Wicked All Night

Half man, half animal, a Shadow Shifter is sworn to protect females-human or otherwise-from the savage fury of his own nature Rich, handsome, and successful-hotel magnate Sebastian "Bas" Perry could have any woman he desires. But despite his animal attraction to women, he avoids relationships at all costs. As a Shadow Shifter, he must defend innocent humans from the deadliest of his kind. And the most dangerous game of all is falling in love It takes a special kind of woman to hunt a predator, to tame the beast-and to capture a man's heart Priya Drake is an ambitious reporter hungry for a story. At a presidential fundraiser, she sets her sights on the mysterious and magnetic Bas Perry, a man with a secret she's determined to uncover. Stalking her prey back to his hotel, the hunter soon becomes the hunted-

when Bas takes her in his arms and unleashes the animal within. For Priya, it is more than a night of wild, reckless passion. It's the story of a lifetime. But can she betray the man she loves? in *Shifter's Claim* by A.C. Arthur. "The shifter universe just got sexiersizzling!"-RT Book Reviews

If She's Wicked

They came to earth-Pestilence, War, Famine, Death-four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed. Too bad no one told her Pestilence can't be killed. Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her and hers towards him. And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

With the convergence date looming closer, Abigail's in the final countdown to imprison the Seventine. It is do-or-die time, and she is determined that the Seventine will be the ones who die, figuratively speaking. Her current priorities: gather the Dronish half-Walker female and reform her melding bond

with Brace. Dronish is a world more alien than any other Abigail has ventured through, which is really saying something. But it's also a dying land. The inhabitants are running out of energy and there's little hope for their survival. Of course, that makes it very hard to convince Sapha – the half-Walker – that she should help save the star system. If her world is doomed already, she doesn't care much about the rest. Okay, task one is going to be tougher than Abigail anticipated, but at least reforming the bond should be easy ... right? Of course, that was before she met with the lalunas. Now she knows that both items on her to-do list have jumped right into the realm of impossible.

Wrath of The Gods

Maddison James is about to discover some truths about the world. Firstly supernaturals exist. WTF? Secondly she is one, even though no one seems to know exactly what kind. Double WTF. Thirdly she's about to go back to school. Well, things just got a little more interesting. The Supernatural Academy is where shifters, vampires, magic users, and fey are educated. Where they are taught about their abilities, and how to function in the human world. Maddison already has the human part down, but this supernatural thing is an entirely new dangerous game. Example one: mean girls who can actually turn you into a frog. Example two: Asher Locke, a god at the Academy. Not literally well, who knows for sure. He certainly acts the part, as do all of his minions who worship him. Asher drives her crazy, because apparently gorgeous and arrogant is her thing. Sparks fly between them, and the more they're thrown together, the more Asher is determined to figure out what's been blocking her abilities. Until the moment the truth is revealed, and they find out nothing in this supernatural world is what they thought. Including each other. Supernatural Academy is 105k words, full length urban fantasy story.

Escaping Destiny

This set includes all four books in the Secret Keepers series. Ready to break the rules? Emma, Callie, Maya, and Avalon have a few things in common: 1. They're all part of a secret society that exists within the human world. 2. They're big fans of Converse, great food, and sarcasm. 3. They're about to find themselves co-existing alongside some of the most alpha, frustrating, gorgeous men in both worlds. Yeah, that's right. Two worlds. Two worlds that might end if someone isn't ready to break the rules. Lucky these four have never been a huge fan of rules, and together with the overlords, they're going to figure out how to save everyone. Or die trying. **This paranormal romance series is over 350k words, filled with strong, sarcastic women and alpha men. **

