### Blackbirds

Lost at the Con tells the tale of a drunken political journalist and his dangerous assignment to a science fiction and fantasy convention. Though he'd rather be at home drinking his liver to death, his spiteful editor delivers an ultimatum: take the assignment or lose the steady paycheck. Since Cobb can't afford to turn down the job, he heads to Atlanta and dives head first into the realm of Griffin\*Con, renowned the

world over as the Mardis Gras of geek conventions. There, he finds all of the science fiction, fantasy, and cosplay he would expect, but he also finds something more sinister: a seedy underbelly of geeky debauchery, slash fiction, booze, sex, and drugs. Can he make it through this assignment without snapping and winding up on the front page himself? Or will the entire experience change him in ways he never imagined possible? It's been called "A masterful blend of fictional Gonzo journalism and geek culture that is sure to please audiences inside and outside the geek community."

### The Mandalorian Original Novel (Star Wars)

As the Empire and the Rebellion clash, the galaxy trembles! In the wake of the obliteration of Alderaan, Thane's faith in the Empire is shaken, while the destruction of the Death Star that soon follows gives Ciena a reason to rededicate herself to the side she's chosen. As their paths diverge, is love strong enough to overcome the distance growing between them?

The Emperor is dead, and the remnants of his former Empire are in retreat. As the New Republic fights to restore a lasting peace to the galaxy, some dare to imagine new beginnings and new destinies. For Han Solo, that means settling his last outstanding debt, by helping Chewbacca liberate the Wookiee's homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue Grand Admiral Rae Sloane and the Empire's remaining leadership across the galaxy. Even as more and more officers are brought to justice, Sloane continues to elude the New Republic, and Norra fears Sloane may be searching for a means to save the crumbling Empire from oblivion. But the hunt for Sloane is cut short when Norra receives an urgent request from Princess Leia Organa. The attempt to liberate Kashyyyk has carried Han Solo, Chewbacca, and a band of smugglers into an ambush—resulting in Chewie's capture and Han's disappearance. Breaking away from their official mission and racing toward Kashyyyk, Norra and her crew prepare for any challenge that stands between them and their missing comrades. But they can't anticipate the true depth of the danger that awaits them—or the ruthlessness of the enemy drawing them into his crosshairs.

### Battlefront: Twilight Company (Star Wars)

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer

Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

been dead now for close to a century, but seeing as how he's a vampire and all, it doesn't much bother him. Or at least it didn't, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead—but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like brains. He's smart. Them, not so much. But they outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he's starving. And nocturnal. And more pissed-off than a bee-stung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector—after all, a man has to look after his food supply.

### Damn Fine Story

Darth Plagueis: one of the most brilliant Sith Lords who ever lived. Possessing power is all he desires. Losing it is the only thing he fears. As an apprentice, he embraces the ruthless ways of the Sith. And when the time is right, he destroys his Master - but vows never to suffer the same fate. For like no other disciple of the dark side, Darth Plagueis learns to command the ultimate power over life and death. Darth Sidious: Plagueis's chosen apprentice. Under the guidance of his Master, he secretly studies the ways of the Sith, while publicly rising to power in the galactic government, first as Senator, then as Chancellor, and eventually as Emperor. Darth Plagueis and Darth Sidious, Master and acolyte, target the galaxy for domination - and the Jedi Order for annihilation. But can they defy the merciless Sith tradition? Or will the desire of one to rule supreme, and the dream of another to live forever, sow the seeds of their destruction?

### Star Wars

As a cargo ship rockets across the galaxy to Canto Bight, the deckhands on board trade stories about legendary Jedi Knight Luke Skywalker. But are the stories of iconic and mysterious Luke Skywalker true, or merely tall tales passed from one corner of the galaxy to another? Is Skywalker really a famous Jedi hero, an elaborate charlatan, or even part droid? The deckhands will have to decide for themselves when they hear *The Legends of Luke Skywalker*. A collection of myths and tall-tales about the legendary Jedi Luke Skywalker, written by Nebula, Hugo, and World Fantasy award-winning author Ken Liu.

