### Meaning Of Life And The Universe: Transforming

Deep in the heart of old London town, spirits are drawn to the tempting lure of a lie As Jess Ballard is struggling to adjust to her new life in London without Finn Carey to watch over her, she has thrown herself into her role as a Tracker, using her gift to communicate with and help as many spirits as she can. But just as she begins to settle into a new city, the city reveals a mystery too intriguing-and dangerous-to ignore. Something sinister is drawing restless spirits to a tiny old museum, luring them with a promise of salvation it cannot deliver upon. Meanwhile, Durupinen are being brutally attacked, and their gifts are being twisted with a Casting too terrible to comprehend. Can Jess discover the connection between the two mysteries before she-or someone she loves-becomes the next victim? Portraits of the Forsaken is the much anticipated fourth installment in E.E. Holmes' paranormal series The Gateway Trackers.

### The Ascendancy of the Scientific Dictatorship

The awakening begins in an ascending consciousness with an unspecified dissatisfaction regarding the established rules and assumptions. You cannot identify the irritation, but it feels as if there should be something more. Because of this, you begin to look for answers outside of the normal channels and your awakening commences. The messages for awakening are as diverse as their sources because they are designed to reach different levels of consciousness yet the truth is always the truth, though the form it takes may vary. Expansion for Ascending Consciousness is a cooperative effort to provide a basis for understanding consciousness and the energy construct we exist within. The intent

is to remove the mysticism surrounding consciousness and embodied experience. While complex and miraculous in its design, consciousness is scientifically explainable and the foundation upon which the universe has been created. As an ascending collective, you have reached a time in your development where mysticism has outlived its usefulness. Truth comes in many forms, and thus the information you gravitate to at any given moment is dependent upon what resonates with your current level of awakening. At a point in this process you will look back upon the information you have accumulated and see that each one was a step that incrementally raised your awareness. Expansion for Ascending Consciousness contains the next step along this path of ascension.

### The Nostradamus Prophecy

One of Open Letter's Best Books of 2019 The fates of Ragnvald and his sister Svanhild unfold to their stunning conclusion in this riveting final volume in The Golden Wolf Saga, a trilogy that conjures the ancient world with the gripping detail, thrilling action, and vivid historical elements of "Game of Thrones" and "Outlander." Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror—even though he knows that Harald's success will eventually mean his own doom. He is grateful to have his beloved sister, the fierce and independent Svanhild, once more at his side to help keep their kingdom secure. Free from the evil husband who used her, she is now one of Harald's many wives. While Svanhold

is happy to be reunited with her beloved brother, and enjoys more freedom than ever before, she is restless and lonely. When an old enemy of Ragnvald's kidnaps his niece, Freydis, his sister follows the daughter she has neglected to Iceland, where an old love awaits. This strange new land offers a life far different from what each has left behind, as well as unexpected challenges and choices. Ragnvald, too, must contend with change. His sons—the gifted Einar, the princely Ivar, and the adventurous Rolli—are no longer children. Harald's heirs have also grown up. Stepping back from his duties as king, he watches as his sons pursue their own ambitions. But Norway may no longer be large enough for so many would-be kings. Now in their twilight years, these venerable men whose lives have been shaped by war must face another battle that awaits. A growing rebellion pits Ragnvald and his sons against enemies old and new, and a looming tragedy threatens to divide the hardened warrior from Harald and all who care for him. Across the sea, Svanhild, too, wrestles with a painful decision, risking the dissolution of her fragile new family as she desperately tries to save it. Yet as old heroes fall, new heroes arise. For years, Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods. Though the journey has cost them much, their sacrifices and dreams will be honored by the generations that follow, beginning with Freydis and Einar. Emerging from their parents' long shadows, they have begun to carry on the family's legacy while pursuing their own glorious fates. This compelling conclusion to the Golden Wolf trilogy recreates Viking-age Scandinavia in all its danger, passion, power, and glory—a world of brutality and myth, loyalty and betrayal, where shifting alliances and vengeance can build kingdoms . . . and can tear them down.

