SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright's Native Son, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and Bangkok 8 in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Strike It Rich with Pocket Change

The cinema of Japan predates that of Russia, China, and India, and it has been able to sustain itself without outside assistance for over a century. Japanese cinema's long history of production and considerable output has seen films made in a variety of genres, including melodramas, romances, gangster movies, samurai movies, musicals, horror films, and monster films. It has also produced some of the most famous names in the history of cinema: Akira Kurosawa, Hayao Miyazaki, Beat Takeshi, Toshirô Mifune, Godzilla, The Ring, Akira, Rashomon, and Seven Samurai. The Historical Dictionary of Japanese Cinema is an introduction to and overview of the long history of Japanese cinema. It aims to provide an entry point for those with little or no familiarity with the subject, while it is organized so that scholars in the field will also be able to use it to find specific information. This is done through a detailed chronology, an introductory essay, and appendixes of films, film studios, directors, and performers. The cross-referenced dictionary entries cover key films, genres, studios, directors, performers, and other individuals. This book is an excellent access point for students, researchers, and anyone wanting to know more about Japanese cinema.

Hard work and one or two lucky breaks brought her the professional success she longed for, and she sang for audiences in theatres and luxury hotels across the Caribbean, Britain, Hong Kong and Portugal during a career which has lasted from her teens right into her seventies. She has shared a stage with some of the great names of showbiz, including Shirley Bassey, Elaine Page, Kenny Rogers, Sammy Davis Jr, Ella Fitzgerald, Sarah Vaughan, Bette Midler and Aretha Franklin. Now settled in Portugal, she has sung in most of the large casinos and hotels in the Algarve. In 2010 she was inducted into the Bermuda Music Hall of Fame. This is her story. ?I always knew I wanted to be a star. By the time I was two years old I was driving everyone in the family mad, singing and dancing wildly about the house??ÿ

When the Music Stopped

Viewed by more fans than either the World Series or the Super Bowl, college basketball's championship series is the single biggest sporting event in America today. This is the most comprehensive source on the sport, covering not just the 17-day NCAA championship, but every aspect of college basketball in the U.S. as well. 200 photos.

Categorically arranged (action-adventure, cartoons, circus and magic, comedy, fun and games, information, kindly hosts and hostesses, puppets and marionettes, westerns, and specials), over 200 children's shows are detailed here. Entries provide broadcast times and dates, network and alternative titles within a narrative history.

Hi, My Name is Pinky

Formally titled "General of the Army," the five-star general is the highest possible rank awarded in the U.S. Army in modern times and has been awarded to only five men in the nation's history: George C. Marshall, Douglas MacArthur, Dwight D. Eisenhower, Henry H. Arnold, and Omar N. Bradley. In addition to their rank, these distinguished soldiers all shared the experience of serving or studying at Fort Leavenworth, Kansas, where they gained the knowledge that would prepare them for command during World War II and the Korean War. In *Generals of the Army*, James H. Willbanks assembles top military

historians to examine the connection between the institution and the success of these exceptional men. Historically known as the "intellectual center of the Army," Fort Leavenworth is the oldest active Army post west of Washington, D.C., and one of the most important military installations in the United States. Though there are many biographies of the five-star generals, this innovative study offers a fresh perspective by illuminating the ways in which these legendary figures influenced and were influenced by Leavenworth. Coinciding with the U.S. Mint's release of a series of special commemorative coins honoring these soldiers and the fort where they were based, this concise volume offers an intriguing look at the lives of these remarkable men and the contributions they made to the defense of the nation.

The Great Television Heroes

The Everything Sign Language Book

He challenged his troops. He confounded presidents. He inspired a nation. Along the way?through three wars?he helped shape the world. Never has a soldier relished the role and responsibility as did Douglas MacArthur. From the Western Front of World War I to his grand return to the Philippines in World War II, MacArthur embodied the strength and spirit of the U.S. Army in the first half of the twentieth century. When he was relieved of command during the Korean War, he returned home to the largest ticker-tape parade New York City had ever thrown. Biographer Mitchell Yockelson describes the life of a leader at once human and larger-than-life. Famous for the words, "I shall return," MacArthur devoted his career to honoring the admonition of his grandfather: "You must also be a gentleman and scholar and above all else, honorable."

Buck's Tooth

Over the Airwaves

The author draws on the journals of her Italian grandfather, her mother's poetry, Sicilian folklore, and her own life story to relate how immigration and assimilation marked her family

Media International Australia

Feeling like a misfit because of his single large buck tooth in a family that has two front teeth, Buck the beaver enters a talent contest and tries to discover a talent that will not be challenged by his tooth. Simultaneous eBook.

Meanings of the Medium

Meanings of the Medium takes a new approach to the study of the past, present, and future of television. Most of its authors are not media experts but literary critics, philosophers, rhetoricians, and historians. They use their unique skills to examine three interwoven themes: the origin and meaning of American attitudes toward television, the relationship between "high" art and television's popular art, and the relationship between particular kinds of programs and the audience's sensibilities. Stressing an aesthetic and historical approach, the volume directs itself to the reasons why people watch particular programs and what these patterns tell us about ourselves.