Broken Legacy

Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them. Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world—a position that she definitely did not earn. Under the

sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series

Pestilence

You have been chosen. Those four words change Violet Spencer's whole life, when against staggering odds, she's selected in the "princess ballot." Arbon Academy is affectionately known as the school for Royals. Only the rich, powerful, or heir to a throne gain entry except for the one scholarship student accepted every five years. It's a worldwide lottery, and one that Violet entered without giving it any serious thought. But the media got it wrong and Arbon Academy is much more than a simple college for future leaders. It's a dark world of politics, intrigue, and dangerous guys who will stop at nothing to get their own way. Despite her best efforts at remaining off the radar, Violet finds herself a pawn between two of the most powerful monarchies in the world. Prince Rafe of the Switzerlands and Prince Alex of the Australasias are bitter enemies both on the soccer field and in the political arena. Monarchies rule the world now, and every waking breath is a competition for the princes. Control the ball. Control the world. Control Violet. Whether it's through love or hate, someone will ultimately win.*This is book one in a dark college romance. It includes a-hole princes, nasty princesses, and one chick who will take none of their sh!t, all the while doing her best to make it out alive. HEA guaranteed. Eventually. 17+.

She's my last chance. Those four words echo in Violet Spencer's mind, tugging at her curiosity even as rage builds within her. Arbon Academy was supposed to be a bright new start. An opportunity for greatness, and something an orphan girl could only dream of. For a while there, it seemed to be exactly that. But Violet's bright future is suddenly looking dim. Arbon Academy and Prince Alex are nothing but a facade. A trap. In a sinister world of ballgowns and backstabbing, of perfumes and politics, of indulgent parties and illegal sword fights, Violet now faces the biggest challenge of all. Recovering her shattered heart from the prince who crushed it. Supported by her new friends, Violet wants to make Alex feel the pain of his betrayal. Prince Rafe wants nothing more than to help make that happen, but things aren't always so straightforward. Don't break tradition. Don't let them know you know. Don't lose your heart again. These rules will keep Violet alive. But at what cost?

Crown Princess Academy

This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal

Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

Delivering Evil for Experts

In the stunning conclusion to the Supernatural Prison trilogy, Jessa Lebron finds herself deep in the world of Larkspur, the dragon king. She will have to play it smart and fight with everything to stay one step ahead of him and while at times it's tough to keep her focus, she will do anything to escape and reunite with her boys, the Compass quads. Of course, it's impossible to be where she is and not dig deeper into the curse of the dragon mark. As more information is uncovered, she starts to understand why she, of all supernaturals, was the one to be singled out. And this changes everything she thought she knew. Turns out she doesn't know a damn thing. There will be decisions to make. Tough decisions. Jessa has to be strong enough for the sake of the supernatural races, but sometimes that's easier said than done.

Hunting Fiends for the Ill-Equipped

I thought I'd seen evil, but with each step closer to my parents' murderer, I'm uncovering a different sort of villainy, piece by hidden piece. I've stumbled into an insidious web that silently, secretly ensnares everything it touches. My demon and I came as the hunters but I think we might be the prey.

Beast of Shadow & Light

When Emma moves to Astoria, Oregon, she is given two rules: #1 - Don't cross to "their" side of the street. #2 - Don't mess with the elites, especially Lexen Darken, top elite and resident bad boy. While she finds this both weird and insulting, Emma has no actual intention of breaking these rules - until her guardians go missing. Now all bets are off. Only a single line separates her side of the street from the elites', and she's crossing it. Captured and held by Lexen and his brothers, she learns the rules are in place for a very good reason. There's a secret world hidden in this small town which goes far beyond the one she knows and understands. A world not for humans.

Taunting Destiny

Set in New York Times bestselling author Jeaniene Frost's Night Huntress World, ancient deities are poised to wreak havoc, unless vampires Veritas and Ian can stop them ... in this thrilling Night Rebel novel! A gift from the gods... Veritas and Ian have finally defeated their worst enemy, but the power it

