Unbelievable animals come to life with easy sticker masterpieces Take your coloring to the next level by doing it with stickers instead of pencils! Each one of the 12 designs in this book has spaces for mosaic shapes that you fill in using the pages of different colored stickers in the back, allowing you to create one-of-a-kind mosaic designs. Color-by-sticker is a fun new way to express creativity and explore color, and this series gives readers the freedom to create their own unique designs, no artistic ability required. Sticker Mosaics: Exotic Animals offers 12 different animals to color by sticker. Whether you choose the brightly colored macaws, a curious chameleon, or a friendly alpaca, you'll be creating a truly unique work of art that any animal lover will adore.

Sticker Mosaics: Rainbow Unicorns

Sticker by Number: Calming Creatures is a creative and meditative experience. Like an old-fashioned paint by number, the designs in the book can be gradually filled in using the included stickers, transforming the delicate line drawings into stunning, full-color masterpieces. The process is at once artistic and calming—the perfect way to exercise your creativity and create a moment of tranquility in a busy day. The book features 12 different creatures—from a boldly patterned elephant to a delicate swan—all of which are paired with mindful meditation exercises related to the animal. For instance, as you piece together the Lion design you will be guided to meditate on the self-confidence that inspires bravery, while the Horse illustration will prompt reflection on the theme of freedom and the pursuit of ambition. With beautiful illustrations and insightful text, Sticker by Number: Calming Creatures will help readers step outside of life's

Sticker Mosaics: Going Places

Mrs McTats and her cat, Abner, are living happily together when two new cats come scratching at Mrs McTats's door. By twos and threes, and then fours and more, the cats come, welcomed by Mrs McTats (although Abner's not so sure about it all). Just when it seems the house is full to bursting, the cats stop coming. But Mrs McTats can't help feeling that something - or someone - is missing. Then there's one more scratch at the door - and Mrs McTats finds just what the family needs to be complete.

Paint by Sticker Kids just gets stronger and stronger, with the last three titles—Unicorns & Magic, Halloween, and Christmas—on fire. With over 1.7 million copies in print, and with sales increasing every season, it is the phenomenal activity book series that marries the joy of paint by number and coloring with every kid’s favorite thing—stickers. And now add dinosaurs—what could be better? Kids will have a blast “painting” an armored Ankylosaurus, and an agile Velociraptor, now known to have been covered in feathers. And don’t forget about the king of them all: a ferocious T-Rex, which could eat 500 pounds of meat in one bite! New to the series, on the back of each image is a paragraph of lively text packed with facts about the dinosaur pictured, how it lived, and how to pronounce its name. Designed especially for children and their smaller hands, the Paint by Sticker Kids series offers a quiet, completely absorbing, no-mess activity that—bonus!—encourages kids to practice number recognition without them even thinking they’re doing math. The way it works is simple: Find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and see the images come to life in the “low-poly” style that uses geometric shapes. The card-stock pages are perforated, allowing the artwork to be easily removed so kids can hang them up as decorations or proudly display them on the fridge. In other words, hours and hours of artistic fun with none of the hassle or cleanup!
