With or Without You

HOW TO MEET WOMEN It's early 2016, and divorced, liberal-minded Martin is having trouble meeting women. He reluctantly agrees to some coaching from Rob, his Trump supporting brother-in-law. Skeptical at first, Martin's romantic life improves immediately. Maybe Rob and his "red pill" dating strategies aren't so backward after all. But after Trump's surprise victory in the presidential election, Martin's newfound romantic skills are put to the test. Can he still find love in the midst of #metoo and #resistance? Is there any love left to find?

Inappropriation

Whether it's with online dating 'arrangement' sites, regular online dating sites, or out in certain areas, there are risks as well as excellent opportunities In this guide, Player Mastermind introduces you to the best understandings and approaches for picking up strippers, escort girls and porn stars along with explaining the game at its most foundational level With the growth of 'the red pill' and similar such groups among men there is a growing realisation that life is very different in dating for 'alpha males' compared to everyone else. In this book, Player Mastermind introduces you to the process of transforming into an alpha male with women and shows you, in uncompromising examples, how this differs from the majority of men who are paying for it, trying too hard and competing with each other over women. From the author of Online Dating: Expert Tinder Strategy and Sex Tips For Men This volume

presents the most foundational theory level of game for those few ready to learn.

Bitter Pill

This chilling and intense novel tells the story of a solitary young woman drawn into an online world run by a charismatic web guru who entices her into impersonating a glamorous but desperate woman. Now a series on Netflix. A sheltered young woman raised by a single mother, Leila often struggled to connect with the girls at school. On an internet community for philosophical and ethical debate, she finally comes into her own, and is flattered when the website's brilliant, charismatic founder invites her to be part of Project Tess. Communicating only through online channels, Leila immerses herself in Tess's world. She must learn every detail about this other woman's life: her mother's birthday, her favorite songs, her best friends, her first kiss. Because soon, Leila will have to become her. And Tess will disappear. FINALIST The Guardian First Book Prize British National Book Award--New Writers Award

On the Beach

'The book I wish I'd written? Whatever Hari Kunzru is publishing next' Aravind Adiga From the author of White Tears comes a breathtaking, state-of-the-world novel about one man's struggle to defend his values and create a reality free from the shadows of the past. 'From now on when you see something, you're seeing it because I want you to see it. When you think of something, it'll be because I want you to think about it...' And with those words, the obsession begins. A writer has left his family in Brooklyn for a three month residency at the Deuter Centre in Berlin, hoping for undisturbed days devoted to artistic absorption. When nothing goes according to plan, he finds himself holed up in his room watching Blue Lives, a violent cop show with a bleak and merciless worldview. One night at a party he meets Anton, the charismatic creator of the show, and strikes up a conversation. It is a conversation that leads him on a journey into the heart of moral darkness. A conversation that threatens to destroy everything he holds most dear, including his own mind. Red Pill is a novel about the alt-right, online culture, creativity, sanity and history. It tells the story of the 21st century through the prism of the centuries that preceded it, showing how the darkest chapters of our past haunt our present. More than anything, though, this is a novel about love and how it can endure in a world where everything else seems to have lost all meaning. Praise for White Tears 'Exquisitely attuned' Washington Post 'Electrifying, subversive and wildly original' TheNew Yorker 'A book that everyone should be reading right now' TIME Magazine 'Haunting, doom-drenched, genuinely and viscerally disturbing' The Independent

Yertle the Turtle and Other Stories

A revealing trip down the rabbit hole of conspiracy theories -their appeal, who believes them, how they spread -with an eye to helping people deal with the alt-right conspiracists in their own lives. Conspiracy theories are killing us. Once confined to the fringes of society, this worldview now has adherents numbering in the millions -extending right into the White House. This disturbing look at this alt-right threat to our democratic institutions offers guidance for counteracting the personal toll this destructive mindset can have on relationships and families. Author David Neiwert -an investigative journalist who has studied the radical right for decades -examines the growing appeal of conspiracy theories and the kind of personalities that are attracted to such paranoid, sociopathic messages. He explains how alt-right leaders are able to get such firm holds on the imaginations of their followers and chronicles the destruction caused by the movement's most virulent believers. Colloquially, this recruitment to alt-right ideologies is called "getting red-pilled" -a metaphor for when believers of conspiracy theories become convinced that their alternate universe is real. Uniquely, and optimistically, Neiwert provides a "blue pill toolkit" for those who are dealing with conspiracy theorists in their own lives, including strategies drawn from people who counsel former far-right extremists who have renounced their former beliefs.

