The Star Trek Book

An original novel set in the universe of Star Trek: Voyager—and the sequel to the New York Times bestseller Protectors! Admiral Kathryn Janeway has now taken command of the Full Circle Fleet. Her first mission: return to the Delta Quadrant and open diplomatic relations with the Confederacy of the Worlds of the First Quadrant, a civilization whose power rivals that of the Federation. Captain Chakotay knows that his choices could derail the potential alliance. While grateful to the Confederacy Interstellar Fleet for rescuing the Federation starships from an alien armada, Voyager's captain cannot forget the horrors upon which the Confederacy was founded. More troubling, it appears that several of Voyager's old adversaries have formed a separate and unlikely pact that is determined to bring down the Confederacy at all costs. Sins of the past haunt the crew members of the Full Circle Fleet as they attempt to chart a course for the future. Will they learn much too late that some sins can never be forgiven...or forgotten? ™, ®, & © 2014 CBS Studios, Inc. STAR TREK and related marks are trademarks of CBS Studios, Inc. Star Trek Designing Starships Volume 2: Voyager and Beyond

The first and only guide to the beloved and star-studded Star Trek: The Animated Series, the in-canon (mostly) continuation of the iconic Star Trek: Original Series. Star Trek: The Animated Series (TAS) was a critical success, airing 22 episodes over two seasons and earning the franchise its first Emmy Award in 1975. The show featured the voices of almost the entire original cast, including William Shatner and Leonard Nimoy, along with the original series writers Dorothy Fontana ("Journey to Babel"), David Gerrold ("The Trouble with Tribbles"), acclaimed science-fiction author Larry Niven, and many more. Star Trek: The Official Guide to The Animated Series reveals the efforts it took to translate Star Trek: The Original Series into animated form, with a Databank illustrating how the animated series ties into other Star Trek shows. This book provides fans with behind-the-scenes production documents, never-before-seen art, and all-new interviews with the people who produced the Enterprise's new animated adventures.

Acts of Contrition

With more than 50 years of history to its name, Star Trek is one of the world's most treasured popular culture institutions, and seven-time Emmy award winner Dan Curry is one of its most enduring talents. His amazing contributions have ranged from directing, title design and concept art to practical on-set effects and weapon design. From *The Next Generation* to *Enterprise*, Dan's incredibly diverse Star Trek work has resulted in some of the series' most memorable moments.

Pathways

In the climactic conclusion to the *Star Trek: Destiny* trilogy the greatest menace to the galaxy, the Borg, were absorbed into the Caeliar gestalt -- with one exception, Seven of Nine, who finds herself trapped in a half existence, neither drone nor human. Seven agrees to join Chakotay, the former captain of the *USS Voyager*, to rendezvous with the ships that Starfleet Command has sent into the Delta Quadrant and see if they can solve the mystery of the Caeliar's disappearance. In a region of space which has lived in fear of instant annihilation, *Voyager* is charged with reaching out to possible allies and resolving old enmities. But these are not the friendly stars of the Federation, and out here the unknown and the unexpected cannot be dealt with by standard Starfleet protocols.

The Autobiography of Kathryn Janeway

Fourth in the series of *STAR TREK ILLUSTRATED HANDBOOKS*, this guide takes an in-depth look at the space station Deep Space 9 and the starship U.S.S. *Defiant*. The perfect gift for the Star Trek fan in your life Exploring the former Cardassian space station in detail, this volume looks at Deep Space 9's history and operation under the command of Captain Benjamin Sisko of the United Federation of Planets. The chapters feature the station, the warship the U.S.S. *Defiant*, and the small, multi-purpose runabouts used as transport by the crew. With technical information from official sources, annotated exterior views and isometric illustrations of key locations, this handbook provides an extraordinary reference guide to 24th century Federation life on the diplomatic outpost. With technical information from official sources, annotated exterior views and isometric illustrations of key locations, this volume provides an extraordinary reference guide to 24th century Federation life on the diplomatic outpost.

Featuring informative and analytical text combined with exciting photography and infographics throughout, *The Star Trek Book* is broken down into main categories such as science and technology, Starfleet, allies and enemies, and more. Perfect for fans of the various Star Trek TV series, including *The Next Generation*, *Deep Space Nine*, *Voyager*, and *Enterprise*, *The Star Trek Book* details everything you need to know about 50 years of excitement and

adventure on the final frontier. ® & © 2016 CBS Studios Inc. © 2016 Paramount Pictures Corporation. STAR TREK and related marks are trademarks of CBS Studios Inc. All Rights Reserved.