Dragon Marked

International, award winning, Amazon top 20 Bestselling author! She's a war I cannot win. She's our salvation. Erie is the one creature that can save my race from dying out. The thing is, we broke her, but we broke the wrong parts. Now, the only thing that girl craves is revenge and a need to destroy with a rage that burns hotter than the fires of Hell. I've loved her longer than she has been alive. She's in my veins, and this is one war I cannot afford to lose against her. He's a battle I'm willing to fight. They say nothing worthwhile comes easy, that if you want something bad enough, you have to fight to get it. They're idiots. They say love is a battlefield, and they were right about that, but this isn't a battle of wills. It's a battle to the death. He thinks I can be saved. I don't want to be saved; I want to destroy everything and everyone that ever hurt me. I want the world to feel my pain, to taste my rage. I'm not their savior; I'm their damnation. I don't want to be saved by him or his kind. I'm the War they won't see coming until I'm on top of them, waging it against them. I am Erie, and I'm going to set the world on fire and walk through the ashes of those who have wronged me. Warning: Erie isn't a hero; she's the antihero in this story. This isn't a love story. It's a dark and twisted battle of wills and bare bones. They're going to war against one another, and it will be brutal, chaotic, and beautiful. So if you're not into dark re-telling of

Supernatural Academy

This is the complete set of the top 10 Amazon best selling Dark Legacy series. Includes Broken Wings, Broken Trust, Broken Legacy, and a BONUS never before seen epilogue. They rule my new town, my school, and with more money than God, there's very little out of their reach. Four gorgeous, perfect, scary boys. There used to be five, but one of them died, leaving a fifth position that I now fill. I didn't ask for this. I didn't want to be part of this billionaire-boys-club. But no one cares about what I want. Sebastian Beckett is the worst of them. Their leader. He draws me in, and strips me of every defense I have. He calls me Butterfly, but it's not a pet name, it's a threat. Beck wants nothing more than to break my wings, pin me to a board and watch me writhe. He wants to see me broken. Body, heart and soul. And what these elite want, they get. Only they've never met Riley Jameson. Let the battle begin. *This dark contemporary romance features one girl and four sexy, dangerous boys but is NOT a reverse harem.*

Embrace the Darkness

My heart hasn't beat in a thousand years. I haven't uttered a word in prison, and the guards keep their distance. If they get too close, they die--until at last, my magic binds my soul to another. Unfortunately, the person destined to save me is a Night Elf--the enemy of my kind. And yet, when I see her in the cell

across from mine, an ember starts to burn in my chest. When we escape together down the palace walls, it's almost like I can feel again. As we journey to find the magic that will save us both, attraction simmers between us. But I keep my secrets close. Because if she finds out what I am, she will find a way to kill me--even if it means sacrificing herself to do it.

Dronish

There are two things Charlie Bennett despises: bullies and vampires. Which in her experience, is really the same thing. After the battle with the Quorum, she's left with no other option. The vampire's rule must end. But when more shocking secrets are uncovered Charlie wonders if she'll be alive long enough to follow through with her plan.

Annihilate

He's one of the most powerfully sexy men she has ever met. He's a jaguar out to claim and protect his mate. Washington D.C. police officer Kalina Harper still dreams about that night, two years ago, when a huge jaguar saved her from a crazed attacker. Although she kept the truth to herself, Kalina can never forget the ferocious strength of the beast's fangs and claws--or the raw animal hunger in its eyes. Until she meets Roman Reynolds Muscular, magnetic, and all man, Roman is a high-powered attorney with a predatory smile and seductive charm. He is also a criminal suspect with suspicious connections to the Amazon jungle. But when Kalina discovers that Roman is linked to a secret race of shapeshifting

jaguars--who hunt down maneaters--she is forced to put her trust in a man who unleashes her wildest fantasies and fears. A fierce creature of the night whose nature is to protect his female at any cost

Blood Singers

When the formidable power of Jessa Lebron's mark was unleashed, during her impulsive foray into Vanguard, the American supernatural prison, she learned the truth. She's a dual shifter: wolf, and as an added bonus, dragon - of the fluffy persuasion. Yep, she's one special cupcake. Now, pursued by the Four, powerful hunters of the dragon marked, she has no choice but to run. At least she has her impossibly gorgeous and infuriating best friends by her side, the Compass quads. Not only are they powerful and hella useful in a fight, but most of the time they're also semi-entertaining too. With only one month left until the supposed resurrection of the dragon king, this pack will find out soon enough what happens in the world of the dragon mystics.