Homeland Elegies

As Christianity, the world's most popular religion, approaches its 2,000-year anniversary, more have begun to question mainstream dogma than ever before. Whether political corruption, scientific fraud, medical tyranny, or many other topics, humans are waking up to the fact that much of what they were promised to be true was instead deception-lies meant to cloud the truth and give power to those who deceived them. This realization has caused many to question whether global warming is a man-made phenomenon. It has caused millions of parents to reconsider vaccines-once considered a sacrosanct rite of passage for any newborn child. What if the Christianity we were taught was similarly misrepresented? Within a few hundred years after the resurrection of Jesus, distortions began to creep into Christianity from the pagan belief systems which surrounded it. Over the course of hundreds of years, man-made doctrines have accumulated and warped the Christian faith so drastically many of its early believers would scarcely recognize it. The world's most popular religion is a far cry from the message Jesus preached through villages and towns during his ministry. For those unafraid to look, Red Pill Gospel peels back the layers of lies man has added to the gospel and reveals the beautiful hope inside.

Going Dark

"With or Without You is a moving novel about twists of fate, the shifting terrain of love, and coming into your own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art." —Madeline Miller, author of Circe After almost twenty years together, Stella and Simon are starting to run into problems. An up-and-coming rock musician when they first met, Simon has been clinging to dreams of fame even as the possibility of it has grown dimmer, and now that his band might finally be on the brink again, he wants to go on the road, leaving Stella behind. But when she falls into a coma on the eve of his departure, he has to make a choice between stardom and his relationship—and when Stella wakes a different person, with an incredible artistic talent of her own, the two of them must examine what it is that they really want. Unapologetically honest and intimately written, With or Without You is a contemporary story of what happens to relationships as the people in them change, whether slowly or in one cataclysmic swoop.

Red Pill, Blue Pill

No one weaves a story as well as beloved New York Times bestselling author Fern Michaels. In the latest in the Sisterhood series, a team of unscrupulous doctors is profiting from others' distress—but these loyal friends know just the cure . . . For the Sisterhood, there's a special satisfaction that comes with helping a friend in need, especially when it's someone as dear as Charlotte Hansen. Myra Rutledge's childhood friend has spent tens of thousands of dollars on remedies to boost longevity. But far from improving her health, the medications seem to be destroying it. Myra becomes suspicious of the trio of doctors in charge of the program, especially once the Sisterhood's investigations reveal that one patient has died, and another lapsed into a coma. While those in their care suffer, the three doctors—located in London, Aspen, and New York—all enjoy indulgent lifestyles and extravagant toys. But justice is always the best medicine—and no one dispenses it better than the Sisterhood. . . . Visit us at www.kensingtonbooks.com

Gold Diggers and Sugar Daddies

Queen Elizabeth's spymasters recruit an unlikely agent--the only Muslim in England--for an impossible mission in a mesmerizing novel from "one of the best writers in America" (The Washington Post) The year is 1601. Queen Elizabeth I is dying, childless. Her nervous kingdom has no heir. It is a capital crime

even to think that Elizabeth will ever die. Potential successors secretly maneuver to be in position when the inevitable occurs. The leading candidate is King James VI of Scotland, but there is a problem. The queen's spymasters--hardened veterans of a long war on terror and religious extremism--fear that James is not what he appears. He has every reason to claim to be a Protestant, but if he secretly shares his family's Catholicism, then forty years of religious war will have been for nothing, and a bloodbath will ensue. With time running out, London confronts a seemingly impossible question: What does James truly believe? It falls to Geoffrey Belloc, a secret warrior from the hottest days of England's religious battles, to devise a test to discover the true nature of King James's soul. Belloc enlists Mahmoud Ezzedine, a Muslim physician left behind by the last diplomatic visit from the Ottoman Empire, as his undercover agent. The perfect man for the job, Ezzedine is the ultimate outsider, stranded on this cold, wet, and primitive island. He will do almost anything to return home to his wife and son. Arthur Phillips returns with a unique and thrilling novel that will leave readers questioning the nature of truth at every turn.

Red Pill Psychology

Jeremy Heere is your average high school dork. Day after day, he stares at beautiful Christine, the girl he can never have, and dryly notes the small humiliations that come his way. Until the day he learns about the "squip." A pill-sized supercomputer that you swallow, the squip is guaranteed to bring you whatever you most desire in life. By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from Supergeek to superchic.

