After thirty years, Suzy McKee Charnas has completed her incomparable epic tale of men and women, slavery and freedom, power and human frailty. It started with *Walk to the End of the World*, where Alldera the Messenger is a slave among the Fems, in thrall to men whose own power is waning. It continued with *Motherlines*, where Alldera the Runner is a fugitive among the Riding Women, who live a tribal life of horse-thieving and storytelling, killing the few men who approach their boundaries. The books that finish Alldera's story, *The Furies* and *The Conqueror's Child*, are now available. Once you start, you won't want to stop until you've read the last word of the last book. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The God Engines

In Nova City, there are extraordinary people, capable of feats that defy the imagination. Shadow Star protects the city and manipulates darkness, and Pyro Storm is determined to bring the city to its knees using his power over fire. And then there's Nick who . . . well, being the most popular fanfiction writer in the Extraordinaries fandom is a superpower, right? Instead of fighting crime, Nick contends with a new year at school, a father who doesn't trust him, and a best friend named Seth, who may or may not be the love of Nick's short, uneventful life. It should be enough. But after a chance encounter with Shadow Star, Nova City's mightiest hero (and Nick's biggest crush), Nick sets out to make himself extraordinary. And he'll do it with or without Seth's reluctant help . . . Rainbow Rowell's *Fangirl* meets Brandon Sanderson's *Steelheart* in TJ Klune's YA debut: a queer coming-of-age story about a fanboy with ADHD and the heroes he loves.

Dead Man's Steel

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition Dick Davis—“our pre-eminent translator from the Persian” (*The Washington Post*)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the *Shahnameh* to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the *Shahnameh* is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the *Shahnameh* are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. Sometimes the price of destiny is higher than anyone imagined. Dark Magic, Hidden Destiny For three centuries a divine prophecy and a line of warrior queens protected Skala. But the people grew complacent and Erius, a usurper king, claimed his young half sister's throne. Now plague and drought stalk the land, war with Skala's ancient rival Plenimar drains the country's lifeblood, and to be born female into the royal line has become a death sentence as the king fights to ensure the succession of his only heir, a son. For King Erius the greatest threat comes from his own line — and from Illior's faithful, who spread the Oracle's words to a doubting populace. As noblewomen young and old perish mysteriously, the king's nephew — his sister's only child — grows toward manhood. But unbeknownst to the king or the boy, strange, haunted Tobin is the princess's daughter, given male form by a dark magic to protect her until she can claim her rightful destiny. Only Tobin's noble father, two wizards of Illior, and an outlawed forest witch know the truth. Only they can protect young Tobin from a king's wrath, a mother's madness, and the terrifying rage of her brother's demon spirit, determined to avenge his brutal murder.
