Pimp

The first and definitive biography of one of America's bestselling, notorious, and influential writers of the twentieth century: Iceberg Slim, né Robert Beck, author of the multimillion-copy memoir Pimp and such equally popular novels as Trick Baby and Mama Black Widow. From a career as a, yes, ruthless pimp in the '40s and '50s, Iceberg Slim refashioned himself as the first and still the greatest of "street lit" masters, whose vivid books have made him an icon to such rappers as Ice-T, Jay-Z, and Snoop Dogg and a presiding spirit of "blaxploitation" culture. You can't understand contemporary black (and even American) culture without reckoning with Iceberg Slim and his many acolytes and imitators. Literature professor Justin Gifford has been researching the life and work of Robert Beck for a decade, culminating in Street Poison, a colorful and compassionate biography of one of the most complicated figures in twentieth-century literature. Drawing on a wealth of archival material—including FBI files, prison records, and interviews

with Beck, his wife, and his daughters—Gifford explores the sexual trauma and racial violence Beck endured that led to his reinvention as Iceberg Slim, one of America's most infamous pimps of the 1940s and '50s. From pimping to penning his profoundly influential confessional autobiography, *Pimp*, to his involvement in radical politics, Gifford's biography illuminates the life and works of one of American literature's most unique renegades.

'The good, bad and downright rotten parts of Australia's criminal justice system are put on trial by Dr Xanthé Mallett. With her clear-eyed logic and objectivity, this compelling book identifies reasonable doubts which must keep prosecutors and defence lawyers awake at night.' Hedley Thomas, host of the Teacher's Pet podcast We all put our faith in the criminal justice system. We trust the professionals: the police, the lawyers, the judges, the expert witnesses. But what happens when the process lets us down and the wrong person ends up in jail? Henry Keogh spent almost twenty years locked away for a murder that never even happened. Khalid Baker was imprisoned for the death of a man his best friend has openly admitted to causing. And the exposure of 'Lawyer X' Nicola Gobbo's double-dealing could lead to some of Australia's most notorious convictions being overturned. Forensic scientist Xanthé Mallett is used to dealing with the darker side of humanity. Now she's turning her skills and insight to miscarriages of justice and cases of Australians who have been wrongfully convicted. Exposing

To Shake the Sleeping Self

In the tradition of Donald Goines and Iceberg Slim comes *A Pimp's Life*, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? And even if he does choose to get out, will the streets let him go that easy?

Pimp in Distress

The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm,

psychological manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

PIMPOLOGY

The Calabrian mafia is Australia's oldest, largest and most ruthless crime syndicate, trafficking drugs worth billions of dollars and laundering the proceeds through sophisticated international networks. Enforcing discipline with age-old tools of violence and intimidation, the Calabrians have been responsible for nearly 40 murders in Australia since the mid-1970s and many more before that. Mafia families in Australia report directly to bosses in Calabria and profits are funnelled back to the mother organisation. Yet despite overwhelming evidence to the contrary, Federal and State law enforcement agencies have long assured the public that there is no Calabrian mafia in Australia. With powerful and uncompromising clarity, Evil Life shatters this myth. Drawing on court documents and unreleased intelligence reports, as well as interviews with well-informed sources, the authors reveal how the Calabrian mafia evolved from its beginnings on the north

Gospel of the Game

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. *Trick Baby* tells the story of "White Folks," a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a "Trick Baby," the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

"Thrilling, tender, utterly absorbing . . . Every chapter shimmered with truth. It's an unforgettable debut." --Cheryl Strayed
From travel writer Jedidiah Jenkins comes a long-awaited memoir of adventure, struggle, and lessons learned while bicycling the 14,000 miles from Oregon to Patagonia. On the eve of turning thirty, terrified of being funneled into a life he didn't choose, Jedidiah Jenkins quit his dream job and spent the next sixteen months cycling from Oregon to Patagonia. He chronicled the trip on Instagram, where his photos and profound reflections on life soon attracted hundreds of thousands of followers and got him featured by *National Geographic* and *The Paris Review*. In this unflinchingly honest memoir, Jed narrates the adventure that started it all: the people and places he encountered on his way to the bottom of the world, and the internal journey that prompted it. As he traverses cities, mountains, and inner boundaries, Jenkins grapples with the questions of what it means to be an adult, his struggle to reconcile his sexual identity with his conservative Christian upbringing, and

his belief in travel as a way to "wake us up" to life back home. A soul-stirring read for the wanderer in each of us, *To Shake the Sleeping Self* is an unforgettable reflection on adventure, identity, and a life lived without regret.

Let Me Pimp Or Let Me Die 2

"You pimp! You trafficker! You should be skinned alive and burned at the stake! How could you possibly exploit another sexually for your own sick financial gain? They were prostituting minors! How could they be so sick? Prison, yes prison should be where we hide you forever for the destruction of human life that you caused. Stopping you means stopping the human sex trafficking epidemic! If we incarcerate you we can stop modern day slavery!" I heard these words as I watched a group of my mentees go through their case in federal court. With RICO conspiracy charges hanging over their heads, they were presented as gang members that trafficked girls for the benefit of the gang. I knew these allegations were false. I knew these young men personally. They were not pimps and definitely not "traffickers," a new word to me that I had never heard before until now. A word that I had to learn the meaning of fast. How did I know that they weren't "traffickers"? I quickly found out that for many years of my life I myself was a trafficker. I sat in the courtroom silent, not able to speak my first-hand knowledge of "the game." Regardless of whether I knew my mentees were innocent or not, these were charges they could never shake. I listened as law enforcement experts testified from their expertise. Ha! What did they know? These were people who had never spent a single day in the subculture of pimping and prostitution. They had no clue what that life was really like and if they did they were lying on purpose to continue the mass incarceration of young black and brown lives. Yeah, that had to be it. Entering the anti human sex trafficking movement as a former

