Shadows for a Princess

A lively and poignant biography of the young princess who, at the impressionable age of eleven, found that she was now heiress to the throne, by the New York Times bestselling author of Becoming Queen Victoria. We can hardly imagine a Britain without Elizabeth II on the throne. It seems to be the job she was born for. And yet for much of her early life the young princess did not know the role that her future would hold. She was our accidental Queen. Elizabeth's determination to share in the struggles of her people marked her out from a young age. Her father initially refused to let her volunteer as a nurse during the Blitz, but relented when she was 18 and allowed her to work as a mechanic and truck driver for the Women's Auxiliary Territorial Service. It was her forward-thinking approach that ensured that

her coronation was televised, against the advice of politicians at the time. Kate Williams reveals how the 25-year-old young queen carved out a lasting role for herself amid the changes of the 20th century. Her monarchy would be a very different one to that of her parents and grandparents, and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman.

The Selection Series 1-5: the Selection, the Elite, the One, the Heir And the Crown

This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

Broken Prince

This is a typical enemies-turn-to-lovers romance story between two young men. When Crown Prince Shen Qinghan actually married Lin Jie, a street vendor, countless girls who adored the prince were heartbroken. And the cause of this seemingly absurd event was a promise made by the Emperor when he was young. On the wedding day, the Crown Prince didn't seem happy at all. After all, he did not wish to marry Lin Jie on his own accord. Lin Jie, who was about to become the crown princess, was also confused. He had indeed thought of marrying a rich man in the future, but he had never thought of marrying the current crown prince! Lin Jie wanted to run away from the marriage, but the Crown Prince caught him while he was climbing the wall. Because his shoes were a bit too big, one shoe fell off and hit the Crown Prince in the face Lin Jie was so scared, sitting still on the wall. "Get off." Shen Qinghan said, showing little emotion. This is awkward. ?About the Author? Ye Dong, one of the best BL/Yaoi writers. Her novels often feature creative storylines and bitter-sweet secret love between main characters.
