Flying

A Recommended Book From: Refinery 29 * The Minneapolis Star-Tribune * Publishers Weekly * Baltimore Outloud * Omnivoracious From award-winning author Lysley Tenorio, comes a big hearted debut novel following an undocumented Filipino son as he navigates his relationship with his mother, an uncertain future, and the place he calls home Excel spends his days trying to seem like an unremarkable American teenager. When he's not working at The Pie Who Loved Me (a spy-themed pizza shop) or passing the time with his girlfriend Sab (occasionally in one of their town's seventeen cemeteries), he carefully avoids the spotlight. But Excel knows that his family is far from normal. His mother, Maxima, was once a Filipina B-movie action star who now makes her living scamming men online. The old man they live with is not his grandfather, but Maxima's lifelong martial arts trainer. And years ago, on Excel's tenth birthday, Maxima revealed a secret that he must keep forever. "We are 'TNT'—tago ng tago," she told him, "hiding and hiding." Excel is undocumented—and one accidental slip could uproot his entire life. Casting aside the paranoia and secrecy of his childhood, Excel takes a leap, joining Sab on a journey south to a ramshackle desert town called Hello City. Populated by drifters, old hippies, and washed-up techies—and existing outside the normal constructs of American society—Hello City offers Excel a chance to forge his own path for the first time. But after so many years of trying to be invisible, who does he want to become? And is it possible to put down roots in a country that has always considered you an outsider? Thrumming with energy and at once critical and hopeful, The Son of Good Fortune is a luminous story of a mother

and son testing the strength of their bond to their country—and to each other.

The Book of Love

One of the world's greatest fantasy novels and a rollicking classic of Chinese literature, in a sparkling new translation and published in a Clothbound Classics edition. A shape-shifting trickster on a kung-fu quest for eternal life, Monkey King is one of the most memorable superheroes in world literature. High-spirited and omni-talented, he can transform himself into whatever he chooses and turn each of his body's 84,000 hairs into an army of clones. But his penchant for mischief repeatedly gets him into trouble, and when he raids Heaven's Orchard of Immortal Peaches, the Buddha pins him beneath a mountain. Five hundred years later, Monkey King is finally given a chance to redeem himself: he must protect the pious monk Tripitaka on his journey in search of precious Buddhist sutras that will bring enlightenment to the Chinese empire. Joined by two other fallen immortals - Pigsy, a rice-loving flying pig, and Sandy, a depressive river-sand monster - Monkey King does battle with Red Boy, Princess Jade-Face, the Monstress Dowager, and all manner of dragons, ogres, wizards and femmes fatales; navigates the perils of Fire-Cloud Cave, the River of Flowing Sand and the Water-Crystal Palace; and is serially captured, lacquered, sautéed, steamed and liquefied - but always hatches an ingenious plan to get himself and his fellow pilgrims out of their latest jam. Comparable to The Canterbury Tales or Don Quixote, Monkey King is at once a gripping adventure, a comic satire and a spring of spiritual insight. With this new translation by the award-winning Julia Lovell, the irrepressible rogue hero of one of the Four Great Classical Novels of Chinese literature has the potential to vault, with his signature cloud-somersault, into the hearts of a whole new generation of readers.

Monkey King: Journey to the West

Love. Of all the virtues that have been passed on to us through the ages, from the great poets to the saints and scholars, throughout history and literature, love is the one virtue that we as a society cannot live without. The ability to love well and to love wisely is the most important trait that parents can pass on to their children. As children grow, the longing to share this love as well as receive it will remain strong throughout their lives. Bestselling author Andrew M. Greeley and his sister, Dr. Mary G. Durkin have compiled a beautiful and inspiring anthology that will help us comprehend this the most important of virtues and also help us express and understand what it means to love, and how to love wisely. The Book of Love is a perfect gift for a parent to give to a child, for relatives or friends to share, or for those who are coming to know this virtue in all its glory. People of all nations, creeds, colors, and denominations will appreciate this treasury of essays, poems, stories, and songs reflecting the one human need that has remained constant: Love. It has been written about in the Bible, and it was passed down orally in myth and legend. It was discussed by the Chinese philosopher Confucius and in the Koran, and it inspired great works of literature and the pages of popular fiction. The Book of Love is a testament to the enduring nature of our own good, a good expressed through the human bond. In the tradition of William J. Bennett's The Book of Virtue, The Book of Love is a collection to be treasured, and shared, but most of all, it will guide us to express and to pass on the greatest of life's virtues: Love. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In *His Eyes Were Dark, He Licked His Lips*, a gay murder on Fifth Avenue helps topple President Richard Nixon from the White House. What is the mystery of Kurt James? Wherever he goes, scandal and tragedy follows him. Set against the lush ambiance of the Deep South and the glittering backdrop of Fifth Avenue, Kurt flees North Carolina in 1958 after witnessing the vicious murder of his boyfriend by lawmen. In Manhattan, he nearly drowns in a drug and booze drenched lifestyle as the city's most dazzling callboy. Desperate for stability, he lands a job as tutor/secretary in New York City's most fabulous mansion: Darling Place. He falls in love with both father and son, the ravishing David Darling, powerful Wall Street and confidante to President Richard Nixon, and the swarthy, betroubled Claude. Kurt also battles the psychopathic Mrs. Darling, a would-be feminist whose jealousy borders on insanity. Her violent attempts to physically abuse her adorable little son, Tuffy, are thwarted when Kurt becomes his protector. David is forced to stay in Washington to comfort the President who is embroiled in the Watergate Scandal. Suddenly, the nation is shocked by a grotesque murder in Darling Place and the sensational trial and scandal that follows. It is this astounding scandal of perverted love gone awry which helps topple President Nixon from the White House and brings tragedy to those left in Darling Place.

Radical Philosophy

The Churchman

In Alissa Nutting's novel Tampa, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slammng erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of

hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. Tampa is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's Tampa is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.