The Impressionist

This thought-provoking examination of The Matrix explores the technological challenges, religious symbolism, and philosophical dilemmas the film presents. Essays by renowned scientists, technologists, philosophers, scholars, social commentators, and science fiction authors provide engaging and provocative perspectives. Explored in a highly accessible fashion are issues such as the future of artificial intelligence and virtual reality. The symbolism hidden throughout The Matrix and a few glitches in the film are revealed. Discussions include "Finding God in The Matrix," "The Reality Paradox in The Matrix," and "Was Cypher Right?: Why We Stay in Our Matrix." The fascinating issues posed by the film are handled in an intelligent but nonacademic fashion.

My Revolutions

Contrary to popular myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of , points out in this surprising, insightful study, legendary ladies' men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets.

The Glass Kingdom

"Leaving New York for the heat, humidity and anonymity of Bangkok, Sarah arrives in Thailand with the sole desire to lose herself, a stranger in a strange land. Yet she also leaves behind a complicated past, and a deception she holds close to her chest. Taking up a lease at a high-end apartment complex called The Kingdom, she finds herself drawn into the close-knit social circle of three very different, but equally mysterious, ex-pat women: Ximena, the Chilean chef, creator of fine and delicious culinary creations; Nat, the British hotelier with the curious husband and even more curious maid; and the alluring Mali, who takes Sarah into her glittering world with all its shadow-play. As attempted coups wrack the city and political chaos erupts on the streets below, so do tensions within the gilded world of the compound. When a tenant in the building goes missing, and the disorder of the outside world begins to invade The Kingdom, the residents are thrown into unprecedented terror and suspicion. The question Sarah must now ask herself is: Who can she trust? The Kingdom is a brilliantly unsettling story of civil and psychological unrest, fate and karma, in the furthest reaches of the world and in the human psyche"--

Red Pill Gospel

An Indian corporate couple's hyper-learning journey of combining ancient wisdom and modern research. What happens when a corporate couple decides to bring their minds and efforts together to share their hyper-learning journey with the world? They embark on a magnificent adventure to distil ideas around leading more productive and healthier lives. This journey - which started as a couple's conversation on New Years' Eve of 2018 - turned into a national phenomenon that led Eika and Siddharth Banerjee to meet diverse experts and specialists from the fields of science, art, sports, medicine, and ancient wisdom. Eika and Siddharth's 52RedPills is an inspiration to readers who have overscheduled and frenzied

lifestyles. Written as a practical guide, this book helps you introspect and makes you eager to know more about the different walks of life. By the end of it, you will be motivated to craft your own '52RedPills' journey towards a healthier, wealthier and wiser you.

Surviving Autocracy

If you wake up happily content, with love in your heart and grateful for the life you've been gifted, then you're already as rich as it gets. However, for many of us today, despite our best efforts, we yearn for an inner peace and positivity that can sometimes be elusive. But, humans are meant to dream and imagine! We're meant to strive for a better life. And there is only one way to achieve it: take action! The Red Pill Book will guide you towards the life you are meant to have. You will learn how to harness the immense power of your subconscious mind through increasing your self-awareness, practicing self-care, meditating, and preparing a personal plan for living a life of love and gratitude. Learning to harness the law of attraction is life-changing. But empowering your mind requires dedication and practice. The effort is worth it as you experience the changes it will bring to your life, beliefs, and values. Living your best life is in your hands. With The Red Pill Book as your companion, you can free your true potential for happiness and abundance to reach whatever it is that defines your hopes, dreams, and aspirations in life.

The Red Pill Book

"This is a daring book, thrillingly of our moment." -- Emma Cline, author of *The Girls* A wildly irreverent take on the coming-of-age story that turns a search for belonging into a riotous satire of identity politics Starting at a prestigious private Australian girls' school, fifteen-year-old Ziggy Klein is confronted with an alienating social hierarchy that hurls her into the arms of her grade's most radical feminists. Tormented by a burgeoning collection of dark, sexual fantasies, and a biological essentialist mother, Ziggy sets off on a journey of self-discovery that moves from the Sydney drag scene to the extremist underbelly of the Internet. As PC culture collides with her friends' morphing ideology and her parents' kinky sex life, Ziggy's understanding of gender, race, and class begins to warp. Ostracized at school, she seeks refuge in Donna Haraway's seminal feminist text, *A Cyborg Manifesto*, and discovers an indisputable alternative identity. Or so she thinks. A controversial Indian guru, a transgender drag queen, and her own Holocaust-surviving grandmother propel Ziggy through a series of misidentifications, culminating in a date-rape revenge plot so confused, it just might work.