to the Storm Runner trilogy, a tale of mystery, magic, and mayhem featuring gods from both Maya and Aztec mythology. Zane Obispo has been looking forward to his training at the Shaman Institute for Higher Order Magic, and not only because it means he'll be reunited with his best friend, Brooks. Anything would be better than how he has spent the last three months: searching for the remaining godborns with a nasty demon who can sniff them out (literally). But when Zane tracks down the last kid on his list, he's in for a surprise: the "one" is actually a pair of twins, and they're trying to prevent a mysterious object from falling into the wrong hands. After a shocking betrayal, Zane finds himself at SHIHOM sooner than expected. Even more shocking is the news that the Maya gods have gone missing. The bat god, Camazotz, and Ixkik' (aka Blood Moon) have taken them out of commission . . . and the godborns are their next target. The only thing the villains need now? The object that the twins possess. Zane knows the godborns aren't strong enough yet to stand up to Zotz, Ixkik', and their army. There might be a way to save the gods, but it involves locating a magical calendar that can see across time and space . . . not to mention traveling more than thirty years into the past. In *The Shadow Crosser*, Zane and his friends embark on their most treacherous mission yet--a mission that, with one blunder, could change history as we know it, and worse, destroy the universe.

### Soul of the Sentinel

Ansul was once a peaceful town filled with libraries, schools, and temples. But that was long ago, and the conquerors of this coastal city consider reading and writing to be acts punishable by death. And they believe the Oracle House, where the last few undestroyed books are hidden, is seething with demons. But to seventeen-year-old Memer, the house is the only place where she feels truly safe. Then an Uplands poet named Orrec and his wife, Gry, arrive, and

everything in Memer's life begins to change. Will she and the people of Ansul at last be brave enough to rebel against their oppressors?

### Athena's Champion

She can already see the dead but is she starting to see the future? Spurred by the injustices that nearly destroyed their family, Jess and Hannah Ballard are preparing to win back a seat on the powerful Durupinen Council. The odds are stacked against them, but that's never stopped them before. But as Hannah faces the harsh realities of political intrigue, Jess must face a frightening new reality of her own. Jess made a promise months before, a promise to help the trapped and tortured Walker, Irina. With Irina's trial looming, Jess has her chance to make good on her word, but the spirit world may have other plans. Jess's gift as a Muse is shifting. Her talent as an artist is now offering her terrifying glimpses into a future she may be powerless to change. Unspeakable tragedy looms ever closer. Will Jess be forced to stand helplessly by, or will she interpret the signs before it's too late? Awakening of the Seer is the page-turning third installment in E.E. Holmes' paranormal series The Gateway Trackers.

### Tales from the Gateway

It began with a dream . . . well, not exactly. Dream or vision, the old man didn't know for sure, but he was certain that the Old Testament prophecy in the book of Joel was the key. So begins an epic story of an ordinary young man, a small group of unlikely heroes, and their preparations to join the army of God to wage war against the enemy and save the lost in the end times. In "The Harvester Chronicles," Author Beth Y. Lambert provides an enlightening and motivating account appropriate for those who believe and those who wonder.

College student Jess Ballard's mother has gone-dead under mysterious circumstances; her life uprooted to stay with estranged relatives she's never met; and and there's something odd about some of the people she's been meeting at school: They're dead! Aided by Tia, her neurotic roommate, and Dr. David Pierce, a ghost-hunting professor, Jess must unravel the mystery behind her hauntings. But the closer she gets to the truth, the more danger shadows her every move. An ancient secret, long-buried, is about to claw its way to the surface, and nothing can prepare Jess for one terrifying truth her encounters with the world of the dead are only just beginning

### The Little Book of Hedge Funds

A BATTLE LOOMS, AND SHE COULD LOSE EVERYTHING  
Again and again, the same dreadful prediction a remote prison fortress, a fierce battle, an unthinkable outcome. For Jess Ballard, the signs could not be clearer; if the Durupinen want to maintain their control over the Gateways to the spirit world, they will have to battle for them at the ancient Skye Príosún, where even now a rebellion is brewing, ready to burst the barriers of the ancient stronghold. It is a near-impossible proposition. The very ranks of their protectors have been breached, and it is only a matter of time before the trust between Caomhnóir and Durupinen has all but disintegrated. The only chance the Durupinen have is to infiltrate the príosún from within-with nothing left to lose, Jess volunteers herself for the job. But the dangers are very real. The Caomhnóir of the príosún have been compromised. Jess does not know who she can trust inside-even her once unshakable bond with Finn Carey is being tested. If she chooses wrongly-forms the wrong alliance or makes the wrong gamble-the fate of the spirit world could hang in the balance. The challenges are formidable but so is the young

woman facing them. Heart of the Rebellion is the much-anticipated fifth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

