Death Without Company

A sensation in France, this is a story about literary deceptions, family secrets, and a thrilling quest for

the truth Who is the real author of *The Black Insignia*? Is it H. R. Sanders, whose name is printed on the cover of every installment of the wildly successful young adult adventure series? Or is it Daniel Roche, the enigmatic world traveler who disappears for months at a time? When Daniel's great-niece, H  l  ne, moves to Paris to study archeology, she does not expect to be searching for answers to these questions. As rumors circulate, however, that the twenty-fourth volume of *The Black Insignia* series will be the last, H  l  ne and her friend Guillaume, a devoted fan of her great-uncle's books, set out to discover more about the man whose life eludes her. In so doing, she uncovers an explosive secret dating back to the darkest days of the Occupation. In recounting the moment when one history began and another ended, *The Travels of Daniel Ascher* explores the true nature of fiction: is it a refuge, a lie, or a stand-in for mourning?

The Tomb

An ancient vengeful spirit attempts to return through the body of a terrified young woman in this horror classic by an award-winning "master of the genre" (*Rocky Mountain News*). Phony psychic and conman Harry Erskine never really believed in the occult until Karen Tandy approached him with a rapidly growing tumor on her neck, complaining of dark and disturbing dreams. When the mass is revealed by doctors to contain something living, the stakes skyrocket—not only for Karen and Harry but for all humanity. Something terrible is returning from the shadows to which it has been confined for centuries—a Native American monstrosity determined to destroy every vestige of the white race that oppressed and preyed upon America's Indians. And unless a motley group of ill-prepared defenders can harness an ancient native magic, there will be no stopping the malevolent shaman's terrible rebirth—and

no escaping the wholesale carnage it will engender. The Manitou introduced the great Graham Masterton to the canon of horror, instantly placing him among the genre's elite. A longtime favorite for its bold originality, unrelenting creepiness, supernatural shocks, and otherworldly surprises that would have made H. P. Lovecraft proud, Masterton's classic continues to stand tall alongside Stephen King's *Carrie*, Peter Straub's *Ghost Story*, and other unforgettable literary horror debuts.

The Gone World

National Jewish Book Award Winner! The New York Times bestselling author of *A Fierce Radiance* and *City of Light* returns with a new powerful and passionate novel—inspired by historical events—about two women, one European and one American, and the mysterious choral masterpiece by Johann

Sebastian Bach that changes both their lives. In the ruins of Germany in 1945, at the end of World War II, American soldier Henry Sachs takes a souvenir, an old music manuscript, from a seemingly deserted mansion and mistakenly kills the girl who tries to stop him. In America in 2010, Henry's niece, Susanna Kessler, struggles to rebuild her life after she experiences a devastating act of violence on the streets of New York City. When Henry dies soon after, she uncovers the long-hidden music manuscript. She becomes determined to discover what it is and to return it to its rightful owner, a journey that will challenge her preconceptions about herself and her family's history—and also offer her an opportunity to finally make peace with the past. In Berlin, Germany, in 1783, amid the city's glittering salons where aristocrats and commoners, Christians and Jews, mingle freely despite simmering anti-Semitism, Sara Itzig Levy, a renowned musician, conceals the manuscript of an anti-Jewish cantata by Johann Sebastian Bach, an unsettling gift to her from Bach's son, her teacher. This work and its disturbing message will haunt Sara and her family for generations to come. Interweaving the stories of Susanna and Sara, and their families, *And After the Fire* traverses over two hundred years of history, from the eighteenth century through the Holocaust and into today, seamlessly melding past and present, real and imagined. Lauren Belfer's deeply researched, evocative, and compelling narrative resonates with emotion and immediacy.

The Likeness

Thomas More: Utopia/ Francis Bacon: New Atlantis/Henry Neville: The Isle of Pines With the publication of Utopia (1516), Thomas More introduced into the English language not only a new word, but a new way of thinking about the gulf between what ought to be and what is. His Utopia is at once a scathing analysis of the shortcomings of his own society, a realistic suggestion for an alternative mode of social organization, and a satire on unrealistic idealism. Enormously influential, it remains a challenging as well as a playful text. This edition reprints Ralph Robinson's 1556 translation from More's original Latin together with letters and illustrations that accompanied early editions of Utopia. Utopia was only one of many early modern treatments of other worlds. This edition also includes two other, hitherto less accessible, utopian narratives. New Atlantis (1627) offers a fictional illustration of Francis Bacon's visionary ideal of the role that science should play in the modern society. Henry Neville's The Isle of Pines (1668), a precursor of Defoe's Robinson Crusoe, engages with some of the sexual, racial, and colonialist anxieties of the end of the early modern period. Together these texts illustrate the diversity of the early modern utopian imagination, as well as the different purposes to which it could be put. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Lost Starship

His fans include Stephen King, Michael Connelly, Tess Gerritsen, Ian Rankin, and Louise Penney. He has won acclaim and numerous international prizes and awards, including the Edgar. Now celebrated New York Times bestselling author Peter Robinson, one of the greatest suspense writers of our time, demonstrates his mastery once again in this powerful mystery in which legendary detective superintendent Alan Banks is confronted with a pair of perplexing crimes. Two suspicious deaths challenge DS Alan Banks and his crack investigative team. The body of an attractive young woman dressed in evening attire is found in an abandoned car on a country road. The death looks like suicide, but there are too many open questions for Banks and his team to rule out foul play. The car didn't

belong to her—it was badly damaged in an accident involving the vehicle’s owner a week earlier in the same spot. So how did the dead girl get inside the car? Did someone place her there, and if so, why? Where—and when—did she die? While Banks attends the postmortem, DI Annie Cabot is at the scene of another death. A well-dressed man in his sixties has been found in a gully high up on the wild moorland. His injuries were fatal and consistent with those sustained in a fall. Was it an accident—did the man get too close to the edge and slip? Was he pushed? The man was wearing an expensive suit. What was he doing in a rocky spot popular with hikers? There are no signs of a vehicle near where he fell. How did he get there? Banks’s and Cabot’s cases share a few curious similarities. Both of the dead were found in the same area of the moorlands. Both were elegantly dressed. The timing of their deaths coincided. And neither carried identification. As the police uncover who these people were and begin to look into their lives, inconsistencies multiply and the mysteries surrounding the two cases proliferate. Then a source close to Annie reveals a piece of information that rocks the Eastvale detectives working both investigations. An old enemy has returned in a new guise—a nefarious foe who will stop at nothing, not even murder, to get what he wants. With the stakes raised, the hunt is on. But will Banks and his crack squad be able to find the evidence to stop him in time?

Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real-world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. The Magician's Land Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex—and far more dire—than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts, like

Antarctica and the Neitherlands, and old friends he thought were lost forever. The Magician's Land is an intricate and fantastical thriller, and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.

In a land of shamans and brutally cold nights, oligarchs wealthy on northern oil, and sea monsters that are said to prowl the deepest lake in the world, Renko needs all his wits about him to get Tatiana out alive. In the latest continuation of his unforgettable series, he brings us to the inside world of shadowy political figures and big wig oil oligarchs providing us with an authentic view of contemporary Russia, infused with his trademark wit.
