There's a myth in Southern Ohio about an apparition that seeks to live again. Taking place over 100 years, The Ghost of Ohio follows the titular spectre as he tries to unravel the mystery of his own death and fight to return to the earthly plane. Written by Black Veil Brides frontman Andy Biersack and tying into his second solo album of the same name, The Ghost of Ohio is a gothic adventure for the ages.

Looming onto the television landscape in 2011, American Horror Story gave viewers a weekly dose of psychological unease and gruesome violence. Embracing the familiar horror conventions of spooky settings, unnerving manifestations and terrifying monsters, series co-creators Ryan Murphy and Brad Falchuk combine shocking visual effects with an engaging anthology format to provide a modern take on the horror genre. This collection of new essays examines the series ' contribution to television horror, focusing on how the show speaks to social concerns, its use of classic horror tropes and its reinvention of the tale of terror for the 21st century.

Human Again

The war on humanity has begun Wolfhaven - ground zero - none in this town will survive the wrath of the pack. The first slaughter sparks the beginning of the end for humanity as the Wolfhaven pack descends upon the unsuspecting townsfolk to exact revenge for the killing of one of our own - Pharo, the mother of the pack, once feared and respected by our kind throughout the region, is no more. Claude's plan is bold yet carefully thought out; to spread from

Wolfhaven, town by town, village by village, city by city; to rid the world of the human plague and put an end to the desecration of this wondrous planet. It all begins here. As the ranks swell, the surrounding packs forming alliances and consolidating, select humans spared annihilation to be turned and assimilated as the moon casts her influence. Will our beloved Alpha's grand plan come to fruition? Or, will pettiness, arrogance, and territorial pissing end this war before it begins? I am Shona, first daughter of Pharo, and here my story begins

Chris Mentillo presents a riveting supernatural horror tale --taken from his short story collection, "Tales of Horror" series: An "unhappy heiress" tries to find eternal solitude by turning back towards her childhood to cure her present psychological anguish of getting older. Only she finds out later, she may have made a big mistake! If you love the supernatural, ghosts, paranormal, unidentified creepy creatures, and of course horror, then you don't want to miss out on this one!

Spiroglyphics: Rock Heroes

Horror is always game for a life; no bone is left unturned, no body ignored in the haunt for a good joke. In the pages that follow, punishments are meted out in inventive fashion, a his-and-hearse mix of stories utterly in tomb with each other. Language, it seems, is truly the Devil's plaything, and why should he have all the good jokes? After all, are we not all entitled to carrion laughing? In the end, dying is awfully good at raising the spirits and don't let anyone tell you otherwise. Peace and blood

Comet Press presents the ultimate collection of extreme creature horror with 17 deviant and gore-soaked stories featuring demons, cannibals, mutants, golems, werewolves, and many more vile creatures. Brace yourself for a wild and bestial ride in these disturbing tales of Sick Things. FANGORIA MAGAZINE REVIEW "Cover every orifice. Comet Press' new collection SICK THINGS: AN ANTHOLOGY OF EXTREME CREATURE HORROR is making a beeline for the soft contents of your body—and it doesn't care one bit where it makes its grand entrance, orbital sockets or otherwise. Rest assured this violation will be painful, given the tight confinements of our fallible frames of flesh—but anything less than a full-on ass-rape would probably seem insufficient in the eyes of editrix Cheryl Mullenax. Read on at your own stomach's peril." FATALLY YOURS REVIEW "If you are an extreme fan of horror looking for the ultimate in disgusting, vile and disturbing fiction, Sick Things: An Anthology of Extreme Creature Horror is a must-read...just make sure you have your barf bag handy!" TOXIC GRAVEYARD REVIEW "Recently I 've discovered the awesomeness that is Comet Press. There is a myriad of small press horror publishers out there, and more seem to be popping up all the time. Many times these small press companies promise " extreme " horror but often what you get is a poorly edited book riddled with grammatical and spelling errors with mediocre unknowns sandwiched between old stories from established authors. Thank goodness for Comet Press. I 've reviewed their previous releases Vile Things and The Death Panel and loved em both. The bar was set high for Sick Things, and it soared over it on cloven hoof."

