## I Suck at Girls

'At 28 years old, I found myself living at home, with my 73-year-old father. As a child, my father never minced words, and when I screwed up, he had a way of cutting right through the bullshit and pointing out exactly why I was being an idiot. When I moved back in I was still, for the most part, an idiot. But this time, I was smart enough to write down all the things he said to me...' Meet Justin Halpern and his dad. Almost one million people follow Mr Halpern's philosophical musings every day on Twitter, and in this book, his son weaves a brilliantly funny, touching coming-of-age memoir around the best of his sayings. What emerges is a chaotic, hilarious, true portrait of a father and son relationship from a major new comic voice. As Justin says at one point, his dad is 'like Socrates, but angrier, and with worse hair'; and this is the sort of shit he says... 'You know, sometimes it's nice having you around. But now ain't one of those times. Now gimme the remote, we're not watching this bullshit.' 'Happy Birthday, I didn't get you a present... Oh, mom got you one? Well, that's from me then, too – unless it's shitty.' 'Your brother brought his baby over this morning. He told me it could stand. It couldn't stand for shit. Just sat there. Big let down.' 'The worst thing you can be is a liar . . . Okay, fine, yes, the worst thing you can be is a Nazi, but THEN, number two is liar. Nazi 1, Liar 2.' 'Why the f\*\*k would I want to live to 100? I'm 73 and shit's starting to get boring. By the way, there's no money left when I go, just fyi.'

## Let That Sh\*t Go

Trenton, New Jersey, bounty hunter Stephanie Plum has inherited a "lucky" bottle from her Uncle Pip. Problem is, Uncle Pip didn't specify if the bottle brought good luck or bad luck. . . . BAD LUCK: Vinnie, of Vincent Plum Bail Bonds, has run up a gambling debt of \$786,000 with mobster Bobby Sunflower and is being held until the cash can be produced. Nobody else will pay to get Vinnie back, leaving it up to Stephanie, office manager Connie, and file clerk Lula to raise the money if they want to

save their jobs. **GOOD LUCK:** Being in the business of tracking down people, Stephanie, Lula, and Connie have an advantage in finding Vinnie. If they can rescue him, it will buy them some time to raise the cash. **BAD LUCK:** Finding a safe place to hide Vinnie turns out to be harder than raising \$786,000. Vinnie's messing up Mooner's vibe, running up pay-per-view porn charges in Ranger's apartment, and making Stephanie question genetics. **GOOD LUCK:** Between a bonds office yard sale that has the entire Burg turning out, Mooner's Hobbit-Con charity event, and Uncle Pip's lucky bottle, they just might raise enough money to save the business, and Vinnie, from ruin. **BAD LUCK:** Saving Vincent Plum Bail Bonds means Stephanie can keep being a bounty hunter. In Trenton, this involves hunting down a man wanted for polygamy, a turnpike toilet paper bandit, and a drug dealer with a pet alligator named Mr. Jingles. **GOOD LUCK:** The job of bounty hunter comes with perks in the guise of Trenton's hottest cop, Joe Morelli, and the dark and dangerous security expert, Ranger. With any luck at all, Uncle Pip's lucky bottle will have Stephanie getting lucky---the only question is . . . with whom? Janet Evanovich's *Sizzling Sixteen* . . . so hot, the pages might spontaneously combust!

### **Sh\*t My Kids Ruined**

Now in paperback: For decades the world has credited renowned explorer Sir Edmund Hillary with being the first person to reach the peak of Mount Everest. But was he? Evidence to the contrary arrives one day on the doorstep of Chris Elliott--an anonymous package that contains the diary of his Great Uncle Percy Brackett Elliott, an adventurer (and raving loony) who mysteriously disappeared decades ago while climbing Everest. The diary seems to indicate that Percy--not Hillary--was the first person to reach the peak. By retracing Percy's journey, Chris believes he will be able to uncover the mystery behind his disappearance and perhaps once and for all determine who was really the first person to summit Everest.