### U.S. History

Beware the hands that heal. The Doctor and Peri land on the planet Necros to visit the funerary home Tranquil Repose — where the dead are interred and the near-dead placed in suspended animation until such time as their conditions can be cured. But the Great Healer of Tranquil Repose is far from benign. Under his command, Daleks guard the catacombs where sickening experiments are conducted on human bodies. The new life he offers the dying comes at a terrible cost — and the Doctor and Peri are being lured into a trap that will change them forever. At last, the only classic-era Doctor Who adventure never to be novelised is here, and by the author of the original script, Eric Saward.

1980s Baltimore produced four NBA players and gave hope to a desperate neighborhood and city—a feel-good story that is timely as well as true (Glenn C. Altschuler, Florida Courier). As the crack epidemic swept across inner-city America in the early 1980s, the streets of Baltimore were crime ridden. For poor kids from the housing projects, the future looked bleak. But basketball could provide the quickest ticket out, an opportunity to earn a college scholarship and perhaps even play in the NBA. Dunbar High School had one of the most successful basketball programs in the country; in the early 1980s, the Dunbar Poets were arguably the best high school team of all time. Four starting players—Muggsy Bogues, Reggie Williams, David Wingate, and Reggie Lewis—would eventually play in the NBA, an unheard-of success rate. In *The Boys of Dunbar*, Alejandro Danois revisits the 1981-1982 season with the Poets as the team conquered all its opponents. But more than that, he takes us into the lives of these kids, and especially of Coach Bob Wade, a former NFL player from the same neighborhood who knew that the basketball court, and the lessons his players would learn there, held the key to the future. “[Danois] tale of the basketball exploits of a handful of high school students in the 1980s shows young men motivated by their coach and other recreation leaders to dream beyond the hardship of their geography” (Bijan C. Bayne, *The Washington Post*). “[Inspirational stories can be found everywhere in high-school sports, but Dunbar and its legendary coach, Bob Wade, stand out] (Booklist). *The Boys of Dunbar* will leave you cheering every victory.

### Life Debt: Aftermath (Star Wars)

Science and technology have starring roles in a wide range of genres--science fiction, fantasy, thriller, mystery, and more. Unfortunately, many depictions of technical subjects in literature, film, and television are pure fiction. A basic understanding of biology, physics, engineering, and medicine will help you create more realistic stories that satisfy discerning readers. This book brings together scientists, physicians, engineers, and other experts to help you: □ Understand the basic principles of science, technology, and medicine that are frequently featured in fiction. □ Avoid common pitfalls and misconceptions to ensure technical accuracy. □ Write realistic and compelling scientific elements that will captivate readers. □ Brainstorm and develop new science- and technology-based story ideas. Whether writing about mutant monsters, rogue viruses, giant spaceships, or even murders and espionage, *Putting the Science in Fiction* will have something to help every writer craft better fiction. *Putting the Science in Fiction* collects articles from "Science in Sci-fi, Fact in Fantasy," Dan Koboldt's popular blog series for authors and fans of speculative fiction ([dankoboldt.com/science-in-scifi](http://dankoboldt.com/science-in-scifi)). Each article discusses an element of sci-fi or fantasy with an expert in that field. Scientists, engineers, medical professionals, and others share their insights in order to debunk the myths, correct the misconceptions, and offer advice on getting the details right.

