Christmas for All Time

(Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's My First Piano Adventure, Lesson Book A. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of My First Piano Adventure. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry.

The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. [View Helpful Introductory Videos Here](#)

Piano Adventures - Level 3A Christmas Book

(Faber Piano Adventures). The focus on tone color and interpretation fosters musical growth while developing early reading skills. Rests are minimally used to increase student awareness of melodic shape and forward rhythmic motion. Short creative opportunities that "spin" from the pieces help to inspire the student's composing talent. Includes an optional composing project at the end of the book. Contents include: A Rainbow Is a Smile (Turned Upside Down) * Most of All I Like Rainbows * A Double Rainbow * I'm a Waling Rainbow * Raindbow, Rainbow * The Storm and the Rainbow * At the End of the Rainbow.

Piano Adventures - Level 3b

(Faber Piano Adventures). In this inspiring collection, late-elementary to early-intermediate pianists will find appealing arrangements that advance skills while exploring masterworks of Western music. The famous orchestral, keyboard, and operatic repertoire here spans four periods of music history. In the Baroque & Classical section, discover the elegance of Bach,

the beauty of Mozart and the passion of Beethoven. Through the pages of the Romantic & Impressionistic section, sample the lyricism of Chopin, the drama of Grieg, and the atmosphere of Debussy. May the melodies of these and many other composers open an enduring world of expression and sound.

Piano Adventures Sticker Book

(Faber Piano Adventures). Achievement is a step-by-step adventure! Over 300 "Stickers That Teach" invite early elementary students to show what they know by completing each sticker's musical task. Review music symbols, terms, and techniques while having fun with song characters, animals, sports, holidays, and more. Also included are Award Stickers such as "Best Ever" and "Encore," specially designed for the final Certificate page in the Piano Adventures Primer Level Lesson Book. Build your own certificate piece by piece and smile by smile!

(Faber Piano Adventures). Scales and arpeggios are the backbone of confident, polished playing. Practicing these two pillars of technique develops dexterity and speed. When combined with essential music theory patterns, the result is "harmony in motion." Not just a reference for technical progress, Scale and Chord Book 3 encourages a focus on touch and sound, especially the feel of the black keys under the hands. Late intermediate and advancing students learn to perform multi-octave scales and arpeggios with fluency. Transposition exercises emphasize understanding of tonic, dominant, and leading tone. Gestural marks direct the integration of wrist motion. And, importantly, study of chord progressions provides the toolset for analysis, improvisation, and composition.

In *Stop at Nothing* Annabel Crabb brings all her wit and perceptiveness to the story of Malcolm Turnbull. This is a memorable look at the Prime Minister in action – his flaws and achievements – as well as his past lives and adventures. Drawing on extensive interviews with Turnbull, Crabb delves into his university exploits – which included co-authoring a musical with Bob Ellis – and his remarkable relationship with Kerry Packer, the man for whom he was first a prized attack dog and then a mortal enemy. She examines the extent to which Turnbull – colourful, aggressive, humorous and ruthless – has changed. Crabb tells how he first lost, and then won back, the Liberal leadership, and explores the challenges that now face him today as the forward-looking leader of a conservative Coalition.
