House of Darkness House of Light

Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be hell-bent.

Heart of Darkness

Villipede Publications' first horror and dark speculative fiction anthology will tenderly caress your amygdalae and viciously twist your imagination. With fifteen short stories and four poems from both established and upcoming authors, this haunting collection will force readers to reevaluate their thoughts on what darkness really is: something we're all born of yet perpetually trying to flee; a malevolent force that desires our servitude or destruction-or something that simply wishes to lock us in its cold, scaly, fathomless grip. Or perhaps, even, it's an asylum for our jittery minds and confused hearts-a place of solace where humans may patiently inspect their primal natures and desires . . . a place where the barriers between monster and man begin to shift and break down. The authors' origins span the breadth of the globe: the UK, Greece, Australia, Sweden, the US-and their stories are just as diverse. While the styles and subject matter of the stories may differ greatly, what is consistent is the dedication each author has harnessed to create unique fiction and scenarios of bewitching caliber. Holding Darkness Ad Infinitum in your trembling hands, you may find yourself faced with a simple ultimatum: Do you turn around and embrace the darkness of your own free will . . . or will it embrace you first? Contents: LONGBOAT - Becky Regalado, IN THE WALLS - Adam Millard, LOVE GRUDGE - Dot Wickliff, EARTH, RISEN - Pete Clark, SMUDGE - Jonathan Templar, THE HIGH PRIEST - C. Deskin Rink, STEALING DARKNESS - Geoffrey H. Goodwin, THE WESTHOFF VERSION - Patrick O'Neill, THE BURNING MAN - Tony Flynn, BLESS ME FATHER - Lisamarie Lamb, A LIGHT IN THE DARKNESS - Lawrence Salani PILING UP - Kallirroe Agelopoulou, DOOR TO INSANITY - Mathias Jansson, BRANNIGAN'S WINDOW - John Mc Caffrey, THE SONG THAT CRAWLED - Adam S. The Darkness: Darkness/Batman & Darkness/Superman 20Th Anniversary Collection

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

“Mary MacLane comes off the page quivering with life. She is before her time Moving.” - London Times With her first book - written in 1901, at age nineteen - she was hailed as a marvel by the likes of H.L. Mencken, Clarence Darrow, and Harriet Monroe. She went on to become a pioneering newswoman, gambler extraordinaire, bon vivant, and a star of the silent screen. She influenced Gertrude Stein, inspired F. Scott Fitzgerald, was puzzled over by Mark Twain, and upon her death in 1929 was eulogized as “an errant daughter of literature the first of the self-expressionists, and also the first of the Flappers,” as the creator of “that revolution in manners, that transvaluation of values in the female code of behavior known as the Roaring Twenties.” In this authoritative critical edition, the best of Mary MacLane returns to print. With the complete text of her striking first book (with all expurgated passages restored), a selection of her colorful newspaper feature articles, a full-length 1902 interview with the enigmatic author, detailed notes and bibliography, Tender Darkness: A Mary MacLane Sampler reacquaints the reading public with a literary genius who took on the establishment - and won. “Mary MacLane’s first book was the first of the confessional diaries ever written in this nation, and it was a sensation.” - N.Y. Times editorial “Anyone who reads her will never forget her voice.” - Biographile “She reminds us of the power of personal narrative, honestly told.” - The Atlantic “In a pre-soundbite age she already knew how to draw blood in one direct sentence.” - The Awl “She had a short but fiery life of writing and misadventure, and her writing was a template for the confessional memoirs that have become ubiquitous.” - The New Yorker “One of the most fascinatingly self-involved personalities of the 20th century.” - The Age “A girl wonder.” - Harper’s “Confessional journalists have people like Mary MacLane to thank.” - Flavorwire “Her diaries ignited a national uproar, ushering in a new era for women’s voices.

Her elegant, ambitious embrace of full-disclosure opened a door to what was possible for women.” - The Atlantic “Fiery frankness made her a pioneer.” - Time Out Chicago “Her poetry is one of extremes: lust for happiness, despair for life.” - Hairy Dog Review “Riveting.” - N.H. Public Radio “I Await the Devil’s Coming is a small masterpiece, full of camp and swagger.” - Parul Sehgal, NPR “Pioneering newswoman, later silent-screen star, considered the veritable spirit of the iconoclastic Twenties.” - Boston Globe “A pioneering feminist - a sensation.” - Feminist Bookstore News “First of the self-expressionists, and the first of the Flappers.” - Chicagooan Check marymaclane.com for exclusive content, news, and previews.