Uproariously funny, but written with extraordinary acuity about the intersections of gender, sexual politics, race, and technology, *Inappropriation* is literary satire at its best. With a deft finger on the pulse of the zeitgeist, Lexi Freiman debuts on the scene as a brilliant and fearless new talent.

The Play of Daniel Keyes' Flowers for Algernon

"Trenchant and intelligent." --The New York Times As seen/heard on NPR, New Yorker Radio Hour, The New York Book Review Podcast, PBS Newshour, CNBC, and more. A New York Times Book Review Editors' Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker, a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet--and how the cynical propagandists of the alt-right exploited that freedom to propel the extreme into the mainstream. For several years, Andrew Marantz, a New Yorker staff writer, has been embedded in two worlds. The first is the world of social-media entrepreneurs, who, acting out of naïvete and reckless ambition, upended all traditional means of receiving and transmitting information. The second is the world of the people he calls "the gate crashers"--the conspiracists, white supremacists, and nihilist trolls who have become experts at using social media to advance their corrosive agenda. *Antisocial* ranges broadly--from the first mass-printed books to the trending hashtags of the present; from secret gatherings of neo-Fascists to the White House press briefing room--and traces how the unthinkable becomes thinkable, and then how it becomes reality. Combining the keen narrative detail of Bill Buford's *Among the Thugs* and the sweep of George Packer's *The Unwinding*, *Antisocial* reveals how the boundaries between technology, media, and politics have been erased, resulting in a deeply broken informational landscape--the landscape in which we all now live. Marantz shows how alienated young people are led down the rabbit hole of online radicalization, and how fringe ideas spread--from anonymous corners of social media to cable TV to the President's Twitter feed. Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed. Will they be able to solve the communication crisis they helped bring about, or are their interventions too little too late?

Swoon: Great Seducers and Why Women Love Them

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Robert B. Parker's the Bitterest Pill

From the widely acclaimed author of *White Tears*, a bold new novel about searching for order in a world that frames madness as truth. After receiving a prestigious writing fellowship in Germany, the narrator of *Red Pill* arrives in the Berlin suburb of Wannsee and struggles to accomplish anything at all. Instead of working on the book he has proposed to write, he takes long walks and binge-watches *Blue Lives*--a violent cop show that becomes weirdly compelling in its bleak, Darwinian view of life--and soon begins to wonder if his writing has any value at all. Wannsee is a place full of ghosts: Across the lake, the narrator can see the villa where the Nazis planned the Final Solution, and in his walks he passes the grave of the Romantic writer Heinrich von Kleist, who killed himself after deciding that "no happiness was possible here on earth." When some friends drag him to a party where he meets Anton, the creator of *Blue Lives*, the narrator begins to believe that the two of them are involved in a cosmic battle, and that Anton is "red-pilling" his viewers--turning them toward an ugly, alt-rightish worldview--ultimately forcing the narrator to wonder if he is losing his mind.

The Saddest Words: William Faulkner's Civil War

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, *Algernon*? And the biggest question of all--will the operation be successful?

The Book of Revelation Revealed

ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2020
Finalist for the 2021 Andrew Carnegie Medal for Excellence in Fiction A Best Book of 2020 * Washington Post * O Magazine * New York Times Book Review * Publishers Weekly A "profound and provocative" new work by the Pulitzer Prize-winning author of *Disgraced* and *American Dervish: an immigrant father and his son search for belonging -- in post-Trump America, and with each other* (Kirkus Reviews). "Passionate, disturbing, unputdownable." -- Salman Rushdie A deeply personal work about identity and belonging in a nation coming apart at the seams, *Homeland Elegies* blends fact and fiction to tell an epic story of

longing and dispossession in the world that 9/11 made. Part family drama, part social essay, part picaresque novel, at its heart it is the story of a father, a son, and the country they both call home. Ayad Akhtar forges a new narrative voice to capture a country in which debt has ruined countless lives and the gods of finance rule, where immigrants live in fear, and where the nation's unhealed wounds wreak havoc around the world. Akhtar attempts to make sense of it all through the lens of a story about one family, from a heartland town in America to palatial suites in Central Europe to guerrilla lookouts in the mountains of Afghanistan, and spares no one -- least of all himself -- in the process.