### **Exceptionally Bad Dad Jokes**

"In *Dad is Fat*, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young

children--everything from cousins ("celebrities for little kids") to toddlers' communication skills ("they always sound like they have traveled by horseback for hours to deliver important news"), to the eating habits of four year olds ("there is no difference between a four year old eating a taco and throwing a taco on the floor"). Reminiscent of Bill Cosby's Fatherhood, Dad is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home"--

### **Your Dad Stole My Rake**

My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?"

"Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say 'screw the system' and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it." "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay

with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you." "You are the coolest person I can even imagine existing. If you slept with my girlfriend, it'd make me love her more."

### **Sh\*t My Dad Says**

Josh Wolf--one of the stars and writers of *Chelsea Lately* and *After Lately*--delivers a hilarious collection of essays that reminds us all what it takes to conquer fatherhood without sacrificing manhood. Struggling to make it as a stand-up comic didn't always fit with being a single parent. But Josh figured out his own set of rules--through trial and (frequent) error. Early picking up kids from school? The nearby strip club is a great place to kill time and bond with some like-minded dads. Want a drunken heart-to-heart with your son? First make sure there's no Sharpie around in case you pass out. Wondering

where to take that special someone at the end of the night? Remember that no sane woman will have sex with you in a one-bedroom apartment where your kids are sleeping--even if you promise to be really, really quiet. Whether it's revealing the secrets to limitless hookups (hint: it's single moms) and getting rid of your children's friends that you just can't stand (hint: it's not single moms), or blackmailing PTA members and ignoring health codes, Josh is sure to impart some parenting wisdom along the way. Or at least have a good time trying.

## **Into Hot Air**

Following the success of *Go the F\*\*k to Sleep*, *Confessions of a Scary Mommy*, and *Ketchup Is a Vegetable*, a collection of funny, warm, and charmingly profane tales from the frontlines of parenthood by the author of the popular *Baby Sideburns* blog. Once upon a time you and your partner had a perfect life: dinners out, weekend mornings cuddling in bed, brunch with friends. Then you gave birth to a poop machine (or two). Now, it's all about the pediatrician, breast pumps, princess dresses, and minivans. And discovering that your pride and joy is actually a little A-hole. When your son wakes you up at 3:00 A.M. because he wants to watch *Caillou*, he's an a-hole. When your daughter outlines every corner of your living room with a purple crayon, she's an a-hole. When your rug rats purposely paint the kitchen ceiling with their smoothies, they're a-holes. At times like these, it's only natural to want to kill them (or yourself). But it's against the law (and there's the suicide hotline). Plus, there's that whole loving them more than anything in the whole world thing. In *I Heart My Little A-Holes*, Karen Alpert shares hilarious stories, lists, and deep thoughts on the joys and horrors of raising children. Accompanied by cheery illustrations and photos *I Heart My Little A-Holes* will make you laugh so hard you'll wish you were wearing a diaper.

## **Emails from an Asshole**

Some people are saying, I don't know, you tell me, but a lot of people are saying this is the greatest book of the year. This guy, Shannon Wheeler, he draws these cartoons for the *New Yorker*, *MAD*, the *Onion*—he's very, very, good, okay? Now he's illustrated the most incredible tweets. Wow! You won't believe what he does with these tweets. I mean, these tweets changed the world, folks. It's true! It's very true. EVERYONE is going to want this book — even the haters and losers (Sad!).