pimp and trafficker, I knew I would be alone. My past will not be taken well by many, but what other option do I have, stay quiet? Should I not educate people about domestic human sex trafficking and the pimping culture I was raised to believe was my only way of success? I can't stay quiet! I can't go off and live a normal life, glad to have survived the game. Out of 8 of my closest friends I am one of 4 still alive. The only way to help end this cycle of death and incarceration is to teach the truth from my perspective. All sides of this problem must be at the table because so far only a portion of the story is being told. This portion of the story still doesn't truly reflect the lived realities of the many women survivors that I know and love. Staying quiet is not an option for me - I'm willing to die to save future generations from this trap. This was no "game" we were playing. It was an illusion. An illusion that was pressed upon me and my entire peer group as we grew up in San Diego, California. Pimp City. To all who truly want to help fight human sex trafficking and sexual exploitation this book is needed in your arsenal. This is not a "how to" book on pimping. This is also not a book about human sex trafficking in general. This book presents a deeper understanding of the mind-frame and make-up of those involved in human sex trafficking. This book specifically deals with the pimping and prostitution subculture that has risen from impoverished communities across the United States, communities in cities like mine. This subculture can affect your family no matter what social or economic class you come from. Do you want to learn the truth so that we can really deal with the problem? Here's your opportunity.

The Pimping of Prostitution

A White Pimp In this exotic and one-of-a-kind tale, Robert Kramer relates the story of his career as a White Pimp, one of few in the "Secret Society" underworld of whores and pimps where sex is exchanged for money. Sharing his story in intimate detail, Mr. Kramer begins with his childhood, when he is adopted by a controlling and self-centered woman and her husband whom thought they were unable to have children. He quickly comes to realize he is not wanted when they are surprised by the birth of their only son and makes his escape to Atlantic City, where he gets his start in the salacious and glamorous life of pimping. Traveling from Atlantic City to New York City and then to Philadelphia in the '70s and '80s, Mr. Kramer tells of his brushes with unstable or drug-addicted hookers, revenge-bent pimps and johns, and his constant dogging by law enforcement as he manages to keep himself and his girls one step ahead of being killed or jailed. Outlandish? Exaggerated? Impossible in today's world? You decide!

An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. This book examines one of the most contested issues facing feminists, human rights activists and governments around the globe – the international sex trade. For decades, the liberal left has been conflicted as to whether pro-prostitution activists or abolitionists hold the correct view, and debates are ongoing as to who holds the key to the solutions facing the women and girls involved. Over the course of two years, Bindel conducted 250 interviews in almost 40 countries, cities and states, traveling around Europe, Asia, North America, Australia, New Zealand, and East and South Africa.

Visiting legal brothels all around the world, Bindel got to know pimps, pornographers, survivors of the sex trade, and the women being sold by men classed as 'business entrepreneurs'. Whilst meeting feminist abolitionists, pro-prostitution campaigners, police and government officials, and the men who drive the demand, Bindel uncovered the lies, mythology and criminal activity that shroud this global trade, and suggests here a way forward for the women seeking to abolish the oldest oppression. Informed by the lived human experience of those interviewed, this book will be of great interest to feminists, students, criminal justice advocates, criminologists and human rights activists.

Iceberg Slim is the name Robert Beck used in the ghetto. He was a pimp and this is his story, told without bitterness and with no pretence at moralizing - the smells, the sounds, the fears, the petty triumphs in the world of the pimp.

Whoreson

Doom Fox is the final instalment in Iceberg Slim's searing sequence of highly-charged books that began with his critically acclaimed and multi-million selling autobiography, Pimp. Slim's powerful, raw prose and eye-opening reflections of black ghetto realities have helped to redefine modern American literature, offering the reader a glimpse into lifestyles and language never before seen in print. Doom Fox tells the tragic story of three generations of the Allen family in post-war L. A. Written with Slim's typically disturbing honesty and sharp humour, it paints their lives with compassion, telling their stories in their own words, in the language of the street. The result is another riveting and potent urban parable, a bitter commentary on a society that has as its core a legalized policy of discrimination.

Shetani's Sister

The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House. From the late 1960s until it closed in 2008, Holloway House specialized in cheap paperbacks with page-turning narratives featuring black protagonists in crime stories, conspiracy thrillers, prison novels, and Westerns. From Iceberg Slim's Pimp to Donald Goines's Never Die Alone, the thread that tied all of these books together—and made them distinct from the majority of American pulp—was an unflinching veneration of black masculinity. Zeroing in on Holloway House, Street Players explores how this world of black pulp fiction was produced, received, and recreated over time and across different communities of readers. Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society—and the appeal of black masculinity as a way to counter it. In essence, it was the original form of

Free Reading Pimp The Story Of My Life

blaxploitation: a strategy of mass-marketing race to suit the reactionary fantasies of a white audience. But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature, from 1973 onward, Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers. The standard account of this literary phenomenon is based almost entirely on where this literature ended up: in the hands of black, male, working-class readers. When it closed, Holloway House was synonymous with genre fiction written by black authors for black readers—a field of cultural production that Nishikawa terms the black literary underground. But as *Street Players* demonstrates, this cultural authenticity had to be created, promoted, and in some cases made up, and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored.
