The Bell Jar

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

Losing It

After dropping out of school at just sixteen, James Caan started his business life in a broom cupboard with no qualifications and two pieces of fatherly wisdom: 'observe the masses and do the opposite' and 'always look for opportunities where both parties benefit'. Armed with this advice, natural charm and the Yellow Pages, he built a market-leading business with a turnover of £130 million and swiftly became one of Britain's most successful entrepreneurs. From Caan's childhood as a Pakistani immigrant to the phenomenal success of his first company and beyond, *The Real Deal* traces both his financial and personal achievements. It offers a frank account of what success at thirty really signifies and brings us right up to the present, including his impact on *Dragons' Den* and what his charity work, from saving a hospital in London to building a school in Lahore, means to him. Ultimately, it is a story of learning what money is really worth, told by one the country's most insightful businessmen.

Losing My Virginity

Throughout my life I have achieved many remarkable things. In *Screw It, Let's Do It*, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In *Screw It, Let's Do It* I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

Shameless

"Wise and witty *Losing It* is cringingly insightful about sex and dating and all the ways we tie ourselves into knots over both." --The New York Times Book Review A hilarious novel that Maggie Shipstead calls "charming witty and insightful," about a woman who still has her virginity at the age of twenty-six, and the summer she's determined to lose it--and find herself. Julia Greenfield has a problem: she's twenty-six years old and she's still a virgin. Sex ought to be easy. People have it all the time! But, without meaning to, she made it through college and into adulthood with her virginity intact. Something's got to change. To re-route herself from her stalled life, Julia travels to spend the summer with her mysterious aunt Vivienne in North Carolina. It's not long, however, before she unearths a confounding secret--her 58 year old aunt is a virgin too. In the unrelenting heat of the southern summer, Julia becomes fixated on puzzling out what could have lead to Viv's appalling condition, all while trying to avoid the same fate. For readers of Rainbow Rowell and Maria Semple, and filled with offbeat characters and subtle, wry humor, *Losing It* is about the primal fear that you just. might. never. meet. anyone. It's about desiring something with the kind of obsessive fervor that almost guarantees you won't get it. It's about the blurry lines between sex and love, and trying to figure out which one you're going for. And it's about the decisions--and non-decisions--we make that can end up shaping a life.

Virgin King (Text Only)

Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories:

How I Lost My Virginity

"A revealing insight into modern sexuality."--Tatler "I recommend this wonderful book to people of all ages."--Cheryl Cohen Greene, DHS In an increasingly sexualized world, how we lose our virginity remains an untold story. Losing It is inspired by Kate Monro's Cosmopolitan award-nominated blog, The Virginity Project. Kate Monro is a blogger, author, and journalist.

How to Lose Your Virginity

"Touching." --The New York Times For fans of Humans of New York and PostSecret, a collection of raw, urgent, and heartfelt stories, shared anonymously. Helena Dea Bala was an exhausted and isolated DC lobbyist, suffocating under the weight of her student loan debt, when she decided to split her lunch with a man who often panhandled near

her office. They chatted effortlessly as they ate; there were no half-truths or white lies, and no fear of judgment. Helena felt connected and unburdened in a way she hadn't in years. Inspired, she posted an ad on Craigslist promising to listen, anonymously and for free, to whatever the speaker felt he or she couldn't tell anyone else. Emails from people desperate to connect flooded her inbox, and she listened. Within months, Helena quit her job, deferred her loans, and dove into listening full time. The forty first-person confessions in this book are vivid, intimate, and real; they range from devastating traumas, to lost loves, to reflections on hard choices. Some accounts are quotidian, like that of one increasingly estranged husband: "I want to feel that we're not just roommates—that we're not just waiting for the kids to grow up so that we can move on." Others are deeply disconcerting, like that of a sex addict employed by a religious organization and several are heartening, like that of a mother who dares to hope that her daughter, born with life-threatening heart defects, will one day walk down the aisle: "Sometimes you need to have the audacity to believe that it will all be okay, that it is okay to have the same kinds of dreams as everyone else." In its complex portrayal of the common human experience, Craigslist Confessional challenges us to explore the depths of our vulnerability and expand the borders of our empathy.