52 Red Pills: A New-Age Playbook to Become Healthy, Wealthy and Wise

Red Pill Psychology provides a new look at men's mental health while rejecting the usual approaches of the mainstream therapeutic industry - its gendered assumptions, casual misandry, default gynocentrism, and general disregard of men's issues. The authors include a critique of modern sexual relations and offer new models with positive suggestions for improving the wellbeing of men and boys.

Taking the Red Pill

The opioid epidemic has reached Paradise, and Police Chief Jesse Stone must rush to stop the devastation in the latest thriller in Robert B. Parker's New York Times-bestselling series. When a popular high school cheerleader dies of a suspected heroin overdose, it becomes clear that the opioid epidemic has spread even to the idyllic town of Paradise. It will be up to Police Chief Jesse Stone to unravel the supply chain and unmask the criminals behind it, and the investigation has a clear epicenter: Paradise High School. Home of the town's best and brightest future leaders and its most vulnerable down-and-out teens, it's a rich and bottomless market for dealers out of Boston looking to expand into the suburbs. But when it comes to drugs, the very people Jesse is trying to protect are often those with the most to lose. As he digs deeper into the case, he finds himself battling self-interested administrators, reluctant teachers, distrustful schoolkids, and overprotective parents . . . and at the end of the line are the true bad guys, the ones with a lucrative business they'd kill to protect.

Kiss Me First

"An analysis of the destruction the Trump administration has waged on our institutions, the cultural norms we hoped would save us, and our very sense of identity"--

Antisocial

Pran Nath Razdan, the boy who will become the Impressionist, was passed off by his Indian mother as the child of her husband, a wealthy man of a high caste. Pran lived a life of luxury just downriver from the Taj Mahal, but at fifteen, the news of Pran's true parentage is revealed to his father and he is tossed out into the street—a pariah and an outcast. Thus begins an extraordinary, near mythical journey of a young man who must reinvent himself to survive—not once, but many times. From Victorian India to Edwardian London, from an expatriate community of black Americans in Paris to a hopeless expedition to study a lost tribe of Africa, Hari Kunzru's unforgettable debut novel dazzles with its artistry and wit while it challenges with its insights into what it means to be Indian or English, black or white, and every degree that lies between.

Red Pill

How to transform your trading results by transforming yourself In the unique arena of professional trading coaches and consultants, Van K. Tharp is an internationally recognized expert at helping others become the best traders they can be. In *Trading Beyond the Matrix: The Red Pill for Traders and Investors*, Tharp leads readers to dramatically improve their trading results and financial life by looking within. You'll change your level of consciousness so that you can avoid trading out of fear and greed and move toward higher levels such as acceptance or joy. A leading trader offers unique learning strategies for turning yourself into a great trader Goes beyond trading systems to help readers develop more effective trading psychology Trains the reader to overcome self-sabotage that obstructs trading success Presented through real transformations made by other traders Advocating an unconventional approach to evaluating trading systems and beliefs, trading expert Van K. Tharp has produced a powerful manual every trader can use to make the best trades and optimize their success.

Earthlings

What we are all experiencing worldwide is not just another political event. "This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether

or not we, the people, reclaim control over our government. - POTUS " He's not just talking about the U.S. Government, or any single nation's government. He means Reclaim Control Over the Governing of the World from the worldwide criminal mafia. This will transform the world for 1000 years! Literally. Where do I get that? From the Bible. This is the Great Awakening. We are fighting the New World Order in this epic Battle of Armageddon. Good versus Evil. We are embarking on 1000 years of peace and health and wealth for all of humanity! The Bible calls this the Millennial Kingdom of Christ as in- "His Kingdom come, His will be done on earth as it is in Heaven." The Kingdom of Christ is when: * Christ assumes His authority as King on earth, * Christ removes those who have usurped His throne, * The "Good Guys" finally rule the earth with Him, straightening out this whole mess the DS criminals have made! No matter what the enemy tries, there's nothing that will stop this! The Bible is chock-full of this promise. Sadly most 'Bible scholars" don't recognize it yet. Just like so-called "scholars" missed what the LORD was doing from time immemorial! Just like we have been under mass deception by "experts" for years! You are welcome to simply believe what religious pundits, and political pundits, and media pundits, and every other pundit says, OR You are invited to join the white hats in the fight to take back our world, and have your eyes opened to what the LORD has promised over and over in His Word, and how He is fulfilling those promises in our Day! You will be very glad you found this book.

