Messages from the Masters

"You are loved beyond words. Do you yet realize this? The sun rises in your honor. The moon beams its smile upon you each night. The earth revolves around you. You are the center of the universe, the heart of the world. You are the love that you seek." So begins the first of 365 messages from Sanaya, a spirit-teacher in the tradition of White Eagle and Silver Birch. "You are loved beyond words," she says, and reading this collection, you will feel love beyond words, for the messages contained here carry an

energy that is felt intuitively and intimately, coming as they do from a dimension beyond the physical world. Those who know and love Sanaya believe that she is speaking directly to them. She is, for, as Sanaya says, there is only One Mind. Reading Sanaya's words, you will feel as if you are being consoled and counseled by a concerned and loving friend, connected with the essence of your true self. Love Beyond Words will answer your most basic questions about life and give you reason for reflection. In this collection of spiritual wisdom, Sanaya addresses universal concerns while speaking directly to your heart.

Signs of Spirit

Through the Darkness is the compelling true story of evidential medium Janet Nohavec. Janet first saw "the spirit people" at age five, but after her mother labeled Janet a demon child, she learned to suppress what would later reveal itself as a rare gift. Follow Janet as she evolves from a scared and powerless child to a rebellious teenager, and later to a confused and doubting Roman Catholic nun. No longer willing to deny her God-given gifts, she leaves the convent to become an unconventional spiritual seeker who is later identified as one of the top psychic-mediums in the country. Janet's story is as much about her amazing evidential mediumship as it is about her ongoing struggle to find peace and to discover her own personal power. Dramatic evidence from the other side combines with real-life drama as Janet faces obstructionism and intolerance unheard of in this country in recent years. Aided by a real-life angel, Janet holds onto her dream and turns Through the Darkness into a triumph of the human spirit.

The Metaphysical Magazine

"Make them go away!" This was the immediate reaction of young Mavis Pittilla when people from the spirit world began appearing unexpectedly in her home. One of these "spirit people" delivered a message that would ultimately save her life. Still, she wanted nothing to do with these visitors and sought help from her local Spiritualist church. There she learned to embrace these new experiences, opening her to a lifetime of service that has spanned continents. World-renowned and universally respected and beloved as a medium and teacher for over fifty years, Mavis Pittilla remains modest and humble. The story of her life reveals a multi-faceted, endearing woman who has overcome tremendous adversity, much of it caused by her own human frailties. Droplets of God is far more than Mavis's fascinating biography. It is a primer of the foundations of mediumship, the key philosophical teachings of Spiritualism, and of the soul's journey of self-realization.

Ram Dass has always been a master of the one-liner. Here is the nitty-gritty by the author of Be Here Now—more than 200 penetrating observations and pithy spiritual instructions on such topics as How It All Is, Love and Devotion, Suffering, Aging, Planes of Consciousness, Death and Dying, Service and Compassion, Psychedelics, Social Awareness, and Liberation. "This book is a kind of spiritual brandy, a distillation of the lectures I've given over the course of the past decade or so. These quotes are the little "aha!" moments, the cameos that have been served up out of our collective consciousness from time to time that seem to summarize something about our human journey. I think of this book as something you might have next to the coffeepot to pick up in the morning, or as something you might tuck into your backpack to pull out during your bus ride to work, in order to reframe the way you look at your day." —Ram Dass From the Hardcover edition.