### The Kick-Ass Writer

NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away. . . . When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail. "It appears things are as you suspected, Lord Vader. We are indeed hunted." Anakin Skywalker, Jedi Knight, is just a memory. Darth Vader, newly anointed Sith Lord, is ascendant. The Emperor's chosen apprentice has swiftly proven his loyalty to the dark side. Still, the history of the Sith Order is one of duplicity, betrayal, and acolytes violently usurping their Masters—and the truest measure of Vader's allegiance has yet to be taken. Until now. On Ryloth, a planet crucial to the growing Empire as a source of slave labor and the narcotic known as "spice," an aggressive resistance movement has arisen, led by Cham Syndulla, an idealistic freedom fighter, and Isval, a vengeful former slave. But Emperor Palpatine means to control the embattled world and its precious resources—by political power or firepower—and he will be neither intimidated nor denied. Accompanied by his merciless disciple, Darth Vader, he sets out on a rare personal mission to ensure his will is done. For Syndulla and Isval, it's the opportunity to strike at the very heart of the ruthless dictatorship sweeping the galaxy. And for the Emperor and Darth Vader, Ryloth becomes more than just a matter of putting down an insurrection: When an ambush sends them crashing to the planet's surface, where inhospitable terrain and an army of resistance fighters await them, they will find their relationship tested as never before. With only their lightsabers, the dark side of the Force, and each other to depend on, the two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries. Praise for *Lords of the Sith* "A compelling tale [that] gives us new insight into the relationship between Darth Vader and his master, Emperor Palpatine."—New York

### Putting the Science in Fiction

In his most prescriptive book to date, financial expert and investment advisor James Rickards shows how and why our financial markets are being artificially inflated--and what smart investors can do to protect their assets What goes up, must come down. As any student of financial history knows, the dizzying heights of the stock market can't continue indefinitely--especially since asset prices have been artificially inflated by investor optimism around the Trump administration, ruinously low interest rates, and the infiltration of behavioral economics into our financial lives. The elites are prepared, but what's the average investor to do? James Rickards, the author of the prescient books *Currency Wars*, *The Death of Money*, and *The Road to Ruin*, lays out the true risks to our financial system, and offers invaluable advice on how best to weather the storm. You'll learn, for instance: \* How behavioral economists prop up the market: Funds that administer 401(k)s use all kinds of tricks to make you invest more, inflating asset prices to unsustainable levels. \* Why digital currencies like Bitcoin and Ethereum are best avoided. \* Why passive investing has been overhyped: The average investor has been scolded into passively managed index funds. But active investors will soon have a big advantage. \* What the financial landscape will look like after the next crisis: it will not be an apocalypse, but it will be radically different. Those who forsee this landscape can prepare now to preserve wealth. Provocative, stirring, and full of counterintuitive advice, *Aftermath* is the book every smart investor will want to get their hands

on--as soon as possible.

### Thrawn: Alliances (Star Wars)

The first book in the Miriam Black series: "A sassy, hard-boiled thriller with a paranormal slant" (The Guardian) about a young woman who can see the darkest corners of the future. Miriam Black knows how you're going to die. This makes her daily life a living hell, especially when you can't do anything about it, or stop trying to. She's foreseen hundreds of car crashes, heart attacks, strokes, and suicides. She merely needs to touch you—skin to skin contact—and she knows how and when your final moments will occur. Miriam has given up trying to save people; that only makes their deaths happen. But then she hitches a ride with Louis Darling and shakes his hand, and she sees in thirty days that Louis will be murdered while he calls her name. Louis will die because he met her, and Miriam will be the next victim. No matter what she does she can't save Louis. But if she wants to stay alive, she'll have to try. "Think Six Feet Under co-written by Stephen King and Chuck Palahniuk" (SFX), and you have Blackbirds: a visceral, exciting novel about life on the edge.

Discover Thrawn's origins within the Chiss Ascendancy in the first book in an epic new Star Wars trilogy from bestselling author Timothy Zahn. Beyond the edge of the galaxy lies the Unknown Regions: chaotic, uncharted, and near impassable, with hidden secrets and dangers in equal measure. And nestled within its swirling chaos is the Ascendancy, home to the enigmatic Chiss and the Nine Ruling Families that lead them. The peace of the Ascendancy, a beacon of calm and stability, is shattered after a daring attack on the Chiss capital that leaves no trace of the enemy. Baffled, the Ascendancy dispatches one of its brightest young military officers to root out the unseen assailants. A recruit born of no title, but adopted into the powerful family of the Mitth and given the name Thrawn. With the might of the Expansionary Fleet at his back, and the aid of his comrade Admiral Ar'alani, answers begin to fall into place. But as Thrawn's first command probes deeper into the vast stretch of space his people call the Chaos, he realizes that the mission he has been given is not what it seems. And the threat to the Ascendancy is only just beginning.

