to defend her ancestral home, Blackbriar Keep, from a gang of landless knights. She even manages to sink a poison-tipped arrow into their commander, who survives long enough to conquer the Keep and claim Calista for his own. Now, with her father's life at stake, Calista must nurse the brigand back to health, and the strangest thing happens: She finds herself fascinated by his tautly muscled body, and enthralled by his hotly whispered demands. Ever since his father's death, the fearsome warrior they call Torch has been consumed by his quest for revenge. Taking Blackbriar Keep is the first step in that plan, and—by the three gods—it won't be the last. But after taking one look into Calista's smoldering gray eyes, Torch discovers a passion nobler than retribution. He will fulfill his destiny and take her from the usurper king, even in his weakened state. For with Calista's love, no man has ever felt more powerful. The Primer

Although most of humanity is unaware of it, the world always has a way of protecting itself from the forces of darkness. The essences of fire, wind, water, electricity, earth, and spirit are willing to fight against the evil, although they must enter human hosts to do so. These people, called the Destined, arise roughly every seven hundred years to fight against oppression. And now the powers have chosen six hosts to protect the world: five teenagers and one teacher. As fate works to gather these chosen protectors, the earth finds itself under attack. Although world leaders of the past have been determined to conquer the known world, globalization and population growth have mostly caused the prominence of this goal to fade among the nations of the earth. But now a new force that apparently has world domination in mind has launched an assault against the entire world,

and no government can pinpoint the source of the attack. The people of earth seem doomed. In preparation for the fight of their lives, the six Destined must work quickly to understand their powers and learn to work together if they are to have any hope of keeping humanity safe.

Destined for the King is a true story turned to fiction of how a young innocent teenage girl was forced out of school by the events of a civil war that erupted in her country, Nigeria. In her time, formal education for the female child was a mirage. Her father, an astute politician, took exception to this norm, but the civil war threatened his perspective. Uju averted every attempt to be married off into polygamy during the civil war. She went through dangerous, mind-blowing experiences to avert this dilemma. Most of her counterparts were not so fortunate. She went back to school after the devastation. Through so many challenges, she became a university graduate, and a divinely orchestrated chain of events saw her through to the throne—a queen of an ancient kingdom. Destined to Die takes place in occupied East Jerusalem, the West Bank, and Lebanon (1979). Nabeel, a student at Bir Zeit University, is arrested on unsubstantiated charges of terrorism. Interrogated and tortured by Major Rosenberg, he is held in solitary confinement for weeks. Released, he decides to go to Lebanon to join the PLO. His devoted girl-friend, Samira-a fellow student-insists on going with him. Earlier, Dr. Johnson-the American director of an archaeological institution where Nabeel's father works-attempts to get Nabeel released from prison. Troops storm his offices, everybody is searched, and he is investigated by Major Rosenberg. Accusations and coercions eventually lead to Johnson's downfall from office. The scene shifts to war-torn Beirut and, later, to the "security belt" zone in South Lebanon. Nabeel spearheads an attack on an Israeli post and is killed just as he captures it. To avenge his death, Samira undertakes a suicide mission which destroys a landed Israeli commando unit in Beirut about to assassinate two

Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

Play the Man

On the night of August 28, 1939 in a romantic garden in the city of Lvov a young Jewish couple declared their love. Early the next morning the young man, an army reservist, was suddenly called up as Poland prepared to defend itself against the imminent Nazi onslaught. So began the desperate odyssey of Wilo Ungar. In this tale the reader follows a soldier into the crucible of the Blitzkrieg. The only Jewish fighter in his unit, Ungar volunteered for a perilous mission and was badly wounded in the collapse of Poland's dramatic last-ditch effort to break the German

advance. Given the last rites by a priest who believed he was Catholic, for months afterward Wilo languished in a German military hospital, where his captors were equally ignorant of his identity. Finally released, he made his way on crutches back through war-ravaged Poland sustained only by an unquenchable need to be reunited with his beloved. Wilo and Wusia were married, secure in the belief that Hitler would not dare to attack Soviet-occupied eastern Poland. With Wusia pregnant and near term, the German armies smashed across Russian lines and Lvov's Jews were thrown into the terror of the Holocaust. For a year, Wilo, Wusia and their baby Michael evaded the Nazi roundups, but on a warm June day in 1942 their luck ended. In a massive deportation action, Wilo was sent to the right, Wusia and Michael to the left. In a moment his wife and child were gone, disappeared into the void of "resettlement in the east." Thus began Wilo's second journey - to find his vanished loved ones and to survive himself in a place where the Nazi death machine was in full cry.

Destined

This is a story of the unexpected. In *Destined to Witness*, Hans Massaquoi has crafted a beautifully rendered memoir -- an astonishing true tale of how he came of age as a black child in Nazi Germany. The son of a prominent African and a German nurse, Hans remained behind with his mother when Hitler came to power, due to concerns about his fragile health, after his father returned to Liberia. Like other German boys, Hans went to school; like other German boys, he swiftly fell

under the Fuhrer's spell. So he was crushed to learn that, as a black child, he was ineligible for the Hitler Youth. His path to a secondary education and an eventual profession was blocked. He now lived in fear that, at any moment, he might hear the Gestapo banging on the door -- or Allied bombs falling on his home. Ironic,, moving, and deeply human, Massaquoi's account of this lonely struggle for survival brims with courage and intelligence.

Mogli Bi is an English Lit major who is living in New York City, where she owns a cafe-cum-bookstore by the name of Lelebollente. Everything is going well in her life, except for one thing — she keeps having the same dream. It is hazy, and she dismisses it most of the time, thinking it's just the stress of running her coffee shop all by herself. That was until she sees the dream in such vivid detail that it feels like she lived through it. What she sees in her dream is something out of a movie. Another life that feels miles apart from her reality. A disembodied voice instructs her, “fulfill your destiny!” She wakes up from the dream in a pool of sweat. All she can think of is the name ‘Michael Waters.’ What follows is heartbreak, a battle for control, a whirlwind romance, and a meeting with fate. She meets the man of her dreams; however, he is not what she thought he would be. Enter Michael Waters, a man with multitudes – smart, handsome, rich yet he has a shadow. He is stern and stoic, a man of few words. One fateful day, he enters Mogli's coffee shop. She never thought that she would see him in the flesh. She wants to approach him, but before she could utter a word, he grabs his coffee and rushes out the door. This chance encounter propels Mogli to take on a journey, one where she learns to conquer fate.

The Destined

Welcome to the Age of Aquarius, an exciting time to be alive in Chicago during the year 1974. This is a tale about a man society turned its back on simply because he was different. In a moment of passion, he commits murder, then later encounters a lovely woman who recognizes his suffering. Both souls are damaged, but their combined anguish begins their redemption. Although the first chapter is powerful, this is not a slash-and-burn story, but a thrilling love tale that shows what the smallest amount of caring can accomplish. The author does not preach but lets all the stirring characters work their magic. *Some Are Destined* is a page-turner about a time half the population remembers as if yesterday, so take a deep breath and enter the Devils Den disco bar with care. If you want to experience the 70s in Chicago, meet thought-provoking characters, and read something edgy and unpredictable, this is your chance to be captivated and enjoy a great story.