## **The Know-It-All**

“My book ... details the living hell that was my experience with concussions. The majority of this story was kept from even my closest relationships. It wasn't easy, but it's time to tell it.” – Dale Jr. It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes—no two are the same. And recovery can be brutal—and lengthy. As a third-generation driver in a family forever connected to the sport of stock-car racing, how could Dale Earnhardt Jr. sit on the sidelines and watch everyone else take their laps? It was one of the toughest seasons of his life—one that changed him forever. In this gripping narrative from one of professional sports' most beloved figures, Dale Jr. shares stories from his journey: how his career and his injury have transformed him, how he made the decision to retire at the end of the 2017 season after eighteen years behind the wheel, and what lies ahead for him in the next chapter of his life. There's no second-guessing and no regrets from Driver #88. He simply wants to go out on his own terms and make the rest of his life off the racetrack count. Junior says, “I don't want these last races to be just about me but rather the people who made my success possible: my fans, the folks who pack the grandstands rain or shine, my teammates and crew members through the years, industry colleagues, track volunteers,

friends, family, sponsors. They've all played a role. I couldn't have done it without them."

## **How to Stop Losing Your Sh\*t with Your Kids**

Bill Geist--the beloved, award-winning, long-time special correspondent for "CBS: Sunday Morning," whose debut *Little League Confidential* was a New York Times bestseller in hardcover and paper--and Willie Geist, the Today Show host, popular member of MSNBC's "Morning Joe," and author of the best-selling *American Freak Show*--have begun an extended conversation between father and son on areas of mutual interest, agreement, and disagreement. Told in a unique back-and-forth banter style, the hilarious father-son team will laugh together at the shared journey of their relationship. They'll riff on fatherhood, religion, music, sports, summer camp disasters, driving lessons gone horribly wrong, being on TV, and their wonderfully odd family life. Think *Big Russ and Me* (May 2010, 345,829 net per bookscan) meets *S\*\*\* My Dad Says*, with humorous observations about professional wrestling as a worldview, raising a kid with television cameras in the kitchen, and anything and everything else that comes to their witty minds. The Geists decided to write this book so their children and grandchildren would have a record of their unusual father-son relationship. The book is remarkably funny, as well as poignant and sincere, especially in light of Bill's announcement that he's been diagnosed with Parkinson's. With its lighthearted look at the crazy things fathers and sons go through and the unique bond those experiences forge, the book is sure to be a must-have gift for Father's Day.

## **It Takes Balls**

Fans of biting, honor-infused memoirs such as *Me Talk Pretty One Day* and *Assassination Vacation* will find Halpern's *I Suck at Girls* an unforgettable journey into the best and worst moments of one man's adventures in romance.

## **A Far Piece to Canaan**

For fans of *Let's Pretend This Never Happened* and *I Heart My Little A-Holes* comes a candid and hilarious collection of essays on motherhood from the award-winning television comedy writer and producer of *2 Broke Girls* and *The King of Queens*, who swears she loves her kids—when she's not hiding from them. Some women feel that motherhood is a calling and their purpose on earth. They somehow manage to make pregnancy look effortless, bring out the beauty in a screaming child, and keep the back seat of their cars as spotless as their kitchens. And then there's women like Liz Astrof. Who originally had children because "everyone else was." In this blunt and side-splittingly funny book of essays, Liz Astrof embraces the realities of motherhood (and womanhood) that no one ever talks about: like needing to hide from your kids in your closet, your car, or a yoga class on the other side of town, letting them eat candy for dinner because you just can't deal, to the sheer terror of failing them or at the very least losing them in a mall. And sometimes, many times, wondering if the whole parenting thing wasn't for you. In vivid and relatable prose, she discusses her love for her career, how she's managed to overcome some of her own dysfunctional childhood, and the ups and downs of raising the little demons she calls her own...from the office. Soul-baring, entertaining, and insightful, *Don't Wait Up* is an abashedly honest look at parenting and relationships for moms who realize that motherhood doesn't have to be your entire life—just an amazing part of it—that you would definitely most likely do all over

again.