Bless the Beasts

B'Elanna Torres has no intention of celebrating the Day of Honor. A day of glory for others of Klingon heritage, the day for Torres has always been a dark one, for reasons that stretch back to childhood memories she has tried to forget. This Day of Honor is no better. Trouble with the warp engines has crippled the U.S.S. Voyager just as it confronts a deadly threat. Torres and Tom Paris must put their lives on the line to restore the engines. With time running out, Torres has one last chance to accept the great loss she once suffered and reveal the true feelings she has buried for years.

Flesh and Bone

Spanning the epic science fiction franchise's fifty-one-year history, a breathtaking collection of the most compelling Star Trek facts and trivia, including events from both on and off-screen, available in 100 concise lists. Since Gene Roddenberry's original series first aired in 1966, Star Trek has become a pop culture phenomenon, and one of the largest global properties of all time. Entertaining and fun, Star Trek: The Book of Lists catalogs the most compelling facts about the original series and its spin-offs, as well as its thirteen films, gathered together and broken down into one hundred lists, including: Historical Figure Cameos Crew Crossovers Memorable Deaths Intergalactic Threats, Enemies, and Villains Compiling a galaxy's worth of information in one handy digest, Star Trek: The Book of Lists is a fascinating historical record of the Star Trek universe for both hardcore fans and casual viewers.

The Television Episode

Explore the behind the scenes process to reveal the thinking - and the artwork - behind the creation of the most iconic ships in Star Trek's history! This book, which covers more than 30 ships including the U.S.S Voyager, Delta Flyer, V'ger, and the Enterprise-J, is packed with original concept art, and includes work from legendary artists Syd Mead and Robert McCall. Continue the exploration of the design process that led to the iconic Star Trek ships from the hit television programs and films. Featuring interviews with the ship designers and screen model builders, this first-time ever explored subject will appeal to all Star Trek fans. Includes first-time ever collected concept art and sketches. Learn about the real-world people events behind one of the greatest science fiction universes.

The Art of Star Trek Discovery

Melbourne's a city you get to know from the inside out - you have to walk it to love it. My favourite time to do this is at night. That's when you capture glimpses of people - eating, laughing, talking, arguing, watching TV and reading - through half-open terrace house doors and windows It is a city of inside places and conversation. Of intimacy. Melbourne begins on Black Saturday, the day that bushfires tore through the outskirts of Melbourne, destroying the townships of Marysville and Kinglake, shattering thousands of lives. Sophie Cunningham writes about what happened over the year that followed. Sit through a heatwave, visit the drains underneath the city, participate in a letterpress workshop, wander beside the Yarra,

cycle alongside tram tracks and cheer at the footy. Live through the drought before the storm, the rain before yet more fire and days of searing heat. Along the way, be captivated as Cunningham shares her Melbourne, its stories and its characters. In a new introduction, Cunningham returns to Melbourne after a period away and reflects on how much her city has changed since Melbourne was first published in 2011: it is hotter, greener and has endured the rollercoaster ride - from boom times to economic depression - that defined 2020. 'Cunningham has successfully captured the dynamics of a city in constant flux, while focusing on the essence of its inner life, which gives it an ambience quite unlike that found in any other Australian city.' - Robert Hefner, The Canberra Times 'It would be nice to imagine that the gift of this book to Melbourne is its greater capacity to understand itself and its webs of connection.' - David Sornig, Melbourne Review 'An admirable response to the impossible task of writing about a city its history, its present, its characters, its stories, its politics and its personal meaning in a single, accessible volume when any one of these themes should take several. Cunningham is communicating this city's soul as though it's a person, full of contradictions but with an essential character.' -- Waleed Aly, The Sunday Age 'This beautiful book provokes nostalgia and deeper thinking about the events, places and people who have defined Melbourne.' -- Herald Sun 'Cunningham is communicating this city's soul as though it's a person, full of contradictions but with an essential character.' -- Waleed Aly, Australian Book Review

How to Forget

In 1995, Star Trek: Voyager brought a new dynamic to Star Trek's familiar, starship oriented, show. Lost 70,000 light-years in space, Voyager and its crew faced an uncertain and changeable future, echoing anxieties felt in the United States at the time. These fifteen essays explore the context, characters, and themes of Star Trek: Voyager, as they relate to the culture and zeitgeist of the 1990s. Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway, Kes and Seven of Nine, while essays on identity examine the show's intersections with disability studies, race and multiracial identities, family dynamics, and emerging AI and humanity. Using the epic journey of Homer's Odyssey as a starting point for the series, and ending with an examination of the impacts of inception at the birth of the internet age, this book shows the many ways in which Voyager negotiated different perspectives for what the future of the galaxy and the USA could be.

