Xavier Blackwood is the man every girl at my college dreams about at night, myself included but I'd never let anyone know that. Standing at 6'8 with steel grey eyes he's a walking wet dream but he's also a world-renowned a-hole. Who would have thought one night after dragging myself home after doing double shifts at the diner I'd be jumped by three men only to have Xavier come to my rescue. Oh yes, Xavier bloody Blackwood saved my life but the thing I saw, the CREATURE that ripped those men to shreds wasn't the Xavier everyone knows. He wasn't human. He was a wolf, a demon, a creature from myths and it was the most amazing sh\*t I've ever seen until he attacked me too and knocked me out. Humans that learn about the existence of werewolves have to die. There are NO exceptions. So you see, sometimes the person that saves you only CONDEMNS YOU to a worse hell.

This book is filled with thought provoking imagery that will change your view of people in your life. Books 2 & 3 to be released soon. If you had the ability to change someone's fate would you? Excerpt: Vivid dreams plagued me throughout the night; I could only vaguely remember the earlier ones, but the last nightmare had woken me abruptly this morning leaving me gasping for air. It had started simply enough, I was walking through a long meadow, my hands outstretched, brushing the waist high grass. The sun was warm on my face. It was summertime, and I wore a thin blue cotton dress adorned with tiny white flowers, wide straps across my shoulders, the material tickling my

calves. My hair was long and caught in a warm breeze, the chocolate brown tendrils spinning like a kite tail behind me. Gabriel materialized in the field, his blue eyes matching the bright sky. His smile was mesmerizing, his skin glowing. It was a radiant shine that brightened the day even more. He wore brown pants and a plain white cotton shirt with no collar that was open at the throat as if the clothes were from a different time. When I noticed him, his hands reached for me. I started towards his direction, slowly at first and then picking up speed. The grass swished around me, and it was soft under my bare feet. The faster I went the further away he was. He encouraged me, "Run, Jenna." I smiled and tried to sprint. My foot became tangled in the grass, and I spilled forward, twisting, and the meadow cushioned my fall. He was beside me in an instant, catching my head before it hit the earth. His right hand grabbed mine, clutching it to his chest in a tender embrace. Gabriel's face was over the top of mine, a concerned worry pulling his mouth into a frown. I dissolved into a fit of giggles, and he laughed with me. He stared at me with such a longing; I shivered even now. Gabriel's expression became serious, and before I could question him, he kissed me. I relished his warm lips as they push against mine, capturing the moment like a photograph in my head. He pressed harder and then pulled away quickly. When I opened my eyes his gaze was still upon me, but his features were now dark, and his crystal irises clouded with worry. He whispered, "Run, Jenna." Suddenly I found the pasture empty; Gabriel was nowhere in sight and in my hand there was a strange coin. Frightened, I tried to shout for him, but I couldn't form any words. The green grass suddenly faded to grey and then to bare dirt. Surveying my surroundings, I was shocked to find that I was in the middle of a cemetery with tombstones sticking at awkward angles out of the ground. A scream froze in my throat as I stumbled to my feet. My dress was

dirty, and my feet caked with soil. I stumbled along, angry raindrops falling from a threatening sky. The field was filled with hundreds of memorials, and I ran, weaving between them, careful not to touch a single granite stone. Ahead of me was a large tree, thick and black, ominous. Under it, I could barely make out a figure in the pouring rain. As I got closer, I swore it was my father's stature, facing away from me. I moved towards it, trying to make it to safety as lightning cracked overhead. Mud flung from my feet, leaving spotted dots on my dress but I didn't care. My slick, dirty hand grasped the token, my hair now soaked. I came to stop outside of the perimeter of the tree, a distinct line between wet and dry, like a waterfall with shelter behind it. I stood trembling, the rain coming down in sheets, the body just out of reach. I took a breath and reached through the water curtain touching the person's arm. As they turned, I gasped

academy once stood a new one has sprung up. This one looks more modern, with incredible technology. Danny has been named Headmaster, a title he is very uncomfortable with, after Sarlak's defeat and Uncle Johnny's retirement. At a young age he must decide if he will act as the Dream Fighters' leader or savior, and decides he must save them from the coming attack. Even with his immense powers, he is defenseless against this force. When the Dream Fighters discover Danny has been captured, they launch a rescue mission, unaware that a large, technologically advanced enemy awaits them. Braden assumes control of the rescue force, and must somehow figure out how to beat an enemy that clearly outnumbers him in both fighters and machines. This fourth installment in the Dream Fighter Chronicles shows the fighters growing up and facing serious decisions with dangerous consequences. Enemies old and new will appear, along with a class of new recruits with unique powers. In investigating the Nowhere Kids, the Dream Fighters discover many secrets, including who Allie (the Academy Library Learning Intelligence) really is. ### **The Wheel of Time Companion**