## **I Heart My Little A-Holes**

A Far Piece to Canaan is a warm and nostalgic novel from an unexpected source: Sam Halpern, whose salty paternal wisdom made Justin Halpern's *Sh\*t My Dad Says* a phenomenal bestseller. Inspired by Sam Halpern's childhood in rural Kentucky, *A Far Piece to Canaan* tells the story of Samuel Zelinsky, a celebrated but troubled former professor who reluctantly returns after his wife's death to the Kentucky hills where he lived as a child to reconnect with long-buried memories and make good on a forgotten promise. A tale of superstition, secrets, and heroism in the postwar South, *A Far Piece to Canaan: A Novel of Friendship and Redemption* is the surprising and moving debut of a gifted storyteller.

## **The Little Book of Shit**

A humorous guide for new mothers on caring for infants offers advice on the unpleasant aspects of parenting, including birthing without drugs, handling the volumes of waste babies create, and dealing with sleep deprivation.

## **Good Talk, Dad**

The fourth book in Dawn Dais's popular *Sh!t No One Tells You* series offers "been there, freaked out about that" advice for expectant parents. The fourth title in Dawn Dais's popular parenting series, *The Sh!t No One Tells You About Pregnancy* is quite possibly the funniest, and most heartfelt, yet. After all, pregnancy is not all about scanning Pinterest for baby shower themes and registering for ironic onesies, and sometimes the less flattering aspects of gestation have a way of dimming a bit of that so-called pregnancy glow. Not to worry! Dawn is here, ready to shepherd you through the experience of one human body taking on the task of growing another human body. (Spoiler alert: It ain't always pretty.) Dawn covers it all, sharing expert lists, tips, warnings, and even a series of Parent-Training Workouts designed to increase readers' tolerance to the various indignities of parenthood, like peeing with an audience and surviving an afternoon in Chuck E. Cheese. *The Sh!t No One Tells You About Pregnancy* is a must-have guide for expectant moms (and their partners!) who are looking for some counsel, comedy, and camaraderie during their ultimate countdown to parenthood.

## **Summer Skin**

A Deadspin columnist presents a heartfelt account about the ups and downs of raising a family in modern America that shares brutally honest insights into the coping mechanisms employed by today's parents, in a memoir that also shares his positive views on the strengths of American parenting.

## **The Day I Swapped My Dad for Two Goldfish**

Quite possibly the best birth control on the market, this title is a pictorial tribute to the filthy, distasteful, gross, and painful moments of parenthood, and the children who make it all possible.

## **Dad Is Fat**

33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), *The Know-It-All* chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the Encyclopaedia Britannica from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the Encyclopaedia Britannica. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, *The Know-It-All* recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at *Esquire*. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on *Jeopardy!*, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. *The Know-It-All* is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

## **Git-R-Done**

A funny and intimate look at fatherhood from the actor and writer/director of *The Boss* and *Tammy* that combines stories about his own larger-than-life dad and how his experiences raising two daughters with his wife, Melissa McCarthy, who also penned the Foreword, are shaped by his own childhood. Though he's best known for his appearances in the movie *Enough Said*, as well as his hilarious role as Air Marshall Jon in *Bridesmaids*, Ben Falcone isn't a big shot movie star director at home. There, he's just dad. In this winning collection of stories, Ben shares his funny and poignant adventures as the husband of Melissa McCarthy, and the father of their two young daughters. He also shares tales from his own childhood in Southern Illinois, and life with his father—an outspoken, brilliant, but unconventional man with a big heart and a somewhat casual approach to employment named Steve Falcone. Ben is just an ordinary dad who has his share of fights with other parents blocking his view with their expensive electronic devices at school performances. Navigating the complicated role of being the only male in a house full of women, he finds himself growing more and more concerned as he sounds more and more like his dad. While Steve Falcone may not have been the briefcase and gray flannel suit type, he taught Ben priceless lessons about what matters most in life. A supportive, creative, and downright funny dad, Steve made sure his sons' lives were never dull—a sense of adventure that carries through this warm, sometimes hilarious, and poignant memoir.