Red Pill

The Girl with the Dragon Tattoo meets Six of Crows--this international bestseller is an edge-of-your-seat thriller that chills to the bone, and not just because of the icy winter setting. Lumikki Andersson has made it a rule to stay out of things that do not involve her. She knows all too well that trouble comes to those who stick their nose where it doesn't belong. But Lumikki's rule is put to the test when she uncovers thousands of washed Euro notes hung to dry in her school's darkroom and three of her classmates with blood on their hands. Literally. A web of lies and deception now has Lumikki on the run from those determined to get the money back--no matter the cost. At the center of the chaos: Polar Bear, the mythical drug lord who has managed to remain anonymous despite his lavish parties and notorious reputation. If Lumikki hopes to make it out alive, she'll have to uncover the entire operation. Even the cold Finnish winter can't hide a culprit determined to stain the streets red. "Fans of Nesbø and Larsson won't be disappointed." --Publishers Weekly, Starred "This cold, delicate snowflake of a tale sparkles with icy magic." --Kirkus Reviews, Starred

As Red As Blood

Bookmark File PDF Red Pill A Novel

"The most shocking fiction I have read in years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off." THE SAN FRANCISCO CHRONICLE They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end.

Not All Dead White Men

Two ambitious young musicians are drawn into the dark underworld of blues-record collecting while navigating the fallout of a scam involving one's claim that a viral video of an unknown singer is a long-lost recording of a famous blues musician.

Red Pill

"Powerful" (The New Yorker), "extraordinary" (The New York Times Book Review), and "brilliant" (Entertainment Weekly)—you won't be able to put down this novel by the award-winning bestselling author of *White Tears* and *The Impressionist*. Critics have compared him to Martin Amis, Zadie Smith, Tom Wolfe, and Don DeLillo. *Granta* dubbed him "one of the twenty best fiction writers under forty." In *My Revolutions*, Hari Kunzru delivers his best novel yet. Chris Carver is living a lie. His wife, their teenage daughter, and everyone in their circle know him as Michael Frame, suburban dad. They have no idea that as a radical student during the sixties, he briefly became a terrorist, protesting the Vietnam War by setting off bombs. Until one day a ghost from his past turns up on his doorstep, forcing Chris on the run.

The Rational Male -

From the beloved author of cult sensation *Convenience Store Woman*, which has now sold more than one million copies worldwide and has been translated into thirty-three languages, comes a spellbinding and otherworldly novel about a woman who believes she is an alien. *Sayaka Murata's Convenience Store Woman* was one of the most unusual and refreshing bestsellers of recent years, depicting the life of a thirty-six-year-old clerk in a Tokyo convenience store. Now, in *Earthlings*, Sayaka Murata pushes at the boundaries of our ideas of social conformity in this brilliantly imaginative, intense, and absolutely unforgettable novel. As a child, Natsuki doesn't fit in with her family. Her parents favor her sister,

and her best friend is a plush toy hedgehog named Piyyut, who talks to her. He tells her that he has come from the planet Popinpobopia on a special quest to help her save the Earth. One summer, on vacation with her family and her cousin Yuu in her grandparents' ramshackle wooden house in the mountains of Nagano, Natsuki decides that she must be an alien, which would explain why she can't seem to fit in like everyone else. Later, as a grown woman, living a quiet life with her asexual husband, Natsuki is still pursued by dark shadows from her childhood, and decides to flee the "baby factory" of society for good, searching for answers about the vast and frightening mysteries of the universe—answers only Natsuki has the power to uncover. Dreamlike, sometimes shocking, and always strange and wonderful, Earthlings asks what it means to be happy in a stifling world, and cements Sayaka Murata's status as a master chronicler of the outsider experience and our own uncanny universe.

The Red Pill

Building once more on the core works of *The Rational Male* by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, *Positive Masculinity*, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves

from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Matched

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for *CROSSED*, the sequel to *MATCHED*, in Fall 2011! Watch a Video

White Tears

Some of the most controversial and consequential debates about the legacy of the ancients are raging not in universities but online, where alt-right men's groups deploy ancient sources to justify misogyny and a return of antifeminist masculinity. Donna Zuckerberg dives deep to take a look at this unexpected reanimation of the Classical tradition.