Homecoming

A behind-the-scenes souvenir guide to commemorate the 25th anniversary of Star Trek: Voyager. A deluxe collector's edition offering a behind-the-scenes guide to the classic Star Trek series, featuring a selection of interviews and features on the characters, cast, and crew of Star Trek: Voyager with rarely seen photos and art.

Star Trek Nerd Search

A Washington Post "Notable Work of Nonfiction of 2019" In this profoundly honest and examined memoir about returning to Iowa to care for her ailing parents, the star of Orange Is the New Black and bestselling author of Born with Teeth takes us on an unexpected journey of loss, betrayal, and the transcendent nature of a daughter's love for her parents. They say you can't go home again. But when her father is diagnosed with aggressive lung cancer and her

mother with atypical Alzheimer's, New York-based actress Kate Mulgrew returns to her hometown in Iowa to spend time with her parents and care for them in the time they have left. The months Kate spends with her parents in Dubuque—by turns turbulent, tragic, and joyful—lead her to reflect on each of their lives and how they shaped her own. Those ruminations are transformed when, in the wake of their deaths, Kate uncovers long-kept secrets that challenge her understanding of the unconventional Irish Catholic household in which she was raised. Breathtaking and powerful, laced with the author's irreverent wit, *How to Forget* is a considered portrait of a mother and a father, an emotionally powerful memoir that demonstrates how love fuses children and parents, and an honest examination of family, memory, and indelible loss.

Star Trek: the Official Guide to the Animated Series

An original novel set in the universe of *Star Trek: Voyager*, from the New York Times bestselling author! As the Federation Starship *Voyager* continues to lead the Full Circle Fleet in its exploration of the Delta Quadrant, Admiral Kathryn Janeway remains concerned about the Krenim Imperium and its ability to rewrite time to suit its whims. At Captain Chakotay's suggestion, however, she orders the fleet to focus its attention on a unique planet in a binary system, where a new element has been discovered. Several biospheres exist on this otherwise uninhabitable world, each containing different atmospheres and features that argue other sentient beings once resided on the surface. Janeway hopes that digging into an old-fashioned scientific mystery will lift the crews' morale, but she soon realizes that the secrets buried on this world may be part of a much larger puzzle—one that points to the existence of a species whose power to reshape the galaxy might dwarf that of the Krenim. Meanwhile, Lieutenants Nancy Conlon and Harry Kim continue to struggle with the choices related to Conlon's degenerative condition. Full Circle's medical staff discovers a potential solution, but complications will force a fellow officer to confront her people's troubled past and her own future in ways she never imagined...™, ®, & © 2018 CBS Studios, Inc. STAR TREK and related marks and logos are trademarks of CBS Studios, Inc. All Rights Reserved.

Taschen

Raised by unconventional Irish Catholics who knew "how to drink, how to dance, how to talk, and how to stir up the devil," Kate Mulgrew grew up with poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: "Use it," Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played--Captain Janeway on *Star Trek*; the tough-as-nails "Red" on *Orange Is the New Black*. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, *BORN WITH TEETH* is the breathtaking memoir of a woman who dares to live life to the fullest, on her own

terms.

Crisis Pastoral Care

Stranded far from the ruins of the Terran Empire, Captain Janeway of the rebel ship Voyager has crowned herself Pirate Queen of the Delta Quadrant! Of course, the locals won't give in without a fight--especially not scavengers Neelix and Kes. And who is this apparent Terran who calls herself Annika Hansen? Find out in *Mirror Voyager's* amazing comic book debut!

Star Trek Shipyards: The Klingon Fleet

The official Star Trek: Discovery art book. Star Trek: Discovery, the newest chapter in the Star Trek Universe, follows the exploits of Vulcan-raised science officer Michael Burnham and the crew of the U.S.S. Discovery as they boldly go where no one has gone before. The Art of Star Trek Discovery explores behind the scenes of CBS's hit show, with cast and crew interviews, set photography, concept art and storyboards. With exclusive content from the first two seasons, this book is a must-have for every Star Trek fan.