The story of how Malcolm Rands, an organic gardener and hippy from Northland, built the pioneering global brand ecostore. Malcolm Rands started ecostore from New Zealand's first permaculture eco-village with his wife Melanie in 1993. They sourced local manufacturers to make a range of organic gardening, home cleaning and body care products for the then mail-order business in the dug-out basement of their home. Twenty years on and Malcolm has developed ecostore into a multi-million dollar business. It's distinctive, masterfully branded

products are on the shelves of supermarkets and health stores in New Zealand, Australia, the US, Hong Kong, Singapore and China, and they are poised for further global expansion. This inspirational memoir gives an insight into the mind of an entrepreneur, activist and true Kiwi 'superhero'. It's a fascinating story of humble beginnings, taking on the multinationals and their nasty chemicals, bucking the trend and setting a new standard of healthier living. At latest count, there are more than 84,000 chemicals in existence for commercial use, with 1000 new ones being developed every year. Malcolm is more determined than ever to work toward restoring the health and wellbeing of New Zealand by making it easier for people to be green. This book includes his tips on how to green up your home and office, his thoughts on New Zealand's 'pure' image and some timely lessons in sustainability.

My Mother's Rules

Now available in paperback—with a new preface and interview with Jessica Livingston about Y Combinator! *Founders at Work: Stories of Startups' Early Days* is a collection of interviews with founders of famous technology companies about what happened in the very earliest days. These people are celebrities now. What was it like when they were just a couple friends with an idea? Founders like Steve Wozniak (Apple), Caterina Fake (Flickr), Mitch Kapor (Lotus), Max Levchin (PayPal), and Sabeer Bhatia (Hotmail) tell you in their own words about their surprising and often very funny discoveries as they learned how to build a company. Where did they get the ideas that made them rich? How did they convince investors to back them? What went wrong, and how did they recover? Nearly all technical people have thought of one day starting or working for a startup. For them, this book is the closest you can come to being a fly on the wall at a successful startup, to learn how it's done. But ultimately these interviews are required reading for anyone who wants to understand business, because startups are business reduced to its essence. The reason their founders become rich is that startups do what businesses do—create value—more intensively than almost any other part of the economy. How? What are the secrets that make successful startups so insanely productive? Read this book, and let the founders themselves tell you.

At the tender age of twenty-three (almost twenty-four), Emma knows she has plenty of time to find the perfect guy. That is, until her two best friends enter the dating scene and fall in love, leaving Emma to spend most weekends alone, binge-watching Netflix or playing the dreaded role of fifth-wheel. Panic set in at the realization she was officially an outcast. The lone single virgin who sucked at reading signals and had more experience admiring from afar than being in an actual relationship. After a night of one too many appletinis, a semi-meltdown, and a 'Lose My Virginity Challenge' post, Emma's little blog goes viral. When Emma's co-worker crush, Logan--gorgeous and not interested--finds out that she is the anonymous blogger, Emma's besties come up with a brilliant plan to finally win over the untouchable Logan. Perfect! Things are finally looking up again, but then Emma's hot new billionaire boss, Alex, comes into the picture with plans of his own and a surprising secret she is totally unprepared for. What people are saying about *The Virgin Club*: "I was really reminded of beloved authors like Sophie Kinsella, Helen Fielding, Marian Keyes, and other great Indies like Tawdra Kandle, Melissa Baldwin, and Becky Monson. Adding Kayley Wood to my list and definitely reading more of her work." - Books To Light Your Fire "This was an amazingly well-written story. I absolutely enjoyed everything about it. It was so good I had trouble putting it down and read it straight through in one sitting." - Kimmie Sue "This book was awesome! I have found a new favorite author! I couldn't put it down! The chapters were great and the twist in the story was unexpected. Loved every minute of it!" - Bethny "I had no idea really what to expect about this KU book because to be honest they are pretty hit or miss. This book hit it out of the park." - CarlaB72 "I wasn't quite sure what to expect from this book. It was clever and well written. I was pleasantly surprised to get caught up in the story." - Rachel "This book made me smile, tugged my heartstrings, and just gave me an all-around happy feeling from reading a good book I'm stingy with giving five stars, but this book definitely deserves it!" - P.G. girls like Dani Fankhauser who were told sex was only to happen once you cross the threshold of marriage, that "goodness" seemed questionable. As young women, we learned how to say "No" to sex, but not how to ask a guy to put on a condom. We were told to limit physical affection because it undermined love, but not how to deal with our own desires and drive. Our own bodies, and their capacity for pleasure, were left a mystery. In SHAMELESS, Fankhauser writes about the questions she had that couldn't be answered by mainstream culture or by Christian communities - about shame, love, intimacy, and STDs.

