insight into how the McGees built such a successful company but also be inspired to apply design principles to their lives. Inspirational topics to help readers build an authentic life include Renovate your life Visualize the outcome Listen to your gut Elevate the everyday Want to live the best version of your life? Read this book to follow Syd and Shea's lead and learn how to Make Life Beautiful. This is an essential book for: Entrepreneurs Interior Designers Working Parents Couples Building Family and Career Self-Starters and Anyone Chasing Their Dreams Praise for Make Life Beautiful: "Make Life Beautiful is a necessary reminder there is inherent beauty and warmth in all moments. Shea and Syd invite us into endearing conversations filled with wit, humor, creativity and an honesty shining light on the couples beautiful focal points." - Alyssa Rosenheck, interiors and architectural photographer, stylist, and author of the New Southern Style "In a world of picture perfect, Syd & Shea are a much needed breath of fresh air. It takes courage to admit that things aren't always perfect. I applaud them for authentically sharing their story with the world." - Mikel Welch, interior designer, lifestyle expert, and TV show host "Make Life Beautiful is raw, honest and motivating. A captivating read as Shea & Syd navigate us through the early days of their relationship, family and growing business. A form of a modern day romance success story. I enjoyed reading about their compelling journey that shaped their design empire we know as Studio McGee. Truly inspiring in every way." - Monika Hibbs, Founder and Creative Director of Monika Hibbs and author of Gather at Home "There's nothing more beautiful than taking a leap and devoting your life and your heart and your work to helping other people enjoy beauty in their own homes. We've all come to know and love and yearn for the Studio McGee look but hearing the humble "how's" behind the empire is even more moving and motivating. This isn't about just making your home beautiful>this is about making your LIFE beautiful. Shea and Syd are talented (obviously) but they're also dreamers and supporters and risk-takers and pioneers and somehow, still completely down-

to-earth. My heart is warm and I'm now taking notes on more than just mixing patterns. - Julia Marcum, Co-Founder of Chris Loves Julia, Good Influence_r and Proper Tee

A More Beautiful Question

More Style, Less Stuff Cozy Minimalism isn't about going without or achieving a particular new, modern style. Nope. It's simply a mindset that helps you get whatever style YOU LOVE with the fewest possible items. You want a warm, cozy, inviting home, without using more resources, money, and stuff than needed. Why use more if you don't have to? In *Cozy Minimalist Home*, accidental stylist and bestselling author Myquillyn Smith guides you step by step on making purposeful design decisions for your home. You'll have the tools to transform your home starting with what you already have, and using just enough of the right furniture and decor to create a home you're proud of in a way that honors your personal priorities, budget, and style. No more fretting when it comes to decorating your house! In *Cozy Minimalist Home*, Myquillyn Smith helps you Realize your role as the curator of your home who makes smart, style-impacting design choices Finally know what to focus on, and what not to worry about when it comes to your home Discover the real secret to finding your unique style—it has nothing to do with those style quizzes Understand how to find a sofa you won't hate tomorrow Deconstruct each room and then re-create it step by step with a fail proof process Create a pretty home with more style and less stuff—resulting in backwards decluttering! Finish your home and have it looking the way you've always hoped so you can use it the way you've always dreamed After reading Myquillyn's first book, *The Nesting Place*, women everywhere were convinced that it doesn't have to be perfect to be beautiful and they found real contentment in their homes. But how does a content perfectionist make actual design

decisions? Cozy Minimalist Home is the answer to that question. Written for the hands-on woman who'd rather move her own furniture than hire a designer, this is the guidance she needs to finish every room of her house. With people, priorities and purpose in mind, anyone can create a beautiful home that transcends the trends. A pretty home is nice, but a Cozy Minimalist home goes beyond pretty and sets the stage for connection, relationship, and rest.

Attention Pays

The Beauty of Home combines refined elegance and innovative simplicity for a fresh, new perspective on traditional interior design. Marie Flanigan's trademark style is evident through her sophisticated use of texture, color, and light. These components combine to create environments in which people love to live. The Beauty of Home details the specific design elements integral to Marie's creative process. Highlighting nine elements—architecture, composition, character, palette, illumination, detail, simplicity, depth, and surprise—each chapter begins with Marie's philosophy of design on that particular element, and is followed by photo collections of individual homes with commentary and meaning behind each image—how it specifically relates to the chapter element, and design as a whole. This is a sophisticated philosophy-of-design work, complemented by gorgeous photography featuring more than twenty diverse homes displaying custom furnishings, antiques, textiles, and fine art.

