Do you like getting lost in large crowds or prefer the intimacy of one-on-one conversations? Do you enjoy the close ties of having one sibling or were you born as one of many? Maybe you're an only child with doting parents. Regardless of your background or basic personality type, we can all agree on one thing - the fundamental need to connect with others. The One who created this world designed us all with an innate craving to connect on a deeper level with each other - so that we would desire a relationship with Him. I began a personal journey with my Heavenly Father when I was six years old, but it's taken me years to discover the depth of His desire for closeness with me as well. Maybe you've never been introduced to the God of the Universe or possibly you consider Him a casual acquaintance. Maybe you've taken that step to accept His invitation of a personal relationship, but are left with the question, "Now what?" Consider me that friend who's bringing you to the "party of the decade" or

But when her twelve-year-old nephew is dumped in her lap, she does the only thing she can: she takes him in. Neither of them have it easy as they try to navigate this unknown path. Something about the hopeless duo captures his heart, and in spite of his hesitation he finds himself falling for both of them. My Sticker Collecting Album

This book teaches children ages 4-8 how to handle bullies in an assertive manner. Max and his brothers take a stand against the mean frogs who are tormenting their best pal, Froggie Nelsons, who is timid and afraid. Together, they are able to build Froggie's confidence and instill in him the strength to stand up to them by himself, which he has to do in the book in the event of Max's absence. The approach is assertive, but the message is very clear: Do unto others as you would have others do unto you. The book ends with a special message from Max Bear imploring children to think before they are unkind to others, and to always treat others the way they would like to be treated. The principle is simple, yet

fundamental.

Saving My Assassin

The Assassin King opens at winter's end with the arrival by sea of a mysterious hunter, a man of ancient race and purpose, who endlessly chants the names of the pantheon of demons that are his intended victims, as well as one other: Ysk, the original name of the Brother, now known as Achmed, the Assassin King of Ylorc. At the same moment of this portentous arrival, two gatherings of great import are taking place. The first is a convocation of dragons, who gather in a primeval forest glade--the site of

the horrific ending of Llauron, one of the last of their kind. They mourn not only his irrevocable death, but the loss of the lore and control over the Earth itself that it represents. The ancient wyrms are terrified for what will come as a result of this loss. The second gathering is a council of war held in the depths of the keep of Haguefort: Ashe and Rhapsody, rulers of the alliance that protects the Middle Continent; Gwydion, the new Duke of Navarne; Anborn, the Lord Marshall; Achmed, the King of Ylorc, and Grunthor, his Sergeant-Major. Each brings news that form the pieces of a great puzzle. And as each piece is added it becomes quite clear: War is coming, the likes of which the world has never known. Cataclysm, both large and small, await in this sixth volume of the USA Today bestselling fantasy series, *The Symphony of Ages*. A twisting, fast-moving tale, *The Assassin King* promises endless surprises--most of which lead to pain. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

“I should be dead. Buried in an unmarked grave in Romania. Obviously, I am not. God had other plans.” At just under five feet tall, Virginia Prodan was no match for the towering 6' 10" gun-wielding assassin the Romanian government sent to her office to take her life. It was not the first time her life had been threatened—nor would it be the last. As a young attorney under Nicolae Ceausescu’s brutal communist regime, Virginia had spent her entire life searching for the truth. When she finally found it in the pages of the most forbidden book in all of Romania, Virginia accepted the divine call to defend fellow followers of Christ against unjust persecution in an otherwise ungodly land. For this act of treason, she was kidnapped, beaten, tortured, placed under house arrest, and came within seconds of being executed

under the orders of Ceausescu himself. How Virginia not only managed to elude her enemies time and again, but how she also helped expose the appalling secret that would ultimately lead to the demise of Ceausescu's evil empire is one of the most extraordinary stories ever told. A must-read for all generations, *Saving My Assassin* is the unforgettable account of one woman's search for truth, her defiance in the face of evil, and a surprise encounter that proves without a shadow of a doubt that nothing is impossible with God.

Assassins

Things only get more complicated when she falls in love with her best friend, Eli Calhoun, who has just returned from the penitentiary. Rumors soon spread that the insemination story is only a cover up. That's when the anonymous threats begin. Someone in her small town disapproves of this so-called abomination. The psychological games soon take a twisted turn, putting Aubrey and her unborn child's lives in danger. Aubrey and Eli race to uncover the horrible truth before it destroys everything.

After the Crash

The Diary of a Nobody

If you find yourself in severe personal trials, wondering where God is, this book is for you. Do you have a pile of insurmountable problems, a tragedy about to happen, or maybe a pattern in your life that goes on and on, never seeming to change or improve? It's another trip around the mountain, and the mountain is getting steeper and rockier every time. Huge obstacles keep blocking your way; death lurks around the next bend; a black cloud follows you wherever you go. What are we willing to endure in order to be changed by God? While the disciples expected to see greater victory, comfort, and excitement from their Master, Jesus talked more and more about dying, giving all, and taking up your cross. While they wanted to celebrate and make Him king, He told them He was going to suffer and die, and they were too. Why? Because suffering is the scriptural price of drawing closer to Him.