Star Trek Voyager: a Celebration

Author and chaplain Thomas Shane tells dozens of stories of what it is like to provide crisis pastoral care to those caught in the grim and shocking realities of life. His book brings a balanced, spirituality-based perspective to the dead centre of heartbreaking human experiences - violent crimes, homicides, natural disasters, auto mobile accidents, suicides, child abuse, and more. The author has worked with law enforcement professionals for 30 years, and his life has been dedicated to the victims and families involved in tragedies, and particularly to the needs of police officers. His words will both encourage and instruct other helping professionals to be better prepared to deal with their own and other's needs during a crisis situation. The book gives readers an insider's view, not theoretical. Dr. Shane candidly reveals his own struggles, doubts and fears, along with the courage, faith and hope that sustains his life and work. He even addresses the complex and challenging task of offering care and spiritual counsel to the perpetrators of crimes. Topics include: General principles for working with police; Helping people deal with guilt and find forgiveness; The real and personal risks in crisis intervention; Death notification; Chaplaincy and terrorism; What is the pastor's authority, and what is not. While many good books reveal the theory of pastoral care and the dynamics of grief work, *Crisis Pastoral Care* borders on a memoir of life in the midst of disaster. Anyone who deals on a regular basis with the victims of crime and disaster will find this book an invaluable resource.

Star Trek: Voyager: Mirrors and Smoke

The Autobiography of Jean-Luc Picard tells the story of one of the most celebrated names in Starfleet history. His extraordinary life and career makes for dramatic reading: court martials, unrequited love, his capture and torture at the hand of the Cardassians, his assimilation with the Borg and countless other encounters as captain of the celebrated Starship Enterprise.

Star Trek: Voyager 25th Anniversary Special

Ever wonder what to serve at a Klingon Day of Ascension? Just can't remember if you bring a

gift to a Rumarie celebration? Can't recall if on Galvin Five, a marriage is considered successful only if children are produced within a year or three of the wedding? You know that Damok was on the ocean, but you can't recall just what that means? Have no fear! Finally, you too can come prepared to any celebration held anywhere in the Federation. Culled from the data resources of every world, this comprehensive and handy guide will let you walk into any celebration with assurance. Clearly laid out are the complex and compelling cultures that are a part of this vast Federation. Plus: in a special section are the celebrations that have become part of the traditions of Starfleet. From promotion to ship commissioning, from the high solemn occasion of the passing of a member of the crew to the joyous exchange of marriage vows, you can be a part of it all!

A Vision of the Future

After seven long years in the Delta Quadrant, the crew of the Starship Voyager now confront the strangest world of all: home. For Admiral Kathryn Janeway and her officers, Voyager's miraculous return to planet Earth brings new honours and new responsibilities. For some there are reunions with long-lost loved ones, while for others such as the Doctor and Seven of Nine, there is the challenge of forging new lives in a Federation that seems to hold little place for them. But even as Janeway and the others go their separate ways, pursuing new horizons and opportunities, a strange cybernetic plague strikes Earth, transforming men, women and children into a new generation of Borg. Soon the entire planet faces assimilation, and Voyager -- newly returned from the heartland of the Borg -- may be to blame.

Architects of Infinity

The Star Trek Shipyards series provides Star Trek fans with the first ever chronological guide to the starships from the television and film series. In this third volume, the ships of the Klingon fleet are explored from their first appearances in the original Star Trek television series through their most recent appearances in the hit new series Star Trek: Discovery. A chronological history of the Klingon fleet from the Star Trek television programs and films, including the TV series Star Trek: Discovery.

The Star Trek: Voyager: Farther Shore

Join the crew of the U.S.S Enterprise in all-new adventures as they near the end of their five-year mission, featuring the characters from the Original Series! The crew of the Enterprise left Earth four years ago. They've traveled to strange new worlds, defeated impossible foes, and made universe-changing decisions. But now, with the end in sight, they'll have to face their biggest challenge yet. Step aboard the Enterprise with Kirk, Spock, Bones, Uhura, Sulu, Scotty, and Chekov as they begin the end of their original five-year mission and boldly go into an uncertain future in this new continuing Star Trekseries! Collects issues #1–6.

Full Circle

In celebration of 50 years of STAR TREK, a collection of the greatest TREK covers from across the galaxy! From Kirk to Klingons, Bones to Borg, it's all here!

