The Exile

In Not the Israel My Parents Promised Me, one of the final graphic memoirs from the man who defined the genre, Harvey Pekar explores what it means to be Jewish and what Israel means to the Jews. Pekar ' s mother was a Zionist by way of politics, his father by way of faith, and he inevitably grew up a staunch supporter of Israel. But as he became attuned to the wider world, Pekar began to question his parents ' most fundamental beliefs. This book is the full account of that questioning. Over the course of a single day in his hometown of Cleveland, Ohio, Pekar and the illustrator JT Waldman wrestle with the mythologies passed down to them, weaving a personal and historical odyssey of uncommon wit and power. With an epilogue written by Joyce Brabner, Not the Israel My Parents Promised Me is an essential book for fans of Harvey Pekar and anyone interested in the past and future of the Jewish state.

Born in the year of Our Lord 1918, Claire Randall served England as a nurse on the battlefields of World War II, and in the aftermath of peace found fresh conflicts when she walked through a cleftstone on the Scottish Highlands and found herself an outlander, an English lady in a place where no lady should be, in a time—1743—when the only English in Scotland were the officers and men of King George ' s army. A Plague of Zombies: An Outlander Novella

This volume features four extraordinary stories featuring characters from the 'Outlander' series.

Seven Stones to Stand or Fall

Diana Gabaldon’s brilliant storytelling has captivated millions of readers in her bestselling and award-winning *Outlander* saga. In *An Echo in the Bone*, the seventh volume, Gabaldon continues the extraordinary story of the eighteenth-century Scotsman Jamie Fraser and his twentieth-century time-traveling wife, Claire Randall. Jamie Fraser, former Jacobite and reluctant rebel, is already certain of three things about the American rebellion: The Americans will win, fighting on the side of victory is no guarantee of survival, and he’d rather die than have to face his illegitimate son—a young lieutenant in the British army—across the barrel of a gun. Claire Randall knows that the Americans will win, too, but not what the ultimate price may be. That price won’t include Jamie’s life or his happiness, though—not if she has anything to say about it. Meanwhile, in the relative safety of the twentieth century, Jamie and Claire’s daughter, Brianna, and her

husband, Roger MacKenzie, have resettled in a historic Scottish home where, across a chasm of two centuries, the unfolding drama of Brianna's parents' story comes to life through Claire's letters. The fragile pages reveal Claire's love for battle-scarred Jamie Fraser and their flight from North Carolina to the high seas, where they encounter privateers and ocean battles—as Brianna and Roger search for clues not only to Claire's fate but to their own. Because the future of the MacKenzie family in the Highlands is mysteriously, irrevocably, and intimately entwined with life and death in war-torn colonial America. With stunning cameos of historical characters from Benedict Arnold to Benjamin Franklin, *An Echo in the Bone* is a soaring masterpiece of imagination, insight, character, and adventure—a novel that echoes in the mind long after the last page is turned. **BONUS:** This edition includes an excerpt from Diana Gabaldon's *Written in My Own Heart's Blood*.

Drums of Autumn

The fourth installation of Gabaldon's *Outlander* series, *Drums of Autumn* returns repackaged with official tie-in art from the blockbuster W Network television series *Outlander*, which will air its fourth season beginning in Fall 2018. In this breathtaking novel, rich in history and adventure, Diana Gabaldon continues the story of Claire Randall and Jamie Fraser that started with the now-classic novel *Outlander* and continued in *Dragonfly in Amber* and *Voyager*, and became the basis for the hit original TV series. It began at an ancient Scottish stone circle. There, a doorway, open to a select few, leads into the past—or the grave. Dr. Claire Randall survived the extraordinary passage, not once but twice, and on her second journey she and the eighteenth-century Scot, Jamie Fraser, are brought together again in the American colonies. But Claire had left someone behind in the twentieth century. Their daughter, Brianna. . . . Now Brianna has made a disturbing discovery that sends her to the circle of stones. In search of her mother and the father she has never met, she is risking her own future to try to change history . . . and to save their lives.