Dragon Mated

They all made a terrible mistake. One they will pay for. For the past ten years I've been a victim. A victim to my pack. A victim to my true mate, who rejected me in the most brutal of ways. And a victim to Shadow Beast, who used me for his own gains. Or did he? The beast of mystery never reveals his whole hand, but one thing is for sure? In my time with him, I've changed. Now I will no longer walk the path dictated by the powerful men in my life. Never again will I let my strength be taken from me. I must

evolve or die. And we all know, with a choice like that, there's really only one answer.* Reclaimed is book 2 of 3 in the Shadow Beast Shifters series, and ends on a cliffhanger. If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you. It's full length (100k) words and is recommended for 18+ due to language and sexual situations.

Shifter's Claim

I should warn you, I'm not a good person. I tried to be goodnormal. But the darkness can't be suppressed forever. Six years ago, I walked away from the family. Now, I must go back. I have no choice. But things will be different this time. I'm stronger, smarter, and I refuse to submit in a world ruled by dangerous men. My name is Maura Quinn. I'm the Banphrionsa--Princess in my father's dark kingdom of crime. Everyone has a story. Even the bad guy. So proceed with caution because this is my descent or my rise. It depends on how you look at it. But most of all, this is how I embrace the darkness.***
Warning: This is a dark and twisted tale with violence, foul language, and sexual content. May contain triggers.***

King of Hell

From USA Today Bestselling Author, Jaymin Eve, comes a new chapter in the Supernatural Prison World Maximus Compass is a vampire without direction. Without heart. And without soul. He lost his true mate in the great battle against the dragon king, and now must face life alone. And yet something is

happening to his agony. It's fading away, leaving him with barely a memory of the female he believed to be his one and only. As his mind clears he starts to wonder if the mate bond had been nothing more than a manufactured ploy? This suspicion explodes within him right around the time he runs back into a certain wolf shifter. Mischa Lebron is a complication he doesn't need in his life. He can't erase her from his mind though, and while memories of his supposed true mate continue to fade into mere shadows, his one night with Mischa is blazingly strong. But they're not of the same supernatural race, so there's no way for a true bond to exist between them. Right? When an old threat rips apart their pack, Maximus will come to realize that he would do anything to save Mischa. That the mate he thought was perfect and precious was nothing on the shifter he walked away from. Now Maximus truly has everything to lose. Note from author: Broken Compass is a spinoff set within the Supernatural Prison World. Told in dual POVs from Maximus Compass and Mischa Lebron. This is full length and standalone with a HEA. You do not need to read the Supernatural Prison trilogy first.

House of Darken

Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having opinions, and she isn't very good with rules-but none of that matters anymore. The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help her out-until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive. Because someone wants her

dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 of 5 in the Curse of the Gods Series

Releasing The Gods

Evelyn thought she was ready for anything. After a stint in the military, she was finally about to finish college when the Devil showed up. Yeah, that Devil. Lucifer. The King of Hell. So, of-freaking-course, she did what anyone else would do if Lucifer showed up. She shot him. And then he almost died.

Almost. Lucifer had it all, a super high-end liquor collection, powerful connections, and more power than the entirety Heavenly Host, but the one thing he didn't have was love. And he didn't think he needed it until Evelyn shot him in the stomach and nearly killed him. Now, in order to find out how she did it, he'll have to break his number one rule. Never get emotionally involved with humans.

Passion's Prey

I promised to avenge my parents. But their killer is still on the loose, and he's stolen more than my parents' lives. Now, as he draws closer to his mysterious goals, he's poised to destroy what little I have left. I promised to translate an ancient grimoire. But it holds the secrets of my family--and the secret history of demon summoning. I fear its answers as much as I need them. Who was the foremother of Demonica and who am I? I promised to send my demon home. But the way he watches me, the way he protects me, the way he touches me--how can I cast him away forever? I swore I would do this for him,

Dark Legacy

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

Cursed Prince

Her blood sings to them; a melody no supernatural can ignore. Vampire/shapeshifter paranormal romance novel.