Celebrations

Celebrating the 25th anniversary of the TV series in 2020! Everything you want to know about Captain Kathryn Janeway's Starship Voyager and crew. The perfect holiday gift for the Star Trek fan in your life! STAR TREK: VOYAGER was groundbreaking. It was the first STAR TREK show with a female captain and had the franchise's most diverse cast. It pushed the boundaries of visual effects and makeup further than ever before, and literally took the show into new territory when Voyager was stranded in the Delta Quadrant, home of the Borg Collective. STAR TREK: VOYAGER - A CELEBRATION tells the behind-the-scenes story of Voyager's epic journey, from its earliest origins and pivotal episodes to in-depth features on writing, directing, visual effects, production art and more. This is the ultimate guide to the making of a television classic. It is based on more than 30 new interviews, featuring the nine principal cast members, including Kate Mulgrew, Jeri Ryan, and Robert Picardo, and key behind-the-scenes personnel who reveal the stories and secrets behind the show. STAR TREK: VOYAGER first appeared on TV on 16 January 1995, running for 172 episodes over seven seasons. Charting the adventures of the 24th Century Starfleet Vessel U.S.S. Voyager, this multi award-winning series followed the starship and its crew to the distant side of the galaxy. Celebrating 25 years since its first broadcast episode, this book explores the very best of STAR TREK: VOYAGER, with chapters looking at the greatest episodes, alien characters, visual effects, hair and makeup, costumes and guest stars. Plus the actors talk of their memories of the show, and recall their personal highlights over its six-and-a-half year run.

Experiencing Project Management

A behind-the-scenes collector's look at the hit television series begins before the first filming and is lavishly illustrated with exclusive photographs. Original. TV tie-in.

Melbourne

Washed up on a faraway galactic shore, Captain Kathryn Janeway of the U.S.S. Voyager™ faced a choice: accept exile or set a course for home, a seventy-thousand-light-year journey fraught with unknown perils. She chose the latter. Janeway's decision launched her crew on a seven-year trek pursuing an often lonely path that embodied the purest form of the Starfleet adage "to boldly go"™ Committed to that difficult road, Voyager's crew was rewarded with unimaginable experiences on strange and fantastic worlds, encountering exotic alien species and astonishing phenomena and challenged along the way by conflicts from within as well as from without. Yet none of their adventures tempered their shared determination to find a way back to friends and family.

Born with Teeth

In a universe that seems to have gone mad, we turn to mindfulness to restore sanity. And who better to teach us wisdom than Mr. Spock, that beacon of calm, rational thought. With quotes from STAR TREK and timely insights about modern life this book will be your guide. When humanity has lost its way, it takes a Vulcan to raise an eyebrow at our folly and lead us towards the truth. After all, it's only logical

Star Trek: Voyager: Distant Shores Anthology

With a devastating Borg plague threatening to ravage Earth, Kathryn Janeway and her crew find themselves under suspicion of having unknowingly transported the infection back with

them and join forces with the crew of the Enterprise to uncover the source of contagion and prevent the Bog assimilation of Earth. Original.

To Lose the Earth

Kathryn Janeway reveals her career in Starfleet, from her first command to her epic journey through the Delta Quadrant leading to her rise to the top as vice-admiral in Starfleet Command. The woman who travelled further than any human ever had before, stranded decades from home, encountering new worlds and species and overcoming one of Starfleet's greatest threats – the Borg – on their own remote and hostile territory.

Star Trek: the Artistry of Dan Curry

In desperate need of crucial repairs, the Starship Voyager™ has come to Sardalia, a planet blessed with great natural beauty and apparently friendly inhabitants. The Sardalians welcome Voyager enthusiastically, but Captain Janeway soon grows suspicious. The Sardalians seem almost too eager to help. Janeway fears they are hiding some secret agenda. When Tom Paris and Harry Kim disappear while visiting the planet, the captain and her crew find themselves caught in the middle of a planetary war -- and faced with an agonizing moral dilemma.

Star Trek: The Book of Lists

Flesh and Bone offers the reader a solid background in forensic anthropology by outlining some of the methods and procedures that best define the discipline. It introduces readers to the rapidly growing area known as forensic science, providing a comprehensive look at many of the participants in the field. The author avoids technical terminology whenever possible and includes updated photographs, charts, and illustrations to complement the text.

Exploring Star Trek: Voyager

Not just anyone gets to be the subject of a Taschen book, and British filmmakers Oliver Payne and Nick Relph are no exception. This is not a Taschen book. But in keeping with the carefree, phantasmagorical attitude that pulsates through their cinematic essays, Payne and Relph have decided to title their book Taschen, thereby adding a Taschen book to their bibliography without actually having to fit the publishing company's profile. Their videos and films reflect the zeitgeist of a young, urban generation, a world in which teenage garage bands bang away, kids grope each other in the subway, and too many people wear those awful masks from *Scream*. It's not an ironic point of view; as the artists exclaim in gold lettering on the front cover: We don't have the option of turning away from the future.