I publish writings as they remain relevant anytime. I have seen a lot of good writings in the internet, in magazines and newspapers. But most writers have only one or two articles and therefore not enough material to be published as a book. And yet, many of them need to be published. So the idea of collecting all these various writings hit me. I myself cannot come up with enough material. I decided to offer my services to publish anybody's worth-while writings in one fairly good sized book, in paperback or pocketbook form. Their ability to publish is solved in a nutshell. There are also writers who write a lot but never publish them. There are also old books with no more prints available. The solution is to publish/reprint. I am offering these services free of charge because of the availability of print-books-on-demand (POD) system nowadays. I can produce the book, but it's not entirely free of cost on my part. I merely assume the cost. Why put your writings in a book? And not just in the internet? I recommend that writings be retained in a hard copy or in book form or printed form for posterity. The book will always be there among your collections or libraries. Not all use the internet. The internet access has its technical problems. Writings in the internet may be erased erroneously. Free storage is hard to access. Paid

storage may be returned or lost. For those looking for a publisher, especially if you have a novel or many essays, I can produce the paperback book under your own authorship at no cost. I can produce art books, family tree books, family albums/pictorials, biographies, joke books, songhits books, travelogues, reunions, color or B/W, etc. Please buy online as paperback or kindle at <http://tinyurl.com/mj76ccq> (copy and paste to your browser). Permission had been granted by the author/ authors to print their books under my free self-publishing service. They own copyrights to their works. Interested reader may request free reading of any of my books, articles or essays via online reading or ebook. Just email me: job_elizes@yahoo.com My Books Catalog can be seen at www.jobelizes6.wix.com/mysite. This catalogue will grow as years pass by because of additional titles to be published. I continue to publish or reprint books as a means to archive them in hard copy and/or digital form, for posterity. Thank you. End

Though he achieved literary acclaim as a dramatist, most notably with the timeless children's classic Peter Pan, author J. M. Barrie tackled many subjects over the course of his career, often grappling with philosophical and psychological topics. The breadth of his intellect is on full display in *Courage*, which is the text of a stirring and inspirational speech he delivered to a group of graduating college students in the early 1920s.

JavaScript is a cross-platform, object-oriented scripting language. It is a small and lightweight language. Inside a host environment (for example, a web browser), JavaScript can be connected to the objects of its environment to provide programmatic control over them. JavaScript contains a standard library of objects, such as Array, Date, and Math, and a core set of language elements such as operators, control structures, and statements. Core JavaScript can be extended for a variety of purposes by supplementing it with additional objects; for example: Client-side JavaScript extends the core language by supplying objects to control a browser and its Document Object Model (DOM). For example, client-side extensions allow an application to place elements on an HTML form and respond to user events such as mouse clicks, form input, and page navigation. Server-side JavaScript extends the core language by supplying objects relevant to running JavaScript on a server. For example, server-side extensions allow an application to communicate with a database, provide continuity of information from one invocation to another of the application, or perform file manipulations on a server.

As Anna is pulled deeper into the secrets of Haven-a town that is truly cursed-she finds herself falling for two, equally mysterious boys. With the danger closing in, one of those boys may just turn out to be her savior. And the other? He could be a very big, very badbeast. Beware of beastsand boyswith bite.

Not Her Baby

As evil runs rampant in America and the rest of the world waves of fear and dishonesty are sweeping over us causing us to not know who to trust. Friends are turning against friends, neighbors against neighbors, and family against family. What we need are sweat drops of mercy for an eternal living God to cover our lives and give us peace for today and hope for tomorrow. The poems in this book were written to encourage us to remember that there is a "Holy God" who loves us, has a plan for us, and walks with us through the fire. Our American heritage is based on this foundation. As life-changing topics of our day loom before us, they have been discussed here through the eyes of hope in our Lord and Savior, Jesus Christ, looking to that glorious day when the trumpet will sound and we will then be

File Type PDF Saving My Assassin

with Him in Glory forever. Wounded warriors, 9-11, respect for our President, even our National Anthem are being called into question. As each topic is discussed it is with the realization that these "Moments of Mercy" need a direct touch of mercy from a high and holy God. How do you view these issues of the day? Be the one who nurtures and builds. Be the one who has an understanding and forgiving heart. Be the one who looks for the best in people. Leave people better than you found them. Take a stand for TRUTH before it is too late. "I am the way, the TRUTH, and the life. No man comes to the Father but by me." John 14:6 KJV