Screw It, Let's Do It

| WINNER OF THE GAJA CAPITAL BUSINESS BOOK PRIZE 2019 | The nineteenth century was an exciting time of initiative and enterprise around the world. If John D. Rockefeller was creating unimagined wealth in the United States that he would put to the service of the nation, a Parsi family with humble roots was doing the same in India. In 1822, a boy was born in a priestly household in Gujarat's Navsari village. Young Nusserwanji knew early on that his destiny lay beyond his village and decided to head for Bombay to start a business - the first in his family to do so. He had neither higher education nor knowledge of business matters, just a burning passion to carve a path of his own. What Nusserwanji started as a cotton trading venture, his son Jamsetji, born in the same year as Rockefeller, grew into a multifaceted business, turning around sick textile mills, setting up an iron and steel company, envisioning a cutting-edge institute of higher learning, building a world-class hotel, and earning himself the title of the 'Bhishma Pitamah of Indian Industry'. Stewarded ably over the decades by Jamsetji's sons Dorabji and Ratanji, the charismatic and larger-than-life JRD, and thereafter the more business-like Ratan, the Tata group today is a 110-billion-dollar empire. The Tatas is their story. But it is more than just a history of the industrial house; it is an inspiring account of India in the making. It chronicles how each generation of the family invested not only in the expansion of its own business interests but also in nation building. Few know, for instance, that the first hydel power project in the world was conceived of and built by the Tatas. Nor that some radical labour concepts such as eight-hour work shifts were born in India, at the Tata mill in Nagpur. The Tata Cancer Research Centre, the Indian Institute of Science, the Tata Institute of Fundamental Research, as also the national carrier Air India - the family has a long, rich and unrivalled legacy. The Tatas is a tribute to a line of visionaries who have a special place in the hearts and minds of ordinary Indians. Written by seasoned journalist Girish Kuber, this is also the only book that tells the complete Tata story spanning almost two hundred years.

about a woman falling into the grip of insanity Esther Greenwood is brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. In her acclaimed and enduring masterwork, Sylvia Plath brilliantly draws the reader into Esther's breakdown with such intensity that her insanity becomes palpably real, even rational—as accessible an experience as going to the movies. A deep penetration into the darkest and most harrowing corners of the human psyche, *The Bell Jar* is an extraordinary accomplishment and a haunting American classic.

“Ranks up there with the great rock & roll books of all time.”—*Time* Out New York “Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching . . . Resounds with authenticity.”—*The New York Times* “No volume serves juicier dish on punk’s New York birth . . . Tales of sex, drugs and music that will make you wish you’d been there.”—*Rolling Stone* A contemporary classic, *Please Kill Me* is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. “Utterly and shamelessly sensational.”—*Newsday*

