Throughout human history, thoughts, values and behaviours have been coloured by language and the prevailing view of the universe. With the advent of Quantum Mechanics, relativity, non-Euclidean geometries, non-Aristotelian logic and General Semantics, the scientific view of the world has changed dramatically from just a few decades ago. Nonetheless, human thinking is still deeply rooted in the cosmology of the middle ages. This is the book to change your way of perceiving yourself -- and the universe. Some say it's materialistic, others call it scientific and still others insist

Flying in the face of mainstream medicine and society's many health myths, this text reveals the most common but rarely recognized reasons behind illness and aging and provides remedies for continuous vibrant health.

Right Where You Are Sitting Now

This American underground classic is a rollicking cosmic mystery featuring Albert Einstein and James Joyce as the ultimate space/time detectives. One fateful evening in a suitably dark, beer-soaked Swiss rathskeller, a wild and obscure Irishman named James Joyce would become the drinking partner of an unknown physics professor called Albert Einstein. And on that same momentous night, Sir John Babcock, a terror-stricken young Englishman, would rush through the tavern door bringing a mystery that only the two most brilliant minds of the century could solve . . . or perhaps bringing only a figment of his imagination born of the paranoia of our times. An outrageous, raunchy ride through the twists and turns of mind and space, Masks of the Illuminati runs amok with all our fondest conspiracy theories to show us the truth behind the laughter . . . and the laughter in the truth.

Praise for Masks of the Illuminati “I was astonished and delighted . . . Robert Anton Wilson managed to reverse every mental polarity in me, as if I had been pulled through infinity.”—Philip K. Dick “[Wilson is] erudite, witty, and genuinely scary.”—Publishers Weekly “A dazzling barker hawking tickets to the most thrilling tilt-a-whirls and daring loop-o-planes on the midway to a higher consciousness.”—Tom Robbins “Wilson is one of the most profound, important, scientific philosophers of this century—scholarly, witty, hip, and hopeful.”—Timothy Leary

Cosmic Trigger I

From before the time of Christ, there have been rumors of a secret society called The Illuminatus vicious tribe of Druids with mystical, supernatural powers. Many saw them as demons or gods. Those who opposed them simply disappeared or met an even worse fate. Unknown to all but the very few, this group slowly infiltrated world organizations and financial institutions with a singular goal--to control the world's economic system. Now fast-forward to the year 2020. The Illuminati has succeeded in placing one of their people in the office of the presidency of the United States. With the worldwide launch of a financial system known as Data-Net, they suddenly have the power to single out groups of people and control their money, fuel, and food supply. How do you escape an unknown enemy operating at the highest levels who can track your every move? And how do you defeat a society that practices ancient rituals and appears to have power beyond the grave? The Illuminati is a futuristic thriller tied to ancient mysticism that will appeal to fans of The DaVinci Code and the Left Behind series. It will also leave readers wondering where fact ends and fiction begins.

Quantum Psychology

They are the most secret of organisations and the most powerful -- the Illuminati. They continue to shift the patterns of history to fulfil plans of their own, to open pathways to power which ordinary mortals are never meant to tread. It is 1776, and Sigismundo Celine, a young Neapolitan aristocrat and musician -- exiled from his homeland after an unfortunate duel -- has fled Europe for the American colonies. Here he will seek to master the next levels of metaphysical magic, and search for the Indian territories. In the meantime, the Irish fisherman, Moon, is caught up in revolution, his fate linked with George Washington and Lafayette. While Sigismundo prepares to contest the most powerful of the Indian medicine men, Moon, Washington, and the troops are waging an equally desperate battle for survival. THESE ARE THE EVENTS WHICH WILL SOON RESHAPE THE WORLD

Timeless Secrets of Health and Rejuvenation

Prometheus Rising describes the landscape of human evolution and offers the reader an opportunity to become a conscious participant. In an astoundingly useful road map infused with humor and startling insight, Robert Anton Wilson presents the Eight Circuits of the Brain model as an essential guide for the effort to break free of imprinted and programmed behavior, Bob writes, "We are all giants, raised by pygmies, who have learned to walk with a perpetual mental crouch. Unleashing our full stature-our total brain power-is what this book is all about." The Robert Anton Wilson Trust Authorized Hilaritas Press Edition

The Illuminatus!