Spiroglyphics: Animals

Something evil has come to Eden Springs, Pennsylvania. Familiar faces are luring their loved ones to dark corners. Paranoia spreads through every household. And a tall figure in a dark suit and tie is preparing for one final, grand feast. It all traces back to English Teacher Gabriel Torres, whose perfect life collapses after his wife, Zoe, is murdered in a random attack. When a mysterious elderly woman offers him a chance to see Zoe again through a process called "dream manifestation therapy", Gabriel doesn't hesitate. But shortly after he traverses back to reality, he learns something else has crossed over with him. Navigating through a town engulfed in chaos, Gabriel's only aid comes in the form of a troubled adolescent skateboarder, a tattooed gas station clerk on the run from her abusive husband, and the gun-toting blind ghost of Zoe's favorite country singer, Connor Vaughn. Time is slipping. The lives of Eden Springs' remaining survivors are in jeopardy. Now Gabriel must conquer the dark force he helped summon, even if it means letting go of the only thing he's ever loved.

While visiting his mother at her secluded Waldport cabin, an English teacher is awoken in the night by screams. Something gigantic is heaving itself against the rickety front door, relentlessly pounding and scratching - and shrieking his name. The hideous creature seems to know everything about the man, and takes special interest in his wife's deteriorating health. On the other side of the world, a bleary-eyed detective works late, desperate to avoid the recurring dream of his fiancé's murder. But when a bloodied child stumbles into the Pine Rest Police Department and collapses, the detective finds himself facing off against his worst nightmare. In the Devil's Dreams is the story of three broken people and the boy who links them. The lives and nightmares of the characters are elegantly interwoven, and the story is revealed through multiple points of view.

Back to the Future

Villipede Publications' first horror and dark speculative fiction anthology will tenderly caress your amygdalae and viciously twist your imagination. With fifteen short stories and four poems from both established and upcoming authors, this haunting collection will force readers to reevaluate their thoughts on what darkness really is: something we're all born of yet perpetually trying to flee; a malevolent force that desires our servitude or destruction-or something that simply wishes to lock us in its cold, scaly, fathomless grip. Or perhaps, even, it's an asylum for our jittery minds and confused hearts-a place of solace where humans may patiently inspect their primal natures and desires . . . a place where the barriers between monster and man begin to shift and break down. The authors' origins span the breadth of the globe: the UK, Greece, Australia, Sweden, the US-and their stories are just as diverse. While the styles and subject matter of the stories may differ greatly, what is consistent is the dedication each author has harnessed to create unique fiction and scenarios of bewitching caliber. Holding Darkness Ad Infinitum in your trembling hands, you may find yourself faced with a simple ultimatum: Do you turn around and embrace the darkness of your own free will . . . or will it embrace you first? Contents: LONGBOAT - Becky Regalado, IN THE WALLS - Adam Millard, LOVE GRUDGE - Dot Wickliff, EARTH, RISEN - Pete Clark, SMUDGE - Jonathan Templar, THE HIGH PRIEST - C. Deskin Rink, STEALING DARKNESS - Geoffrey H. Goodwin, THE WESTHOFF VERSION - Patrick O'Neill, THE BURNING MAN - Tony Flynn, BLESS ME FATHER - Lisamarie Lamb, A LIGHT IN THE DARKNESS - Lawrence Salani PILING UP - Kallirroe Agelopoulou, DOOR TO INSANITY - Mathias Jansson, BRANNIGAN'S WINDOW - John Mc Caffrey, THE SONG THAT CRAWLED - Adam S. House, HUNGRY AS THE WIND - Jonathan Moon, THE GOOD MAN - David Dunwoody, THE UNDERTAKER'S MELANCHOLY - Sydney Leigh, THE TUNNEL RECORD - J. M. R. James was born in Kent, England in 1862. James came to writing fiction relatively late, not publishing his first collection of short stories – Ghost Stories of an Antiquary (1904) – until the age of 42. Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the 'antiquarian ghost story'. We are republishing these classic works in affordable, high quality, modern editions with a brand new introductory biography of the author.

Midnight's Lair

In the supernatural halls of power in the old, dusty forgotten substructures and mansions of Philadelphia there came a whisper one day. The whisper told of an artifact that could control the dead be they vampire or spirit-kind. The two pillars of power, the vampiric House of Brittingham, and the self proclaimed defenders of humanity: the Penumbra Brotherhood, acted with an immediacy almost unheard of for either faction. Both sects needed to find the item before the other because he who holds the shamanskin controls the army of the world's undead. The denizens of Hartshorn, PA, those that sleep above ground and those that do not, know nothing of the hell that is about to rain down on them like Heaven's ejected rebellion. It is a confrontation that will decide the fate of all humankind." Author C.W. Russette takes Horror Adventure to a whole new terrifying level with his debut novel- SHAMANSKIN. Published by Pro Se Productions.
