The Sum of a Thousand Dreams

The sum of a thousand dreams is novel about the human heart, in all of us. It is about love and about how a very special kind, can connects us to one of life's greatest mystery, which we often take for granted, where dreams are not just drawn or painted by some twisting of fate but preordained from a specific truth; that dreams do come around, knocking, wearing different names. I call them miracles. There's no secret, miracles happens every day and in this case, one came with pure intent and aided our hero, who at a very young age lost something he could never live without but only to find them again under a different light, at the same place where he left them in the first place and realized; all he needed was to open his eyes.

But when he's abruptly and mysteriously deported from Russia, Moura is left alone and vulnerable.