The King at the Edge of the World

From the widely acclaimed author of *White Tears*, a bold new novel about searching for order in a world that frames madness as truth. After receiving a prestigious writing fellowship in Germany, the narrator of *Red Pill* arrives in the Berlin suburb of Wannsee and struggles to accomplish anything at all. Instead of working on the book he has proposed to write, he takes long walks and binge-watches *Blue Lives*--a violent cop show that becomes weirdly compelling in its bleak, Darwinian view of life--and soon begins

to wonder if his writing has any value at all. Wannsee is a place full of ghosts: Across the lake, the narrator can see the villa where the Nazis planned the Final Solution, and in his walks he passes the grave of the Romantic writer Heinrich von Kleist, who killed himself after deciding that "no happiness was possible here on earth." When some friends drag him to a party where he meets Anton, the creator of Blue Lives, the narrator begins to believe that the two of them are involved in a cosmic battle, and that Anton is "red-pilling" his viewers--turning them toward an ugly, alt-rightish worldview--ultimately forcing the narrator to wonder if he is losing his mind.

The Martian Chronicles

Dr. Seuss presents three modern fables in the rhyming favorite Yertle the Turtle and Other Stories. The collection features tales about greed ("Yertle the Turtle"), vanity ("Gertrude McFuzz"), and pride ("The Big Brag"). In no other book does a small burp have such political importance! Yet again, Dr. Seuss proves that he and classic picture books go hand in hand.

Be More Chill

In the desert, you see, there is everything and nothing . . . It is God without men. —Honoré de Balzac, *Une passion dans le désert*, 1830 Jaz and Lisa Matharu are plunged into a surreal public hell after their son, Raj, vanishes during a family vacation in the California desert. However, the Mojave is a place of strange power, and before Raj reappears inexplicably unharmed—but not unchanged—the fate of this young family will intersect with that of many others, echoing the stories of all those who have traveled before them. Driven by the energy and cunning of Coyote, the mythic, shape-shifting trickster, *Gods Without Men* is full of big ideas, but centered on flesh-and-blood characters who converge at an odd, remote town in the shadow of a rock formation called the Pinnacles. Viscerally gripping and intellectually engaging, it is, above all, a heartfelt exploration of the search for pattern and meaning in a chaotic universe. This eBook edition includes a Reading Group Guide.

Gods Without Men

How do we read William Faulkner in the twenty-first century? asks Michael Gorra, in this reconsideration of Faulkner's life and legacy. William Faulkner, one of America's most iconic writers, is an author who defies easy interpretation. Born in 1897 in Mississippi, Faulkner wrote such classic novels as *Absolom*,

Absolom! and *The Sound and The Fury*, creating in Yoknapatawpha county one of the most memorable gallery of characters ever assembled in American literature. Yet, as acclaimed literary critic Michael Gorra explains, Faulkner has sustained justified criticism for his failures of racial nuance—his ventriloquism of black characters and his rendering of race relations in a largely unreconstructed South—demanding that we reevaluate the Nobel laureate’s life and legacy in the twenty-first century, as we reexamine the junctures of race and literature in works that once rested firmly in the American canon. Interweaving biography, literary criticism, and rich travelogue, *The Saddest Words* argues that even despite these contradictions—and perhaps because of them—William Faulkner still needs to be read, and even more, remains central to understanding the contradictions inherent in the American experience itself. Evoking Faulkner’s biography and his literary characters, Gorra illuminates what Faulkner maintained was “the South’s curse and its separate destiny,” a class and racial system built on slavery that was devastated during the Civil War and was reimagined thereafter through the South’s revanchism. Driven by currents of violence, a “Lost Cause” romanticism not only defined Faulkner’s twentieth century but now even our own age. Through Gorra’s critical lens, Faulkner’s mythic Yoknapatawpha County comes alive as his imagined land finds itself entwined in America’s history, the characters wrestling with the ghosts of a past that refuses to stay buried, stuck in an unending cycle between those two saddest words, “was” and “again.” Upending previous critical traditions, *The Saddest Words* returns Faulkner to his sociopolitical context, revealing the civil war within him and proving that “the real war lies not only in the physical combat, but also in the war after the war, the war over its memory and meaning.” Filled with vignettes of Civil War battles and generals, vivid scenes from Gorra’s travels through the South—including Faulkner’s Oxford, Mississippi—and commentaries on Faulkner’s fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.
