I'll Give You the Sun meets True Detective in this brilliant YA debut about saints, sisters, and learning to let go. Tess da Costa is a saint—a hand-to-god, miracle-producing saint. At least that's what the people in her hometown of New Avon, Massachusetts, seem to believe. And when Tess suddenly and tragically passes away, her small city begins feverishly petitioning the Pope to make Tess's sainthood official. Tess's mother is ecstatic over the fervor, while her sister Callie, the one who knew Tess

best, is disgusted-overcome with the feeling that her sister is being stolen from her all over again. The fervor for Tess's sainthood only grows when Ana Langone, a local girl who's been missing for six months, is found alive at the foot of one of Tess's shrines. It's the final straw for Callie. With the help of Tess's secret boyfriend Danny, Callie's determined to prove that Tess was something far more important than a saint; she was her sister, her best friend and a girl in love with a boy. But Callie's investigation uncovers much more than she bargained for—a hidden diary, old family secrets, and even the disturbing truth behind Ana's kidnapping. Told in alternating perspectives, *A Psalm for Lost Girls* is at once funny, creepy and soulful—an impressive debut from a rising literary star.

Garden Party is a collection of charming sketches and quotes from artist Helen Dardik. Dardik's pen-and-ink drawings are replicated from her sketchbooks and interspersed with quotes from classic novels such as *Alice in Wonderland* and *The Secret Garden*. Dardik's illustrations of girl-fairies, flora, and fauna create a magical, dreamy world. Many of her characters are hybrid girl/plant creatures whose friends include a menagerie of cats, dogs, and other critters. • Her illustrations are predominantly black-and-white, with a limited palette of accent colors. • Aesthetic feels equal parts vintage Scandinavian modern folk art and Japanese Kawaii culture, • Girl-powered and nature themed This is a charming, girl-centric book that is perfect for all occasions, whether it's a graduation or Mother's Day or simply for yourself. The book's design is also a delight—it looks and feels like an actual sketchbook. • A perfect book for teens, young adult women, and moms • Dardik's unique illustration style is at once elegant and whimsical. • Great for those who loved *In the Garden of My Dreams: The Art of Nathalie Lété* by Nathalie Lété. and *How to Be a Wildflower* by Katie Daisy

The New York Times Book Review Editor's Choice The flâneur is the quintessentially masculine figure of privilege and leisure who strides the capitals of the world with abandon. But it is the flâneuse who captures the imagination of the cultural critic Lauren Elkin. In her wonderfully gender-bending new book, the flâneuse is a “determined, resourceful individual keenly attuned to the creative potential of the city and the liberating possibilities of a good walk.” Virginia Woolf called it “street haunting”; Holly Golightly epitomized it in *Breakfast at Tiffany's*; and Patti Smith did it in her own inimitable style in 1970s New York. Part cultural meander, part memoir, *Flâneuse* takes us on a distinctly cosmopolitan jaunt that begins in New York, where Elkin grew up, and transports us to Paris via Venice, Tokyo, and London, all cities in which she's lived. We are shown the paths beaten by such flâneuses as the cross-dressing nineteenth-century novelist George Sand, the Parisian artist Sophie Calle, the wartime correspondent Martha Gellhorn, and the writer Jean Rhys. With tenacity and insight, Elkin creates a mosaic of what urban settings have meant to women, charting through literature, art, history, and film the sometimes exhilarating, sometimes fraught relationship that women have with the metropolis. Called “deliciously spiky and seditious” by *The Guardian*, *Flâneuse* will inspire you to light out for the great cities yourself.