Sydney seems like a normal 15-year-old freshman. She hangs out underneath the bleachers, listens to music in her friend's car, and gets into arguments with her annoying little brother - but she also has a few secrets she's only shared in her diary. Like how she's in love with her best friend Dina, the bizarreness of her father's death, and those painful telekinetic powers that keep popping up at the most inopportune times. In this collection of the self-published minicomic series, Forsman expertly channels the teenage ethos in a style that evokes classic comic strips while telling a powerful story about the intense, and sometimes violent, tug of war between trauma and control.

each offered a choice: go to prison or help protect the United States, putting their brains and skills to work for the government for one year. But being a white-hat doesn't always mean you work for the good guys. The would-be cyberspies discover that behind the scenes lurks a sinister NSA program, an artificial intelligence code-named Typhon, that has origins and an evolution both dangerous and disturbing. And if it's not brought down, will soon be uncontrollable. Can the hackers escape their federal watchers and confront Typhon and its mysterious creator? And what does the government really want them to do? If they decide to turn the tables, will their own secrets be exposed—and their lives erased like lines of bad code? Combining the scientific-based, propulsive narrative style of Michael Crichton with the eerie atmosphere and conspiracy themes of *The X-Files* and the imaginative, speculative edge of Neal Stephenson and William Gibson, *Zer0es* explores our deep-seated fears about government surveillance and hacking in an inventive fast-paced novel sure to earn Chuck Wendig the widespread acclaim he deserves.

Even the fastest ship in the galaxy can't outrun the past. . . . THEN: It's one of the galaxy's most dangerous secrets: a mysterious transmitter with unknown power and a reward for its discovery that most could only dream of claiming. But those who fly the Millennium Falcon throughout its infamous history aren't your average scoundrels. Not once, but twice, the crew of the Falcon tries to claim the elusive prize—first, Lando Calrissian and the droid L3-37 at the dawn of an ambitious career, and later, a young and hungry Han Solo with the help of his copilot, Chewbacca. But the device's creator, the volatile criminal Fyzen Gor, isn't interested in sharing. And Gor knows how to hold a grudge. . . . NOW: It's been ten years since the rebel hero Han Solo last encountered Fyzen Gor. After mounting a successful rebellion against the Empire and starting a family with an Alderaanian princess, Han hasn't given much thought to the mad inventor. But when Lando turns up at Han's doorstep in the middle of the night, it's Fyzen's assassins that he's running from. And without Han's help, Lando—and all life on Cloud City—will be annihilated. With the assistance of a young hotshot pilot, an Ewok slicer prodigy, the woman who might be the love of Lando's life, and Han's best and furriest friend, the two most notorious scoundrels in the New Republic are working together once more. They'll have to journey across the stars—and into the past—before Gor uses the device's power to reshape the galaxy.