Losing My Virginity and Other Dumb Ideas

"Graceful, intelligent, beautiful writing. Full of wisdom and kindness. It is just the kind of book I adore."—Joanna Cannon, author of the international bestseller *The Trouble with Goats and Sheep* A charming, fiercely alive and disarmingly funny debut novel in the vein of John Green, Rachel Joyce, and Jojo Moyes—a brave testament to the power of living each day to the fullest, a tribute to the stories that we live, and a reminder of our unlimited capacity for friendship and love. An extraordinary friendship. A lifetime of stories that begins at the end . . . Seventeen-year-old Lenni Pettersson lives on the Terminal Ward at the Glasgow Princess Royal Hospital. Though the teenager has been told she's dying, she still has plenty of living to do. Joining the hospital's arts and crafts class, she meets the magnificent Margot, an 83-year-old, purple-pajama-wearing, fruitcake-eating rebel, who transforms Lenni in ways she never imagined. As their friendship blooms, a world of stories opens for these unlikely companions who, between them, have been alive for one hundred years. Though their days are dwindling, both are determined to leave their mark on the world. With the help of Lenni's dotting palliative care nurse and Father Arthur, the hospital's patient chaplain, Lenni and Margot devise a plan to create one hundred paintings showcasing the stories of the century they have lived—stories of love and loss, of courage and kindness, of unexpected tenderness and pure joy. Though the end is near, life isn't quite done with these unforgettable women

just yet. Delightfully funny and bittersweet, heartbreaking yet ultimately uplifting, *The One Hundred Years of Lenni and Margot* reminds us of the preciousness of life as it considers the legacy we choose to leave, how we influence the lives of others even after we're gone, and the wonder of a friendship that transcends time.

AN INSTANT NEW YORK TIMES BESTSELLER The untold stories behind *The Office*, one of the most iconic television shows of the twenty-first century, told by its creators, writers, and actors When did you last hang out with Jim, Pam, Dwight, Michael, and the rest of Dunder Mifflin? It might have been back in 2013, when the series finale aired . . . or it might have been last night, when you watched three episodes in a row. But either way, long after the show first aired, it's more popular than ever, and fans have only one problem—what to watch, or read, next. Fortunately, Rolling Stone writer Andy Greene has that answer. In his brand-new oral history, *The Office: The Untold Story of the Greatest Sitcom of the 2000s*, Greene will take readers behind the scenes of their favorite moments and characters. Greene gives us the true inside story behind the entire show, from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from "The Dundies" to "Threat Level Midnight" and "Goodbye, Michael," including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, *The Office* gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched *The Office* into wild popularity, changing the face of television and how we all see our office lives for decades to come.

Judge Lynn Toler shares her mother's wisdom for learning to conquer anger and become immune to insult. Toler credits her mother's "rules" for life - a life that saw her grow up the daughter of a poor teen mother and endure a husband who suffered mental illness and alcoholism - with providing the grounding for her own success and happiness. Toler shows how the mindset of "a black woman who knew how to make things work" taught her the power of knowing how to manage one's emotional business—lessons that this book offers in wrenching stories written in spare and graceful prose. My Mother's Rules is an unforgettable book that will captivate readers with its illustrations of how to rise above the most difficult circumstances and find peace and success in life.

This title deals with many prophetic and well as historical aspects of Elijah Muhammad's teaching. It chronologically cites various aspects of American history, its actions pertaining to the establishment and treatment of its once slaves, which is shown to be a significant cause of America's fall.

The Virginity Club

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Losing It

Losing My Virginity is a trilogy (Perfect Tragedy, Perfect Struggle, Perfect Redemption). A true life story by Marilyn Minette. SO IS SHE PERFECT? Jill needs everything in her life to be perfect a lifelong obsession that just might destroy her. When a single knock on her front door changes Jill's life forever, she tells herself it's all just a fluke just a bad dream. Isn't it? Jill tries to snap herself out of her confusing fog but when she finally sees red, her next heartbeat tells her something is horribly wrong. Innocence and virtue spawns confusion and pain, especially when she realizes she may have made the biggest mistake of her life. When you get knocked down and around, inevitably, you gain new insight, right? Well, hopefully that's true, but it takes some people longer than others to learn a lesson. And

Jill is one of those people. We've all been through it you've been through it. OR IS SHE PERFECTLY WRONG? As you read her story, you'll feel what Jill feels. You too, will suffer the shock of her many heartbreaks but hopefully, you'll learn from Jill's past and save yourself from making her tragic mistakes. After all, losing control of her perfect life was not part of Jill's plan. Resigned to the depths of her disturbing despair, Jill travels a collision course with her damning fate and she has no power to stop what's coming. No one does. But then again she knows, deep down, she can count on him. He isn't like all the others, is he? He can save her, can't he? So, is she right? Or for Jill, is it simply too late? Did she just blow her last chance for happiness again?

