#### The Story of My Life

Sometimes, rather than making you laugh or cry out in surprise, a story will instead leave you wondering about human fragility. In the telling of his own tale, children's author and screenwriter Paul Jennings demonstrates how seemingly small events can combine into a compelling drama. As if assembling the pieces of a jigsaw puzzle, he puts together fragments, memories and anecdotes to reveal the portrait of a complex and weathered soul. *Untwisted* is revealing, moving and very funny. For adults.

(1924). Some of his other notable cases included defending Ossian Sweet, and John T. Scopes in the Scopes "Monkey" Trial (1925), in which he opposed William Jennings Bryan (statesman, noted orator, and three-time presidential candidate). Called a "sophisticated country lawyer," he remains notable for his wit, which marked him as one of the most famous American lawyers and civil libertarians. Today, Clarence Darrow is remembered for his reputation as a fierce litigator who, in many cases, championed the cause of the underdog; because of this, he is generally regarded as one of the greatest criminal defense lawyers in American history and therefor has he served as a model for almost every lawyer on film or television.

Farah Ahmedi recounts her heartbreaking journey from war-torn Kabul to America in her New York Times bestselling inspirational memoir. Farah Ahmedi's "poignant tale of survival" (Chicago Tribune) chronicles her journey from war to peace. Equal parts tragedy and hope, determination and daring, Ahmedi's memoir delivers a remarkably vivid portrait of her girlhood in Kabul, where the sound of gunfire and the sight of falling bombs shaped her life and stole her family. She herself narrowly escapes death when she steps on a land mine. Eventually the

A "brilliant" novel of a party girl in 1980s Manhattan, by the author of *Bright Lights, Big City* (*The Sunday Times*). Twenty-something aspiring actress Alison Poole is well versed in hopping the clubs, shopping Chanel, falling in and out of lust, and abusing other people's credit cards. As she traverses nocturnal New York with her coterie of coke-addicted friends—and races toward emotional breakdown—the author of *Brightness Falls* and other acclaimed works of fiction gives us a funny, poignant portrait of a postmodern Holly Golightly coming to terms with a world in which everything is permitted and nothing really matters. "Jay McInerney has proven himself not only a brilliant stylist but a master of characterization, with a keen eye for incongruities of urban life." —*The New York Times Book Review* "[McInerney's] talent for capturing the nuances and idiosyncrasies of our culture [in *Bright Lights, Big City*] is even more powerfully evident in *Story of My Life* . . . This book leads you through Afghani religion, politics, and culture in different times of history. This country has always been invaded by surrounding countries, as well as super powers. However, Afghans are free people, who are fond of freedom, with a free hospitable spirit and have always pushed the invaders back to their place. Afghanistan has its own tradition of food, sport and music, which are now world re known. Afghanistan is also a beautiful country with mountains, rivers, and lovely valleys, which unfortunately are over-shadowed by the politics. This book gives you information about the problems, that Afghanistan has and why they are difficult to resolve, despite a lot of help from other countries and international organizations. The political competition from neighboring countries and super powers may cause Afghanistan to either move ahead quickly or be destroyed to the ground. Almost all of the weapons come to this country from different parts of the world. None are made in Afghanistan. Afghan people are mostly making carpets, handicrafts, furniture, clothes, shoes, coats, and jewelery, and etc. not weapons. Most of the people were and are farmers, not soldiers. This books is a call for people to work shoulder to shoulder, in order to bring peace and prosperity to this beautiful country. A powerful memoir of a true Australian legend: stolen child, musical and lyrical genius, and leader. Not many have lived as many lives as Archie Roach – stolen child, seeker, teenage alcoholic, lover, father, musical and lyrical genius, and leader – but it took him almost a lifetime to find out who he really was. Roach was only two years old when he was forcibly removed from his family. Brought up by a series of foster parents until his early teens, his world imploded when he received a letter that spoke of a life he had no memory of. In this intimate, moving and often shocking memoir, Archie's story is an extraordinary odyssey through love and heartbreak, family and community, survival and renewal – and the healing power of music. Overcoming enormous odds to find his story and his people, Archie voices the joy, pain and hope he found on his path through song to become the legendary singer-songwriter and
