But Robyn will not tolerate Ptolemy's hermitlike existence. She challenges him to interact more with the world around him, and he grasps more firmly onto his disappearing consciousness. However, this new activity pushes Ptolemy into the fold of a doctor touting an experimental drug that guarantees Ptolemy won't live to see age ninety- two but that he'll spend his last days in feverish vigor and clarity. With his mind clear, what Ptolemy finds-in his own past, in his own apartment, and in the circumstances surrounding his grand-nephew's death-is shocking enough to spur an old man to action, and to ensure a legacy that no one will forget. Alphabet Squadron (Star Wars)

The first novel in a new trilogy starring veteran New Republic pilots! On the brink of victory in a brutal war, five New Republic pilots transform from hunted to hunters in this epic Star Wars adventure. Set after Return of the Jedi, Alphabet Squadron follows a unique team, each flying a different class of starfighter as they struggle to end their war once and for all. The Emperor is dead. His final weapon has been destroyed. The Imperial Army is in disarray. In the aftermath, Yrica Quell is just one of thousands of defectors from her former cause living in a deserters' shantytown—until she is selected to join Alphabet Squadron. Cobbled together from an eclectic assortment of pilots and starfighters, the five members of Alphabet are tasked by New Republic general Hera Syndulla herself. Like Yrica, each is a talented pilot struggling to find their place in a changing galaxy. Their mission: to track down and destroy the mysterious Shadow Wing, a lethal force of TIE fighters exacting bloody, reckless vengeance in the twilight of their reign. The newly formed unit embodies the heart and soul of the Rebellion: ragtag, resourceful, scrappy, and emboldened by their most audacious victory in decades. But going from underdog rebels to celebrated heroes isn't as easy as it seems, and their inner demons threaten them as much as their enemies among the stars. The wayward warriors of Alphabet Squadron will have to learn to fly together if they want to protect the new era of peace they've fought so hard to achieve. Part of a Marvel and Del Rey crossover event, Alphabet Squadron is the counterpart to Marvel's TIE Fighter miniseries, which follows the exploits of Shadow Wing as they scheme to thwart the New Republic.