Welcome Home

Dear Reader. I may not know you, but I bet I know you. You love your { HOME } and you want it to be beautiful! You have an idea of what you want it to look and feel like but getting it there is overwhelming. Darling friend, I see you---drowning in analysis paralysis when it comes to making the design magic happen. There's chaos in selecting paint colors, choosing the perfect hardware, perusing seemingly endless lighting options, and let's not even talk about wrangling a minor anxiety attack in the middle of a home décor store! Do not worry, darling friend---I get you and I've got you! As a professional interior designer, I have 15 years of experience in serving clients just like you. You see, designing and decorating a beautiful home comes easy to me and I'm happy to share all that I know. I want you to love your home and I want to teach you how to curate it in a way that beautifully reflects you and your family. That's where this gorgeous book comes in. Inside, I share with you a handful of our most loved projects, in addition to my own home, and I reveal thousands of hours of interior design intel, as well as the heart-warming stories behind each design. You may not know me, but if you do, you know that I wear my heart on my sleeve when sharing my work and my love for faith and family. In these pages I write openly and candidly about the reality of discovering beauty and function in my own home---all while surviving the chaos of being a mompreneur. Whether you come to this book for the

design details or for the testimony of faith, family and home, you will be richly served.XO, Sarah

When the world seems chaotic, extreme, and out of control, we sometimes find ourselves desiring to order and simplify our personal lives, hoping to gain a sense of peace and purpose. Scroll through social media, read bestselling self-help books, or watch any DIY television show, and you will discover there are plenty of ways to transform your home, your body, and your life. But how do we care for our souls? The Bible teaches us how to apply the principles of self-care and minimalism to the clutter within as well. Using the fruit of the Spirit (Galatians 5:22-23) as a guide, this nine-week devotional will help you cleanse your soul from the inside out by allowing God's Spirit to come and produce the soul qualities you're longing for. Purge your past. Shake out your worry. Open your heart. Cleanse your mind. Declutter your attitudes. We all want more love, joy, peace, patience, and self-control. Let this book be your guide to the abundant life you've always wanted.

Discover classic and contemporary Scandinavian style. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so

little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. The Scandinavian Home showcases a wide range of these beautiful homes. The first chapter, City Dwellings, features sharp, modern apartments and smart townhouses. A Country Homes shows the Scandinavian take on country style with laid-back, bohemian homes. Finally, the Summer and Winter Retreats include coastal cottages, an allotment house, and log cabins.

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

New York Times bestseller *When The Kinfolk Table* was published in 2013, it transformed the way readers across the globe thought about small gatherings. In this much-anticipated follow-up, *Kinfolk* founder Nathan Williams showcases how embracing that same ethos-of slowing down, simplifying your life, and cultivating community-allows you to create a more considered, beautiful, and intimate living

space. The Kinfolk Home takes readers inside 35 homes around the world, from the United States, Scandinavia, Japan, and beyond. Some have constructed modern urban homes from blueprints, while others nurture their home's long history. What all of these spaces have in common is that they've been put together carefully, slowly, and with great intention. Featuring inviting photographs and insightful profiles, interviews, and essays, each home tour is guaranteed to inspire.

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you • then take credit for it • you accidentally trash-talk someone in an email then hit •reply all• • you're being micromanaged • or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." For the Love of White

Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her "ah-ha" moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn't realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your

peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palletes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids' bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah's personal stories that will feel like you're getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in *Inspire Your Home*.

Time to Eat

The many manifestations of migraine can vary dramatically from one patient to another, even within the same patient at different times. Among the most compelling and perplexing of these symptoms are the strange visual hallucinations and distortions of space, time, and body image which migraineurs sometimes experience. Portrayals of these uncanny states have found their way into many works of art, from the heavenly visions of Hildegard von Bingen to *Alice in Wonderland*. Dr. Oliver Sacks argues that migraine cannot be understood simply as an illness, but must be viewed as a complex condition with a unique role to play in each individual's life.