### Enoch's Device

A mysterious mark, an ancient spirit, and a message from beyond the Aether After uncovering and destroying a Necromancer plot to take over Skye Príosún, Jess and Finn are united at last and longing to move on with their life together. But the Durupinen world has other plans. An enigmatic rune keeps revealing itself to Jess-in artwork, in dreams, and even scrawled upon the ancient stones of the Geatgrima at Fairhaven. No one can identify it, but its warning is clear: something dangerous is coming, a revelation that could end the Gateway system forever. Jess must follow the clues where they lead-forming unlikely alliances along the way. When her journey takes her at last to an ancient creature deep in the heart of the príosún, the truth she learns presents her with the most troubling question of all: what if her Durupinen gift was never really a gift at all, but something altogether darker? Soul of the Sentinel is the much-anticipated sixth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

### The Scrying

The bell that holds power over death has been lost. The race to find it has begun, and our world hangs in the balance. Caroline and Owen search for the bell across the land of the living. Ben Dejooli, now known as the Walker, searches the land of the dead. Their mission is to protect the bell and keep it secret. Others seek the bell as well, but they have different plans plans that could disrupt the careful balance between life and death that has stood since the beginning of time. ### Balance Point

A. In the past, the elite manipulated the population through a more mystical belief system. In particular, there was the institution of Sun worship (typified by deities such as Osiris and Set). However, as antiquity gave way to modern history, this system of control began to lose its effectiveness. During the sixteenth century, the ruling class managed to co-opt a relatively new methodology of truth discernmentscience. Over the years, they would contaminate this institution with their own virulent strains of thoughtmetaphysical naturalism, radical empiricism, Malthusianism, Darwinism, behaviorism, radical environmentalism, etc. Many of these paradigms were derivative of their own occult doctrines, thinly veiled to appear as objective science. All of these concepts correlate in some way and, at some point, coalesce. Together, they are gradually paving the way for the re-introduction of the hidden god of the Ancient Mysteries.

A warning from the past, an uncertain future, an impossible choice. For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they gather together the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes.

Together they return to the volcano, where all kinds of crazy happens. Brooks turns into a hawk, a demon attacks them in a cave, and Rosie gives her all while trying to protect Zane. When Zane decides to save his dog no matter the cost, he is thrust into an adventure full of surprising discoveries, dangerous secrets, and an all-out war between the gods, one of whom happens to be his father. To survive, Zane will have to become the Storm Runner. But how can he run when he can't even walk well without a cane?

## Fire Bringer

The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the

two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

### Portraits of the Forsaken

Zane Obispo's new life on a beautiful secluded tropical island, complete with his family and closest friends, should be perfect. But he can't control his newfound fire skills yet (inherited from his father, the Maya god Hurakan); there's a painful rift between him and his dog ever since she became a hell hound; and he doesn't know what to do with his feelings for Brooks. One day he discovers that by writing the book about his misadventures with the Maya gods, he unintentionally put other godborn children at risk. Unless Zane can find the godborns before the gods do, they will be killed. To make matters worse, Zane learns that Hurakan is scheduled to be executed. Zane knows he must rescue him, no matter the cost. Can he accomplish both tasks without the gods detecting him, or will he end up a permanent resident of the underworld? In this cleverly plotted sequel to *The Storm Runner*, the gang is back together again with spirited new characters, sneaky gods, Aztec royalty, unlikely alliances, and secrets darker than Zane could ever have imagined. Secrets that will change him forever.

### The Book of Sin

Collects three novels centered around three members of the Concannon family--Maggie, who is hiding from her past, Brianna, a bed-and-breakfast owner, and Shannon, who finds true love after searching for her real father.

## Book 2

A prophecy condemns him, a goddess binds him, but what will set Odysseus free? A thrilling tale of a legendary Greek adventure, perfect for fans of Madeline Miller and David Gemmell. Young Prince Odysseus is about to have his world torn apart. He has travelled to the oracle at Pytho to be anointed as heir to his island kingdom, but instead a terrible secret is revealed, one that tears down every pillar of his life and marks him out for death. Outcast by his family and on the run, Odysseus is offered sanctuary by Athena, goddess of wisdom, and thrust headfirst into the secret war between the gods. But can his wits, and his skill as a warrior, keep him ahead of their power games – and alive? Gods and mortals collide in this spellbinding retelling of a legend from classic Greek mythology, the first in the epic Olympus Trilogy. Praise for Athena's Champion – I'm always a sucker for some Greek mythos retellings but this took the legendary tale to another level. Legends, heroes, deceit, politics, sexism, fantasy, it has everything I love in a book and more – NetGalley Reviewer – Jun Ong
