-paced romp."—Big Shiny Robot "Honor Among Thieves felt very 'vintage.' . . . It nailed the classic Star Wars vibe in a way I haven't experienced in a long time."—Making Star Wars "One of the best Star Wars novels I've ever read."—Knights' Archive "Absolutely [captures] the magic of Star Wars and the era it's aiming for."—Jedi News (UK) "[The] most pleasurable 'Classic Trilogy' Star Wars reading in a long time . . . With masterful pacing and witty, descriptive dialogue, [Honor Among Thieves is] fun to read from start to finish. Adding a complexity of thought and action to a classic character like Han will satisfy those looking to indulge a deeper side."—TheForce.net "James S. A. Corey manages to tell a delightful tale filled with a fun plot, entertaining characters, and great descriptions that draw you in and bring the world to life. Fans of all sorts

are sure to enjoy Empire and Rebellion: Honor Among Thieves.”—EUCantina.net

“ENTERTAINING AND INTELLIGENT . . . This book is pure class all the way. . . . The final page is a great climax.” –Starburst The Republic is decaying, even under the leadership of Supreme Chancellor Palpatine, who was elected to save the galaxy from collapsing under the forces of discontent. On the tiny but strategic planet of Ansion, a powerful faction is on the verge of joining the growing secessionist movement. At the Chancellor’s request, the Jedi Council sends two Jedi Knights, Obi-Wan Kenobi and Luminara Unduli, along with their Padawans Anakin Skywalker and Barriss Offee, to stabilize the planet’s population. To succeed, the Jedi will have to fulfill near-impossible tasks, befriend wary strangers, and influence two great armies, stalked all the while by an enemy sworn to see the negotiations collapse and the mission fail. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Honor Among Thieves: Star Wars Legends

As the Clone Wars rage, victory or defeat lies in the hands of elite squads that take on the toughest assignments in the galaxy—stone-cold soldiers who go where no one else would, to do what no one else could. . . . On a mission to sabotage a chemical weapon research facility on a Separatist-held planet, four clone troopers operate under the very noses of their enemies. The commandos are outnumbered and outgunned, deep behind enemy lines with no backup—and working with strangers instead of trusted teammates. Matters don’t improve when Darman, the squad’s demolitions expert, gets separated from the others during planetfall. Even Darman’s apparent good luck in meeting an

inexperienced Padawan vanishes once Etain admits to her woeful inexperience. For the separated clone commandos and stranded Jedi, a long, dangerous journey lies ahead, through hostile territory brimming with Trandoshan slavers, Separatists, and suspicious natives. A single misstep could mean discovery . . . and death. It's a virtual suicide mission for anyone—anyone except Republic Commandos. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

In the blockbuster bestselling tradition of Heir to the Empire comes this thrilling addition to the Star Wars(r) saga, as peace gives way to a new threat. It is a time of tranquillity for the New Republic. The remnants of the Empire now lie in complete disarray, and the reemergence of the Jedi Knights has brought power and prestige to the fledgling government on Coruscant. Yesterday's Rebels have become today's administrators and diplomats, and the factions that fought against imperial tyranny seem united in savoring the fruits of peace. But the peace is short-lived. A restless Luke must journey to his mother's homeworld in a desperate and dangerous quest to find her people. An adventurous Lando must seize a mysterious spacecraft that has weapons of enormous destructive power and an unknown mission. And Leia, a living symbol of the New Republic's triumph, must face down a ruthless leader of the Dus Khan League, an arrogant Yevetha who seems bent on a genocidal war that could shatter the fragile unity of the New Republic and threaten its very survival. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