Siren Condemned

It's time for the dragon marked to rise. Jessa Lebron doesn't have a lot to complain about. Her father is the alpha of their wolf pack, she lives in Stratford, a protected supernatural prison town, and her best friends, the Compass quads, are the strongest dudes of the four races: shifter, vampire, fey, and magic.

user. Yep, life is pretty much exactly how she wants it. Until the fateful day, just after her twenty-second birthday, when the mother who abandoned her, returns to the pack bearing secrets that change everything. The biggest secret of all: Jessa is dragon marked, a designation that places her in grave danger. For a thousand years, every supernatural child born with the mark was eliminated to prevent the rise of the dragon king, a fearsome ancient warmonger. In a bid to learn more about her fate and how to avoid the hunters, Jessa finds herself locked in Vanguard, the notorious supernatural prison. Thankfully she's not alone. Braxton Compass, the most feared of the dragon shifters, is right there with her. Together they'll have to survive long enough to free themselves and the other dragon marked. Before the king rises. *Note from author: this story was previously published by Skyscape. There are no changes to this version.

#NeverTrustATitan Maisey thought the worst thing to happen to her was Insta shaming or a midnight shift at the Crab Shack. Until she got dragged into the world of the gods. Or more specifically, the world of one very annoying, bad at sarcasm, sex on legs, Titan. Cronus was everything she never knew she wanted, or needed, in her life. And then he just left. Left her alone, with no idea what's happening to the world, what's happening with the sins. Only someone miscalculated. Whether it was Cronus or the fates, there's no way they can do this without Maisey. Turns out, she's the most important piece

Adam and I are both going through identity crises of epic proportions as we Transition from who we were, and discover who we were meant to be. More Fae are dying, and I feel as if time is running out for us to find all of those responsible and put an end to the killings. The people I thought I could trust have betrayed me and the one person I should absolutely not trust; is taking me deeper and deeper into his world. Ryder's secrets are dangerous and devastating. With each touch and word, he pulls my heart closer to himself and at the same time he is trying to keep me at arm's length. The dance he and I have begun, is getting more complicated as our worlds are being shaken from all sides, and the visions of the future are frightening, and nothing like I had ever pictured for myself or those I care for. This time, destiny is taunting me. I had always thought that I controlled my destiny. Now, my rights are being taken from me by powerful people and leaving me with alternatives that range between bad and awful. This time, the choices I have to make can decide the fate of both worlds. Everything is unraveling, and nothing will ever be the same again. -Synthia

They're my boys now - the four heirs of Delta. Together we're a team a family. Five broken, brutal, possibly sociopathic people, and we are all that stands between the world and the powerful, corrupt Delta corporation. We have no idea what we're doing, but somehow we are determined to stop them. Permanently. We just need leverage irrefutable evidence of their corruption. And we need it now. Before the vote that will change everything. Only there are a few other issues to deal with first. Dante in prison for murder, blood coated roses showing up on my doorstep, and my bio-mom reaching all new levels of insanity. For the first time we might be completely out of our depth but we won't give up. Not until the

It all started with a dare. A single dare on Maisey Parker's twenty first birthday and her entire life changed. One second she was getting drunk with her friends, and the next she was climbing a cliff, cutting her hand, and accidentally offering a blood sacrifice that opened a thousand year old prison. A prison that contained the only living Titan. One too powerful to kill. One that wants nothing to do with being attached to Maisey. Cronus has an old score to settle with the Greek Pantheon. Lucky she has some sick days saved up at work, because Maisey is dragged along whether she likes it or not. A decision Cronus no doubt regretted right around the time she makes a colossal mistake, unleashing an untold evil on the world. Now they're in a race against the clock to resurrect the other Titans, the only beings who can contain the evil. They're the world's last hope. And Maisey's.

A “master class in storytelling and survival.” —Publisher’s Weekly (starred review) Welcome to The Slaughtered Lamb Bookstore and Bar. I’m Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche,

demon, or fae. No wolves, though. Ever. I have my reasons. I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found. A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass. I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming. *** The reviews are in: "Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (starred