The Autobiography of Jean-Luc Picard

Think you know Star Trek, the original series like no fans has done before? Well boldly go and take up our challenge! It's a puzzle book, Jim, but not as we know it. This is no conventional 'search-and-find.' Each of its detailed, full-color pages is packed with out-of-context items and cosmic continuity errors that only a true fan can spot. It would be illogical to resist this challenge, when the accuracy of the whole Trek universe is at stake. Captain Kirk, Mr Spock and the Enterprise crew have discovered that a series of exploding tribbles have been hidden by the Klingons in locations visited by the Enterprise. Kirk and his crew must seek and find

each exploding tribble. At the same time, fans must spot items from every story in The Original Series, also concealed in the pictures. This is next-level Where's Waldo for adult fans, plus a chance to save the galaxy into the bargain! The book opens with an article exploring the grand tradition of fans spotting continuity gaffes in the world of Star Trek. Then this is followed by an explanatory spread telling the reader how to use the book. A feedback session at the back clears up all quibbles with tribbles and debates about the non-interference directive! Three levels of engagement: * TRIBBLE TREK: SPOT the all-important EXPLODING TRIBBLE * NERD ALERT: Spot five continuity errors, mistakes within the featured episode itself. * THE ARTEFACT INCIDENT: Find the out-of-context items from other episodes, ten to a spread.

Star Trek: 50th Anniversary Cover Celebration

The long-awaited follow-up to *Voyager: Architects of Infinity* from the New York Times bestselling author and cocreator of *Star Trek: Picard*! As the crew of the Full Circle fleet works to determine the fate of their lost ship, the Galen, a struggle for survival begins at the far edge of the galaxy. New revelations about Species 001, the race that built the biodomes that first drew the fleet to investigate planet DK-1116, force Admiral Kathryn Janeway to risk everything to learn the truth.

Homecoming

A companion to the popular syndicated television show offers a complete show-by-show guide to the series, including plot summaries and behind-the-scenes details.

Star Trek: Deep Space 9 and the U. S. S Defiant Illustrated Handbook

A project manager must not only master methods and processes, but also have the ability to deal with new, unexpected and critical situations. The book deals with these challenges, the passion for projects and the creativity which is required in order to lead projects and bring them to a successful conclusion. Experienced project managers report on exciting tasks in various countries, daily life as project managers and about their personal experiences and learning effects. Readers will experience the fascinating appeal of the job of a "project manager", which also means constantly being prepared to get into a new task. Furthermore, the book provides ideas about how to overcome social, cultural, organisational, financial, bureaucratic or other hurdles. Not only classic project managers - engineers and economists -, but also lawyers or industrial engineers, who work in projects or are interested in project work, will be inspired by this book, how personal commitment and professional, organisational and social capabilities combine to form this unique profession.

Star Trek: Year Five - Odyssey's End (Book 1)

When the U.S.S. *Voyager* is dispatched on an urgent mission to the planet Kerovi, Captain Chakotay and his first officer, Commander Thomas Paris, must choose between following their orders and saving the lives of two of those dearest to them. B'Elanna Torres and her daughter, Miral, are both missing in the wake of a brutal attack on the Klingon world of Boreth. With the aid of their former captain, Admiral Kathryn Janeway -- as well as many old friends and new allies -- *Voyager's* crew must unravel an ancient mystery, placing themselves between two warrior sects battling for the soul of the Klingon people while the life of Miral hangs in the balance. But these events and their repercussions are merely the prelude to even darker days

to come. As Voyager is drawn into a desperate struggle to prevent the annihilation of the Federation, lives are shattered, and the bonds that were forged in the Delta Quadrant are challenged in ways that none could have imagined. For though destiny has dealt them crushing blows, Voyager's crew must rise to face their future and begin a perilous journey in which the wheel of fate comes full circle.

Mr Spock's Little Book of Mindfulness

After seven years trapped in the Delta Quadrant, Admiral Kathryn Janeway and the crew of Voyager miraculously find their way home, where they find new opportunities, adventures, and reunions with loved ones, until a mysterious cybernetic plague strikes Earth, transforming humans into a new generation of Borg. Original.
