### What Daddy Did

When Aleiso started getting flashbacks as an adult mother of two about horrendous child abuse she endured as a child, her therapist advised her to document her journey in real-time. It resulted in a book that not only recalled her childhood, but also provides detailed information about the healing process. It also offers a deeper understanding into various aspects of child abuse. It is surely one of the most complete books on this topic because it can not only be used as a handbook in psychiatry, but can also serve as a self-help book for victims of abuse. It provides a deep understanding of the emotional pain victims of abuse experience after the abuse. Symptoms of Post-Traumatic Stress Disorder, Dissociative Amnesia, Drug-Induced Rapes, Effects of Date-Rape Drugs, Triggers That Causes Flashbacks, The Behavior of Flashbacks, Denial, Suppressed Memories vs Repressed memories, Explicit and Implicit Memories, Hypnotic Amnesia, Anterograde and Retrograde Amnesia, The Abuser's Techniques to Force Compliance, Traits of an Abuser, Analyzing The Consequences of Abuse On A Victim, Changing Imprinted Behavior, and Forgiving the Abuser; are a few off the topics discussed in this book.

### **The View from Flyover Country**

Winner of the Pulitzer Prize for Public Service The story behind this groundbreaking book--one of the most significant works of investigative journalism since Woodward and Bernstein's reporting on Watergate--has been brought brilliantly to life on the screen in the major new movie *Spotlight*, winner of the Academy Award for Best Picture. Here are the devastating revelations that triggered a crisis within the Catholic Church. Here is the truth about the scores of abusive priests who preyed upon innocent children and the cabal of senior Church officials who covered up their crimes. Here is the trail of "hush money" that the Catholic Church secretly paid to buy victims' silence--deeds that left millions of the faithful in the U.S. and around the world shocked, angry, and confused. Here as well is a vivid account of the ongoing struggle, as Catholics confront their Church and call for sweeping change.

### **My Daddy's Secret**

This is the definitive story of the case against Jeffrey Epstein and the corrupt system that supported him, told in thrilling detail by the lawyer who has represented Epstein's victims for more than a decade. In June 2008, Florida-based victims' rights attorney Bradley J. Edwards was thirty-two years old and had just started his own law firm when a young woman named Courtney Wild came to see him. She told a shocking story of having been sexually coerced at the age of fourteen by a wealthy man in Palm Beach named Jeffrey Epstein. Edwards, who had never heard of Epstein, had no idea that this moment would change the course of his life. Over the next ten years, Edwards devoted himself to bringing Epstein to justice, and came close to losing everything in the process. Edwards tracked down and represented more than twenty of Epstein's victims, shined a light on his shadowy network of accomplices, and uncovered the scope of his sexually exploitative organization, which reached into the highest levels of American society. Edwards gives his riveting, blow-by-blow account of battling Epstein on behalf of his clients, and provides stunning details never shared before. He explains how he followed Epstein's criminal enterprise from Florida, to New York, to Europe, to a Caribbean island, and, in the process, became the one person Epstein most feared could take him down. Epstein and his cadre of high-priced lawyers were able to manipulate the FBI and the Justice Department, but despite making threats

and attempting schemes straight out of a spy movie, Epstein couldn't stop Edwards, his small team of committed lawyers, and, most of all, the victims, who were dead-set on seeing their abuser finally put behind bars.

### **The Boy in the Cellar**

When Tuesday Storm's mother plunges headfirst down a flight of stairs, it's the second-worst thing that ever happens in Tuesday's life. The first? Mama survives the accident. Suddenly she's furious with Tuesday for some mysterious "bad thing" she's done. The doctor says the aggression is due to a brain injury and only temporary. So the Storms do what any proud, Southern family would. They hide the problem, hoping it will go away. Meanwhile little Tuesday becomes the target of unrelenting hostility and twisted "punishments." In this based-on-a-true-story novel, a now-grown Tuesday recounts, with raw emotion, her sudden "loss" of a nurturing mother, and the tragic years to follow living with the monster in her mother's clothes--a monster she can't stop loving.

### **Priestdaddy**

Stephen Smith is the boy who did not exist. Born out of wedlock in the early 1960s, Steve's parents hid him away from the world by locking him in the cellar for thirteen years. Starved and beaten, the little boy's world was a darkened room that measured just eight feet by ten with a single makeshift bed, bare light bulb, and a solitary table. Steve would spend his days conjuring up an imaginary world full of monsters he would draw to try and block out the physical and mental torture inflicted on him by his brutal father. Apart from a few admissions to hospital as a result of his 'imprisonment', Steve remained in the coal cellar of the family home where he was deprived of daylight, his childhood, school, and human contact until he'd reached his teenage years. Eventually, he escaped only to fall prey to the instigators of two of the worst cases of institutional abuse in the UK at Aston Hall hospital and St. William's Catholic School. The Boy in the Cellar is a horrifying true story of torture and cruelty, that reveals a human's full capacity to fight for survival and search out happiness and hope.