### **Shit My Dad Says**

The international bestseller and Twitter sensation: a brilliant new comic voice, and a 100% real father-son relationship that lies somewhere between *Curb Your Enthusiasm* and *The Wonder Years*"At 28 years old, I found myself living at home, with my 73-year-old father. As a child, my father never minced words, and when I screwed up, he had a way of cutting right through the bullshit and pointing out exactly why I was being an idiot. When I moved back in I was still, for the most part, an idiot. But this time, I was smart enough to write down all the things he said to me..."Meet Justin Halpern and his dad. Almost 1.5 million people follow Mr Halpern's philosophical musings every day on Twitter, and in this book, his son weaves a brilliantly funny, touching coming-of-age memoir around the best of his sayings. What emerges is a chaotic, hilarious, true portrait of a father and son relationship from a major new comic voice. As Justin says at one point, his dad is 'like Socrates, but angrier, and with worse hair'; and this is the sort of shit he says"You know, sometimes it's nice having you around. But now ain't one of those times. Now gimme the remote, we're not watching this bullshit.""Happy Birthday, I didn't get you a present Oh, mom got you one? Well, that's from me then, too - unless it's shitty."

### **Get Your Sh\*t Together Journal**

"Growing up, every time I saw a men's magazine cover that had a headline about '73 Ways to Please Your Girlfriend', all I could think was 'I'm good with one; just tell me one way to please her. Also, I don't have a girlfriend. Is there an article about that?'" Soon after *Sh\*t My Dad Says* began to take off, comic writer Justin Halpern decided to propose to his then girlfriend. But before doing so, he asked his dad's advice, which was very, very simple (and surprisingly clean): "Just take a day to think about it." This book is the story of that trip down memory lane, to the adventures and misadventures of teenage relationships. Crossing the warmth of *The Wonder Years* with the candour and observational humour of

David Sedaris, this follow-up to the hottest comedy debut of last year is a hilarious, toe-curlingly true book about life, and love.

### **In Fifty Years We'll All Be Chicks**

Is 'shit' the most versatile word in the English language? Quite possibly! This little book presents some of the best uses of our favorite expletive. From doctors (Take two shits and call me in the morning) to waiters (You want fries with that shit?), and whether you're a Darwinist (It's survival of the shittest) or a Catholic (If shit happens, we deserve it), there's enough shit for everyone!

### **Being a Dad Is Weird**

Life is stressful. But it doesn't have to be. It's no wonder you can't calm down: your to-do list is as long as your arm, your bank balance keeps dropping, you feel guilty for not calling your parents more often and there always seems to be a big deadline to meet at work. You need a serious breather—but you can barely find time to shower, let alone to exercise or meditate. In *Let That Sh\*t Go*, Kate Petriw and Nina Purewal share the wisdom they've gained though decades of practising and teaching others to find peace of mind no matter how busy they are. Learn to put your life in perspective, take each day one step at a time and steal moments of calm amid the chaos. And remember: it's not worth holding onto that sh\*t.

### **Sh\*T My Dad Says**

From Kirsty Eagar, *Summer Skin* is a young adult novel about a modern-day riot grrl and an alpha male jock who explore love, trust, and double standards against the backdrop of today's hookup culture. Jess Gordon is out for revenge. Last year the jocks from Knights College tried to shame her best friend. This year she and a hand-picked college girl gang are going to get even. The lesson: Don't mess with Unity College girls. The target: Blondie, a typical Knights stud, arrogant, cold . . . and smart enough to keep up with Jess. A neo-riot grrl with a penchant for fanning the flames meets a rugby-playing sexist pig—sworn enemies or two people who happen to find each other when they're at their most vulnerable? It's all Girl meets Boy, Girl steals from Boy, seduces Boy, ties Boy to a chair, and burns Boy's stuff. Just your typical love story. Kirsty Eagar expertly handles a searingly honest and achingly funny story about love and sex amid the college hookup culture.
