Assigned temporarily to Intelligence so he can spend more time with his kids while his wife is hospitalized for chemotherapy, Boldt's role is to keep the FBI out of the Seattle Police Department's way. But FBI special agent Gary Flemming is a tough adversary--so tough it almost seems as if he's intentionally sabotaging the SPD's investigation. Then the Pied Piper snatches Boldt's own daughter, promising that unless Boldt throws both the Feds and the SPD off his trail he'll never see his child again. Caught between his professional obligations and his fear for Sarah's life, Boldt launches his own private manhunt with the help of John La Moia, his replacement in homicide, and police psychologist Daphne Matthews, his closest friend in the department. They form a sub rosa task force under the noses of the Feds and the SPD, and soon discover how the Piper has managed to stay a step ahead of the police, elude capture, and find his small victims. The chase moves from Seattle to Portland to New Orleans, culminating in a thrilling denouement in the daffodil fields of Washington's Skagit Valley. Combining strong characterizations with an impressive command of both policing and pacing, Ridley Pearson, author of Chain of Evidence and Beyond Recognition, delivers another sure winner in this outing for Lou Boldt. --Jane Adams

Magician's Gambit

King Garion sets out on a perilous quest to find his baby son, kidnapped by the mysterious Zandramas, a creature that is both woman and dragon.

The Elder Gods

David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the *Belgariad* and *Malloreon* sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the House at the End of the World, Althalus is confronted by a cat--a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older

than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* “Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike.” —Library Journal “The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming.” —Booklist “An engaging young reprobate hero . . . [A] magical realm of good-natured fun.” —Publishers Weekly “A compelling, involving story.” —Science Fiction Chronicle