### **Daddy Love**

From the author of Bellefleur: A "psychologically incisive" glimpse into the mind of a deranged predator and the boy he abducts to be his son (Booklist). Robbie Whitcomb is five years old when he's taken from his mother in a mall parking lot. In her attempt to chase the kidnapper, she's left badly injured and permanently disfigured. Such are the methods of the man who calls himself Daddy Love—a man known to the rest

of the world as charismatic preacher Chester Cash. For the next six years, Robbie is to be Daddy's son. That means doing whatever Daddy says—and giving him whatever he wants. Soon Robbie learns to accept his new name, Gideon. He also learns that he is not the first of Daddy Love's sons. And that each of the others, after reaching a certain age, was never seen again. As Robbie's mother recovers from her wounds, her life and marriage are a daily struggle. But as years go by, she maintains a flicker of hope that her son is still alive. Meanwhile, Robbie approaches the "bittersweet age" with no illusions about his fate. But somewhere within this tortured child lies a spark of rebellion. And he knows all too well what survival requires. "After all these years, Joyce Carol Oates can still give me the creeps." —Marilyn Stasio, *The New York Times Book Review* "A lean and disturbing tale that reverberates after its ending." —*The Columbus Dispatch* "Oates makes us squirm as she forces us to see some of the action through Love's twisted and warped perspective." —*Kirkus Reviews* "This unsettling tale showcases Oates's masterful storytelling." —*Publishers Weekly*

### **NO TEARS FOR MY FATHER**

Trapped in a web of deceit & confusion spun by her father from the age of 11, the author shares her true story of incest in the hopes that by coming out from under years of sexual abuse, other victims will be encouraged to do the same. This is an important, no-holds-barred book complete with graphic scenes and language because "that's the way it happened and that's how it must be told." The book offers a true account as a story and includes photos from the family archives along with poetry by the author, as well as statistical information on child sexual abuse.

Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. ### **Scared Selfless**

ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF 2017 NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: *The Washington Post* \* *Elle* \* *NPR* \* *New York Magazine* \* *Boston Globe* \* *Nylon* \* *Slate* \* *The Cut* \* *The New Yorker* \* *Chicago Tribune* WINNER OF THE 2018 THURBER PRIZE FOR AMERICAN HUMOR "Affectionate and very funny . . . wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases." – *The New York Times Book Review* From Patricia Lockwood—a writer acclaimed for her wildly original voice—a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates "like a whole band dying in a plane crash in 1972." His daughter is an irreverent poet who long ago left the Church's country. When an unexpected crisis leads her and her husband to move back into her parents' rectory, their two worlds collide. In *Priestdaddy*, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her husband had in her parents' household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. *Priestdaddy* pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. *Priestdaddy* is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.

### **Conversations with a Pedophile**

"Hmm I see, but you must know (in stern regard) that we don't condole the relationship between boys and girls in this establishment." "Okay Father, as I said we are just row locker's mates. And he is a good person and assist me in what I dont understand." Angelica reassured him. "Alright, if you say so; well Angelica, if Mike Fomo does not ride your heart, I thereby urge you to come forth and give me a kiss." The Principal surprised Angelica. "I beg your pardon, Rev. Father Ndzekov?" "Sure, you heard me, I want it." "Sorry Reverend, but youre a priest and has vowed to chastity. How can you be asking me such a thing, when you are supposed to be protecting me." "Shut up my friend, every goat grasses where its tied; I am asking you of a simple and mere thing here, you begin to tell me how Hell was created in the sixteen century. If youre wise, come here immediately and do it." Rev. Father Ndzekov insisted in his authoritative tongue. "Sorry Father, I dont patrol with religious, it is an abomination and a curse to the girl submitting to such practice with you. She becomes soiled and voided of all that nature has stationed in her life. She loses innermost appreciation in front of God." Angelica tried to reason him out of the dangers of involvement with him. "Hey hey, close that your stinking mouth and get this straight in that your motherfucker skull. I run this milieu and you included. What I want, I always get it, either by love or by force, and you Angelica can never make a difference." Hurling at her and convincing, "I can make you the queen of this school, you know; you will have access to the canteen twenty-four seven. Have access to permission to go out at will, be my best ears and eyes amongst the girls in the dormitory. In short be immune to all punishments at all levels in this school." "Father, youre a priest, the servant of God, of Christ, how can you be talking like this Rev. Father Ndzekov, how? You are even forbidden to go on that lane, because you need that energy to go superior to Gods cosmology and that's even the hidden truth for your celibacy. I am a woman, I need my dignity, my respect, my purity, my innocence, how can you desire children so wantonly, just like that, when your life has been trimmed already, how Father, how? This is evil and unacceptable." "Angelica, whether you want it or not, you will go down for it; be honest to yourself, it is a deal already. I advise you to think over the whole issue very keenly; I dont joke with my heart's desire" "(Confused) I am not the kind you need Rev. Father Ndzekov. I am not." "Get out of my office now. Quick! Out! Nonsense!" He hurled shaking.