A history of America's demons 1693: Cotton Mather suggests that the spirits attacking Salem are allied with the colony's human enemies. At their "Cheef Witch-meetings," he writes, "there has been present some French canadians, and some Indian Sagamores, to concert the methods of ruining New England." 1835: A gunman tries to kill Andrew Jackson. The president accuses a senator of plotting the assassination.

Ebook PDF Format The Illuminatus Trilogy The Eye In The Pyramid The Golden Apple Leviathan

Jackson's critics counter that the shooting was arranged by the president himself to gain public support. 1868: An article in the New-York Tribune declares that the Democrats have engineered malaria outbreaks in the nation's capital, pumping "the air, and the water, and the whisky of Washington full of poison." 1967: President Lyndon Johnson asks his cabinet if the Communists are behind the country's urban riots. The attorney general tells him that the evidence isn't there, but Johnson isn't convinced. Conspiracy theories aren't just a feature of the fringe. They've been a potent force across the political spectrum, at the center as well as the extremes, from the colonial era to the present. In *The United States of Paranoia*, Jesse Walker explores this rich history, arguing that conspiracy stories should be read not just as claims to be either believed or debunked but also as folklore. When a tale takes hold, it reveals something true about the anxieties and experiences of those who believe and repeat it, even if the story says nothing true about the objects of the theory itself. In a story that stretches from the seventeenth century to today, Walker lays out five conspiracy narratives that recur in American politics and popular culture. With intensive research and a deadpan sense of humor, *The United States of Paranoia* combines the rigor of real history with the punch of pulp fiction.

A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

The iLLamanati have emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who is channeled by our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle for the light. *Bloodlines of the Illuminati* was written by Fritz Springmeier. He wrote and self-published it as a public domain .pdf in 1995. This seminal book has been republished as a three-volume set by the iLLamanati. Volume 1 has the first eight of the 13 Top Illuminati bloodlines: Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, and Onassis. Volume 2 has the remaining five of the 13 Top Illuminati bloodlines: Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Volume 3 has four other prominent Illuminati bloodlines: Disney, Reynolds, McDonald, and Krupps.

The great modern classic of a brilliant rebel's personal exploration into the nature of consciousness Featuring a New Introduction by John Higgs "Cosmic Trigger deals with a process of deliberately induced brain change. This process is called "initiation" or "vision quest" in many traditional societies and can loosely be considered some dangerous variety of self-psychotherapy in modern terminology. I do not recommend it for everybody . . . briefly, the main thing I learned in my experiments is that "reality" is always plural and mutable." - Robert Anton Wilson from the Preface The Robert Anton Wilson Trust Authorized Hilaritas Press Edition

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The History Of The Ealty Illuminati They have been with us all through history: The "Invisible College" of wisdom, and their adversaries -- the destroyers -- who rise from the flames to burn again. The history of the world is their story: a conspiracy as vast and all-encompassing as the riddle of time itself. In Naples, Italy, in 1764, a young aristocrat is about to stumble onto one piece of the great pattern. Through a heartless murder and his passion for the beautiful daughter of his enemy, young Sigismundo Celine uncovers the mystery of the Rossi brigade, former M.A.F.I.A. assassins, and the secret agenda of the dreaded Inquisition. In the wind of the raging social storm that will soon tear through Europe and America with the flame of revolution, Sigismundo begins his journey of discovery, joined by the boy Mozart, Dr Frankenstein, Casanova the spy, lover and magician and a mysterious violet-eyed assassin who calls him "brother".

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamses, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as "The Ancient and Illuminated Seers of Bavaria," the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's international corporate logos, Knights Templar, assassins, *Skull and Bones*, whistle blowers, the revolutions in France, Russia, and America, and much, much more. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

The Fuck Up

Throughout history, secret societies have played a crucial role in shaping events that have created our world. Only an inner circle of power elite know the full extent of the influence of the conspiracy. It is Paris, 1772, and Sigismundo Celine knows he is destined to play an important part in this history-behind-history. The masons, the English nobility, the Jacobites, the Rosicrucians, the ruling clique of pre-Revolution France: these are but a few of the factions involved in the machinations and intrigue in which Sigismundo has become enmeshed. Thrown into the Bastille, shot at, assaulted by assassins, tortured, and brutally interrogated, he knows only what he is and what he must do to become the one spoken of in the old texts. But what he doesn't know could kill him: the secret powers of Maria, the Italian beauty who has become an English Lady; the Irish fisherman, Moon, who stumbles across the inner workings of an unsuspected cult; and the question they keep asking: the identity of The Widow's Son.