A Life in Parts

From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Whether stud or dud, hot dish or cold fish, you're never the same after you first "do the deed." But how wild, weird, or earth shattering was it for your neighbor, the person next to you on the bus, or your veterinarian? In *How to Lose Your Virginity... and How Not To*, compiled from 1,000 face-to-face interviews across North America, Shawn Wickens makes us transfixed voyeurs in scores of others' seminal "coming" of age moments. From Kelsie Testa in *Jerk Magazine*: "A compilation of shocking yet heartwarming tales of orifices, secretions, and vulgarity that pleasantly ends in an orgasm. From condom follies to mixed-race orgies, Wickens proves that no formula exists when it comes to this seminal and 'ground-breaking' event... One central message remains the same for all of these first-timers: losing your virginity is weird and exhilarating, whether you lost it with your middle-school bus driver named Frank at age 13 or you waited until marriage." Featured in the *New York Daily News*, *The Huffington Post* and *Jezebel.com*. Breakthru Radio calls *How to Lose Your Virginity*, "an entertaining and enlightening read for virgins and non-virgins alike." Business Stripped Bare

The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories, including: - Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins - Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum.

The Office

"Nothing short of riveting an engrossing first-person account by one of our finest actors" (Huffington Post)—both a coming-of-age story and a meditation on creativity, devotion, and craft—Bryan Cranston, beloved and acclaimed star of one of history's most successful TV shows, Breaking Bad. Bryan Cranston began his acting career at the age of seven, when his father, a struggling actor and sometime director, cast him in a commercial for United Way. By fifth grade he was starring in the school play, spending hours at the local movie theater, and re-enacting favorite scenes with his brother in their living room. Cranston seemed destined to be an actor. But then his father left. And his family fell apart. Troubled by his father's missteps, Cranston abandoned his acting aspirations and resolved to pursue a steadier career in law enforcement. Then, on a two-year cross-country motorcycle journey, Cranston re-discovered his talent for acting and found his mission and his calling. In this "must-read memoir" (The

Philadelphia Inquirer), Cranston traces the many roles he inhabited throughout his remarkable life, both on and off screen. For the first time he shares the story of his early years as an actor on the soap opera *Loving*, his recurring spots on *Seinfeld*, and his time as bumbling father Hal on *Malcolm in the Middle*, to his tour-de-force, Tony-winning performance as Lyndon Baines Johnson in Broadway's *All the Way*, to his most iconic role of all: *Breaking Bad*'s Walter White. "An illuminating window into the actor's psyche" (People), Cranston has much to say about creativity, devotion, and craft, as well as innate talent and its challenges and benefits and proper maintenance. "By turns gritty, funny, and sad" (Entertainment Weekly), ultimately *A Life in Parts* is a story about the joy, the necessity, and the transformative power of simple hard work.

To Selena, with Love

The book that has captivated millions of Chinese readers, translated into English for the very first time. 'Hypnotic . . . A record of one person's fierce refusal to follow a path laid down for her by the rest of the world' Tash Aw, Paris Review Books of the Year *Sanmao*: author, adventurer, pioneer. Born in China in 1943, she moved from Chongqing to Taiwan, Spain to Germany, the Canary Islands to Central America, and, for several years in the 1970s, to the Sahara. *Stories of the Sahara* invites us into Sanmao's extraordinary life in the desert: her experiences of love and loss, freedom and peril, all told with a voice as spirited as it is timeless. At a period when China was beginning to look beyond its borders, Sanmao fired the imagination of millions and inspired a new generation. With an introduction by Sharlene Teo, author of *Ponti*, this is an essential collection from one of the twentieth century's most iconic figures. 'Every story conveys Sanmao's infectious capacity for wonder' Sharlene Teo, author of *Ponti* 'Has endured for generations of young Taiwanese and Chinese women' New York Times 'Ground-breaking' Geographical 'A remarkable and brave book. Sanmao was a freewheeling feminist who broke all the rules and did so with a gleeful, mischievous smile' David Eimer, South China Morning Post