### **Father's Days**

From the 2013 Orange Prize–winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could

provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

### **Wounds of the Father**

This is the story of rape, incest, broken bones, blackened eyes and murder. Murder, you gasp! Yes, the murder of innocence of three children in North Carolina in the 1950s and 1960s. To say it was a dysfunctional family is much too kind. But it has been said that a young child remains dependent, even devoted, to the parents who brutalize him or her because they are the only parents and the only experience the child knows. I am telling only my story. My sister and brother have a story that is only theirs to tell. Now that my story is finally told, I hope I will be able to put it to rest at last. If I can use what happened to me to help others, that is the biggest lesson I have learned. Maybe my suffering can be used to save other children and women. That is my plan.

### **Saving Noah**

Denise Shick, an author, speaker, and the Director of Help4Families, a Christian ministry that compassionately reaches out to family members and churches, bringing a broader understanding of the emotional pain and spiritual confusion that people face when a loved one has gender-identity issues. ### **The Incest Diary**

'Raw, relentless Feverish' *New Yorker*'This is a devastating book about harm. It's about the harm that is unleashed when one person swaps their humanity for what you can really only call evil' *Sunday Times*'A controlled, exquisitely written book, it disturbs and disgusts, but it also mesmerises and, at certain moments, charms in its quiet brutality' Amia Srinivasan, *Harper's*Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up with this secret. In this memoir, the author revisits her early traumas and their aftermath to explore the ways in which her father's abuse shaped her, and still does.

As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a secret. And then, years later, she made herself write it down.

## Trauma and the Avoidant Client: Attachment-Based Strategies for Healing

In this haunting and frank account, Donna Ford, bestselling author of *The Step Child*, returns to the horrific abuse she suffered at the hands of her stepmother. As a tiny girl of five, and for six long years, Donna was physically, mentally and sexually abused. She was starved, beaten and 'loaned out' to neighbours who raped and molested her and throughout her father stood by and did nothing. When her stepmother finally left the family home, Donna dreamed of a normal childhood in which she would be taken care of by the man who had, up until this point, failed her. But it was not to be. By telling the whole story of her Edinburgh childhood, Donna tries to understand why the man who should have loved her the most - her own father - was the one who deceived her the most, by continuing to allow men to abuse her. Instead of finding a future of love and happiness, Donna was once again thrust into a living nightmare of exploitation and betrayal by those who should have wrapped her up in their love. While this is a true story of appalling child abuse, it is also a tale of how exhilaration, tenderness and self-development can flourish despite childhood horrors. We take a journey with Donna to discover the woman she has become: a devoted mother of three and a talented artist and writer.

### **Eyes of a Pedophile**

NEW YORK TIMES and MIBA BESTSELLER From the St. Louis–based journalist often credited with first predicting Donald Trump’s presidential victory. "A collection of sharp-edged, humanistic pieces about the American heartland Passionate pieces that repeatedly assail the inability of many to empathize and to humanize." — Kirkus In 2015, Sarah Kendzior collected the essays she reported for Al Jazeera and published them as *The View from Flyover Country*, which became an ebook bestseller and garnered praise from readers around the world. Now, *The View from Flyover Country* is being released in print with an updated introduction and epilogue that reflect on the ways that the Trump presidency was the certain result of the realities first captured in Kendzior’s essays. A clear-eyed account of the realities of life in America’s overlooked heartland, *The View from Flyover Country* is a piercing critique of the labor exploitation, race relations, gentrification, media bias, and other aspects of the post-employment economy that gave rise to a president who rules like an autocrat. *The View from Flyover Country* is necessary reading for anyone who believes that the only way for America to fix its problems is to first discuss them with honesty and compassion. "Please put everything aside and try to get ahold of Sarah Kendzior’s collected essays, *The View from Flyover Country*. I have rarely come across writing that is as urgent and beautifully expressed. What makes Kendzior’s writing so truly important is [that] it . . . documents where the problem lies, by somebody who lives there."—*The Wire* "Sarah Kendzior is as harsh and tenacious a critic of the Trump administration as you’ll find. She isn’t some new kid on the political block or a controversy machine. . . . ## All the Ugly and Wonderful Things