### I Am Not Okay With This

NEW YORK TIMES BESTSELLER □ Set between the events of Return of the Jedi and The Force Awakens, the never-before-told story that began with Star Wars: Aftermath continues in this thrilling novel, the second book of Chuck Wendig's bestselling trilogy. It is a dark time for the Empire. . . . The Emperor is dead, and the remnants of his former Empire are in retreat. As the New Republic fights to restore a lasting peace to the galaxy, some dare to imagine new beginnings and new destinies. For Han Solo, that means settling his last outstanding debt, by helping Chewbacca liberate the Wookiee's homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue Grand Admiral Rae Sloane and the Empire's remaining leadership across the galaxy. Even as more and more officers are brought to justice, Sloane continues to elude the New Republic, and Norra fears Sloane may be searching for a means to save the crumbling Empire from oblivion. But the hunt for Sloane is cut short when Norra receives an urgent request from Princess Leia Organa. The attempt to liberate Kashyyyk has carried Han Solo, Chewbacca, and a band of smugglers into an ambush—resulting in Chewie's capture and Han's disappearance. Breaking away from their official mission and racing toward the Millennium Falcon's last known location, Norra and her crew prepare for any challenge that stands between them and their missing comrades. But they can't anticipate the true depth of the danger that awaits them—or the ruthlessness of the enemy drawing them into his crosshairs. Praise for Aftermath: Life Debt □Star Wars: Aftermath: Life Debt has found its place at the top of all the new canon works. Simply, outstandingly great Star Wars.□Star Wars Post □[Chuck] Wendig once again strikes gold, offering a sweeping narrative with plenty of insight into both the state of the galaxy at large and beloved characters both new and old.□Alternative Nation □With an intense plot, political intrigue and great

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED □ A companion novel inspired by *Star Wars: Battlefront*, this action-packed adventure follows a squad of soldiers caught in the trenches of the ultimate galactic war between good and evil. The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the Galactic Civil War rages. On the battlefields of multiple worlds in the Mid Rim, legions of ruthless stormtroopers□bent on crushing resistance to the Empire wherever it arises□are waging close and brutal combat against an armada of freedom fighters. In the streets and alleys of ravaged cities, the front-line forces of the Rebel Alliance are taking the fight to the enemy, pushing deeper into Imperial territory and grappling with the savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers□men and women, human and nonhuman□of the Sixty-First Mobile Infantry, better known as Twilight Company. Hard-bitten, war-weary, and ferociously loyal to one another, the members of this renegade outfit doggedly survive where others perish, and defiance is their most powerful weapon against the deadliest odds. When orders come down for the rebels to fall back in the face of superior opposition numbers and firepower, Twilight reluctantly complies. Then an unlikely ally radically changes the strategic equation□and gives the Alliance□s hardest-fighting warriors a crucial chance to turn retreat into resurgence. Orders or not, alone and outgunned but unbowed, Twilight Company locks, loads, and prepares to make its boldest maneuver□trading down-and-dirty battle in the trenches for a game-changing strike at the ultimate target: the very heart of the Empire□s military machine. Praise for *Battlefront: Twilight Company* □ A novel that ties in to a video game based on a sprawling sci-fi franchise shouldn□t be this good. . . . *Battlefront: Twilight Company* effortlessly thrusts readers onto the frontlines of the Galactic Civil War in a gripping tale.□□*New York Daily News* □ Compelling . . . an entertaining journey through a galaxy in turmoil . . . *Battlefront: Twilight Company* explores what

happens to the cannon fodder fighting and dying in the background of space opera's cinematic action sequences. Focusing on the life of a few low-ranking Rebel grunts caught up in a vast interstellar conflict, the novel is an enjoyable tale of interstellar adventure and drama. "IGN "Satisfyingly complex, immersive and moving . . . a war story unlike any Star Wars book that's come before it." Roqoo Depot "A military thriller [with] some pretty impressive actions scenes [and] the lived-in, gritty feel of the original trilogy . . . [Alexander] Freed shows us the military side of the Star Wars universe in a way that we haven't seen much before, while also giving readers new perspectives on classic characters and moments." Tech Times "Twilight Company is one of the greatest Star Wars stories ever about someone doggedly, cynically coming to understand why acting according to the light side is important." Den of Geek "The strongest canon piece of Star Wars literature thus far . . . sure to be a fan-pleasing favorite . . . Explosive action scenes and dark humor only punctuate this character-driven tale [with] heavy world-building and cameos from other characters throughout the Star Wars pantheon." Alternative Nation

Discover Captain Phasma's mysterious history in the official prequel to *The Last Jedi*, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the *Battlecruiser Absolution*, a captured Resistance spy endures brutal interrogation at the hands

of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past—and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.