An eye-opening look at one mother's determination to provide positive male role models for her son, and the power of great mentoring to change lives. When MaryAnne Howland's son was turning thirteen she organized a "Black Mitzvah" rite of passage celebration for him. Max is one of the one-in-three children in America being raised without a father in the home. Among African-Americans, that number is reported to be as high as 72 percent. To help fill the father-shaped hole in Max's life as he transitioned from boyhood to manhood, MaryAnne invited four men from different corners of her life --an engineer, a philanthropist, a publisher, and a financial planner--to become Max's mentors. Max has faced many challenges. As a boy without a consistent father figure in his life, as an African-American male in a time when race relations in this country continue to be fraught, and also because Max was born premature and as a result has cerebral palsy, he has had to be a true warrior. On the brink of manhood, his mother wanted to give him the benefit of men who could answer some of the questions she felt that she, as a woman, might not be able to answer. Through his adolescence, Max's mentors have shared valuable insights with him about what it means to be a good man in the face of life's challenges. These lessons, recounted in this book, will serve as a powerful roadmap for anyone wishing to support boys as they approach manhood.

Seven Pillars of Wisdom is the autobiographical account of the experiences of British soldier Thomas E. Lawrence (1888-1935) ("Lawrence of Arabia"), while serving as a liaison officer with rebel forces during the Arab Revolt against the Ottoman Turks of 1916 to 1918. Charles Hill has called the Seven Pillars "a novel traveling under the cover of autobiography," capturing Lawrence's highly personal version of the historical events described in the book. Lieutenant Colonel Thomas Edward Lawrence, known professionally as T. E. Lawrence, was a British Army officer renowned especially for his liaison role during the Arab Revolt against Ottoman Turkish rule of 1916–18. The extraordinary breadth and variety of his activities and associations, and his ability to describe them vividly in writing, earned him international fame as Lawrence of Arabia, a title which was used for the 1962 film based on his World War I activities. " The book is very well illustrated. "

## **A Feast for Crows**

Over the hills and far away, a man suddenly finds after being struck by lightning that he is no longer walking in the Cumbrian Fells but is somewhere else entirely. Where that is, however, he does not know. The hills and mountains, lush green forests and the sea pounding at the shore are all unfamiliar and seem to beckon to him, drawing him from the paths and into the land itself. Yet he has little time to familiarise himself with these tantalising new sights and sounds that call to him before an unfortunate accident ends with him destroying a lighthouse and soon after a trading vessel that belongs to a mysterious ruler known only as, "The Keel." Soon he is abducted by the shipwrecked crew and they decide to take him to their master to stand trial for the wanton destruction of his property. There is, however, one problem. The journey overland through the countryside that is a mystery to him will take weeks to cover, and the journey grows hazardous as they walk further across the fertile green plains and mountains of a place he now knows to be called, "Felastia." It all started with the mysterious woman: the

red-headed girl who would arrive at his place of work unannounced and ask to be fed. Yet she is more than she looks, for he cannot seem to either shake her from his thoughts, but neither can he find her. She seems to have vanished into thin air. Or has she? But there are others in this land that are waiting for him: mysterious spheres of light that seem to follow his every move, spying on him. There are servants of darkness that seem to be showing an unhealthy interest in him too, for forces are abroad that are seeking him out for purposes known only to themselves, and soon he will find himself embroiled in a war, his part in which is to prove to be the adventure - and journey - of a lifetime. "Lost in Translation" is the first part of "Into the Light," and the start of a new epic fantasy trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. Over the hills and far away, Paul has travelled far into the lands of Felastia though he has yet to have his reckoning with the mysterious figure known only as, "The Keel." His adventures have been many and the strange magical land he finds himself in continues to enchant him at every turn. Yet he knows now that there are dangers too in this land of magic and beauty. Marked by the strange Shadow creatures and the Green Man himself, a battle rages within him for dominance, and his reluctance to choose a side sees within him the danger that he may fade and become mist, dispersed by the wind and lost to all. Now though the mysterious woman known only to him as Aoife has been found, and it is time for him to pick a side, for she has great need of him, as do the nations of Felastia, for war approaches, and soon events will combine to over-run them all. "The Road of the Sun" is part two of "Into the Light," a new trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. "Into the Light"