### My Daddy the Pedophile

"Complex and challenging push[es] the boundaries of writing about trauma." —The New York Times "A True Crime Masterpiece" – Vogue Entertainment Weekly "Must" List and Best Books of the Year So Far Real Simple's Best New Books Guardian Best Book of the Year Lambda Literary Award Winner Chautauqua Prize Winner "The Fact of a Body is one of the best books I've read this year. It's just astounding." — Paula Hawkins, author of Into the Water and The Girl on the Train "This book is a marvel. The Fact of a Body is equal parts gripping and haunting and will leave you questioning whether any one story can hold the full truth." — Celeste Ng, author of the New York Times bestselling Everything I Never Told You and Little Fires Everywhere Before Alex Marzano-Lesnevich begins a summer job at a law firm in Louisiana, working to help defend men accused of murder, they think their position is clear. The child of two lawyers, they are staunchly anti-death penalty. But the moment convicted murderer Ricky Langley's face flashes on the screen as they review old tapes—the moment they hear him speak of his crimes -- they are overcome with the feeling of wanting him to die. Shocked by their reaction, they dig deeper and deeper into the case. Despite their vastly different circumstances, something in his story is unsettlingly, uncannily familiar. Crime, even the darkest and most unsayable acts, can happen to any one of us. As Alex pores over the facts of the murder, they find themselves thrust into the complicated narrative of Ricky's childhood. And by examining the details of Ricky's case, they are forced to face their own story, to unearth long-buried family secrets, and reckon with a past that colors their view of Ricky's crime. But another surprise awaits: They weren't the only one who saw their life in Ricky's. An intellectual and emotional thriller that is also a different kind of murder mystery, THE FACT OF A BODY is a book not only about how the story of one crime was constructed -- but about how we grapple with our own personal histories. Along the way it tackles questions about the nature of forgiveness, and if a single narrative can ever really contain something as definitive as the truth. This groundbreaking, heart-stopping work, ten years in the making, shows how the law is more personal than we would like to believe -- and the truth more complicated, and powerful, than we could ever imagine.

## **Betrayal: The Crisis in the Catholic Church**

“A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success.”—Dave Pelzer, author of *A Child Called “It”* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She’s only eight years old, posing for her mother’s boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She’s in cap and gown, receiving her PhD in psychology—and the university’s award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle’s powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was “Chelsey,” the rebellious teenager; “Viscous,” a tween with homicidal rage; and “Sarah,” a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle’s courageous testament to their power.

## **Naked, Drunk, and Writing**

From the bestselling author of *The Vagina Monologues*--a powerful, life-changing examination of abuse and atonement. “A triumph of artistry and empathy.” --Naomi Klein “A crucial step forward . . . This is an urgently needed book right now.” --Jane Fonda “Unflinching candor . . . immeasurable grace.” --Anita Hill “Courageous, transformative, and yes--healing.” --Anne Lamott “Unflinchingly increases our understanding of the human experience.” --Michael Cunningham “[The Apology] will change how all of us think about our souls.” --Johann Hari “Shatteringly brilliant.” --The Times “The geometry of toxic masculinity is contained within these pages.” --Marc Maron Like millions of women, Eve Ensler has been waiting much of her lifetime for an apology. Sexually and physically abused by her father, Eve has struggled her whole life from this betrayal, longing for an honest reckoning from a man who is long dead. After years of work as an anti-violence activist, she decided she would wait no longer; an apology could be imagined, by her, for her, to her. *The Apology*, written by Eve from her father's point of view in the words she longed to hear, attempts to transform the abuse she suffered with unflinching truthfulness, compassion, and an expansive vision for the future. Through *The Apology* Eve has set out to provide a new way for herself and a possible road for others, so that survivors of abuse may finally envision how to be free. She grapples with questions she has sought answers to since she first realized the impact of her father's abuse on her life: How do we offer a doorway rather than a locked cell? How do we move from humiliation to revelation, from curtailing behavior to changing it, from condemning perpetrators to calling them to reckoning? What will it take for abusers to genuinely apologize? Remarkable and original, *The Apology* is an acutely transformational look at how, from the wounds of sexual abuse, we can begin to re-emerge and heal. It is revolutionary, asking everything of each of us: courage, honesty, and forgiveness.