A story that entwines the fate of Cathars of southern France with the occult traditions of Courtly Love and the troubadours. Robert Joseph Shea (14 February 1933 - 10 March 1994) was the co-author of The Illuminatus! Trilogy with Robert Anton Wilson and the author of six other novels including Shike, All Things Are Lights, The Saracen, and Shaman. Robert Shea met Robert Anton Wilson in the late 1960s, when both were working in the editorial department of Playboy. Before long, they decided to collaborate on a novel that would combine sex, drugs, alternative religions, anarchism, and conspiracy theory, which became Illuminatus!. While they remained close friends for life, they had philosophical and political disagreements, and these enriched the book, helping to make it a dialogic novel in which no single point of view is privileged. On his own, Shea went on to write historical novels, including Shike (1981), All Things Are Lights (1986), and what probably is his most underrated work--The Saracen, a book published in two parts in 1989 depicting the struggle between a blond Muslim warrior called Daoud Ibn Abdullah and his French crusader adversary Simon De Gobignon. It's a book of love, intrigue, and suspense during the time of the Crusades. It is a book that avoids racial and religious stereotyping and is at times very sensual. His last book was the Native American tale Shaman (1991). Robert Joseph Shea attended Manhattan Prep, Manhattan College and Rutgers University and worked as a magazine editor in New York and Los Angeles. In the 60's he edited the Playboy Forum where he met Robert Anton Wilson, with whom he collaborated on Illuminatus! After publishing Illuminatus!, Bob left Playboy to become a full time novelist. His novels include: Shike, set in medieval Japan. All Things Are Lights, a story that entwines the fate of Cathars of southern France with the occult traditions of Courtly Love and

the troubadours. The Saracen, describing the intricate politics of medieval Italy through the eyes of an Islamic warrior. Shaman, tracing the fate of the survivors of the Black Hawk War in 19th century Illinois. Lady Yang, a tragic story of an idealistic empress of medieval China.

The story of Rankin, who prided himself on knowing how to handle robots, but did not realize that the robots of the Clearchan Confederacy were subject to a higher law than implicit obedience to man. Short story Excerpt They had come to pass judgment on him. He had violated their law--willfully, ignorantly, and very deliberately. "Our people will be arriving to visit us today," the robot said. "Shut up!" snapped Rod Rankin. He jumped, wiry and quick, out of the chair on his verandah and stared at a cloud of dust in the distance. "Our people--" the ten-foot, cylinder-bodied robot grated, when Rod Rankin interrupted him. "I don't care about your fool people," said Rankin. He squinted at the cloud of dust getting bigger and closer beyond the wall of kesh trees that surrounded the rolling acres of his plantation. "That damned new neighbor of mine is coming over here again." He gestured widely, taking in the dozens of robots with their shiny, cylindrical bodies and pipestem arms and legs laboring in his fields. "Get all your people together and go hide in the wood, fast." "It is not right," said the robot. "We were made to serve all." "Well, there are only a hundred of you, and I'm not sharing you with anybody," said Rankin. "It is not right," the robot repeated. "Don't talk to me about what's right," said Rankin. "You're built to follow orders, nothing else. I know a thing or two about how you robots work. You've got one law, to follow orders, and until that neighbor of mine sees you to

give you orders, you work for me. Now get into those woods and hide till he goes away." "We will go to greet those who visit us today," said the robot.

The Luminaries

Filled with sex and violence--in and out of time and space--the three books of The Illuminatus are only partly works of the imagination. They tackle all the coverups of our time--from who really shot the Kennedys to why there's a pyramid on a one-dollar bill. From the Trade Paperback edition.

Schrödinger's Cat

Is all of history a vast conspiracy? Cosmic joke? Robert Anton Wilson developed the story of the Illuminati, a conspiracy as old as time itself, as a vehicle to amuse and enlighten. His best-selling books, The Illuminati Trilogy and Cosmic Trigger, have delighted readers the world over and made the Illuminati conspiracy the perfect metaphor for our time. In the ILLUMINATI PAPERS, Robert Anton Wilson speaks through characters from his novels and other realities and presents his views on our future way of life. Includes The HEAD Revolution Secrets of Evolution How to Eliminate Stupidity Illuminati Interoffice Memos The Position Papers of Hagbard Celine Economic Liberation The Usual Gang of Lunatics, Mystics, and Characters Clamoring for a New Social Order
